

Santé Consulting has been engaged to conduct a nationwide search for the Chair of Pathology at Western Michigan University Homer Stryker M.D. School of Medicine (WMed) in Kalamazoo, Michigan.

Because of the department's long history of national leadership and regional prominence in the area of forensic pathology, the successful candidate will be either:

An anatomic/ clinical pathologist who will support growth and excellence in forensic pathology while also building out new pathology program opportunities

or

A forensic pathologist who will directly lead the forensic pathology program

Candidate experience and qualifications:

- MD, DO, MD/PhD, or equivalent degree
- Qualifications for Associate Professor or Professor medical school faculty appointment
- Progressive management experience and business acumen
- Ability to build and sustain collegial relationships with all stakeholders
- Evidence of advancing institutional initiatives in health equity
- Record of academic medicine leadership and achievements
- Forensic experience is beneficial but not required
