EXPERIENCE

UI/UX Designer - Intern

Apollo DAE

AUGUST 2020 – PRESENT - 3 months, New York City - *Remote*

Worked on user research, brainstormed user scenarios, feature prioritization, designed mobile app interfaces, followed Apollo DAE's design principles, and worked with other design interns collaboratively to come up with solutions.

Tester

UserTesting

May 2016 - PRESENT - 4 years, *Remote*

Review websites and apps, give feedback on the customer's current products. My main focus on this job is to test a site's usability and overall experience.

Delivery Driver

Uber

Jun 2017 - PRESENT - 3 years, Seattle

Deliver meals to customers in a prompt and courteous manner. Communicate efficiently and politely with restaurant staff and customers to guarantee a successful delivery experience.

Sales Associate/Cashier

Eddie Bauer

Jun 2016 - Oct 2017 - 2 years, Woodinville

Provided genuine customer service to store visitors and also served as a cashier. Awarded employee of the month twice.

EDUCATION

BA Interactive Media Design

University of Washington - Current GPA: 3.91

2019 - 2021, Bothell

The IMD program goes over the theory and application of designing solutions for complex problems.
