WORK EXPERIENCE

UI/UX Designer

Larsen & Toubro Infotech, Ltd., Mumbai | 2019 - 2021

- Designed 40+ business and client facing dashboard and website screens for the Claim Insurance product at Marsh McLennan
- Created wireframes, data visualisation and prototypes using Sketch and Invision
- Followed an agile methodology while on the project and delivered screens in quarterly sprints
- User tested developed products to check for inconsistency and provide constant feedback to engineers and product owners
- Collaborated with business development team, engineers, product owners, and scrum masters on the project

LEADERSHIP EXPERIENCE

Zonal Rotaract Representative

Rotaract District 3141 | 2020 - 2021

- Managed and assisted 27 Rotaract Clubs in Mumbai
- Created and discussed SWOT analysis of clubs to help them identify their strengths and provide opportunities for growth
- Held quarterly meetings to review club activities and resolve difficulties clubs might be facing

Charter President

Rotaract Club of Mumbai Royales | 2019 - 2020

- Established a community based club to organise socially impactful initiatives along with NGO's and other corporate organisations
- Recruited and lead 40 board of directors and members
- Designed club work flow such quarterly project review meetings, monthly project plans, budgeting, and project reporting system
