COACHES QUOTES

GEORGIA HEAD COACH VINCE DOOLEY

"First of all, I'm pleased with the win today and with the way the team stayed steady under pressure. We did not get rattled once we got behind 14-0 and I was very pleased with the fact that we were able to keep our composure and get back on track."

"I want to congratulate Virginia on an excellent game plan. They knew we were vulnerable in the secondary and they went right after us. They got some easy touchdowns earlier and also ran the ball well with their big backs."

"In the second half I felt like we got control along the offensive line. We were able to put together some drives and gradually begin to take over. However, to Virginia's credit they came right back down the field and scored. They made the two-point conversion which forced us to have to come back and make a sustained drive. Fortunately, we were equal to the task."

"All in all, what you have is a win. But, there are serious problems on defense with our not being as good as we had hoped."

VIRGINIA HEAD COACH GEORGE WELSH

"I think we have to get better if we are going to win. It looks like we were a little sluggish to me. We've got to catch up a little bit on the quickness factor. I think they are very good, but that's on the basis of us. They are a lot quicker, they make plays, their quarterback and their tailback make plays."

"Maybe they are a little better than us; maybe more than a little better."

On Lars Tate:

"I thought he was awfully good. I thought what I thought looking at him on tape."

On last drive, first half:

"I thought things were slipping then and I didn't want to give them the ball back. I didn't want to go three passes and punt and give them the ball. I was happy with that situation."

"I don't think we played well. I think we played all right. I don't think we played well on defense in the second half. And then we went too long after 14-0. We didn't even get close; we didn't even get in field goal range."

On Morgan and Greggs:

"I think they played well; I think those two did all right. I'd like to see more rushing yards when we get them into the secondary like that. We can't seem to outrun anybody and break through."

Quotes from Virginia coach George Welsh:

"This was a very emotional game for us today. This was the first time in a long while that the defense has won a game.

Concerning the two-point conversion: "/ Our coaches had the defense ready, the only thing that I asked coach Spaz was that if we could stop that play action pass that they had been running with the fullback out in the flat with the fake, fake and come out. That is what I was expecting. They came out in the other formation so then it did not matter.

"It is a nice win, its one, but we have to win a few more. You need to get the first one and get a few more. "

Concerning kicking a field goal, rather than going for it on fourth down late in the game: "Yes, there was some thought. I asked upstairs and Coach Spaz said something about Kinzer can kick ~~it~~ a long one. A couple of complete passes and he is capable of hitting a 50 yarder or so." I just decided to try and let them beat us.

Quotes from Virginia Tech Coach Frank Beamer

"We came up short, but give Virginia credit. They stopped us when they had to do it. We are being tested right now with an 0-2 start. We'll see what kind of people we are.

"I was disappointed in our play at the start. We were not tackling well. We had Virginia receivers covered well twice and the Virginia players just out-manuevered us for the ball.

"But we came back strong. I thought Eric Chapman had a great second half. He played well enough for us to win the football game. Steve Johnson also had some big plays.

"With 1:34 to go when we scored, the thought crossed my mind that we might kick and tie the score. That would have put the pressure on Virginia and anything could have happened. We have the kicker and might have gotten the ball back with a chance to win. But we went ahead and tried for the two-pointer. It was supposed to be a sweep to the left, but Virginia just played it well. I give them credit.

"Chris Kinzer has won a lot of games for Tech and he will win some more. But today wasn't his day. That's just football. I have great confidence in him because he has great confidence in himself."

COACHES QUOTES DUKE AT VIRGINIA SEPTEMBER 26, 1987

VIRGINIA COACH GEORGE WELSH:

The defense held up when it had to. That's what we had to do. And (after the fumbles) both tailbacks came back strong.

You can't cover everything. We decided to give up the five- or six-yarders. We didn't mind giving up the little outside patterns but if you keep giving up the 15-yarders, it'll kill you.

Our running game was more consistent tonight ~~xxx~~ than it has been all year. We tried to stress to the offense that we wanted to be able to run the ball some to help our defense.

We also did a better job of getting the ~~xxxxxx~~ Ford involved in the offense. He's been doing fine, but we wanted him to touch the ball more.

(On pass rush) We had good coverage and that forced him to run around some. That helped.

DUKE COACH STEVE SPURRIER

We thought we played better than we did. I don't know if they are that much better than us or if they played their best game of the year. WE certainly were bad in side the 25 yard line.

Fourth downs didn't work this week. I thought the one to Clarkston we had been hitting all night. We had plenty of chances to get back but we muffed many opportunities. We got sacked when we were in field goal range. We all had a bad night.

I thought about it (Going for the field goal on 4th down) but we didn't execute it. I thought if we could get the touchdown it would be something we needed to do.

STEVE SLAYDEN became the No. 2 passer in Duke history tonight with 236 yards. He now has 6,121 career yards to pass Leo Hart.

COACHES QUOTES

VMI COACH EDDIE WILLIAMSON:

We were non-existent offensively, just atrocious. Virginia's got a first-class secondary, and they covered us up pretty good, but I think when we look at the films tomorrow, we'll find some things open that we didn't go to.

Our pass-blocking was pretty good, but we had no running game whatsoever.

I wish Virginia hadn't scored that last touchdown, but we have to feel good about the way our youngsters hung in there and kept plugging. Virginia throws a lot of skilled talent out there. They put a lot of pressure on you. But I think we hung in there pretty well.

~~XXXXXXXX~~

VIRGINIA COACH GEORGE WELSH:

"I was not happy with our offense. We stumbled too much and I do not think that we got the execution that we could. I must give them credit. They did a good job against our running game. They were strong and they beat a lot of blocks and they did some things that were pretty good and they took some things away.

I think that it would be good to have Morgan, Ford, Morris and Dempsey back because we would be a little better offense team.

We have to be a little more efficient with the short passing game.

I think we played pretty well on defense. They never got close did they.

I can't complain about our defense.

The field goal by Inderlied of 47 yards was a personal best.

SOUTH CAROLINA GAME NOTES -- VS. VIRGINIA 10/17/87

The 58 points scored by South Carolina today are the most since a 73-0 win over Wichita State Sept. 13, 1980. The Gamecocks ~~XXXX~~ scored in the 50s twice since the Wichita State game prior to today, a 56-17 win over The Citadel Aug. 31, 1985, and 52-10 over East Carolina Oct. 26 the same year.

Sterling Sharpe set a school career receiving yardage record today with six catches for 106 yards. He now has 2,121 yards on 144 receptions. He needs two receptions to tie the record for most career receptions, 146, set by Fred Zeigler 1967-69. Sharpe's yardage record breaks the mark of 2,063 set by Phillip Logan, 1974-77.

Harold Green, who underwent arthroscopic surgery to remove loose cartilage from his right knee 13 days ago, returned to the lineup today and rushed 23 times for a career high 132 yards. It was his second 100 plus yard game of the season.

Greg Welch scored two touchdowns today, his first points in two years. He had two TDs against East Carolina Oct. 26, 1985 and a week later suffered a severe knee injury against N. C. State. He did not play last year, while recuperating.

Collin Mackie today tied the record he set a week ago when he kicked for 16 points. Today he had seven PATs and three field goals. Last week, against Virginia Tech, he kicked four field goals and four PATs.

Todd Ellis passed for 286 yards today, the 16th time in 17 career games he has topped 200 yards. The only time he didn't was the second game of his career, Sept. 7, 1986, when Virginia held him to 155 at Charlottesville.

South Carolina employed the I formation as a supplement to the run and shoot today, much more than in the past and came out of the game with perfect balance. The Gamecocks had 286 yards passing and 286 rushing for 572 yards total offense.

COACHES QUOTES

South Carolina Head Coach Joe Morrison -- "On behalf of the University of South Carolina we want to extend condolences to the Craig Fielder family and the University of Virginia football team.

You never know what's going to happen on a football field on a week to week basis. Harold Green came back well from his arthroscopic knee surgery and did a fine job. Defensively, we played well most of the afternoon. I thought Sterling (Sharpe) made a super catch in the fourth quarter. And the punt return was just a great run on his part. He also got some great blocks downfield.

We were able to get the ball on turnovers in the fourth quarter, and get the ball in the end zone. Their quarterback and receiver Ford put pressure on us most of the day, but I thought we responded well.

It was a good ball game and we were able to play a lot of folks."

Virginia Head Coach George Welsh -- "I have to give them some credit, they did a lot of good things on defense. They ran the ball a lot on offense, and it made them much more effective...They're running the ball in the I-formation at mid-field was a good change for them. They blitz a lot, and it happens to be very effective. There was lots of pressure all day, and it was hard to execute a pass."

PLAYER QUOTES

South Carolina

Cornerback Robert Robinson -- "My hat's off to (John) Ford, he's just a great receiver. My job today was to stop him, and I did everything I could to do that. I got a little tired in the second half, because I was trying to stick him hard all game. In fact, we all got tired in the fourth quarter (defense), but we just sucked it in and played good 'D.' "

Quarterback Todd Ellis -- "We used the 'I' a lot more today, and it made our offense very versatile. I thought, overall, that we were very successful. All day, we did some pretty sound things, but had times of bad execution. I think this was the best our offense has played all season."

Runningback Harold Green -- (About playing time this afternoon) "I knew I was going to play some, but didn't think I was going to run the ball that much. The three other runningbacks played well last week, and I was just looking to get some downs in.

Virginia's got a good ball club, but it just seemed like they had something else on their minds today. Overall, we played to the best of our ability. Fifty eight points - what can you say? Everybody just got into the act this afternoon."

Wingback Sterling Sharpe -- "We didn't play good at all last year at Virginia. So, we wanted to put together a good performance today. I thought we played a great performance and really began to wear them down in the last quarter." (About the I-formation) "The 'I' worked well, because Harold Green felt more at home to run the ball. I think we executed very well from that formation." (About his performance) "It's the kind of game every one dreams about. Every one pitched in to this performance. I was very lucky to be the benefactor of such a good day."

PLAYER QUOTES

Virginia

Linebacker Kevin Cook -- "I don't think we were as emotional as we should have been. We knew what we were gonna see, but I knew as soon as they went to the 'I' they were gonna keep on running. We just should have been more emotional. And we weren't gonna be pessimistic at the half. There were just too many plays. Personally, I liked them better in the run-and-shoot. I was reading Ellis pretty well. Had they kept running it, I felt we could've picked off a few more."

Quarterback Scott Secules -- "Playing Clemson and South Carolina two weeks in a row put a lot of pressure on us. They're two pressure defenses. They were giving John (Ford) an awful lot of room. We spread the ball around a good bit, I thought. But they did put a lot of pressure on us. They were blitzing linebackers consistently, and they took they early pass to (Joel) Dempsey away from us."

Defensive End Sean Scott -- "It's hard for myself to get down I don't want to get down. Mistakes were just ridiculous. Nothing went right for us and everything went right for them. Yet, you have to think when you play South Carolina. That reverse burned us and they went deep on us."
(On Clemson vs. South Carolina) "It will be interesting to see how it goes."
Clemson really likes to grind it out. I think the defenses will decide it."
(On the death of Craig Fielder) "It's just too soon, I'd rather not speak now."

WAKE FOREST COACH BILL DOOLEY:

We took an old-fashioned ~~is~~ whipping. Give Virginia credit. They executed very well, and got every big third down play they needed. We couldn't stop them running and we couldn't stop them passing.

I don't think we executed very well on defense. We didn't stop them very often. It's disappointing to let them score that many points.

We moved the ball well, but when we got close we couldn't get it in the endzone.

(On Virginia's ~~successful~~ two-point conversion) That should not have been effective. We work on that play all the time, but that's typical of the way the night went.

We're the type of ~~a~~ football team that if we're not hitting on all cylinders we're in trouble.

VIRGINIA COACH GEORGE WELSH:

Concerning the conservative play in the second half. "I do not think that we played conservative. We got ten points in the second half and we did not have the ball that much in the third quarter. I was hoping for a touchdown rather ~~than~~ than the field goal. Maybe we should have thrown the ball.

I think that it would have been out of reach if we would have scored a touchdown at that time.

They did not put the pressure on us tonight that South Carolina did last week. I do not think that many teams will. I think that our kids bounced back pretty good. I ~~was~~ was a little worried earlier in the week. The offense really worked hard in ~~practice~~ practice. We felt like ~~that~~ they were really ready to go this week.

The week off should be really good for us and help us out a lot, mostly because we have so many people hurt, a lot of them played tonight.

Secules did a great job for us tonight.

~~****~~

*****Virginia's Scott Secules set a school record for completion percentage for one game. Secules~~st~~ completed 20 of 25 passes against Wake Forest (80 percent). Secules set the record earlier this season against ~~VMI~~ VMI on Oct. 3, completing 17 of 23 passes (73.9 percent)

COACHES QUOTES

NORTH CAROLINA AT VIRGINIA

NOVEMBER 14, 1987

NORTH CAROLINA COACH DICK CRUM :

It was a tough loss. We had two really hard ballgames recently, and ~~it~~ ~~xxxxxx~~ getting up for this game was hard.

Mark Maye hurt his knee last week. That's why we ran the shotgun. His mobility was limited.

We needed to get a couple of first downs and we didn't.

(On last Virginia drive) We were in a nickel defense. It wasn't a prevent defense.

(Least amount of pass rush this year~~xx~~?) I suppose it was.

VIRGINIA COACH GEORGE WELSH:

I have never been a head coach of a team that has scored two touchdowns in the last four and a half minutes.

I can not describe the feeling, I don't have words ~~xxx~~ that describe it. I feel great and I ~~am~~ very happy for that team and really for the quarterback. He had some tough times out there today. If you hang in there some good things will ~~happen~~ happen. We made some good catches late out there. We have been practicing that a lot lately. We have been practicing that late drill all year and we even put in some extra time with it, the last four or five weeks. It paid off for us. I am not sure how he really was able to communicate with the players at the line of scrimmage. ~~xxxx~~ ~~xxxx~~ They got it though.

As

We fouled up a lot of opportunities and we had some crucial penalties that really hurt.

POST-GAME QUOTES:

Coach LaVell Edwards:

"We kept ourselves out of the end zone, but you have to give Virginia's defense credit. We dropped passes--one in the end zone--picked up some penalties and turned the ball over at critical times.

"It's been a long time since we put the ball in the air as often as we did tonight.

"We felt going into this game that defense was going to be a key. But we've had too many injuries of late, and generally we have been banged up. Richard Hobbs (linebacker) was hurt in the first quarter.

"Virginia maintained possession of the ball, and they mixed up their plays well.

~~XXXXXXXXXXXX~~ "The offense we used tonight is something we've had for a long time but never used. We call it the 'Creature' and we received it tonight. It helped the team keep interest high during practice; kept things livened up."

FRED WHITTINGHAM, HALFBACK:

"Yes, it was one of my better games, but it doesn't mean much if you don't win. I wanted to carry the ball on some of those goal line plays. But there were some positive things that can come out of tonight's game. We're a young team, in many respects.

"Virginia did a good job, and I felt their defensive backs were very good, especially in their drive to the ball."

Virginia head coach George Welsh:

"I think the key thing in the football game is that we did a good job on our goal line. We made some plays down there, we stopped them. We made some plays that they had to kick long field goals that they missed. Those things usually add up against you when you can't make it, so that we probably ended up being the difference, otherwise they might end up with a couple more touchdowns.

"They must of had 180 yards in the third quarter alone probably. That's one of the things about the pass, if you get down there sometimes if you are running the ball well you are usually be able to knock it in.

"You have to score touchdowns usually to win games like this and that's where our defense came through for us.

"I think our defense deserves a lot of credit."

Scott Secules -- UVa quarterback and game MVP

"I'd really like to say, and I hope you guys write this down, we really appreciate everything that Birmingham did for us. All the hospitality that we've seen. On behalf of the team, as coach Welsh said, we really appreciate the invitation to Birmingham and the opportunity to beat a quality team like BYU in a great football game, we'd just like to say thanks.

"We won this year with offense, with defense. We were at our best when we both contributed.

"We came in trying to establish the run, we did a good job on the ground, the offensive line did a great job coming off the ball. We made some key pass plays. You're running up against some awful big guys, it's just a matter of really coming off the ball and doing a really good job blocking.

"(McGinnog's catch at the end of the game) really kept the drive going, we really needed that one.

Sean Scott -- Virginia defensive end

"Just fantastic. They threw the ball 61 times and we only gave up 16 points. We did what it took. It wasn't one person in particular, it was just a great defensive effort all around.

"We came into this game with everyone saying that it was one offensive powerhouse vs. another. Both defenses, there was a little bit of lack of respect. I felt great that we came through and proved ourselves.

"I came in with a bowl win, I'm going out with a bowl win. There's nothing sweeter.
