What Types of Offers are in the App?

There are 3 main ways to make money from the ArabClicks App:

Tracking Coupons - Share personal discount codes with your audience to earn a commission with every use. All Tracking Coupons **require a traffic review** before you receive your code.

Tracking Links - Special links with your ArabClicks ID that record sales you refer to an advertiser.

Tracking Link + Promo Code - Discount codes that must be shared with a tracking link in order to record conversions.

Offer Approval

Some ArabClicks offers require **approval** before you can promote them:

- See a list of all offers that require approval: **All Offers > Approval Required > Required**
- See a list of all open offers: **All Offers > Approval Required > Not Required**

How To Find The Best Offers For YOU

What are your next steps? First, find the right offers for you:

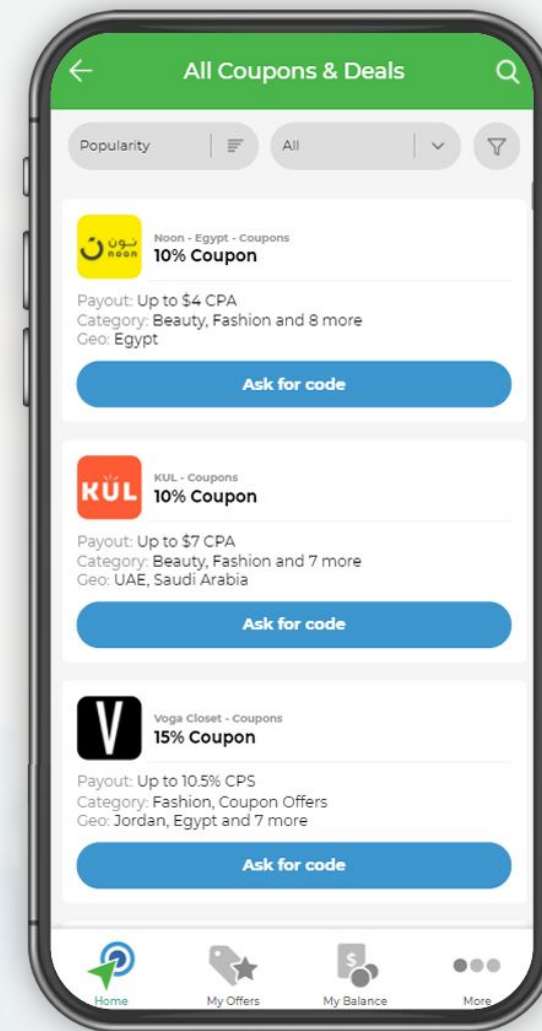

1. **Pick an offer with high payout** - since your goal is to earn money!
2. **Promote the brands relevant to your audience** - Geo, category, products
3. **Use Offer Ratings** - Ranking based on other ArabClicks affiliates' experience working with these brands. **Sort by > Offer rating (All Offers screen)**
4. **Look for Top Offers badge** - These mark a curated list of our current top converting offers.
5. **Analyze Advertiser's Site** (UI/ products quality, language, shipping, traffic volume)
6. **Review Advertiser payment terms** - Validation period / Rejection

Now **click Create SmartLink**

A screenshot of a mobile application titled "Smart Link Generator". The interface is clean with a green header bar. Below the header, there's a blue informational banner about "SmartLinks (deep links)". The main content area is divided into three numbered steps: 1. "Check My Approved Offers" with a dropdown menu showing "SPRii - Worldwide - Links" and a link to "Visit SPRii - Worldwide - Links". 2. "Copy/Paste your chosen URLs from the Advertiser site" with a text input field containing a URL. 3. "Enter a SubID (Optional)" with a text input field and a checkbox labeled "Shorten my smartlink" which is checked. At the bottom, there is a large green button labeled "Create SmartLink".

What are your Reports?

Once you start working with ArabClicks App, you'll naturally want to follow your clicks, conversions & payouts using **ArabClicks' App Reports**.

Easily sort all your data by **Offer, Code & Date** - or create **Custom Reports** with advanced unique options.

Find Your Reports>

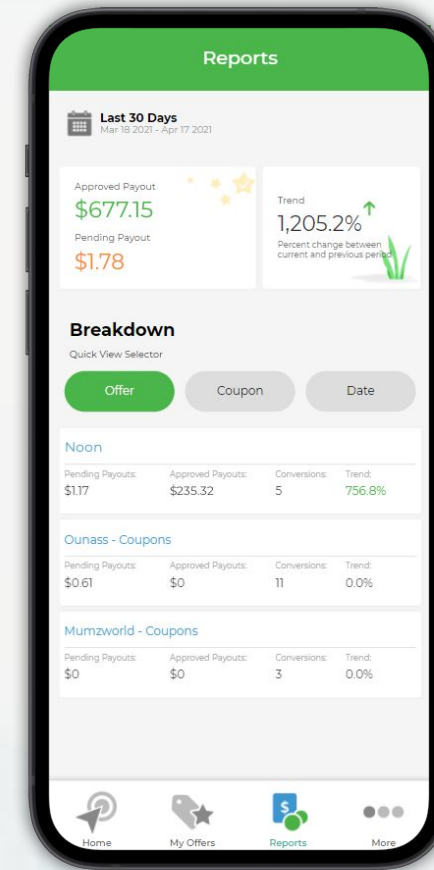

Login, then using the bottom **navigation bar** - surf to your **Reports** from anywhere in the App

Inside your Reports

From your **Reports** - see all of your basic data:

1. **Date Range:** Preset & custom **date selector**
2. **Approved Payout:** Funds awaiting **payment**
3. **Pending Payout:** Awaiting advertiser **validation**
4. **Trend:** How much your earnings have gone **up or down** - in relation to the previous period
5. **Breakdown:** shows your data sorted by **Offer, Code** or **Date**

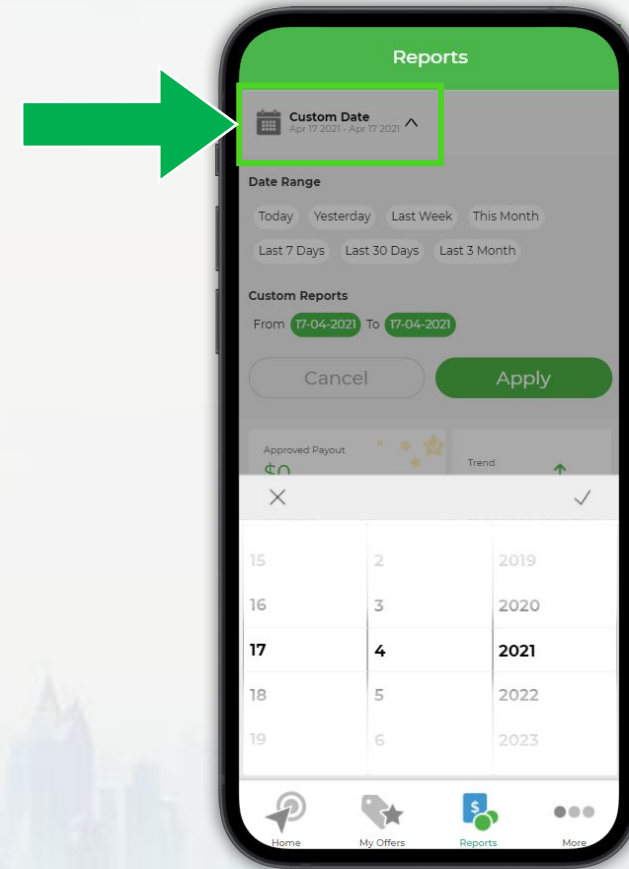

Modify your Report Dates

Select a preset **Date Range** from:

- *Today*
- *Yesterday*
- *Last Week*
- *This Month*
- *Last 7 Days*
- *Last 30 days*
- *Last 3 Months*

Or use the **Custom Date Selector** to select the exact dates you want to view.

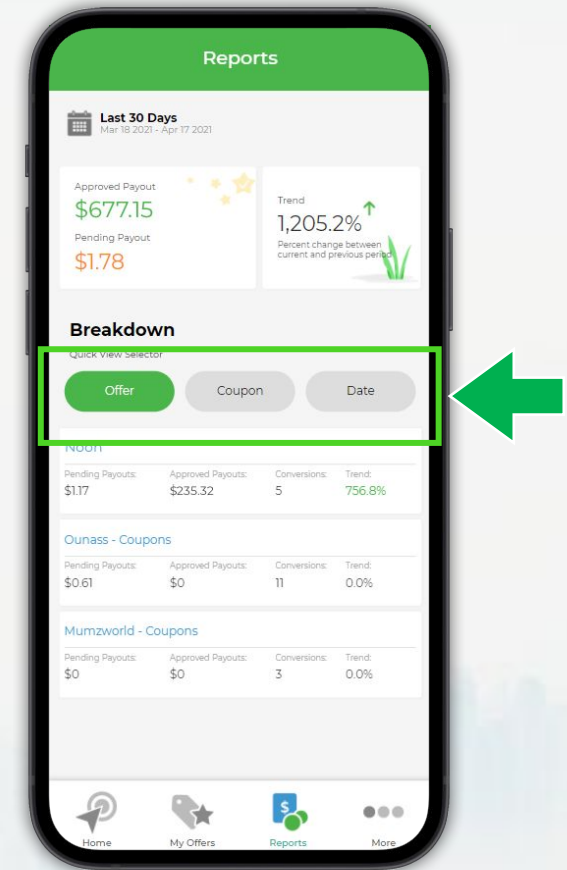

Sort Your Report Data

Scroll to the **Breakdown** feature to quicksort your data:

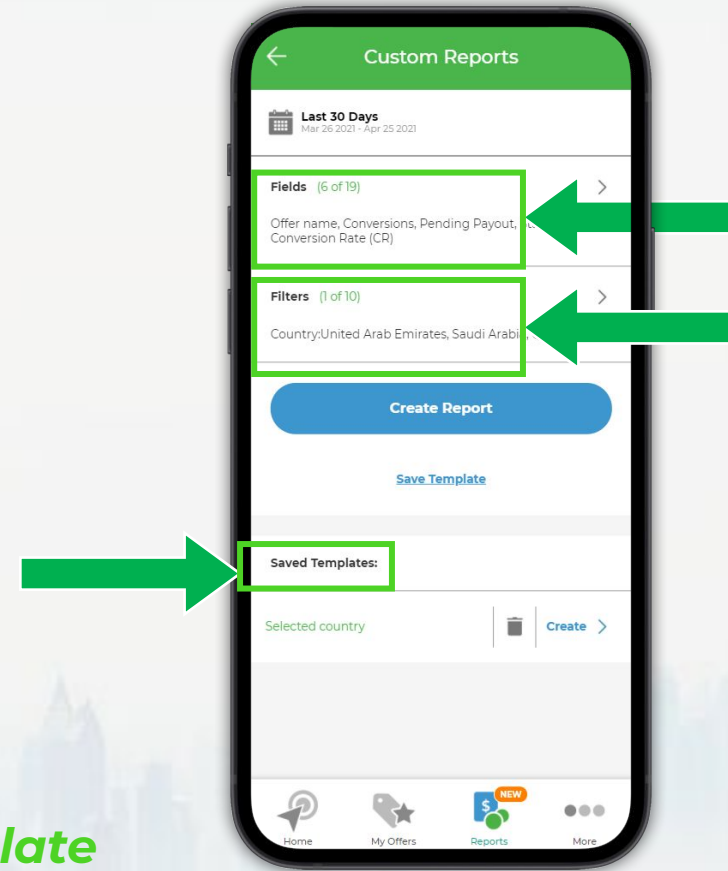

- **Offer** & **Code** show you highest performing brands & codes first.
- **Date** shows your all performance data chronologically.

For each entry you'll see ***Pending & Approved Payouts, Conversions & Trends***

Create a Custom Report

1. Select a **Date Range** - default view is **Last 30 Days**
2. Choose from different **Fields** to show in your report.
See **Offer Name, Clicks, Conversions** & many more
3. Use the **Filters** to narrow your data down by **Offer, Country, Status, SubID** & other options
4. **Next time - make it quicker by saving your report**
To store up to 3 custom reports, simply - **Save Template**

FAQ

Q. When will my commissions be validated?

A. Validation time for each advertiser is different. For specific info, check each offer '**More details**' > '**Validation**'

Q. When do I get paid?

A. Payments are processed once a month once advertisers have validated your conversions and transfer the funds to us. Then, they will appear in the [Payment Portal](#) where you can track past & upcoming payments.

Q. How do I get paid?

A. You can choose from PayPal, Direct Deposit and Wire. Please note that our payment options do not include Western Union or Payoneer.

Q. Is there a minimum payment threshold?

A. You must earn \$100 in approved commissions before you are eligible for payment - then you'll receive an email invite to our **Tipalti** payment system. Before this, your earnings simply collect into your account.

FAQ

Q. How often are my earnings reports updated?

A. ArabClicks reports are updated in real-time as we receive data from the advertiser. After approval, see the [Payment Portal](#) for status updates.

Q. Which are ArabClicks' most profitable offers?

A. From the All Offers page, look for advertisers with the 'Top Offer' tag.

Q. How can I apply for a personal tracking coupon?

A. From the All Offers or Best Deals & Coupons pages, click 'Request Code'.

Q. How long does it take to approve my coupon/offer application?

A. If you meet the specific offer requirements, you'll get an email with your code within 5 working days. To speed the process, make sure your account info is correct and reply to all questions emailed from our team.
