VIRGINIA 35, WAKE FOREST 7  
COMMENTS FROM VIRGINIA HEAD COACH GEORGE WELSH:

On UVa's 16-game winning streak over the Demon Deacons:

"I don't know, maybe they just don't play well against us. I can't explain it. They're better than they showed tonight. They are going to win their share this season."

ON Wake Forest's new offensive scheme:

"I thought we would see the option more. We defend the power running game in practice all spring and fall."

On rebounding from the loss at Clemson:

"We played with a lot of emotion tonight. I thought getting on the board early helped especially after (QB Dan Ellis's) interception (on the first drive of the game.)"

On Virginia's play-calling:

"There are more (creative plays) to come. You have to pick your spots. Gary (Tranquil) picked exactly the right spot for the reverse (to Tavon Mason). It was the perfect call... You can't run flea-flickers and triple reverses all night and expect them to work just because you call it."

On Virginia's defensive play:

"Most of the time, the pass rush still wasn't good enough. We have to get better. ... Mo Anderson has a slightly sprained knee, we think."

\*\*\*Today's attendance of 50,000 sets the all-time record for a Virginia home game. The previous mark was set on November 3, 1990 when #1 Virginia hosted #16 Georgia Tech as 49,700 jammed into Scott Stadium. Coach Welsh commented on the size of tonight's crowd...

"I didn't know we have that many seats, to be honest. It's nice to be at home. We could hear our check-offs on offense for the first time this season. The fans really give us an advantage."

\*\*\*Thomas Jones rushed for 164 yards on 24 carries—the most for Jones since he tallied 180 yards on 35 carries on November 14, 1998 against North Carolina. His 3-touchdown performance tonight marks a career best performance. Jones previously rushed for 2 touchdowns on three occasions, each coming in consecutive weeks in 1998 against San Jose St., Ga. Tech and N.C. State.

WAKE FOREST VS. VIRGINIA

Sept. 18, 1999

WAKE FOREST HEAD COACH JIM CALDWELL QUOTES.

The big thing is that they (Virginia) played extremely well. Jones is a fine back, but he looked like a great one tonight against us. We didn't do a whole lot to help our defense. We couldn't put together any real long drives to keep them off the field in the first half. They were running the ball so well, they ran our defense into the ground literally and tired us out.

In the second half we came back and had some opportunities, but missed those opportunities. We just had far too many of those. We just can't afford to that against good football teams. Missed field goals, throw a pick<sup>down</sup> in the red zone. Your not going to get very many of those opportunities..

They are a different football team than we played last week. They are a very <sup>very</sup> talented ~~football~~ team that moves extremely well, and so we just had very small increments in terms of our running game, we weren't able open up any big runs.

We've faced Thomas Jones before and we certainly know what kind of damage he can do, but I'm not sure I've ever seen him as good as he was tonight. I think that you couple that with the fact that we missed a couple of tackles, but I think with a good player your going to miss some, but not as many as we had. But he is outstanding, a tremendous back. He had a great night.

VIRGINIA TECH 31, VIRGINIA 7  
OCTOBER 2, 1999  
SCOTT STADIUM

COMMENTS FROM UVa COACH GEORGE WELSH:

"I thought we'd play better. We needed to play better. We were in disarray on defense. Offensively, we had too many long-yardage situations. We made too many mistakes on both sides of the ball. Even our veterans on offense made (too many mistakes.) Our offense and our defense have to start helping each other out. We don't stop anyone (on defense). We gave up too many long drives down the field."

On a momentum swing after a 60-yard pass from M. Vick to A. Davis:

"Something happened after that long pass. Maybe the defense was thinking, 'Here we go again.' I don't know. We just don't have enough bodies to execute defensively."

On Va. Tech's six sacks:

"The protection was a problem sometimes but not all the time. Maybe our receivers just could not get open. We'll have to look at the film."

On the absence of ILB Y. Isabelle due to a death in his family:

"I told him to go home on Friday. His mind wouldn't have been here. He wouldn't have been able to play well. You can't expect a kid to play after (experiencing) something like that."

On the performance of the UVa defense:

"I'll be surprised if anybody played well on defense. You saw the game... We keep giving up long passes. We've got to coach them better, starting with me."

"There are enough athletes on this team that can play better - on both sides of the ball. I thought they were ready to play but it came down to execution. We let them do anything they wanted to do (even when Virginia Tech) had the ball inside the 2 yard line. The defense has to stop them in that situation."

VIRGINIA TECH COACH FRANK BEAMER

Our football team came in here and won a tough game. Except for that fumble right before the half, we played ~~pretty~~ a good football game. We didn't turn the ball over, we made some great throws, we made some great catches.

Until Michael (Vick) turned his ankle a little, he was very much in control. I've always said he just needed more snaps. He played better than he did at Clemson.

(On playing Vick after his injury) We weren't going to run him. We needed his leadership.

I like this offense. We got backed up to the two-yard line in the second half and what did we do? We moved the ball out. We had to punt on our first possession and then they backed us up. We had to set the tone right there.

Corsy (Moore) is a great player, but if you double him, somebody else is one on one. We think we have other players that can step up. We hit the quarterback a couple of times ~~again~~ tonight.

I thought we played pretty good offensively. We missed a couple of plays in the second half when we thought we had something going, but other than that and the fumble right before the half, I thought we did well on offense.

(On Davis first touchdown catch) I ~~think~~ thought that was huge. It was a great throw and a great catch. That sets the tone. When it's all heated up like this, somebody's got to make plays.

(On playing Thomas Jones) He's a great back. When you hold him like that you've played well. I thought we swarmed to the ball.

~~Virginia~~ Virginia coach George Welsh

The first pass (on Duke's ~~missed~~ scoring drive that tied the game) and forced overtime) we only had three defensive backs in the game. We only had 10 men on the field. Chris Williams was out on the previous series, and I guess he thought he hadn't been put back in.

(On Ahmad Hawkins catch in overtime that was ruled out of bounds) It looks like to me that he's in.

(On playing their ~~missed~~ first overtime game) We just talked about it. But it's in the red zone. We practice it every day. On the first series we had what we wanted. Faber was open, but we just didn't get him the ball.

(Was he worried about Duke) I worry about everybody. They have a senior-dominated defense that has given us trouble the last few years. Yes, I was worried.

We made too many mistakes. We're going to be anybody with that many mistakes.

(On preparations) Practices seemed to be fine. We didn't have to dodge all the raindrops. We got three good days of practice in.

(On Virginia's downfield passing offense) We tried, but we're not very good at it. I guess we need to spend more time on it. I don't guess you could say our passing game is in a groove.

We should have played a little bit slower when we got down close enough that a field goal would win the game. Not taken a knee but sneaked it once or twice to get the clock down under a minute. Then maybe they don't have time for that last play.

**COACH'S COMMENTS**  
**Duke 24, Virginia 17 2OT**  
**October 9, 1999**

**COACH CARL FRANKS (Duke):** "I finally have a win to brag about. This will be one to remember... (On the game tying touchdown pass from Montgomery to Flowers) We screwed up every way we could but I guess four wrongs make a right. It was going to be a lateral to Montgomery from Wilks and he was supposed to throw the ball to Romine. (After the fumble by Wilks), Scottie just threw the ball and Richmond stepped in front of Romine to pick it off. We were very fortunate."

"Any time you come from behind, you have momentum on your side. I could cite all kinds of plays that either team could have made to make a difference in the outcome of the game... We just kept hanging around and hanging around, looking for a way to come back. Scottie (Montgomery) had some big catches. Virginia has had some trouble defending the deep balls and we made it a point to throw a few. This is a game of who makes the least mistakes and who is can capitalize on those mistakes."

*On the significance of the victory:*

"I was a player in 1981 - the last time we won in Charlottesville - at tight end. We had to come from behind in the fourth quarter to win that game, as well. Today's game was fun for me but it meant more for the players, especially the guys on our team from Virginia. They'll have bragging rights for life."

*On the field goal miss by Sims Lenhardt in the first overtime:*

"As a coach, I have to prepare for all the possibilities. I've got to be ready for anything. When Sims missed the field goal, I said, 'Let's go out there and play.' Sims isn't going to miss a lot of those. He'll make more than he misses in the end."

*On the play of QB Spencer Romine (16-35 246, 1 TD, 2 INT):*

"I expected him to struggle. He hasn't taken many snaps (due to injury) and he hasn't had to make a lot of decisions. He is a gutsy guy, he hung in there -- even with me yelling at him. The offensive line did a good job today. We ran the ball well (105 rushing yards) for the first time in a while. We were able to vary our formations by using 2 tight end and 2 running back sets."

*On the play of RB Letavious Wilks (22 carries, 67 yards):*

"Letavious played well for us in the preseason. He was set back by a knee injury but he really showed something out there today. We were expecting good things out of him after a good spring and fall."

*On UVa RB Thomas Jones:*

"He's one of the best running backs in the country. They keep running and running him and sooner or later, he'll break a big one. Our defense did a pretty good job containing him and forcing turnovers. We forced them to throw more than they wanted to. We kept hanging in there and our defense found some extra adrenaline at the end."

VIRGINIA COACH GEORGE WELSH

(On whether playing without Dan Ellis made a difference in the second half) I don't know whether it made a difference or not. I don't think we did a good job of blocking them anyway. Our wide receivers had trouble getting open.

(~~On~~ On Ellis' injury) He got hit on the last play (of the first half). I saw him ~~come~~ come up the middle untouched. So the offensive line broke down and he got ~~hammered~~ hammered. I've said he's getting hit too much.

(~~On~~ On what he thought about the game at halftime:) I thought it was going to be a close game going into the fourth quarter. We were playing pretty well.

(On Virginia's defense) Overall it was good. I wish we could have found a way to stop them when they got near the goal line, but we didn't.

They (Florida State) don't have the depth they've had in other years. At least they haven't played them as much as in other years, but I can't keep up with exactly who's in there all the time. They have a pretty good ~~knack~~ knack of turning it up a notch in the second half and taking over the game on defense first to enable their offense to get going. And they did it ~~again~~ again tonight.

(On Virginia's punting) We didn't tell him (Donnie Scott) to kick it away from him (Warwick). All I wanted him to do was kick it high and not try to kick it 55 yards, but maybe that psyched him out.

(On defending against Warrick) There were a ~~couple~~ couple of things we ~~tried~~ tried to do, but he didn't beat us. They've got other guys.

~~That says it all. We're 4-4. The mathematics are simple.~~

That's it exactly. We're 4-4. We've got to do whatever we've got to do to get over the hump. I told them we've lost too many games at home, and we've lost too many games already. The mathematics are simple. If we want to have a good year, we've got to have four good quarters every week ~~the rest of the way~~ from now on out.

(On Thomas Jones) He's a great back. Against two of the best defenses in the country, he's done very well.

We had a bad third quarter. We can't afford that.

QUARTERBACK DAN ELLIS, who suffered a concussion at the end of the first half)

I feel pretty good now, just a little bit of a headache. I got hit pretty hard on the last two plays of the first half and just wasn't able to go in the second half. Dr. McCue didn't think it would be a good idea if I went back in.

**FLORIDA STATE at VIRGINIA**  
**Post Game Quotes • October 30, 1999**

**Head Coach Bobby Bowden**

“The problem (in the first half) was on offense. Virginia played what I call patient defense. They were going to give up the short stuff but nothing long. We should take what they give. And it nearly worked for Virginia but then our skill and depth took over.

“We worked hard to keep him (Jones) under a hundred yards and he started on a second hundred I think he is the best running back in the country. There can't be any better.

“I think tonight a lot of what happened was because of the way George Welsh played us. He was going to make you beat him. It required us to be very disciplined and we were very undisciplined throwing the ball in the first half.

“I think Chris (Weinke) is pressing more this year. He did not have any pressure last year. Nobody knew him. Last week at Clemson was the first really big game he played in.

“You look at that first half and you wonder if we are No. 1. But you look around the country and most of the top teams are struggling at times.

“(Dan) Ellis was keeping us off balance. With him in there, he kept us off balance. If he had stayed in there, it might have been a different story.

“When we don't throw and catch well, we are not very good.”

**FLORIDA STATE at VIRGINIA**  
**Post Game Quotes • October 30, 1999**

**Quarterback Chris Weinke**

“We came out slow in the first half and we weren’t executing like we wanted to. We were trying to get a feel for what they were doing defensively. We started picking up the blitzes in the second half and I started hitting my receivers. The receivers really started to make plays after the catch. They have great skill and all I have to do is get them the ball. We have two games left to get to where we want to be. The week off will be good to regroup and refocus and the final two games.”

**Noseguard Corey Simon**

“We came out in the second half and did not panic. This team has been in these situations before. Last week we were down 11 at Clemson and we came back, so we knew we could do it again. We knew we had to lock in on defense in the second half until the offense got going. This is a team and we stick together. The offense has picked us (defense) up some this season and we have been there for the offense. This team has a never say die attitude. We have been through so much adversity this year and have battled through it. On the interception, I just made a play on the ball and was fortunate to come up with it. It was a big play and we really needed it. I think that gave us a spark.”

## **FLORIDA STATE at VIRGINIA** **Second Half Notes • October 30, 1999**

### **Warrick Ties Two Green Marks**

Senior wide receiver Peter Warrick's 50-yard TD catch in the fourth quarter was the 29th of his career, tying E.G. Green's (1994-97) school record. Earlier in the night, Warrick matched Green's FSU mark by making a catch in his 38th straight game.

### **Weinke Sets Career 200-Yard Passing Mark**

Junior quarterback Chris Weinke set an FSU school record with the 18th 200-yard passing game of his career tonight. Weinke achieved the mark in the 19th start of his career and overtook 1993 Heisman Trophy winner Charlie Ward (1989-93). Weinke's only career start with less than 200 yards passing came in last year's Virginia game when he threw for 143 yards in the first half before being injured.

### **Weinke Climbs Career Passing List**

Weinke also moved into fifth place on the school's all-time passing yards list this evening. He passed Bill Cappleman (1967-69, 4,904 yards). Weinke became the fifth quarterback in FSU history to throw for 5,000 career yards tonight.

### **Misc. Notes**

- Noseguard Corey Simon's third quarter interception was the first of his career and the first by a Florida State defensive lineman since Tony Bryant picked one off and returned it for a TD on Nov. 15, 1997 versus Wake Forest.

## NOTING GEORGIA TECH

- \* QB JOE HAMILTON BECAME THE ACC'S ALL-TIME LEADER IN TOTAL OFFENSE. HAMILTON NOW HAS 9478 YARDS AS HE PASSED FORMER TECH QUARTERBACK SHAWN JONES FOR THE RECORD (9,296 YDS, 1989-92)
- \* SEAN GREGORY HAD HIS THIRD 100-YD RUSHING EFFORT OF THE SEASON. AFTER ENTERING THE SEASON AS TECH'S THIRD TAILBACK, HE HAS TOPPED 100 YARDS IN EVERY GAME HE HAS STARTED
- \* TECH'S 447 YARDS OF OFFENSE ARE A SEASON LOW
- \* GREGORY, WHO HAD 113 YARDS LAST WEEK, IS THE FIRST TECH BACK TO RUSH FOR 100 YDS IN BACK TO BACK GAMES SINCE DORSEY LEVENS IN 1993.

## COACHES QUOTES

## GEORGIA TECH COACH GEORGE O'LEARY

The last team with the ball won. I was displeased with the way ~~z~~ we played defense, and we had some penalties that hurt us. Give Virginia credit. They did what they had to do to win.

Virginia didn't do anything that we didn't see in practice. It's disappointing because we didn't play well defensively. I think we were down a little bit defensively there at the end. We were going up against a more experienced offensive line.

(On David Rivers' play) We didn't rush very well, and any time you give a quarterback time to throw, he can hurt you.

## VIRGINIA COACH GEORGE WELSH

- On the play of David Rivers: "I think he did very well. Without examining it under a microscope, the kid did good. It surprised me. He had a lot of time to throw some of those passes which helps. I'm rea-lly happy for him. He probably caught more hell on the practice field in the last three years than anyone I've ever coached."
- "I think we did a pretty good job defensively, slowing them down in the fourth quarter, until the last drive. I didn't understand why we could stop them again (on Ga. Tech's last scoring drive). We scored touchdowns instead of kicking field goals. Of course, I was hoping we stop them more often and make them kick field goals."
- The key might have been getting back into the game before the half. It was 24-7 and then we scored two touchdowns in a short period of time. The game could have gotten away from us but it didn't. We've been up like that before and then, you know... That's why I keep telling the team, you've got to play 60 minutes, no matter how the game starts."
- "I wasn't sure we could stop them. We at least got them to punt. They didn't punt until the third quarter."
- On the play of Thomas Jones: "Amazing. He ought to win the Heisman."

It wasn't a very excited lockerroom, not like last week. Maybe we thought it was going to be ~~xxx~~ easy.

(On the play of Dan Ellis) He started off very well. He was sharp, and we needed it, too. We were getting the holes we got later on in the game, which is not unusual for us when teams are geared to stop Thomas. They had been more vulnerable to the pass this ~~xxx~~ year, at least in the tapes we had, ~~xxxx~~ than they were to the ~~xxx~~ run. We felt like we had to put it up.

We're not a good tackling team right now. I don't think we tackled well last week, and we didn't tackle well today. We got trapped a lot. I was told the fullback went over a hundred yards. Between the fullback slant, the trap, and the draw, we got beat a lot. And then we didn't tackle well. We didn't have a good pass rush, and they did a good job. They took some chances, they had all kinds of tricks. We were hanging on on defense. I was hoping we could come out in the second half and stop them, but we never did stop them really.

(On putting Thomas Jones back in with three minutes left) I wanted to make two first downs. I didn't want to ~~xxx~~ go out there and ~~xxx~~ punt. That's why I ~~fixx~~ put the first line back in. I asked Thomas if he wanted to go back in and he said yeah. If he didn't want to go back in I wasn't going to put him in, but I wanted two first downs. I didn't want to punt again and then be hanging on.

(On not putting Rivers in until late in the game) I wanted to (put him in earlier), but things were going so well. Not that he doesn't deserve to play and I feel bad for him, but when things are going so well, you hate to change quarterbacks. If we had shut them down on defense or taken control by the third quarter, I would have ~~xxx~~ put him in.

**VIRGINIA 50, BUFFALO 21**

**COMMENTS FROM UNIVERSITY OF BUFFALO HEAD COACH CRAIG CIRBUS**

--"We played an inspired game, indicative of the type of guys we have. We were going to let it all hang out, give great effort and do everything we possibly could: trick plays, isolation plays, laterals. ... Our eyes weren't on the scoreboard, they were on effort."

--"We were an average Division 1-AA team last year. This year, we're playing over our heads. We have to feel good about the quality of effort and character."

*On the play of UVA Running Back Thomas Jones:* "Defensively, we did a good job with him in the first half. I understand why they put him back in the game [in the fourth quarter] against our second string defense. We knew what was at stake. ... Thomas Jones is a quality running back. We wish him the best the remainder of this season and the postseason and in the draft."

"I think [Virginia] was alarmed [after the first half]. To be in the locker room at halftime talking about how to win the game against a team like that, we were encouraged. I don't deny that our team should feel good about the effort they gave."

- \*\* Virginia quarterback Dan Ellis threw six touchdown passes today to set a new UVA school record. That also tied the ACC record set by Duke's Steve Slayden vs. Georgia Tech in 1987.
- \*\* Ellis threw for 363 yards this afternoon, the second-best total in school history.
- \*\* Virginia tailback Thomas Jones set a school record with 331 all-purpose yards (221 rush, 110 receiving). The previous record was held by Bill Dudley and was one of the oldest records in school history. Dudley amassed 325 all-purpose yards (215 rush, 59 punt ret., 51 kickoff return) in an historic performance against North Carolina in 1941.
- \*\* Jones also became the first player in school history to have 100 yards rushing AND 100 yards receiving in the same game.
- \*\* Jones gained 221 yards rushing and scored one touchdown on the ground in 32 carries. It was his second consecutive 200-yard game-tying his own school and ACC record. Terry Kirby also rushed for 200+ yards in consecutive games in 1992 as did Maryland's Charlie Wysocki in 1979.
- \*\* The 221 yards also ties Jones' career high set vs. N.C. State last month.
- \*\* The 200-yard game was Jones' fourth of the season-extending his own school and ACC records.
- \*\* It is also his sixth 200-yard game in his career, which also extends his own school and ACC records.
- \*\* Jones has rushed for a UVA record 1707 yards and needs 14 yards next week vs. Maryland to set the single-season ACC mark.
- \*\* Jones currently has 3907 yards rushing in his career which is a UVA record and sixth in ACC history.
- \*\* Jones has compiled a UVA season record 1951 all-purpose yards, breaking the previous record of 1906 yards by Tiki Barber in 1995 (12 games vs. Jones' 10 games).
- \*\* Virginia's 615 yards ~~today~~ of total offense today is the most for the Cavaliers since they compiled 689 yards vs. William & Mary in 1990. It is the fourth-highest total in school history.

Postgame Quotes  
Maryland vs. Virginia  
November 20, 1999

George Welsh  
Head Coach, Virginia

"We can't stop anybody most of the time and our opponents can't stop us most of the time. It's a different viewpoint of college football right now.

"I thought Dan Ellis was outstanding. He couldn't have been any better, right? I mean, right down the field with no timeouts. He got the signals quickly; he got the ball off and was very decisive. He killed the clock right away when we had to and didn't waste but a second or two each time. That's the way you practice it when there is nobody on defense.

"The offense was not very good (in the early going). They started off in a zone and a couple of times they did plug linebackers like they had been doing.

"We have not been a good two-minute team. We are though, practicing it more and practicing harder. We are practicing good against good (first team against first team) and maybe it paid off.

(On Maryland's second to last possession) "I told Rick (Lantz) take the timeouts right away because you never know what is going to happen. That helped a lot (Jones going out of bounds), no doubt about it. That's another 30 seconds. I think that was a heck of a call, we have done that before. I don't see anything wrong with that call. I think there was enough time left. There were 26 seconds left when we scored. We can still run on the field and kick a field goal.

I think our receivers played well all day. I think our receiving corps has gotten a lot better.

Postgame Quotes  
Maryland vs. Virginia  
November 20, 1999

Ron Vanderlinden  
Head Coach, Maryland

*On the seniors:*

"I'd like to thank our seniors for getting us to this point through hard work and a positive attitude. I'm devastated. My guys played a hell of a game. They battled back from 17 down. LaMont Jordan is clearly one of the great players in all of America and one of the best running backs in the history of the game. His performance was nothing short of sensational."

"This has been a disappointing loss for all of us. It has been the worst loss that I have ever been associated with."

*On LaMont Jordan's record-breaking performance:*

"LaMont just had a great game, probably the finest performance ever [at Byrd Stadium]. It might even be one of the best performances in college football history. He is just a great back -- runs with great speed and power. "
