

MARIA MC CORMICK

UX DESIGNER

EXPERIENCE

Project Manager (2 yrs) & Sr. Project Analyst (2 yrs) | TD Bank

AUG 2015 - OCT 2019, TORONTO, ON

- Awarded (Legendary Award Q1) for facilitating extraordinary customer, colleague experience and work cross-functionality to create ongoing impact while managing projects.
- Awarded (Act for Impact Award 2018 & 2019) in recognition of dedication to customer and project success for demonstrating TD's shared commitments in my contribution and support programs and projects for the Anti-money laundry dept.
- Developed long-range plans to accomplish the project's goal by building an effective team, closely tracking risk & issues management and coordinating activities across teams.

Project Control Office (PCO) | CIBC (CGI contractor)

APR 2013 - MAY 2015, TORONTO, ON

- Designed and led the implementation of new project management enterprise processes called "Rapid delivery" based on Agile methodology to expedite large projects management.
- During three consecutive years I ensured smooth approvals and zero audit findings in the compliance with banking internal audit and regulatory bodies requirements.

Telecommunication Project Analyst | DUPONT

FEB 2012 - SEP 2012, MISSISSAUGA, ON

- Assisted with implementation of the new telephone system, network and wireless solutions across Canada, with focus on cost optimizations and improvement in mobile communication.
- Conducted project research, requirements gathering and analysis to identify trends in mobility usage and recognize cost savings for DuPont's mobility strategy.

IT Project Manager & Head of Department | BANESCO

MAY 2004 - ABR 2011, CARACAS, VENEZUELA

- Delivered more than 15 digital solutions for internet banking department from from inception to completion
- Designed a new set of processes and best practices to deliver solutions in collaboration with the Project Management Office
- Mentored staff in methodology and consulting excellence related to project management discipline.
