EXPERIENCE

Product Designer

Hyro.ai

Jun 2021 – Dec 2022

1 yr 7mo

- Collaborated with Designers, Product Managers, and Engineers to align solutions and plan the vision of conversational AI products.
- Translated concepts into user flows, wireframes, mockups and prototypes that lead to intuitive user experiences.
- Built and maintained a design system for the product in Figma.
- Worked closely with engineers to ensure the implementation matches visual design.

Product Designer

GlucoMe

May 2018 – Apr 2020

2yr

- Led the design field in a medical startup focus on diabetes health care.
- Worked closely with the CEO, CTO, Medical director and Developers.
- Translated business goals into user experience solutions that meet the needs of customers.
- Executed all visual design stages from concept to final hand-off to developers using tools such as Sketch, Zeplin and Invision.

UX/UI Designer

Netcraft

May 2015 – May 2018

3 yrs 1 mo

- Designed user interface for a wide range of clients including: DellEMC, Verint, Leadspace, IDI Insurance, Bank Mizrahi.
- Created UI concept based on ideation, high-level requirements and wireframes for web and mobile apps.
- Created clickable interactive prototypes and animation.
- Worked closely with Product managers, UX experts, and front-end developers to provide the best practice principles.
- Mentored junior designers and shared my professional knowledge with peers.

EDUCATION

UX and FED Crouses

Netcraft Academy

2016 – 2017
