Work History

Freelance . UI/UX Designer
Irvine, CA (remote)

Alien Collective . 04.2021-present
Building a design system and road maps for the platform's user experience and interactive journey as the sole designer. Collaborating with developers in 'building something wonderful'.

Springboard (Career Track Student) . 08-2020-02.2021
Conducting capstone case study for 'Monitime' and design sprint for 'GalleryPal' through Springboard's UX Design Career Track by crafting user research, user interaction and flows, wireframing, UI design, and prototype usability testing.

nSmiles (Student Success App) . Product Designer
Irvine, CA (remote) . 12.2020-01.2021

Redesigning onboarding process and user engagement opportunities for 'Student Success' mobile app by identifying existing concerns, sketching design solutions, and high-fidelity prototyping. Mobile app is currently marketed and shipped.

FKP / CannonDesign . Architectural Intern
Houston, TX . 06-08.2019

Worked with design team to document construction drawings for UTMB John Sealy Hospital interior renovation.

Worked with design team to digitally model and fabricate site models and generate graphic drawings for UT-Plano Children's Medical Center expansion proposal.

Education
