weeks before we settle on a starting quarterback. I think Schuchter in the first half threw the ball well but one quarter is one quarter. I don't have any fault with our quarterbacks. I think Mike Eck did all right.

"I don't ~~think~~ have any fault with our team. They hung in there ~~with~~ real well. If we get better goal line offense and don't have all those turnovers the experience will help us.

On his return to Navy:

"It was a ~~in~~ little bit strange. I spent a lot of time with those guys. What the hell, I lived with those guys, some of them, for three or four years."

QUOTES FROM NAVY COACH GARY TRANQUILL:

"I never had the feelings going into a game like I had today. Maybe I let the distractions bother me. (Explaining): It was all the build up, what happens. I'm glad its over.

"Our defense played well except we gave up about three big plays. We would play well for us a while on defense and then give up a big play. We also made some big plays on defense, such as Eric Wallace's interception, the quarterback sack and the fumble we got.

On what Navy's defensive unit did inside the 10:

"We were in our regular defense most of the time but I thought we were more intense and aggressive down there. We were too cautious on both sides of the ball early in the game.

"Our offense didn't move ball the ball like I thought we would. Marco threw some on the money early we dropped them. We didn't make big plays on offense, not enough consistency.

"I thought one of the great jobs today was the kicking of Steve Young.

On George Walsh coming back:

People will never forget George. I know I won't. And the people here won't. He did a great job for nine years.

QUOTES FROM BRIAN CIANELLA:

"This game was like the bowl game, exciting, except I like the result a little better.

We won. (On his sack at the end): "It was a straight blitz and it worked as perfect as it could"

Virginia head coach Geroge Walsh

Madison's a little bit better team than our football team gave them credit for. I don't think we were overconfident, but I don't think we gave them the respect they deserved. We were outquicked today just like we were outquicked at Navy, and that's not good. We run well enough but we're not quick yet.

We're not balanced enough. Today we passed a lot because we were ~~more~~ executing our passing attack. But our running is not as sharp as ~~it~~ we'd want it to be.

We try to get better every week, but we didn't do that ~~in~~ today. In fact, we probably got worse--we gave up two long touchdowns and turned the ball over too many times. We try to get better as individuals. If we get better as individuals, we get better as a team.

We ~~got excited~~ had a lot of guys on the sideline at the end when we needed them. That's the worst part. We're getting a lot of injuries again.

Quentin Walker: They said he's got a little shoulder problem and his hand goes ~~a~~ numb every now and then. But we used him because he said he was all right.

^{Madison}
James ~~Madison~~ head coach Challace McMillin

You can't describe the way I feel. It's a great win. We've been working against big odds the last couple of years, but our kids believed.

The biggest win? I guess so.

I don't know if there was any one big play. The pass to Clark, the interception by Thurman, the other turnovers. There were a lot of big and little plays.

After Virginia took the lead I still thought we could win the game. We had to play good defense and get the ball back, but I thought we could move it.

Before the game I told the team the most important thing was to believe.

When you've gone through what they've (the JMU players) gone through the last three years you either develop poise or get out.

I felt before the season we had the ^{potential} to be competitive, that means having the ~~a~~ opportunity to win.

How much did the 69-9 game mean today? "Not much. We had only 20 scholarship kids then. I don't think it was a big factor."

I felt the kids were confident before we went out. I felt we would play a good football game. It certainly helped to get the scores early.

My biggest concern coming into the game was Virginia's size. I felt it ~~was~~ was possible they could ~~outlast~~ wear us out.

Virginia head coach Geroge Welsh:

(on decision not to go for a tie): What for? I don't know what a tie does for you. We had a 50-50 chance on the pass play, but we just didn't get it. The tight end and the wide receiver were the primary targets. We told Wayne to look at the tight end to see if he was open but he wasn't.

We've got to get more touchdowns. We've had enough offense and good enough field position, but we need more touchdowns. Today we had a chance to go well ahead ~~walk~~ in the first half and didn't do it. I'm disappointed in that.

(effect of injury to ~~the~~ Walker): Walker has more speed than our other backs and when you don't get all your speed on the field it's bound to affect you. But NC State didn't have McIntosh.

(defensive line): I think they played fine. There were a couple of times I wish we would have held them, and we could have used a better pass rush, but on the whole they played well.

I think we're getting closer. We played with more emotion today and we hit harder, but we need to play smarter. We just can't seem to get it all together. We need a better running game and we need some first downs.

N. C. State head coach Monte Kiffin:

I've coached in a lot of football games, a lot of big games, and you may not believe this but I've never been prouder of a bunch of guys before. They way we came back after all the turnovers in the first half and competed hard. I've never coached a bunch of guys I've been prouder of. You know this game might have made our team. Clemson beat Tulane only 13-5 early last season and went on to win the national championship. We're 4-1 and ~~X~~ that's a lot better than 3-2, which is what it looked like we would be at halftime.

You've got to admire Tol Avery. He really competed hard. He could have tossed it in after the turnovers in the first half, but he came back in the second half to go eight-for-eight. That's what college football's all about, competing hard. That's what life's all about.

Mike Miller played well, once he got settled. He hurt us on a couple of plays, the third down run by Avery in the fourth quarter, just because he didn't know which way to go. He only got back to practice last week and this was his first snap in a varsity football game but he's going to be a really fine back, and made some big runs for us.

You've got to admire Coach Welsh in going for the win. It was a heckuva call. He's going to have a good football program here, you only have to look at his record at Navy and the way his team played in the first half to know that. ~~IX~~ I would have made the same decision if we were in the same situation.

Our defense really played well today. They just kept coming and coming on. When you play good defense you have a chance to win the game.

This was a good game to win. We had a bunch of young players starting their first games in Ricky Bunch at tackle, Ken Bogard at guard and Dean ~~W~~ Shavlik at center and they competed hard. I told the squad in a meeting yesterday that its important to be able to play hard ~~XXXXXX~~ when you are behind. I just didn't expect us to be behind today.

COACH' S QUOTES---CLEMSON vs. VIRGINIA October 9, 1982 SCOTT STADIUM'

CLEMSON COACH DANNY FORD

(In the lockerroom) You did a great job. Defense, you got your first shutout and offense you put 48 points on the board. You got your first ACC win and you know who is next. (Duke). You did a real good job and we need to get everybody well. Congratualtions again. Ford presented Coaches VanDer Heyden and Kipps with game balls.

(Outside to press) "We are real happy for our football team. We scored points and we got our first shutout. We got the opportunity to play a lot of people. It's unfortunate for Virginia that they got behind so early. This field was in no condition for their passing attack. We got some good stats and we played well. We have certainly improved quite a bit in the last two weeks."

Virginia coach George Welsh

Clemson's a good football team. They play great defense and they're physically strong. But we've gone backwards, there's no question about it. You're only as good as your last game and on the basis that we're a terrible football team. Four weeks ago I thought we were decent, but I think we've taken ginat strides backwards. Individually we've gone backwards and collectively, well you see what happens.

This was the worst week of practice we've had this year, although they've been getting worse as we've gone along. That catches up with you.

(off week next week) I think it should help. We need some time off, some time to get away from football and then get back to fundamentals. AWe probably won't practice until Tuesday or maybe even Wednesday and then I think we have to reevaluate everything. We'll look at some other people, consider some changes. I don't like to change things and we might not end up changing anything, but I think we have to think about everything we're doing and evaluate it.

COACH'S QUOTES---VIRGINIA VS. WAKE FOREST, October 23, 1982, Scott Stadium

Virginia's Wayne Schuchts set one school mark with 320 yards passing, his 373 total offense was the second best in Virginia history

15 of 30 for 320 yards passing plus 11 rushes for net 53

old marks 312 Bob Davis vs. Clemson and 376 Bob Davis vs. Georgia Tech

Virginia head coach George Welsh

If we had lost that one we ~~would~~ might have had some insurmountable problems. We let them get back in there, but I think that the way we played showed a lot about our team. We won it the hard way. We got an interception and had to keep the ball on the ground to run out the clock. Maybe that's good.

(Virginia's "new" offense): We used that at Penn State in 1965. We wanted to get Walker in the game with Rice and Goode. We wanted to get some more backs in the game to give us more ~~mix~~ misdirection. We used that against Virginia in 1979 when I was at Navy. I think we'll stick with it because it helps us get more backs in the game at the same time and it gives us a better counter game.

I've never been conservative. I don't know why I've got that rap.

(against Schofield) I don't think we did very well against him. We made some interceptions and that helped. We went with three rushers most of the game because Schofield has a knack for getting the ball off without getting sacked. No one's sacked him. And with their big tight end ~~(Derfeld)~~ (Derfeld) getting open underneath, ~~we~~ we thought it would be best to have a lot of guys back there to try to stop them.

WAKE FOREST HEAD COACH AL GROH

They did quite a bit of new things that they installed in their off week that gave us problems. I thought Coach Welsh and his staff took full advantage of their two weeks in preparing their team. Their one back set and winged back formations gave us problems in the first half but I thought we were able to make adjustments at halftime.

I thought we had our chances from the first possession on for our ~~offense~~ offense to get the job done. Our passing attack was a lot more impressive to the fans than it was to me. They dropped eight players the entire game on defense which is exactly what we expected them to do.

(on the 93 yard Virginia touchdown)--That's probably the play that's the biggest factor in the game's outcome. We felt the game was getting away a little bit and wanted to make a play to help give our offense a spark.

I felt we could move the ball down the field on the last drive. We certainly had the chance to win the game.

VIRGINIA --VMI COACH'S QUOTES---October 30, 1982---SOCTT STADIUM

pat chester(va.) set a school mark with his 13th and 14th career interception
wayne morrison set a school mark for uva with his 70th career pat-kick

VIRGINIA HEAD COACH GEORGE WELSH

"Some of our little stuff we're starting to get a little more out of than we were (kicking, pass rushing, etc.). We're better off mentally in some way. Our minds are zeroed in on the opponents moreso, I believe. It's something you try to get. I don't think we had that early in the season."

"I thought they looked a lot better than we did for a quarter. They executed well; they came out and they moved their backs around, they did some motion, they threw the ball in the flat, made their fake and threw th ball to the tight end...Sometimes that's hard to defend right away."

"We gave one game ball to (Antonio) Rice, and I think (Pat) Chester got carried away and gave one to everyone on the defense."

"I think (Ron) Mattes did well, the linebackers, (Mark) Wiley and (Charles) McDaniel, did a good job rushing, and we did a decent job in pass defense. We rushed their quarterback a lot, and obviously, that was a big part of the football game."

~~xxxxxxxx~~ "I think we're getting a little better. We've won two games and that's a big plus."

"Their passing game isn't like Wake Forest. They do different things so we thought we'd better get pressure on them. Their success has been getting the quarterback making those fakes and (passing) it outside. We tried to bring our ends up the field and keep them inside, and then flex somebody inside ~~xxxxxxx~~ to put some pressure inside."

VMI HEAD COACH BOB THALMAN

"This is behind us, we got beat, no if, ands, buts about it...I'm not going to make excuses; we tell our players ~~whxxxxxxxx~~ when someone goes down, the next man must step in and get the job done. ..You all saw the things that happened out there today. I don't need to get into all that."

"Virginia won the game and they deserved it."

"We were moving ~~hx~~ the ball very well in the first period, but didn't get any points. That really hurt, and that first interception~~xxx~~ keeps coming back to me.... The fumble inside our 10 late in the half just gave them six."

"Our kicking game fell apart. Any team relies heavily on its kicking game...I couldn't believe my eyes..we work on it so much. We even had a bad snap on our point after."

"Defensively, Virginia stunted ~~xxx~~ its linebackers a lot more than normal, and we ~~ax~~ failed to pick it up several times."

COACHES QUOTES

VIRGINIA HEAD COACH GEORGE BUSH:

I don't think anybody was particularly excited or very good, but they were better than we were. We made too many offensive mistakes; we fumbled the ball too much and fell down too much. ~~XXX~~ We played the run better today. North Carolina is just too good for us right now.

On the quarterback situation:

"Whitehead was going to start and that's all we knew. When Schuchts went back in in the fourth quarter we weren't getting much out of the run, so we put in the quarterback with the better arm.

"We made too many offensive mistakes, some you could see, some you couldn't. They're too good to run on. We couldn't get any cracks for Rice and he's been getting 100 yards lately."

"Today we were a little tougher--still not great, but at least we stopped them a few times."

Carolina Coach Dick Crum:

"It was a tough football game. We played about like I thought we would, coming off the loss. We simply played well enough to win. Considering the adversity we had and the injuries, that wasn't too bad.

"We had a lot of things go wrong. When you have a disappointing loss like we had last week, it's tough to play well. We weren't real smooth, but we were able to get it in end zone when we had to do it."

~~xxxx~~ about running Bryant so much:

"Kelvin was so close to breaking one. He almost got away a couple of times."

about the injury situation:

"We're starting to run out of people. Our depth is pretty well depleted."

NOTES: Ron Spruill has a broken left leg. His backup, Bobby Pope, tore ligaments in his left knee and will undergo surgery Sunday. The following offensive players have missed at least one start this year due to injuries: David Drechsler, center Steve McGrew, tight end Doug Sickels, quarterback Rod Elkins, fullback Alan Burrus and tailback Kevin Bryant. Spruill joins that list next week.

Brooks Barwick's two field goals tied the Carolina single-season record of 15 set by Tom Biddle in 1977.

COACH'S QUOTES-----VIRGINIA VS. MARYLAND---November 21, 1982, Scott Stadium-- - - - -

Virginia head coach George ~~Walt~~ Welsh

They're too good for us. It's that simple. I don't have anything more to say.

On the decision to start Whitehead: We did what we thought we had to do to win. Whitehead has been practicing better so that's why we started him.

I've been displeased with our tackling all year.

(injuries): ~~xxxx~~ I don't know about Griggs and Reynolds, but I think everyone else is healthy. And we can't wait until Wednesday to get better this week. We've got to practice tomorrow, and I think we'll practice early Wednesday and go down late ~~xxx~~ (to Blacksburg)

(importance of VPI game) I thought this one was important, but we didn't play like it. I think they're all important when you only have two wins.

I thought this team was capable of more wins but we don't have them. We've also played some teams that are better than us and that have played well against us. That's what happened out there today. Maryland, Clemson, and North Carolina are ~~just a little~~ ~~way~~ ~~ahead~~ ~~of~~ ~~us~~ ~~right~~ ~~now~~. (how long will it take you to catch up?) One year... I hope.

COACH BOBBY ROSS: We thought it was very important to get off to a good start. Our concentration and intensity was pretty good early in the game. I am very grateful to the squad especially our seniors who held us together all year.

Jerry Claiborne left us ~~me~~ some fine players and a good group of seniors. The assistants did a good job of preparing them.

I don't think there was any one individual responsible. It was a team effort.

We are going to the Aloha Bowl. We will leave about the 20th and ~~xxx~~ return on the 26th or 27th. We will work that out Monday. We will have a meeting Monday at 5:00 P.M. before they go home for Thanksgiving.

Question on why Esiason went back in----I felt like we had lost our momentum and I have been in that kind of a game before. I thought it was very important not to allow them to gain momentum. We had a game in Baltimore, when I was with Kansas City, where we led 21-0 and ~~xxxx~~ trailed 28-21 at the half. Those kind of things stick in my memory.

We might not have been quite as emotional as we have been but ~~welsh~~ the concentration was good. Concentration was the key work today. We were doing things the right way. We were in ~~turn~~ with what we had to do.

VIRGINIA HEAD COACH GEORGE WELSH : "They were a little bit better than we were. I thought ~~we~~ played pretty good defense most of the night. I guess that turned out ^{they} to be the difference.

We had several chances, but we just didn't capitalize on the opportunities. They made the plays; we didn't. We knew they were strong against the run—they have a great record against the rush. But I still think it was important for us to run.

When you ~~lose~~ lose a lot of close games, it usually means you're not quite good enough. They stopped us when they had to, intercepting on the goal line, and again when we had good field position. We just didn't execute well.

on the goal line series that resulted in an interception : That play was an automatic at the line, and I think the receivers didn't hear him. But I'm not sure.

On the Chester return which was blown dead : I didn't hear the whistle, but I don't think it should have been blown dead. He was knocked back, but that does not mean he was down.

BILL DOOLEY, VIRGINIA TECH

"I'm very proud of this Tech football team. We've faced a lot of adversity all season and we did again tonight. But our players would not be denied. We gave Virginia a lot of opportunities. It was just one of those nights when we made mistake after mistake. But we did what we had to do to win the game.

"A 7-4 record means we had a good year. It wasn't a great one. You might say we got the cake and didn't put the icing on it.

"Our defensive effort was tremendous in this game. The interception by Mike Johnson in the end zone was a very big one when Virginia was threatening to tie the game. A lot of other players did great jobs, too. Padro Phillips played extremely well in his last game.

"Offensively, we hurt ourselves a lot. But I'm proud that our players came back and put enough points on the board to win the game. Otis Copeland certainly had a big game. I thought he read his blocks really well and ran extremely hard.

"Mark Cox came in to give us a big lift. It was just a night when Todd Greenwood was having trouble getting on track. I have confidence in both quarterbacks and think they can be excellent football players in the years ahead.

"We were hurt in the kicking game. The bad snaps hurt and the fumbled punt put us in a big hole.

"I want to congratulate George Welsh and his Virginia staff for bringing the Virginia team back after a slow start this season. I think Virginia played very hard tonight and certainly kept the pressure on us throughout the game.

(Asked about his 100th win as a coach)---"All I can say about that is that the 100 wins are a tribute to a whole lot of good football players with whom I have been associated."
