

Using ArabClicks Coupons

**Spoil your audience with exclusive
discount codes**

Using ArabClicks Coupons

Coupons or discount codes are used by shoppers to receive a price reduction on their purchase.

By sharing coupons, you are giving your audience additional motivation to buy so you'll improve your sales numbers.

Some coupons require approval by the advertiser before you can promote them. This guide shows you step-by-step how to apply for & receive your codes.

Using ArabClicks Coupons

In this guide, you'll find:

- Types of Coupons
- Offer Approval Types
- How to Find Coupons
- Getting Your Codes
- How to Track Conversions

Types of Coupons

- **Tracking Coupons** - are a.k.a. **Offline Coupons, & Coupon Redemption / Attribution.**

Share these discount codes with your audience to earn a commission with every use.

Note: All Tracking Coupons **require approval** before you receive your code.

- **Promo Codes** - are also known as **Online Coupons.**

Share them along with your tracking link to earn a commission.

Offer Approval Types

- Some ArabClicks **offers & coupons require approval** before you can promote them - you can **request up to 2** of these offers before you reach \$100 payout.

See a list of all **offers that require approval**:

All Offers > Show all> Approval Required > **Required**

- **Many offers** don't require approval and **are open** for all ArabClicks affiliates to **promote!**

See a list of all **open offers**:

All Offers > Show all> Approval Required > **Not Required**

Tracking Coupons (Offline Coupons)

An exclusive coupon code tied to a specific affiliate.

These 'redemption' coupons track sales based on your personal discount code (cookie-less tracking).

You'll earn a commission every time someone uses your code.

All Tracking Coupons require 'approval' before you receive your code.

Check Tracking Coupons Status

To optimize your campaigns, you should know if each of your coupons is pending, live, paused, or expired. To check, login & visit [Best Coupons & Deals](#) > **My Coupons**.

Know the status of all your Tracking Coupons - at all times:

- **Pending:** Coupons you have requested that **have not yet been approved**. Please check your email for further instructions.
- **Active:** Coupons that are **approved and LIVE**.
- **Paused:** Coupon Offers that are **temporarily paused**. Although your codes may still provide a discount, you won't be paid until the offer is LIVE.
- **Expired:** Coupons that are **no longer valid**.
- **Inactive:** Coupon offers that have been **permanently inactivated**.

The screenshot displays the ArabClicks dashboard interface. At the top, a green banner reads "BEST DEALS & COUPONS" with various discount percentages. Below this, the "Coupons & Deals" section is visible. On the right side of this section, there is a green button labeled "My Coupons" with an orange arrow pointing to it. The left sidebar contains a navigation menu with items like Dashboard, Offers, Reports, Tools, Coupons, FAQ, My Account, and Terms of Service. The main content area shows a table of coupons with columns for Offers, Description, Show, Payout, End date, Category, Geo, and Code. The table lists several coupons, including "Noon - UAE - Coupon Offer", "Noon - KSA - Coupon Offer", "Noon - Egypt - Coupon Offer", and "Ninjabass - Coupon Offer". Each coupon entry includes details like the offer type (e.g., 10% Coupon), payout (\$4.8 CPA), end date, category, geo, and a code status (e.g., "Not Approved", "Request Code").
