

ArabClicks'

# Solutions

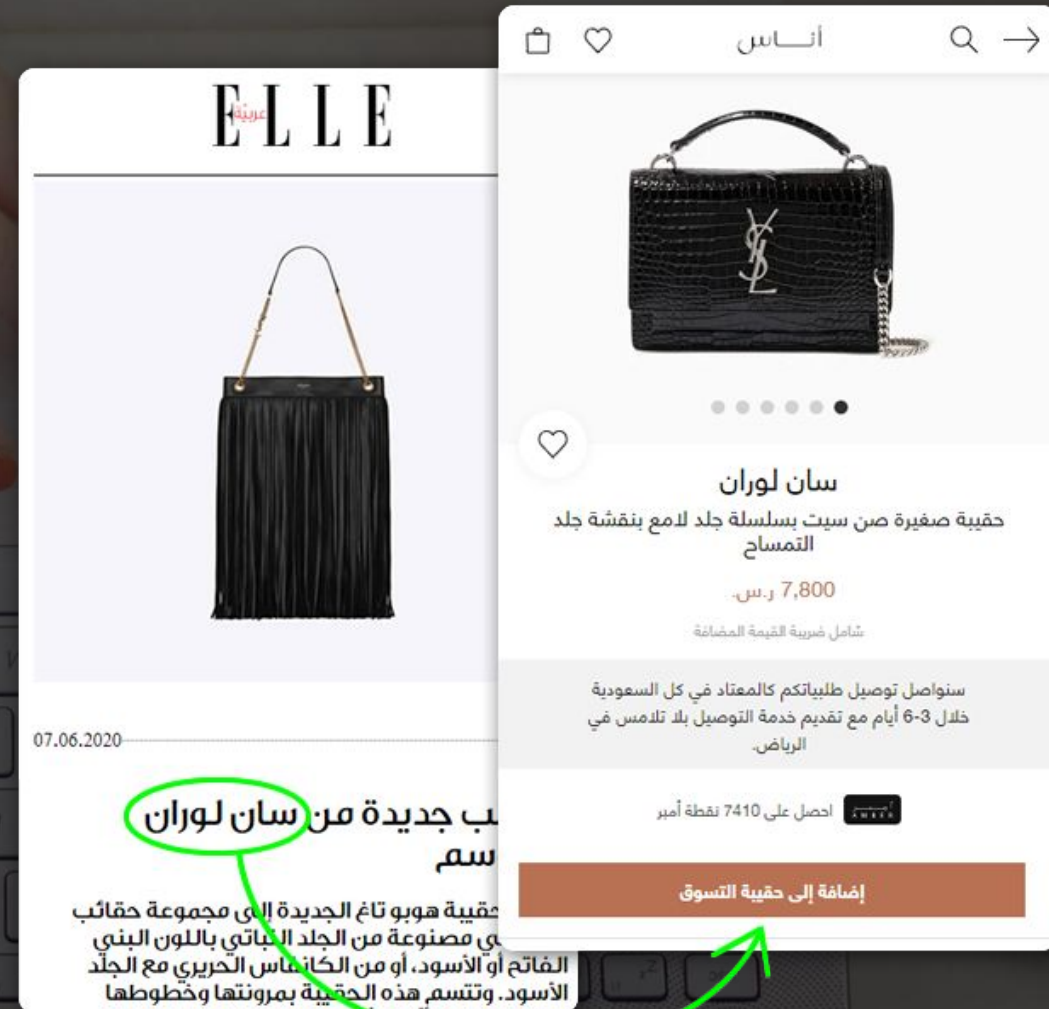

Cutting-edge innovations to transform your digital marketing strategy

# ArabClicks' LinkConverter

Convert all of your ordinary product and brand links into monetized links

## How it works:

- Short script added to the site
- Works in the background
- Detects & transforms into tracked affiliate links

Converted Link

# ArabClicks' OfferBox

Boost ROI by delivering affiliates offers with the most revenue potential for them

## How it works:

- Innovative AI-powered solution provides tailored recommendations to maximize affiliates' potential
- Offers are uniquely picked for each affiliate based on past performance, behavior & preferences
- Automatically triggered personalized communication

# ArabClicks' SmartLink

Meet your audience everywhere.  
Share monetized links in your social  
channels with **one smart link**

## How it works:

- Choose a brand/product
- Create custom links with our SmartLink Generator
- Post and share in your favorite channels

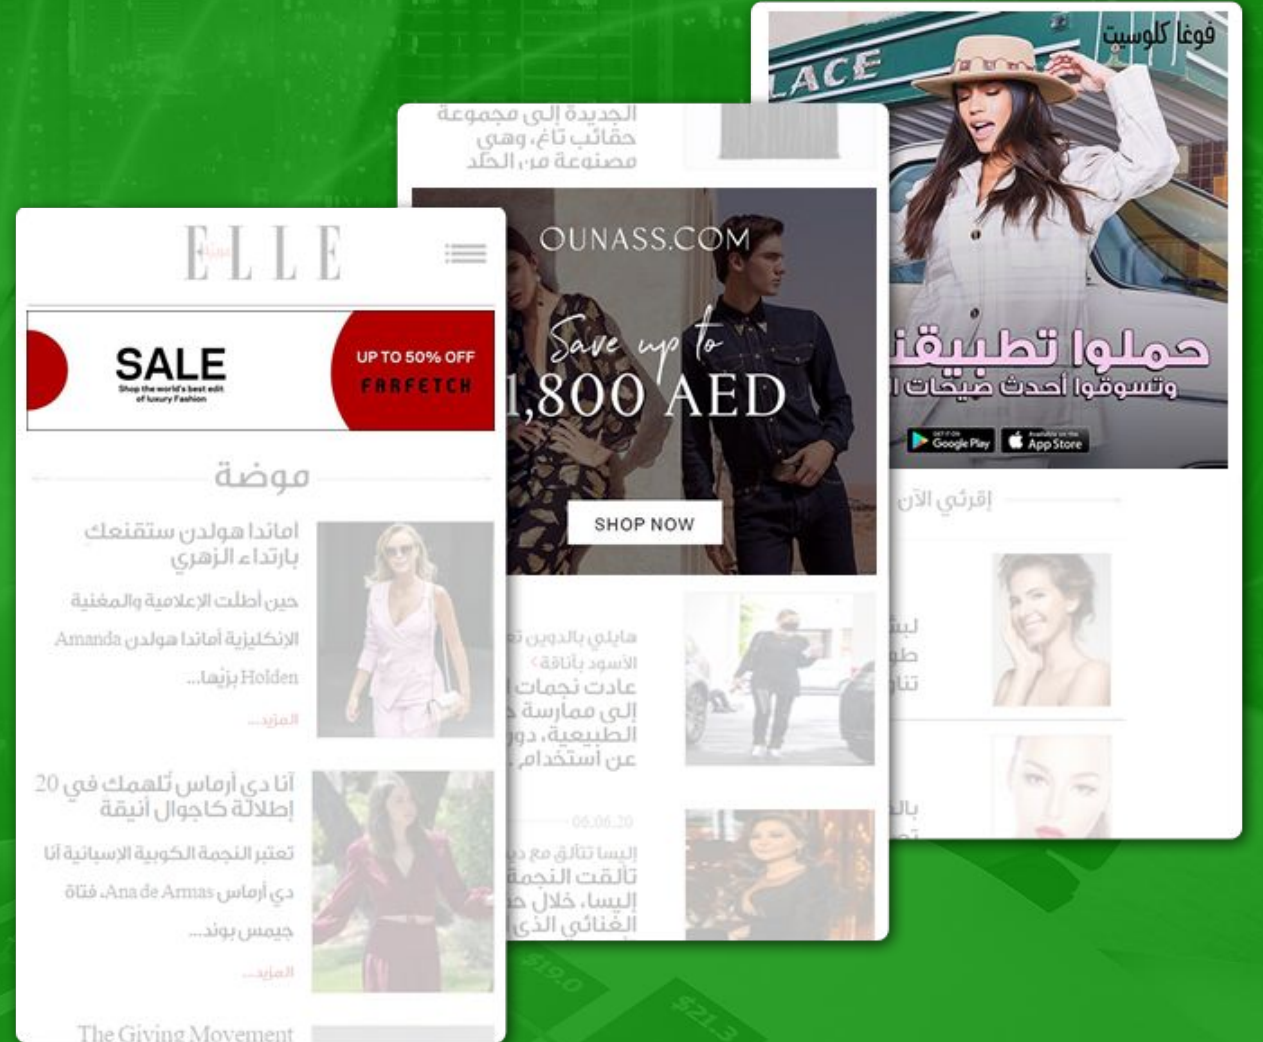

The image illustrates the SmartLink concept. On the left, a YouTube video from the channel 'Android Basha' (1.21M subscribers) is shown. The video description contains a list of product links, with the first link, <http://go.arabclicks.com/SH1D>, circled in green. An arrow points from this link to the Amazon product page on the right. The Amazon page shows a Samsung Galaxy Note 9 Dual SIM 128GB 6GB RAM 4G LTE (UAE Version) - Lavender Purple. The price is AED 2,100.00 + AED 10.00 shipping, and all prices include VAT. A 'Buy Now' button is visible at the bottom of the product page.

# ArabClicks' Display

Promote multiple offers - automatically  
optimized by revenue potential

## How it works:

- Choose ad sizes
- Script code added to the site
- Automatically optimize creative based on performance
