

## Help your patients save time and money—send their prescriptions through BlinkRx.

BlinkRx is a digital pharmacy service that offers the lowest eligible prices on prescriptions—with free nationwide home delivery.

### Patients with insurance plan coverage for Arbli™

Eligible and commercially insured patients only

Pay as low as

**\$35**

For a 1-month prescription (165mL bottle) for a daily dose of up to 50mg of losartan potassium. Month is 30 days.

### Patients paying for Arbli™ without insurance

Pay as low as

**\$200**

For a 1-month prescription (165mL bottle) for a daily dose of up to 50mg of losartan potassium. Month is 30 days.

✔ **Low prices for all prescriptions**  
BlinkRx works with your patient's insurance and automatically applies eligible savings to their copay.

✔ **Simple patient experience**  
Patients receive a text with their lowest eligible price and can purchase online or over the phone.

✔ **Prior authorization support**  
BlinkRx's technology initiates prior authorizations and provides reminders and alerts so your staff can focus on patient care.

✔ **Free, fast delivery**  
BlinkRx delivers prescriptions at no cost from one of its licensed pharmacy partners nationwide.

✔ **Available nationwide**  
BlinkRx delivers for free to all 50 states through its broad pharmacy network.

✔ **Dedicated customer support**  
BlinkRx's pharmacists and pharmacy technicians support you, your team, and your patients from onboarding through adherence.

**Prescribe to "BlinkRx U.S. Boise, Idaho" as the mail order pharmacy in your EMR—or send a fax.**

# How to get your patient started with BlinkRx

1

## Prescribe to BlinkRx

Send prescriptions to "BlinkRx U.S. Boise, Idaho" as the mail order pharmacy in your EMR.

2

## BlinkRx contacts your patient

BlinkRx contacts the patient with a confidential text, determines their copay, streamlines prior authorizations, and applies any available savings offers.

3

## BlinkRx arranges free delivery

BlinkRx arranges free home delivery and collects payment through its mobile platform or over the phone.

## How to find BlinkRx

1 Search for "BlinkRx" in the EMR system's pharmacy search tool

2 Confirm both "mail order" and "retail" pharmacies are selected when conducting a search

3 Ensure any other limiting search criteria are unselected
