

Eric Saber

Product Designer

WORK EXPERIENCE

Fearless, New York, NY — *UI Designer*

FEB 2020 - MAR 2020

- Collaborated with a cross-functional team to redesign the Fearless web experience
- Conducted research and user interviews to discover key business problems and user needs
- Implemented Lean UX and Design Thinking methodologies to deliver design solutions that included style tiles, high fidelity mockups, prototypes, microinteractions, and a design system

Outer Calm, New York, NY — *Founder, Professional Organizer*

MAY 2017 - JAN 2020

- Developed digital systems and sales processes for businesses
- Worked with individuals to ensure clutter-free environments
- Invited to speak about organization strategies at various companies, including Uber, at their New York headquarters

Tenlegs, New York, NY — *Partnerships Executive*

AUG 2015 - AUG 2016

- Built sales operation from the ground up, through email and phone outreach prospecting campaigns
- Closed key accounts with higher education institutions
- Conducted all discovery calls, product demonstrations, and contract negotiations with prospects

PatronManager, New York — *Account Specialist*

AUG 2007 - AUG 2015

- Closed more than a quarter million dollars in recurring annual revenue in final year
- Managed relationships with national VIP accounts
- Presented product demonstrations and weekly live webinars to prospective clients
- Traveled the country to speak about best practices for CRM, e-marketing, and nonprofit enterprise software
