## Work Experience

### **Prototype Data Capture Technician**

Meta - Pittsburgh, PA

April 2022 to Present

- Developed prototype data capture technologies in the virtual reality segment
- Utilized Adobe Creative Suite, Python, JSON, YAML and Linux on a daily basis
- Collaborated with stakeholders to successfully complete projects
- Wrote technical documents to facilitate wide-scale use of new systems

### **UX Research Analyst**

WEVO - Remote

January 2022 to April 2022

- Curated and analyzed user-experience data points from benchmark and usability testing
- Synthesized research findings into deliverable reports for clients
- Developed working prototypes to use in the testing of new concepts

### **UX Designer**

SoHookd.com - Remote

September 2021 to December 2021

- Developed a health service platform using end-to-end design practices
- Conducted executive interviews and product/industry research to form a basis of product requirements
- Implemented research, flow analysis, prototypes and wireframes to develop a new product offering
- Uncovered vital findings through user testing, analysis and design research methods

### **Lead Buy-Side Agent**

Redfin Corporation - Pittsburgh, PA

August 2020 to April 2022

- Found home-buying success for my clients through a deep understanding of their individual needs and situations

### **Business Development Manager**

American Mineral Solutions, LLC - Pittsburgh, PA

June 2017 to February 2020

- Brokered mineral asset sales grossing over \$2M while managing a team of contractors

## Education

### **Associate of UX Design**

Glasgow Caledonian University, UX Institute

March 2021 to June 2021

### **Bachelor of Science in Economics**

Robert Morris University

August 2013 to May 2017
