

RADIA LAHLOU

UX/UI Designer

"I'm a **creative** and **driven** UX/UI Designer who collaborates with clients and teams to solve pivotal design problems through **user-centered methodology**. I've found **curiosity** to be one of my strongest suits as a designer - I love to **dig deep** to understand the nature of a problem, **empathize**, and **create**."

EXPERIENCE

International Child Art Foundation | UX/UI Designer, Team Lead

Washington D.C. | September 2021 - present

- Spearheads a redesign of the ICAF website following best UX practices using a high-proficiency of Figma.
- Works with ICAF stakeholders, development, and product team members to iterate throughout development and maintain the ICAF brand.
- Overhauls site map, user flows, information architecture, and design system to increase user interaction with the interface and meet both client and user needs.

The Guac Group | UX/UI Designer

Remote | July 2021 - present

- Executes intuitive solutions from start to finish using design thinking principles - creates sketches, builds wireframes, user flows, mockups and prototypes catering to the firm's clients.
- Collaborates with designers, developers, and stakeholders in cross-functional teams to problem solve and mitigate uncertainty.
- Researches and identifies user needs and conducts usability testing.

Avocademy | UX/UI Design Mentor

Remote | July 2021 - present

- Mentors an average of 20 students per day, guiding them to refine user interface and experience design solutions to original projects.
- Provides iterative feedback via Slack in concert with other mentors.
- Awarded "Employee of the Month" within the first 2 months of employment for high-quality communication and leadership skills.

Beijing Normal University - Shanxi Agricultural University | EFL Instructor

Beijing, China - Shanxi China | September 2018 - June 2021

- Prioritized goals and tasks independently to produce deliverables while defining student milestones and metrics.
- Showcased excellent verbal and written presentation skills (Keynote, Google Slides, PowerPoint).

Oberlin Student Cooperative Association | Membership Director

Oberlin, OH | September 2017 - May 2018

- Maintained complex membership records to facilitate member experience and enable early identification of issues.
- Advocated for members through diversity + inclusion training.
