## ACCOMPLISHMENTS

- Teaching Adobe Illustrator, Photoshop, XD and etc. digital design tools and skills to high school students. Concentration placed on illustration techniques, photo manipulation and mobile design skills.
- Designing digital artwork and design for commission based projects. Tools used include Adobe Illustrator, Photoshop, XD, Sketch, Indesign, Invision and Balsamiq. Artwork includes painting, drawing and illustration.
- Teaching and writing curriculum for K-6 students based on Florida art and design standards. Including all mediums of traditional art making techniques and art history. In addition, I developed the curriculum and taught a weekly art STEAM lesson based on science standards for each grade level. The standards were chosen after analyzing test scores to identify the weakest areas for students.
- Daily operations manager role that included P&L report analysis, sales, production, supply ordering, staff scheduling, and managing employees.
