VACUUM HEAT TREATING

Bright Vacuum Hardening
Bright Age Hardening
Tempering / Annealing
Stress Relieving
Sintering
Diffusion Bonding

VACUUM HEAT TREATING OF

Copper Stainless Tool Steels
Nickel Base Titanium & More

VACUUM BRAZING

Prototypes
Development & Experimental
Low & High Volume
Induction & Torch Brazing
Precision Assembly & Brazing

VACUUM BRAZING WITH

Copper Nickel Silver
Gold & More

ATMOSPHERIC HEAT TREATING

Carburizing
Carbon Nitriding
Neutral Hardening
Stress Relieving
Annealing
Quench & Temper
Normalizing

CARBURIZING

NITRIDING

STRAIGHTENING

INDUCTION BRAZING

METALLURGICAL CONSULTING

CRYOGENIC TREATMENT

INDUCTION HARDENING

CHEMICAL ANALYSIS

AUTOMATIC GLASS BEADING

HARDNESS TESTING

TORCH BRAZING
