2017 ACC FOOTBALL NOTES

ACC TEAMS IN THE TOP 25 RANKINGS

Ced by Florida State and Clemson, five Atlantic Coast Conference football teams are ranked in both the preseason Associated Press and Amway Coaches Top 25 polls. The Seminoles are third in both polls, and Clemson is fifth in both. Also included in the rankings are No. 16 (AP)/17 (Amway) Louisville, No. 18/18 Miami and No. 21/22 Virginia Tech. Nine of the 14 ACC teams are ranked or received votes in the coaches poll. NC State and Pitt received votes in both polls, while Georgia Tech, North Carolina and Syracuse received votes in the coaches poll.

The ACC is the only conference with two top-five selections in the AP poll and is tied for second with five teams in the poll. This marks the second consecutive season (and second time overall) two ACC teams have been included in the AP preseason top five. Last year, Clemson and Florida State also were ranked in the top five.

The league has now had a pair of top 10 teams in the AP preseason poll on seven occasions, beginning with its first year of existence in 1953 when Maryland was ranked ninth and Duke 10th. The ACC also had two top 10 teams in 1991 (No. 8 Georgia Tech, No. 9 Clemson), 1997 (No. 3 Florida State, No. 7 North Carolina), 2001 (No. 6 Florida State, No. 10 Georgia Tech), 2004 (No. 8 Virginia Tech, No. 9 Miami), 2005 (No. 8 Virginia Tech, No. 9 Miami) and 2016 (No. 2 Clemson, No. 4 Florida State).

Alabama was picked No. 1 in the AP poll and will face No. 3 Florida State on Saturday, Sept. 2, in the Chick-fil-A Kickoff Game in Atlanta. Those are the highest-ranked teams in a season opener since the AP started a preseason poll in 1950. Dubbed the "Greatest Opener of All-Time (GOAT)," the Chick-fil-A Kickoff Game is the fourth season-opening match-up between two top five opponents.

The others were No. 1 Pitt against No. 5 North Carolina in 1982, No. 1 Nebraska against No. 4 Penn State in 1983 and No. 1 Oklahoma against No. 4 UCLA in 1986.

PREVIEWING THE 2017 ACC SCHEDULE

ACC teams will play more games (22) against Power 5 non-conference teams in 2017 than any of its peer conferences. The ACC will also have a higher percentage (.393) of its non-conference games against Power 5 opponents than any other league.

ACC teams will play more games against non-conference teams (9) that were ranked in this year's AP Top 25 than any other peer conference.

Including the 11 ACC teams that went to bowl games, no ACC team will face fewer than seven opponents that went to bowls last season. ACC teams will play 26 games against non-conference opponents that went to bowl games in 2016, the second-highest total among peer conferences.

The 2017 schedules for three ACC schools – Syracuse (seventh, .613), Georgia Tech (eighth, .609) and Duke (ninth, .606) – rank among the top 10 nationally in opponents' winning percentage.

ACC teams' FBS non-conference opponents had the second-highest winning percentage (.526) in 2016 of any of the Power 5 conferences.

LABOR DAY WEEKEND: ACC TO PLAY 14 GAMES OVER FIVE DAYS

The ACC will begin the 2017 season tying its record (14) for most games on a single weekend, which was set in 2015 when all 14 schools played non-conference opponents.

Last year, the ACC tied its record for most non-conference victories on an opening weekend by posting a 10-2 record. That is also the best winning percentage on an opening weekend with eight or more non-conference games. The ACC had 10 non-conference wins in 2010 and 2015.

The ACC set a league record in 2014 for most non-conference wins on any weekend, posting a perfect 11-0 mark in week two. That was also the most wins in an undefeated weekend in league history.

ACC LABOR DAY MONDAY NIGHT RATINGS

Throughout its 12-game history, the ACC's Labor Day Monday night appearance on ABC and ESPN, has been a ratings success. The 12 games have averaged 7.3 million viewers. Last year's Florida State-Ole Miss game drew 8.35 million viewers. Combined with the 2015 game between Virginia Tech and Ohio State, almost 19 million viewers have tuned into the game in the past two seasons.

The 2010 Virginia Tech-Boise State telecast was seen by more households, at the time, than any ESPN college football telecast in history. The 7.3 rating was the highest Monday night rating and tied for the second-highest rated regular season college football telecast on ESPN since 1994.

Nine of the 12 games have been close with an average margin of victory in those contests of just 5.9 points and two of the games going into overtime.

Florida State and Miami have met four times on Labor Day Monday, with the average margin of victory being just four points and the average TV rating 6.48.

This year, Georgia Tech makes its second appearance on Labor Day Monday night when it faces Tennessee in Atlanta at the new Mercedes-Benz Stadium as the second of the two Chick-fil-A Kickoff Games scheduled for the opening week.

NATIONAL TITLES & HEISMAN TROPHY WINNERS

Two of the last four national champions have come from the ACC (Clemson in 2016, Florida State in 2013), the only conference with multiple winners over that stretch. The ACC has had a team in the championship game in three of the four years.

The ACC is the first conference since 1994 to have a football national title winner (Clemson) and a Heisman Trophy winner (Lamar Jackson, Louisville) from two different schools in the same season.

Couisville's Lamar Jackson became the second ACC player in the last four years to claim the Heisman Trophy. With Clemson's Deshaun Watson at No. 2 in the Heisman voting, it marked the seventh time in the 82-year history of the award that the top two finishers have been from the same conference, and only the second time that the top two finishers have been quarterbacks from the same conference.

With junior QB Lamar Jackson returning to lead Louisville in 2017, the ACC has had reigning Heisman Trophy-winner return to compete in the league twice in the last four years. Florida State's Jameis Winston did so in 2014 after winning the 2013 Heisman Trophy. Jackson is the youngest athlete (19 years, 337 days) to win the Heisman Trophy, while Winston (19 years, 342 days) is the second youngest.

ACC AGAINST POWER 5 COMPETITION

The ACC finished the 2016 season with a 17-9 (.654) mark against Power 5 competition, the only league with a winning record in such games. The ACC finished ahead of the Pac-12 (8-8), SEC (11-14), Big Ten (9-11), and Big 12 (5-8).

The ACC was 51-17 against all non-conference competition in 2016, the best record of any conference and a league record for most wins in a season. The previous mark of 46 wins came in 2013 and 2014. The 51-17 record is the best of any conference this year, both in total wins and winning percentage (.750). The winning percentage is the second-highest in league history, topped only by the .770 mark set in 1990, when the league played only 37 non-conference games (28-8-1).

The ACC was 7-5 (.583) against ranked non-conference opponents last year, the best record of any league.

The ACC was 10-4 against the SEC last year and 6-2 against the Big Ten. Both are league records for most wins against those respective conferences.

The ACC had 11 teams with winning records, the most in league history and two more than any other conference last year.

ACC BOWL SUCCESS

The ACC was 9-3 in 2016 postseason bowl games, a league record for most bowl wins in a season and tied for the most for any conference in history.

Solution of the last five seasons, the ACC has the most wins in BCS, New Year's Six, and College Football Playoff games. The league's 8-3 record in these games leads the Pac-12 (5-4), Big Ten (6-7), SEC (5-8), and Big 12 (3-5).

ACC ORANGE BOWL SUCCESS

When FSU defeated No. 6 Michigan, 33-32, in the Capital One Orange Bowl, it marked the fifth straight victory for an ACC team in the Orange Bowl. That's the longest such streak for a conference in the Orange Bowl in 72 years. FSU began the streak in the 2013 contest against No. 16 Northern Illinois and it has continued with Clemson's win over No. 7 Ohio State in 2014, Georgia Tech's win over No. 8 Mississippi State in 2015 and Clemson's win over No. 4 Oklahoma in 2016.

DR PEPPER ACC FOOTBALL CHAMPIONSHIP GAME

The Dr Pepper ACC Football Championship Game will be held at Charlotte's Bank of America Stadium for a seventh time this season, resuming an agreement between the ACC and the Queen City venue that runs through the 2020 season.

The 13th annual Dr Pepper ACC Football Championship Game is set for Saturday, Dec. 2. The game will again be shown in prime time on ESPN (at 7:45 p.m.) or ABC (at 8 p.m.)

The six Dr Pepper ACC Football Championship Games held in Charlotte have been extremely successful from a fan experience and attendance standpoint. The games have averaged over 69,000 fans per contest, including sellout crowds in 2010, 2011, and 2015. An ACC Football Championship record crowd of 74,514 in 2015 set an attendance record at Bank of America Stadium. Over the last seven years, the ACC ranks second among all conferences in attendance at its football championship games.

Since 2011, the ACC Championship has been the most competitive of the four major conference championship games, as it has been decided by more than five fewer points per game than any other championship.

ACC BOWL PARTNERSHIPS

The ACC is in its fourth year of a 12-year agreement with the Capital One Orange Bowl, which will host an ACC team—either its champion or next available team—in all years in which the Orange Bowl is not a semifinal site for the College Football Playoff. The opponent will be the highest ranked available team from the SEC, Big Ten or Notre Dame.

The ACC has won five consecutive Orange Bowl games, the longest winning streak in the Orange Bowl by any conference in 72 years.

The ACC is in its fourth year of an extended bowl relationship, with teams potentially playing in the Camping World Bowl in Orlando, Belk Bowl in Charlotte, Hyundai Sun Bowl in El Paso, New Era Pinstripe Bowl in the Bronx, Franklin American Mortgage Music City Bowl in Nashville, TaxSlayer Bowl in Jacksonville, Military Bowl presented by Northrop Grumman in Annapolis, Independence Bowl in Shreveport, Quick Lane Bowl in Detroit, Bad Boy Mowers Gasparilla Bowl in St. Petersburg, and the Birmingham Bowl in Birmingham. In addition, if the ACC's opponent in the Capital One Orange Bowl is a team from the Big Ten, then the ACC will have a team selected to the Citrus Bowl.

Cverall, the lineup of bowl games provides more postseason opportunities, selection flexibility, improved financials, marquee matchups and attractive destinations for the ACC's member schools.

ACC ACADEMIC SUCCESS

Ten of 14 ACC Football teams earned a graduation success rate at or above the FBS average of 74 in 2016. That ties for first among Power Five conferences, both in terms of percentage and in total number.

The ACC remains the only Power 5 conference to have multiple teams score 90 or higher every year since 2005. Duke (94), Wake Forest (91) and Boston College (90) reached that plateau last year.

In its 2016 U.S. News and World "Best Colleges" rankings, ACC member schools combine for an average rank of 55.7, marking the 10th straight year that the ACC has led all Power Five conferences.

THE ACC & THE NFL DRAFT

The ACC had 43 players chosen in the 2017 NFL Draft. The total was the second highest of any conference this year and the third highest in league history.

The ACC has had 158 players chosen in the last four NFL Drafts, the second-highest total of any conference.

In the 2017 draft, Miami led all ACC teams with nine selections followed by Clemson and North Carolina (6 each), Pitt (5), Florida State and Virginia Tech (4 each), NC State (3), Boston College and Louisville (2 each), and Georgia Tech and Wake Forest with one selection apiece.
