## EXPERIENCE

**Contract (Create Yourself Co), Remote - UI/UX Design Lead** NOVEMBER 2022 - DECEMBER 2022

- Create an informational health & wellness website to attract more business for a speech language pathologist
- Manage client expectations with best design practices when receiving feedback on deliverables (i.e. having bullet points on pages for easier readability and image choices on each page)
- Mentor design team with constructive communication and assistance when working on deliverables
- Develop annotations to explain functionality and flow of visual elements and screens to the client

**Contract (Protego), Remote - UI/UX Designer** MARCH 2022 - APRIL 2022

- Redesign SAAS B2C web platform to create a more user friendly experience that matches the company's branding
- Collaborate with design team by using best practices for creating wireframes, high fidelity mockups and prototypes
- Analyze the current platform through a heuristic evaluation to understand usability issues and validate the client's concerns with the platform
- Present deliverables to client for feedback for optimal product satisfaction

**Part Time (Nutripair), Remote - Product Designer** APRIL 2021 - SEPTEMBER 2021

- Create wireframes and prototypes that lead to the company winning grant funding from the 2021 Butterworth Product Development Competition
- Communicate with software engineers to see if design solutions are possible
- Conduct research through user interviews and competitive analysis to gather insights within our users
