The Virginia women's basketball team (16-13, 6-9 ACC) plays its final regular-season game of the 2015-16 season at Virginia Tech (16-12, 4-11 ACC) on Sunday, February 28 at 2 p.m.

The Cavaliers have won three of their last four games and are currently tied for ninth place in the ACC with Wake Forest. Dependent on the outcomes of several of Sunday's games, Virginia could be seeded anywhere between seventh and 10th in next week's ACC Tournament. Seeds 10-15 will play on the first day of the tournament on Wednesday, March 2 at the Greensboro Coliseum. Seeds 5-9 will receive a first-round bye, beginning competition on Thursday, with the top-four seeds earning a double-bye into Friday's quarterfinals. The full bracket with match-ups and game times will be announced on Sunday evening.

Virginia is coming off a 72-68 victory over North Carolina on Thursday evening. The Cavaliers, who lead the ACC and are ranked 19th in the nation with a 75.4 percent free throw shooting percentage, were 15-of-16 from the stripe against the Tar Heels, including going 13-of-13 in the fourth quarter. Sophomore Mikayla Venson (Arlington, Va.), who leads the ACC and is ranked 22nd in the nation with an 86.5 percent free throw shooting accuracy, went 6-of-6 from the line, with all of her attempts coming in the final two minutes of the game. Venson is vying to become the third-straight Cavalier to win the conference freethrow-shooting crown.

Venson led all players with 23 points in the game, including going 3-of-8 from three-point range. Venson's three treys gave her 64 for the season, the highest single-season total in program history, and also moved her into 10th place in career three-pointers with 125. Venson is currently six makes shy of tying Dawn Staley (1989-92) in ninth place.

Venson's 23 points was her eighth 20-point game of the year.

For the second-straight game, Virginia had four players finish in double figures including redshirt sophomore J'Kyra Brown (Rocky Mount, N.C.) who had a season-high 12 points and also grabbed seven rebounds, which matched her season high. Brown was one of a trio of UVA guards, which also included senior Faith Randolph (Derwood, Md.) and sophomore Aliyah Huland El (Randolph, N.J.), who grabbed seven rebounds against the Tar Heels.

TIEBREAKERS- ACC TOURNEY SEEDING

- c. Seeding.** Seeding for the Basketball Championship will be determined by the regular season Conference standings. In case of a tie, the following formula will be used:
1. When two teams are tied in the standings, regular season head-to-head results are used as the tiebreaker.
 2. If the tied teams played each other twice in the regular season and split their games, then each team's record vs. the team occupying the highest position in the final regular season standings (or in case of a tie for first place, the next highest position in the regular season standings) and then continuing down through the standings until one team gains an advantage.
 - (a) When arriving at another pair of tied teams while comparing records, use each team's record against the collective tied teams as a group (prior to their own tie-breaking procedures), rather than the performance against the individual tied teams.
 - (b) When comparing records against a single team or a group of teams, the higher winning percentage shall prevail, even if the number of games played against a team or group is unequal (i.e., 2-0 is better than 3-1; 1-0 is the same as 2-0; 2-0 is the same as 4-0; 2-1 is the same as 4-2; 1-0 is better than 1-1; 0-1 is the same as 0-2; 0-2 is the same as 0-4). If the winning percentage of the tied teams is equal against a team, or a group of tied teams, continue down through the standings until one team gains an advantage.
 3. If three or more teams are tied in the standings, the following procedures will be used:
 - (a) The combined record of conference games between the tied teams involved will be compiled. Ties will be broken and seeds assigned based on the winning percentage of the combined conference records. The higher winning percentage shall prevail, even if the number of games played against the team or group is unequal (i.e., 2-0 is better than 3-1; 1-0 is the same as 2-0; 2-0 is the same as 4-0; 2-1 is the same as 4-2; 1-0 is better than 1-1; 0-1 is the same as 0-2; 0-2 is the same as 0-4).
 - (b) If procedure (a) fails to break the tie, then each tied team's record shall be compared to the team occupying the highest position in the final regular-season standings, continuing down through the standings until one team gains an advantage by a higher winning percentage.
 - (c) If the tie is broken by (a) or (b) regarding one or more teams, but three or more teams remain tied, then procedures (a) and (b) will be re-applied among those tied teams only.
 - (d) If two teams remain tied, procedures (1) and (2) will be followed.
 4. If there is more than one tie in the standings, and when utilizing the tie-breaking procedures there are a pair of teams tied, a team's record against the combined tied teams (prior to their own tie-breaking procedures) is used, rather than performance against the individual tied teams.
 5. If procedures (2) and/or (3) fail to establish an advantage, a coin flip to break the tie will be conducted by the Commissioner after the final regular season game before the Conference Championship.
 6. If a coin flip or draw (for a three or more team tie) is required, the procedure takes place immediately following the conclusion of the last regular season game prior to the Conference Championship. The procedure is administered by the Commissioner or a designated assistant. This session is open to the media and to athletics department representatives from the tied teams.
