PROFILE

Experienced UX/UI designer seeking opportunities to showcase and expand product design knowledge. I am passionate about creating meaningful experiences for users through design.

EXPERIENCE

UX/UI DESIGNER

DYVERSE | AUGUST 2019 - PRESENT

- Create site maps, user flows, wireframes, and UI specific deliverables to hand off to the development team.
- Deliver UX feedback, test, and provide improvements to existing design systems and websites.
- Design pitch decks and case studies to sell products and services to potential clients.
- Oversee and train new interns on ad management design tasks within Google Ads.

UX DESIGNER

AIGA ORLANDO | AUGUST 2021 - PRESENT

- Volunteer supporting board member
- Web lead for the redesign of Big Break Foundation's website while keeping usability and accessibility as a top priority.
- Responsible for design deliverables including low to high fidelity wireframes, website outline, and final Wordpress website.

WEB DESIGN INTERN

DYVERSE MARKETING GROUP | MAY 2019 - AUGUST 2019

- Assisted with designing banner ads for multifamily homes and apartments using Photoshop and Bannersnack.
- Designed low-fidelity website mockups to collaborate on projects with team members.
- Familiarized with the company's brand goals to integrate their brand experience into the new version of website.
