Coach's Quotes----Virginia 30-South Carolina 20, Sept. 6, 1986, Scott Stadium  
Charlottesville, VA--

SC Coach: ~~Jim~~ Joe Morrison:

"I was very disappointed with our play, particularly in the first half. We didn't play very well on either side of the football. But we had our opportunities in the first half. Then in the second half we came out and had a fine drive, made a good defensive stand and had a ~~chance~~ chance to get right back in the ball game. We thought we would be tied heading into the fourth quarter. But they made a good stand on the one yard line; I thought we could make one yard. Then they almost go 99 yards and eat up about 6 or 8 minutes off the clock. I thought that was a very crucial factor.

"This was a very disappointing loss, maybe one of the biggest since we have been here.

"I thought we'd do a better job of shutting them down. They really didn't do much different than we had expected. But, give them credit. They made some big plays when they had to.

"We ~~we~~ planned on the running the ball more this week than last. There were several reasons--we thought we could run the ball and wanted to get more of a ~~bit~~ balanced attack."

VIRGINIA COACH GEORGE WELSH

There were a lot of mistakes out there. They made a lot and we made a lot, but we made the big plays and I think that was the difference.

I think ~~that~~ we played all right on defense. We made some mistakes, but that wasn't bad for a lot of guys being out there for the first time.

(offense) We missed some things and we were really sloppy. We didn't get the ball in (the end zone) down there a couple of times. That will catch up to you later in the season.

(On the running backs) Morgan is a big back and has great vision. Warren has good acceleration for a big back. That's what they're capable of. But we missed some things, too. We missed some cuts and didn't see some things.

We were worried about ~~our~~ running the football with any consistent execution. We thought if we could pass protect we could throw the ball some. But our pass protection was a little shaky, and I think Ford is a little rusty.

Our quarterback did a hell of a job. He read some things, he dumped the ball off and he called a lot of the game at the line. ~~They~~ Their defense forces you to do that. They come up to the line, they back off, they blitz, and you have to read what they're doing.
