DESIGN EXPERIENCE

Product Designer | UX Cabin

Remote | Sept 2021 - Present

- Conducting user research, usability testing, competitor analyses, and UX/UI audits for client projects.
- Currently working to improve student engagement and the rate of success for *Suite360* users, through gamification and platform redesign.

UX/UI Designer | All Women Drivers

Remote | May 2021 - Aug 2021

- Redesigned the branding and UI for an emerging driving school website, to attract new female clientele.

Junior CAD Designer | XF Motorsports

Brampton, Canada | Jul 2020 - Apr 2021

- Created products webpage to expand revenue streams.
- Designed custom automotive parts using Fusion360.

WORK EXPERIENCE

Training Centre Manager | Skillsoft

Toronto, Canada | Jan 2018 - Present

- Manage day-to-day operations to ensure a seamless experience for students and instructors.

ESL Instructor | Chungbuk Office of Education

Remote | Aug 2013 - Aug 2015

- Increased student engagement by designing and implementing interactive, student-centred lessons.

LEADERSHIP

UX Slack Moderator & Team Leader

Remote | Apr 2021 - Present

- Manage a Slack channel for over 200 UXD students.
- Moderate weekly group meetings that focus on design education, networking, portfolio feedback, group projects, and general Q&A.

OBJECTIVE

Creative problem solver looking for a UX design position; Passionate about developing interfaces that meet business goals and improve user satisfaction.
