## **ACC QUICK HITS**

- No. 1 Clemson and No. 18 Virginia are ranked in this week's AP Top 25 Poll. Wake Forest is ranked No. 24 in the Amway Coaches Poll and is the top team receiving votes in the AP poll. The Deacons are seeking their first AP ranking since 2008. Clemson has held the top spot all season (five weeks), which matches the most times the Tigers have held the top spot in a single season (2015). This is Virginia's highest ranking since 2007, when the Cavaliers rose to 16th late in the year
- Four league games, and a ranked matchup between No. 18 Virginia and No. 10 Notre Dame highlight week five of the ACC football schedule. The Cavaliers and Notre Dame face each other for the first time as ranked teams. In fact, it is just the fourth time a ranked ACC team has faced a ranked Notre Dame squad in South Bend. The others were No. 1 Florida State in 1993, No. 14 Georgia Tech in 2015 and No. 14 N.C. State in 2017. Virginia enters the game on a five-game win streak.
- Duke at Virginia Tech kicks off the weekend with a Friday evening tilt in Blacksburg, Virginia, at 7 p.m. on ESPN. It is the first ACC game of the season for the Blue Devils who are 2-1 overall and had last week off. The Hokies also had a week off and enter the game 2-1 overall, 0-1 in league play.
- Wake Forest puts its six-game win streak on the line when the Demon Deacons visit Boston College for a 3:30 p.m. kickoff on ACCN. The Deacs have won six straight overall and four consecutive on the road. The six-game win streak is the fifth-longest in the country, trailing only Clemson (19), Ohio State (10), Appalachian State (9) and Florida (8).
- No. 1 Clemson travels to Chapel Hill to face the Tar Heels for the first time since the 2015 ACC Football Championship Game. Kickoff is set for 3:30 p.m. on ABC. It is the first time the Tar Heels have played host to the nation's top-ranked team since Florida State visited Kenan Stadium in 1999, a 42-10 Seminoles' win.
- Clemson has won 19 consecutive games. That is the second-longest streak in ACC history and the longest active streak in the country. The league record is 29 straight by Florida State from 2012-14.

Mathews blocked a punt, returned a punt, caught a pass and threw the game-winning touchdown pass. His 24-yard reception helped set up Pitt's first score, and his blocked punt in the second quarter led to a scoop and score to give Pitt a 21-0 advantage. # **ACC NOTES**

The ACC has won seven national championships in football, men's basketball, women's basketball and baseball since 2015. That is the most of any conference. The ACC is the only conference to win each of those four titles over that stretch.

The ACC has won more football national titles than any other conference since 2013 (three of the last six) and more men's basketball national championships than any other league since 2015 (three of the last five).

#### Football

2013 Florida State (BCS) 2016 Clemson (CFP) 2018 Clemson (CFP)

ACC Champion Clemson won the league's eighth football national championship in 2018 with a 44-16 win over previously unbeaten Alabama. The 28-point margin of victory was the largest over a No. 1 ranked team in ACC history.

The ACC has had a team in either the College Football Playoff or the BCS National Championship Game in each of the past six years.

The ACC matched its league record with 11 bowl teams in 2018, including Boston College, Clemson, Duke, Georgia Tech, Miami, NC State, Pitt, Syracuse, Virginia, Virginia Tech and Wake Forest. The 11 bowl teams tied for the most among any conference.

The ACC finished the bowl season with six postseason wins, which tied for the most among all conferences.

The ACC is the only conference to send every team to at least one bowl game over the last three seasons. In addition, the ACC is tied for the most bowl teams (32) among all conferences over the last three years (11 in 2016, 10 in 2017, 11 in 2018).

Since 2013, the ACC has the second-best record of any Power 5 conference in the BCS, New Year's Six and CFP games, and has the most national championships (Florida State in 2013, Clemson in 2016 & 2018).

The ACC's 19 postseason wins over the last three (2016-18) years are the most of any conference.

A league-record 10 ACC teams were ranked last year in the AP Top 25 poll, including Boston College, Clemson, Duke, Florida State, Miami, NC State, Pitt, Syracuse, Virginia and Virginia Tech. The previous ACC record for most teams ranked in a season was nine in 2008. The 10 ranked teams are tied for most among all conferences.

An ACC football player has won the Heisman Trophy or the Campbell Trophy – commonly referred to as the "Academic Heisman" – in five of the last six years, something no other league can claim. Clemson DT Christian Wilkins won the Campbell Trophy last year. He is the second consecutive winner from the ACC.

In 2019, ACC teams will play more games (20) against Power 5 competition (including Notre Dame) than any of their peers.

This year, ACC teams will play more games against non-conference teams (16) ranked in last year's final Associated Press Top 25 than any other Power 5 conference.

ACC teams will play 26 games against non-conference opponents that participated in bowl games in 2018, the highest total among Power 5 conferences.

The ACC is in its sixth year of a 12-year agreement with the Capital One Orange Bowl, which will host an ACC team—either its champion or next available team—in all years when the Orange Bowl is not a semifinal site for the College Football Playoff. The opponent will be the highest ranked available team from the SEC, Big Ten or Notre Dame.

Eleven ACC football teams have an APR higher than the Division I average of 968, which ties for most among peer conferences. In all sports, the ACC leads all Power 5 conferences with 95 teams from member schools recognized in the most recent NCAA APR Public Recognition Awards.

Ten of 14 ACC Football teams earned a graduation success rate (GSR) at or above the FBS average. That was second-most among Power 5 conferences, both in terms of percentage and in total number.

The ACC remains the only Power 5 conference to have multiple teams score 90 or higher in GSR each year since 2005. Duke (96), Wake Forest (93) and Boston College (90) reached that plateau last year.

In its 2018 U.S. News and World "Best Colleges" rankings, ACC member schools combine for an average rank of 54.7, marking the 12th straight year that the ACC has led all Power 5 conferences.

#### ACC DIVISIONAL TIEBREAKER

If more than one team in the same division is tied for the best winning percentage in its Conference games, the procedures listed below will be followed to determine the division's representative in the Dr Pepper ACC Championship Game:

#### Two-Team Tie:

- 1. Head-to-head competition between the two tied teams.
- 2. Win percentage of the tied teams within the divi-
- 3. Head-to-head competition versus the team within the division with the best overall win percentage. (Divisional and non-divisional) and proceeding through the division. Multiple ties within the division will be broken from first-to-last using the league's tiebreaking procedures.
- 4. Overall win percentage versus all common non-divisional opponents.
- 5. Combined win percentage vs. all non-divisional opponents.
- 6. Win percentage versus common non-divisional opponents based on their order of finish (overall conference win percentage) and proceeding through other common non-divisional teams based upon their divisional order of finish.
- 7. The tied team with the higher ranking by the Team Rating Score metric provided by SportSource Analytics following the conclusion of regular season games.
- 8. The representative shall be chosen by a draw as administered by the Commissioner or the Commissioner's designee.

## Three-Team (or More) Team Tie

(Once a team is eliminated from the tie, the tie-breaker procedures restart for the remaining teams. If the three (or more) team tie can be reduced to two teams, the two-team tiebreaker format will then be applied.)

- 1. Combined head-to-head win percentage among the tied teams.
- 2. Win percentage of the tied teams within the division
- 3. Head-to-head competition versus the team within the division with the best overall (divisional and non-divisional) Conference win percentage, and proceeding through the division. Multiple ties within the division will be broken first to last, using the league's tie-breaker policies.
- 4. Combined win percentage versus all common non-divisional opponents.
- 5. Overall win percentage versus non-divisional opponents.
- 6. Win percentage versus common non-divisional opponents based upon their order of finish (overall win percentage) and proceeding through other common non-divisional opponents based upon their divisional order of finish
- 7. The tied team with the higher ranking by the Team Rating Score metric provided by SportSource Analytics following the conclusion of regular season games.
- 8. The representative shall be chosen by a draw as administered by the Commissioner or the Commissioner's designee.

#### THEACC.COM

The Atlantic Coast Conference's official website — theACC.com — is the source for complete conference football information. The media section of the website (theACC.com/media) offers additional information for use by members of the media, including access to ACC PhotoShelter, the home for conference and school logos, head shots of players and coaches from select sports and images from ACC events and championships.

#### ACCESSING ACC MEDIA PORTAL & DIGITAL LICENSE

ACC Media Portal (Highlights & Press Conferences): The ACC and XOS Digital have partnered to provide individual highlight packages from all ACC-controlled regular season football and men's basketball games to approved TV news affiliates for the 2019-20 seasons. Upon the conclusion of each game, highlights will be available for local TV news affiliates to download and use in televised news programming at no cost. Outlets may access the highlights, along with any weekly head coach press conferences, through the ACC Media Portal. This portal replaces the ACC Video Clip Service (AVCS). The use of ACC game highlights provided through the ACC Media Portal remain subject to those restrictions outlined in the ACC News Access Guidelines. Interested affiliates should email licensing@xosdigital.com to register for the ACC Media Portal and for additional information. Approved affiliates will receive a confirmation email along with credentials to access the ACC Media Portal.

ACC Digital License: Per the ACC News Access Guidelines, game footage (station shot or broadcast) may not be distributed through digital platforms without a license. The ACC and XOS Digital now offer a turnkey digital highlight license specifically designed for local TV affiliates. This license will cover the use of ACC game footage across official station websites, apps, and social media platforms. Distribution of ingame highlights on any platform during the broadcast window is strictly prohibited, regardless of a digital license. Interested affiliates should email licensing@xosdigital.com to receive more information or to purchase a digital license.

ACC Digital Content: Agencies with interest in accessing or licensing ACC digital content beyond what is provided for in the ACC News Access Guidelines and as set forth in the preceding paragraphs should contact Chad Swofford, VP, General Manager of ACC Digital at Raycom Sports, at cswofford@raycomsports.com.

# **ACC PREVIEWS**

Friday, September 27
Duke (2-1, 0-0 ACC)
at Virginia Tech (2-1, 0-1 ACC)
7 p.m.; ESPN

Virginia Tech leads series, 17-9 Last meeting: VT, 31-14 (2018)

#### **Head Coaches:**

**Duke** - David Cutcliffe (69-73 in 12th season at Duke; 113-102 in 18th season overall)

**Virginia Tech** - Justin Fuente (27-16 in fourth season at Virginia Tech; 53-39 in eighth season overall)

**Notes:** Friday night's Coastal Division battle is one of four ACC games on this weekend's schedule • The Hokies have won the three most recent series meetings against Duke, including 31-14 last season in Durham • QB Ryan Willis threw for 332 yards and a career-best three touchdowns in his first start for the Hokies to lead the visitors past the No. 22 Blue Devils • Virginia Tech holds a 4-2 edge in the last six meetings between the teams • The pair of wins by the Blue Devils during that time are their only ones in ACC play versus the Hokies, who hold a 13-2 lead in league games • Virginia Tech is 8-2 versus the Blue Devils in Blacksburg, with Duke's wins coming by a combined five points (13-10 in 2013 and 45-43 in overtime in 2015) • The series, first played in 1937, includes neutral-site games in the North Carolina cities of Greensboro and Winston-Salem, as well as the Virginia cities of Roanoke and Norfolk.

**Notes:** Syracuse is set for its 29th game against the Crusaders, but the first since the Orange's win by an improbable score of 5-3 in 1973 at Holy Cross • That victory, coming on November 10, was the Orange's first after eight consecutive losses to open the year • Syracuse has won 12 straight in the series since the Crusaders posted back-to-back one-point wins in 1957 and 1958 • Saturday will mark Holy Cross' first game in the Carrier Dome but its 15th road game at Syracuse • The teams first met in 1905 but played most frequently in the 1940s through the 1960s, including 22 of 23 season from 1946-68 • Syracuse is the second ACC football program to resume football contact with the Crusaders in recent seasons • Boston College faced Holy Cross for the first time in 32 years in 2018 (winning 62-14) and is scheduled to play host to the Crusaders again in 2020 and 2023.

**North Carolina** - Mack Brown (71-48-1 in 11th season at North Carolina; 246-124-1 in 31st season overall)

Notes: Clemson and North Carolina will meet for the first time since the 2015 ACC Football Championship Game in Charlotte, where QB Deshaun Watson threw for three touchdowns and ran for two more in leading the top-ranked and unbeaten Tigers to a 45-37 win that secured the top spot in the College Football Playoff • The win was Clemson's third straight in the series versus UNC - all high-scoring affairs in which the two teams averaged a combined 88 points • UNC's last win against Clemson came in the Tigers' most recent trip to Chapel Hill in 2010, when RB Johnny White rushed for two touchdowns and gained 179 total yards to lead the Tar Heels' 21-16 victory • Current UNC head coach Mack Brown was 3-7 versus the Tigers during his first stint with the Tar Heels from 1988 through 1997, though UNC did win the final two meetings under his watch (45-0 at home in 1996 and 17-10 at Death Valley in 1997).
