 The ACC has won seven national championships in football, men's basketball, women's basketball and baseball since 2015. That is the most of any conference. The ACC is the only conference to win each of those four titles over that stretch.

 The ACC has won more football national titles than any other conference since 2013 (three of the last six) and more men's basketball national championships than any other league since 2015 (three of the last five).

Football

2013 Florida State (BCS)

2016 Clemson (CFP)

2018 Clemson (CFP)

 ACC Champion Clemson won the league's eighth football national championship in 2018 with a 44-16 win over previously unbeaten Alabama. The 28-point margin of victory was the largest over a No. 1 ranked team in ACC history.

 The ACC has had a team in either the College Football Playoff or the BCS National Championship Game in each of the past six years.

 The ACC matched its league record with 11 bowl teams in 2018, including Boston College, Clemson, Duke, Georgia Tech, Miami, NC State, Pitt, Syracuse, Virginia, Virginia Tech and Wake Forest. The 11 bowl teams tied for the most among any conference.

 The ACC finished the bowl season with six postseason wins, which tied for the most among all conferences.

 The ACC is the only conference to send every team to at least one bowl game over the last three seasons. In addition, the ACC is tied for the most bowl teams (32) among all conferences over the last three years (11 in 2016, 10 in 2017, 11 in 2018).

 Since 2013, the ACC has the second-best record of any Power 5 conference in the BCS, New Year's Six and CFP games, and has the most national championships (Florida State in 2013, Clemson in 2016 & 2018).

 The ACC's 19 postseason wins over the last three (2016-18) years are the most of any conference.

 A league-record 10 ACC teams were ranked last year in the AP Top 25 poll, including Boston College, Clemson, Duke, Florida State, Miami, NC State, Pitt, Syracuse, Virginia and Virginia Tech. The previous ACC record for most teams ranked in a season was nine in 2008. The 10 ranked teams are tied for most among all conferences.

 An ACC football player has won the Heisman Trophy or the Campbell Trophy – commonly referred to as the “Academic Heisman” – in five of the last six years, something no other league can claim. Clemson DT Christian Wilkins won the Campbell Trophy last year. He is the second consecutive winner from the ACC.

 In 2019, ACC teams will play more games (20) against Power 5 competition (including Notre Dame) than any of their peers.

 This year, ACC teams will play more games against non-conference teams (16) ranked in last year's final Associated Press Top 25 than any other Power 5 conference.

 ACC teams will play 26 games against non-conference opponents that participated in bowl games in 2018, the highest total among Power 5 conferences.

 The ACC is in its sixth year of a 12-year agreement with the Capital One Orange Bowl, which will host an ACC team—either its champion or next available team—in all years when the Orange Bowl is not a semifinal site for the College Football Playoff. The opponent will be the highest ranked available team from the SEC, Big Ten or Notre Dame.

 Eleven ACC football teams have an APR higher than the Division I average of 968, which ties for most among peer conferences. In all sports, the ACC leads all Power 5 conferences with 95 teams from member schools recognized in the most recent NCAA APR Public Recognition Awards.

 Ten of 14 ACC Football teams earned a graduation success rate (GSR) at or above the FBS average. That was second-most among Power 5 conferences, both in terms of percentage and in total number.

 The ACC remains the only Power 5 conference to have multiple teams score 90 or higher in GSR each year since 2005. Duke (96), Wake Forest (93) and Boston College (90) reached that plateau last year.

 In its 2018 U.S. News and World “Best Colleges” rankings, ACC member schools combine for an average rank of 54.7, marking the 12th straight year that the ACC has led all Power 5 conferences.

ACC DIVISIONAL TIEBREAKER

If more than one team in the same division is tied for the best winning percentage in its Conference games, the procedures listed below will be followed to determine the division's representative in the ACC Championship Game:

Two-Team Tie:

1. Head-to-head competition between the two tied teams.
2. Win percentage of the tied teams within the division.
3. Head-to-head competition versus the team within the division with the best overall win percentage. (Divisional and non-divisional) and proceeding through the division. Multiple ties within the division will be broken from first-to-last using the league's tiebreaking procedures.
4. Overall win percentage versus all common non-divisional opponents.
5. Combined win percentage vs. all non-divisional opponents.
6. Win percentage versus common non-divisional opponents based on their order of finish (overall conference win percentage) and proceeding through other common non-divisional teams based upon their divisional order of finish.
7. The tied team with the higher ranking by the Team Rating Score metric provided by SportSource Analytics following the conclusion of regular season games.
8. The representative shall be chosen by a draw as administered by the Commissioner or the Commissioner's designee.

Three-Team (or More) Team Tie

(Once a team is eliminated from the tie, the tie-breaker procedures restart for the remaining teams. If the three (or more) team tie can be reduced to two teams, the two-team tiebreaker format will then be applied.)

1. Combined head-to-head win percentage among the tied teams.
2. Win percentage of the tied teams within the division.
3. Head-to-head competition versus the team within the division with the best overall (divisional and non-divisional) Conference win percentage, and proceeding through the division. Multiple ties within the division will be broken first to last, using the league's tie-breaker policies.
4. Combined win percentage versus all common non-divisional opponents.
5. Overall win percentage versus non-divisional opponents.
6. Win percentage versus common non-divisional opponents based upon their order of finish (overall win percentage) and proceeding through other common non-divisional opponents based upon their divisional order of finish.
7. The tied team with the higher ranking by the Team Rating Score metric provided by SportSource Analytics following the conclusion of regular season games.
8. The representative shall be chosen by a draw as administered by the Commissioner or the Commissioner's designee.

The media section of the website (theACC.com/media) offers additional information for use by members of the media, including access to ACC PhotoShelter, the home for conference and school logos, head shots of players and coaches from select sports and images from ACC events and championships.

ACCESSING ACC MEDIA PORTAL & DIGITAL LICENSE

ACC Media Portal (Highlights & Press Conferences): The ACC and XOS Digital have partnered to provide individual highlight packages from all ACC-controlled regular season football and men's basketball games to approved TV news affiliates for the 2019-20 seasons. Upon the conclusion of each game, highlights will be available for local TV news affiliates to download and use in televised news programming at no cost. Outlets may access the highlights, along with any weekly head coach press conferences, through the ACC Media Portal. This portal replaces the ACC Video Clip Service (AVCS). The use of ACC game highlights provided through the ACC Media Portal remain subject to those restrictions outlined in the ACC News Access Guidelines. Interested affiliates should email licensing@xosdigital.com to register for the ACC Media Portal and for additional information. Approved affiliates will receive a confirmation email along with credentials to access the ACC Media Portal.

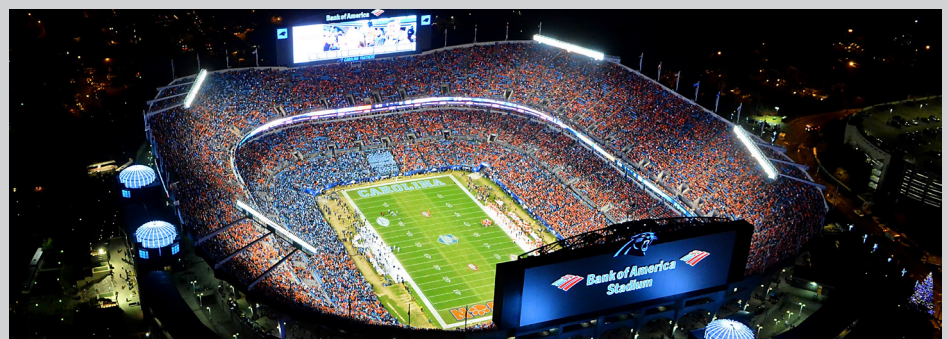

ACC Digital License: Per the ACC News Access Guidelines, game footage (station shot or broadcast) may not be distributed through digital platforms without a license. The ACC and XOS Digital now offer a turnkey digital highlight license specifically designed for local TV affiliates. This license will cover the use of ACC game footage across official station websites, apps, and social media platforms. Distribution of in-game highlights on any platform during the broadcast window is strictly prohibited, regardless of a digital license. Interested affiliates should email licensing@xosdigital.com to receive more information or to purchase a digital license.

ACC Digital Content: Agencies with interest in accessing or licensing ACC digital content beyond what is provided for in the ACC News Access Guidelines and as set forth in the preceding paragraphs should contact Chad Swofford, VP, General Manager of ACC Digital at Raycom Sports, at cswofford@raycomsports.com.

at Georgia Tech (2-8, 1-6 ACC)
8 p.m.; ESPN
Georgia Tech leads series, 19-10
Last meeting: GT 56-23 (2014)

Head Coaches:

NC State - Dave Doeren (47-40 in seventh season at NC State; 70-44 in ninth season overall)

Georgia Tech - Geoff Collins (2-8 in first season at Georgia Tech; 17-18 in third season overall)

Notes: The teams meet for the first time since 2014

• The visiting team has won the last six games in the series, including Georgia Tech's 56-23 victory in the most recent meeting six years ago as the Yellow Jackets' D.J. White and Quayshawn Nealy both scored defensive touchdowns in the second quarter • NC State has won on its last two trips to Atlanta – by a 45-28 score in 2010 and 17-14 in 2005 • The winning team has scored at least 45 points in each of the last three meetings • The series began in 1918 with a 128-0 win by the Yellow Jackets in Atlanta • The schools met just once again over the following 65 years (1922), but then met every year as ACC foes from 1983 through 2006 • Georgia Tech has won 10 of the 14 meetings in Atlanta and is 17-10 in ACC games versus the Wolfpack • Second game in a three-games homestand to close out the season for Georgia Tech (Virginia Tech last weekend, rival Georgia on Nov. 30).

Saturday, November 23
Liberty (6-4) at
Virginia (7-3, 5-2 ACC)
Noon; RSN
Virginia leads series, 1-0
Last meeting: UVA, 45-24 (2018)

Head Coaches:

Liberty - Hugh Freeze (6-4 in first season at Liberty; 28-32 in seventh season overall)

Virginia - Bronco Mendenhall (23-25 in fourth season at Virginia; 122-69 in 15th season overall)

Notes: Virginia puts its quest for the ACC Coastal Division title on hold by stepping out of conference play to welcome in-state opponent Liberty for the second straight year • Second in a three-game series that will see the Cavaliers travel to Lynchburg in 2027 • Liberty is one of three in-state opponents on the Cavaliers' 2019 schedule • Virginia defeated William & Mary and Old Dominion at home in September and is slated to close out the regular season against rival Virginia Tech on Nov. 29 • Liberty opened the current season with a 24-0 loss to Syracuse and has future games slated with Duke, Virginia Tech and North Carolina in addition to the Cavaliers • QB Bryce Perkins accounted for four of Virginia's six touchdowns in last year's win over the Flames, rushing for two and throwing for two more • Perkins finished 106 yards on the ground and was 14-for-22 passing for 168 yards.

Saturday, November 23
Boston College (5-5, 3-4 ACC)
at #16 Notre Dame (8-2)
2:30 p.m.; NBC
ND leads series, 15-9
Last meeting: ND, 49-20 (2017)

Head Coaches:

Boston College - Steve Addazio (43-43 in seventh season at BC; 56-54 in ninth season overall)

Notre Dame - Brian Kelly (68-36 in 10th season at Notre Dame; 239-97-2 in 29th season overall)

Notes: The Eagles and Fighting Irish meet for the 25th time and for the first time in South Bend since Notre Dame's 16-14 victory in 2011 • Notre Dame holds an overall 7-5 edge in home games in the series, which was first played in 1975 • Notre Dame has won five straight meetings between the schools since the Eagles' 17-0 victory at Chestnut Hill in 2008 • That contest capped a six-game Eagles' winning streak in the series • Notre Dame won 49-20 in the most recent meeting two seasons ago at Boston College's Alumni Stadium, as Brandon Wimbush ran for four touchdowns and 207 yards - a record for a Notre Dame quarterback - and RB Josh Adams had 229 rushing yards • Notre Dame will be attempting to complete a 5-0 sweep of ACC opponents for the 2019 regular season • The Fighting Irish posted September wins versus Louisville and Virginia, and defeated Virginia Tech and Duke earlier this month.

Saturday, November 23
Mercer (4-7, 3-5 SoCon)
at North Carolina (4-6, 3-4 ACC)
3:30 p.m.; RSN
UNC leads series, 1-0
Last meeting: UNC, 3-0 (1925)

Head Coaches:

Virginia Tech - Bobby Lamb (41-38 in seventh season at Mercer; 108-78 in 15th season overall)

North Carolina - Mack Brown (73-52-1 in 11th season at North Carolina; 248-128-1 in 31st season overall)

Notes: North Carolina plays its final home game of 2019 and welcomes the Bears to Chapel Hill for the first time in program history • The lone previous football meeting between the schools came in 1925, when UNC posted a 3-0 road victory • The Tar Heels need a win on Saturday and in the Nov. 30 regular-season finale at NC State to earn bowl eligibility for the first time since 2016 • This will mark the fourth consecutive season in which UNC has faced a Southern Conference team at home in its next-to-last regular season game • The Tar Heels played host to The Citadel in 2016 and faced Western Carolina in both 2017 and 2018 • Nine of UNC's 10 games this season have been decided by seven points or less • That is the most by any team in the AP Poll era going back to 1936 • UNC QB Sam Howell has thrown multiple touchdown passes in each of his first 10 college games.

Saturday, November 23
Syracuse (4-6, 1-5 ACC)
at Louisville (6-4, 4-3)
4 p.m.; ACC Network
UL leads series, 10-7
Last meeting: SU, 54-23 (2018)

Head Coaches:

Syracuse - Dino Babers (22-25 in fourth season at Syracuse; 59-41 in eighth season overall)

Louisville - Scott Satterfield (6-4 in first season at Louisville; 57-28 in seventh season overall)

Notes: The Cardinals won all four meetings versus the Orange after joining the ACC in 2014, but the Orange broke through last season with a 54-23 victory • RB Moe Neal rushed for a career-best 159 yards and two touchdowns while QB Eric Dungey ran for two more scores and passed for another • Syracuse won the first three meetings between the schools from 1985 through 1992, but Louisville has won seven of the last nine head-to-head matchups • One of Syracuse's two wins during that span is particularly memorable, however, as the Orange derailed a Louisville squad ranked No. 10 nationally by a 45-26 score late in the 2012 season • QB Ryan Nassib threw for 246 yards and three TDs in his final home game as Syracuse handed Louisville its first loss that year • Behind QB Lamar Jackson, Louisville roared to a 62-28 victory three seasons ago at the Carrier Dome while piling up a school single-game record 845 yards.

Saturday, November 23
Pitt (7-3, 4-2 ACC)
at Virginia Tech (7-3, 4-2 ACC)
3:30 p.m.; ESPN2
VT leads series, 10-8
Last meeting: Pitt, 52-22 (2018)

Head Coaches:

Pitt - Pat Narduzzi (35-27 in fifth season at Pitt and overall)

Virginia Tech - Justin Fuente (32-18 in fourth season at Virginia Tech; 58-41 in eighth season overall)

Notes: Blacksburg provides the setting for a key matchup between Coastal Division contenders • The teams are even at 3-3 in ACC play since the Panthers joined the conference in 2013 • Pitt, on its way to the 2018 ACC Coastal Division crown, rolled to a 52-22 victory in last year's win at Heinz Field • Qadree Ollison had a career day for the Panthers as he rushed for 235 yards and three touchdowns on 16 carries, including a 97-yarder for Ollison in the fourth quarter • Darrin Hall added 186 yards on just seven carries as Pitt piled up nearly 500 yards on the ground • Virginia Tech has won six of the previous eight meetings between the teams in Blacksburg, including a 20-14 victory two seasons ago as the Hokies kept Pitt out of the end zone on the final play • The programs first met in 1993 as members of the Big East and played 11 consecutive seasons (through 2003).
