Colorado State 35, Virginia 29
August 22, 2002

Virginia Head Coach Al Groh:

"I am not a silver lining coach. I expected that we would win the game. I thought we played well and to not win the game is a disappointment."

On Marques Hagans' performance and whether it was by design...

"I think a lot of players gave us a good spark, and he was one of them. He did do a nice job when he was in there. The plan was to use him, because he brings some skills to the team and I am sure we will continue to do that."

On the offensive line's performance in the second half...

"I thought we were wearing them down in the second quarter. There was a time when they had to call timeout to rest their defense. If you play in this type of heat, once you are done, you are done. You need a good night's sleep and a few glasses of water to recover from that. We thought we could grind it a little bit. I think we were fairly successful with that in the second half. We had quite a few long drives, but not enough points."

On whether being three yards shy on a win was disappointing...

"The disappointing thing was after months of emphasis, we had five turnovers and gave up two long plays on defense. Those were the two major targets of the team."

On why Hagans played the final series...

"He seemed to be doing well, so we put him in."

On played Florida State next...

"The schedule came out in April. We knew what the first three games were for quite a while. Our minds have been set on that for quite some time."

On playing ten true freshmen...

"I think we used all of them. I knew who was going to play tonight before I even arrived here."

Jim Thorpe Classic
Aug. 22, 2002

Colorado St. Head Coach Sonny Lubick:

"I'm real proud of our football team. Being on the sidelines, that was about as humid [of weather] as we've played in. I don't know if you can ever get used to this stuff."

"I gave my usual speech at halftime. I said, 'All we have to do is hold onto the ball, don't do anything foolish, get a four-minute drive going.' It always backfires on me every time I say that. They scored 14 points in about six minutes."

"I don't know who you'd say was the MVP for our football team. We didn't know who our kicker would be coming into the game. [Jeff Babcock] kicked everything. [The last field goal] didn't look like it was going, but all of the sudden it went through. He did a heck of a job. Cecil [Sapp], holding onto the football, breaking tackles -- they had a hard time knocking him down -- looked better than he has at any time previously. He showed some speed."

"We kind of hung on [at the end of the game]. After [Dexter Wynn's] interception, we had the ball on the five yard line with [4:09] left in the game, but we had to settle for a field goal."

"They ran the ball on us pretty well. They were running it right down our throat. We'll have to see improvement in that area. ... I have to give Virginia a lot of credit. [Marques Hagans] kind of caught us off balance when he came into the game. He's quick. Getting to the outside on the option was something we did not expect, but we settled down and played it decently."

"I thought the offense [did a good job] putting those points on the board. Defensively, I thought we did okay. I think we'll be better."

On Colorado St.'s next game, vs. Colorado:

We have to start thinking about those guys. This game will help us a lot. The number one thing we'll take away from this is that the players will go home with a real good feel in their hearts."

Comments from Virginia Head Coach Al Groh:

The game had absolutely everything. It was pretty wild. It is a big step forward for our team. They can be very proud of what we accomplished. We're on our way. We beat a really good team. They're going to win a lot of games.

We got some good plays from a lot of players. ... Billy McMullen was magnificent tonight. He probably had two of the best catches that anybody has ever had in the state of Virginia tonight. He's a great competitor. [Matt] Schaub ran the game very well. Two things that we had tonight -- if you're going to win close games in the fourth quarter -- you have to be able to run the ball and rush the passer. And tonight we were able to run the ball and rush the passer.

On the offensive line play:

It started with the fact that Zac Yarbrough [the starting center] is really our long snapper. He did a good job in there. [Ben] Carber was in there for the first time all by himself. All five of them went the whole way and did a good job for us.

On forcing seven South Carolina turnovers:

[The defense] was very aggressive. We played a very aggressive team last week [Florida St.], who knocked a lot of balls loose. You could see how a team that plays at that level can create those kind of things. I'm kind of sick of saying it -- about the young players learning new things -- but [the defense] saw that level of contact, and they picked it up accordingly tonight.

On the tight-end pass:

We weren't sure what position [Heath Miller] was going to play. He's got that ability. It is a play that we've been practicing for quite some time. When you get a turnover like that in the red area, sometimes you can catch them with something like that. It was a gutsy call.

Comments from South Carolina Head Coach Lou Holtz

How many turnovers did we have? Seven? It seemed like more. Seven turnovers and 11 penalties. I don't ever remember being in a situation like that. But talking about our turnovers doesn't give Virginia credit. Virginia played very well. They converted on third down. They made the plays and we didn't.

(Question: Was Corey Jenkins trying too hard?) He may be. He's trying to make plays. But sometimes you have to eliminate the bad plays. You don't always need the great play.

Other than one play, we played pretty well on their wide receivers. I thought our corners played pretty well. We were always in pretty good position.

Coaches' comments
Virginia 48, Akron 29
Sept. 21, 2002

Virginia Head Coach Al Groh:

(On Art Thomas's interception and return for a touchdown) It was an instrumental play in winning the game. That's what happens in a lot of games. There will be a lot of games that when the score comes in today it will look like there was a significant margin of difference, but it probably occurred because of a play of that nature some place where the game was pretty tight. We had a blitz on on the play that had the quarterback running pretty hard to get away from it and he threw the ball under duress. We made a good play on it.

They were spread out most of the game. This guy's a real good quarterback. I've got a lot of respect for him. They had a good plan, and the quarterback executed very well. We misplayed a couple of coverages that would have given us a better opportunity.

Good offenses have to be able to respond under pressure, whether it's to hold the lead or to come from behind. When the game is on the line like that, one of the things that's instrumental to winning the game is being able to run the ball, and we were able to run the ball very well on that drive behind Lundy and Alvin. Not only did that use up time and get us a score, but it game against an opponent that maybe was tiring a little bit.

I was impressed with the things he (Frye) was able to do under pressure. We got a good schooling today on how to play man-to-man coverage.

(On Matt Schaub's play) He took advantage of his openings very well. Five touchdow passes is a pretty good day's work. He ran his team well. He had good control of game situations. When we had guys there, he got it to them.

Akron Head Coach Lee Owens:

The biggest part of the game plan overall was we did not want to give up the easy scores. In a game like this, you can't give up the easy scores, and we gave up three. Offensively, we had to try to control the ball. The other thing we did was we allowed Charlie [Frye] to make a lot of calls. He called a significant part of the game today, and he wasn't wrong very often.

The effort was good, but we just have to finish when we get to a critical point. When the game is on the line, you have to make a stop; you have to put a drive together. We just haven't been able to do that.

We're improving as a football team. There's not a whole lot good that can come out of a loss against anyone. We need a win really bad. ... More than anything else, we completely wore out.

On the play of QB Charlie Frye:

He's got a great passion for the game. He's a guy we can ride to a lot of wins. We just have to keep supporting him with good players -- a good defense and sound special teams. He'll get it done more times than he won't. He hurts more than anybody in the locker room.

Comparing Virginia to Maryland:

We didn't play nearly as well against Maryland as we did Virginia. But defensively, I would put them a little better than what we saw today. Offensively, Virginia is probably a little better.

Virginia Postgame Notes
Virginia 48, Akron 29
September 21, 2002

The win evens Virginia's all-time homecoming record to 38-38-2

The Cavaliers have now won 12 of their last 14 homecoming contests

Virginia remains undefeated (5-0-1) against teams from the Mid-American Conference

Virginia's 48 points was the most by a Cavalier team since a 50-21 win over another MAC school, Buffalo, on Nov. 13, 1999

The Cavaliers have gone four games this year without making a field goal, the longest such streak since a six-game stretch without a FG in 1977.

Marques Hagans' interception was the first by a Virginia quarterback since Bob Davis had one in 1964. The all-purpose Davis played some defense during his career, however the circumstances around his interception are unknown at this time.

Darryl Blackstock's TD off the blocked punt was the first blocked punt for TD by UVa since Sept. 27, 1997 against North Carolina.

The Cavaliers didn't allow a sack for the second consecutive game. The last time the Cavaliers didn't allow a sack in consecutive contests was against Georgia Tech and Buffalo in 1999.

The Cavaliers had seven different players score a TD, the most different TD scorers since seven Cavaliers reached the end zone in a 59-10 win at Kansas to open the 1990 season.

The Cavaliers scored an offensive, defensive, and special teams touchdown in the same game for the first time since a 55-21 win over another MAC team, Central Michigan, on Sept. 7, 1996

The Cavaliers scored a special teams touchdown for the second consecutive game. The last time Virginia scored special teams TDs in consecutive games was when Demetrius "Pete" Allen scored on a kickoff return against Georgia in the '95 Peach Bowl and Joe Rowe scored on a kickoff return in the '96 opener vs. Eastern Michigan.

Wali Lundy became the first Virginia true freshman to have a 100 yd. rushing game since Alvin Pearman against Wake Forest last season.

Matt Schaub's five TD passes are a career high and one off the UVa record of six set by Dan Ellis against Buffalo in 1999.

Heath Miller has now scored a touchdown in his first four career games as a Cavalier. He becomes the first tight end in Virginia history to score a TD in four consecutive games.

Patrick Estes became the only the fourth tight end in school history to catch a TD pass in three consecutive games, joining Kevin Riccio (1982), Bruce McGonnigal (1989), and teammate Heath Miller (2002, who later in the game extended his streak to four games).

Alvin Pearman's 62 yd. run in the 1st quarter is the longest play from scrimmage by Virginia this year.

12 different players have scored the 19 TDs for the Cavaliers this year, including eight players who have scored their first career TD this season.

- if **Billy Sullivan**, who entered the game one of three MAC kickers not to have missed an extra point this season, missed his first PAT on the Zipsi opening TD.

Virginia Football Postgame Notes
Virginia 22, Clemson 16
October 12, 2002

The win was Al Groh's 10th as coach of the Cavaliers. It comes in his 19th game at Virginia, which makes him the second quickest Cavalier coach to win 10 games at the school. (Art Guepe needed 15 games to win 10 from 1946-47).

The Cavaliers are on their longest winning streak (5 wins) since a six-game winning streak from the final game of the 1997 season and the first five games of the 1998 season.

The Cavaliers have now won the last three games in which they have trailed at the half (South Carolina, at Wake Forest, Clemson).

Wali Lundy's 11 receptions ties a school record for receptions in a game, tying Joe Kehoe (vs. Maryland 1960) and Billy McMullen (vs. Maryland 2001, vs. North Carolina 2001)

Lundy's 11 receptions are the most by a Virginia running back, breaking the previous record of nine held by Mark Sanford (vs. North Carolina, 1981) and Lundy (at Wake Forest, 2002).

Rich Bedesem's interception was the first of his career.

Billy McMullen's one-yard touchdown run was the first rushing attempt of his career.

McMullen's touchdown was the 24th of his career (first 23 were receiving).

Post-Game Quotes

Clemson Coach Tommy Bowden:

Last week against Florida State, we made some big plays. We didn't make any of those today, but time after time Virginia did.

Their style of defensive play -- that soft, soft zone -- is deceiving. They let you go down the field and wait for you to make a mistake. That's what we did in the second half.

We didn't get enough at-bats in the third and fourth quarters. We didn't score touchdowns in the first half, and Virginia moved the ball against us in the second half. They held the ball a long time.

They're real patient on offense. They don't put themselves in a position to make mistakes. Their defense puts you to sleep a little bit. Coach Groh has a defensive background, and he knows what he's doing.

Virginia Coach Al Groh:

The players really stepped up and we really played our best half of football [in the second half] against a very quality opponent.

Our defensive line had an excellent day. This is our kind of game -- down 10-6 at the half, fight back, get a lead and hang on. I thought our special teams were magnificent today against a dynamic return man. We certainly put a great deal of emphasis on it. They deserve a lot of credit.

[Matt Schaub] made a lot of spontaneous plays. He scrambled around and found open receivers. He showed his mental toughness. The throw to Heath Miller [for a touchdown] was a right-on-target shot.

Richie [Bedemsem] really did a nice job for us. We lost Angelo [Crowell] early in the game, and he is one of the best players on our team. Richie deserves a lot of credit.

This [win] was good. It was real good. But we didn't set out this year to just win five. The players understand that. ... There is a big separation at this point of the season between 4-3 and 5-2. This was a very significant one. We have five, and we have a chance to get more.

Virginia Football Postgame Notes
Virginia 37, North Carolina 27
October 19, 2002

The win was the Cavaliers' sixth consecutive victory, their longest winning streak since a six-game streak beginning with the final game of 1997 and the first five games of 1998.

The win was the Cavaliers' fourth consecutive conference victory, their longest ACC winning streak since a four-game streak to start the 1995 conference season.

The Cavaliers have now won the last four games in which they have trailed at halftime.

The comeback from a 21-point halftime deficit makes this the biggest comeback for Virginia since a 36-32 win at Virginia Tech on Nov. 28, 1998 when the Cavaliers trailed 29-7 at the break, the largest comeback in school history.

The game is the biggest comeback the Cavaliers have had against an ACC opponent (second biggest overall).

Virginia's 37 second-half points is the most in the second half since the Cavaliers scored 37 in the second half of a 47-26 win at N.C. State Oct. 16, 1999.

Virginia's 37 second half points were the most by a Virginia team after halftime in a game which they were held scoreless in the first half.

Marquis Weeks' 100 yd kickoff return ties a school record for the longest kickoff return. (Tavon Mason had a 100-yard return vs. Georgia Tech last season.)

Darryl Blackstock's two sacks now give him eight on the season, tying the ACC record for freshmen. Former Cavalier Sean Scott had eight in 1984 and Duke's Chris Combs had eight in 1996.

POST-GAME QUOTES

NORTH CAROLINA COACH JOHN BUNTING

There were some familiar things that took place out there today, but our team battled and played hard. There were some things that hurt us. There were plays where you could see the players trying hard, trying to make plays, but just getting a little out of position and not able to make the play.

Darian at one point completed 10 straight passes. At times we ran the ball well. Defensively, we couldn't have played a better first half. It's just too bad we couldn't play the same way in the second half.

(On whether any one thing changed the game) It's never one thing that changes a football game. Virginia returned a kickoff for a touchdown, we fumbled at the one yard line, and we had a penalty on a two-point conversion -- that's three things that jump out at you right there.

We executed very well in the first half. We got some things going and we had a wrinkle in that fake field goal that helped us. But you have to play two halves.

VIRGINIA COACH AL GROH

At the heart of the [comeback] is that these players really believe -- they really believe in each other. The coaches believe in the players and the players believe in the coaches. Without that, at the half, that's all we had. We didn't have any performance to speak of. We didn't have anything to take good feelings from.

We needed something to give us a spark. We needed some stars in the second half. That was part of raising our game. Some guys had to be willing, whenever the opportunity presented itself, to become the star. [Marquis] Weeks was fortunate enough to have been carrying the ball for the team. He did a marvelous job on [the 100-yard kickoff return]. But we also had three or four of the kind of blocks that are necessary to have a return like that.

I was mad [at halftime], but I was mad at myself. I didn't think I had a very good half. I wanted to go get some things corrected and go out and have a better half. Players execute physically, but there are some things coaches have to execute too. I was disappointed for the players. We talked about what we needed to do to improve our execution and raise our level of play -- two notches above how we played.

[On the play of Matt Schaub]

He was really playing a different half. Matt has now demonstrated pretty definitively his ability to trust in himself and those around him and come out and play better. That's an important characteristic in a quarterback.

I've never been associated with a team that has been more remarkable than this one.

Visiting Player Quotes

Merrill Robertson, LB

Q: What were your thoughts at the half?

A: We thought we had a good chance to win. We cleaned up the things we messed up and we went back onto the field to win the game.

Q: Was the second half play consistent with the team's play in other second half games?

A: Yeah, it's mainly a confidence problem in the second half. Today our objective was to put a game together but our mistakes in the second half affected that. Hands down though, they played better.

Q: Did the large crowd and loud atmosphere have an effect?

A: No, we didn't notice it. The main thing was the fact that we made too many mistakes. We gave up deep balls and long runs and you just can't win like that.

Zac Yarbrough C

Q: How would you rate the performance of the Penn State defense?

A: They were very quick throughout the whole game but I think we did a good job up front. I think we were slower this week than we were the past week but we held up pretty good where we wanted too.

Q: What were your thoughts on Larry Johnson?

A: He's a great player and a very big guy. He has a lot of quickness and he'll be a good player at the next level.

Brennan Schmidt, DE

Q: Coming into this game you had to know Larry Johnson was going to be a factor.

A: It's the same guy we played against last year but I think his moves are more defined.

Q: What were you thinking at halftime?

A: The coaches told us this is how we wanted everything to be and that this was to be expected at the half. We were right on our game plan.

Q: What is the biggest factor in the Penn State defense?

A: I think it's their overall scheme. They always had blitzes and people coming from different angles. Overall their defense is good.

Visiting Coach Quotes

UVA Head Coach Al Groh:

Q: What was Penn State able to do in the third quarter that they were unable to do in the first half to open the game up for them?

A: Physical power

Q: Did that start up front with the offensive line and continue with Larry Johnson?

A: We expected that might be the case two weeks ago when preparing for Penn State. They have big strong kids up front, almost all of them are over 300 lbs. and they have a big strong fullback so we expected them to come out and play powerful football.

Q: How would evaluate the way your defense played against Larry Johnson today?

A: He's a very good player.

Q: Penn State ran a fake field goal in the fourth quarter that kept you off guard, what happened on the play?

A: That play didn't catch us off guard. We practiced it and talked about it and to me that's probably the most disappointing play of the game. We were anticipating it on every play and we had a few guys who were responsible for it and they got blocked on the play. Penn State did a good job executing the play.

Q: Late in the game on the last TD drive, wideout Billy McMullen continued to play hard throughout the game, what are your thoughts on his performance?

A: That's Billy, Billy doesn't change. He's like the rest of our players, as a team we prepare and we play from start to finish. They just happened to play more powerful than we did today and as I said, it's a game of power and today they were just more powerful than us.

Q: Your thoughts on #81 Michael Haynes...

A: He's 6'4, 285 lbs. and quick off the ball and he was playing against a young guy that doesn't have that type of power yet and from a physical standpoint he doesn't have those type of attributes yet but he's young and he's going to get better.

Q: Can you talk about the significance of how well Penn State's kicking game played today?

A: Today was a good example of kicker power. Those were two power kickers out there today and they provided their team with great field position. Great field position is attained by solid kicking not great coverage. They kicked two long ones to score points but regardless we still had opportunities to move the ball.

Q: Can you talk about the significance of the line play by Penn State?

A: Yes, that's why coaches are looking for big lineman and when you have that kind of team, you can pound on some teams. When you have those types of players, you can dictate the line of scrimmage and I thought that was the case out there today. From a power standpoint, they just showed more power than we did.

Q: Can you talk about trying to change the momentum and ways to take the power out of the game?

A: When we don't have the power, we have to do something to take the power out of the game. From a coaching standpoint we tried to do things to take the power out of the game, but they kept pounding the ball with that big offensive line and tailback so we were never able to take the power out of the game.

Q: How important was it to come out, get the turnover and score first?

A: I thought it was very positive for us but I wasn't like oh wow, this place is the magic kingdom. The first score was a result of what we needed to come in here and win.

Penn State Player Quotes

#40 T.C. Cosby

Q: Have you been waiting for an opportunity like today?

A: I'd say so. I've been looking for this kind of opportunity. I just have to work in practice so it will pay off to get this kind of opportunity.

Q: Considering that last year was a tough year, do you feel that you have completely moved on?

A: From my perspective, it is not behind me completely. I've learned from my mistakes and my main priority is to play football.

#23 Shawn Mayer

Q: Do you feel that because the defense has more control that you are playing well as a whole?

A: Yes, I feel that we have more control. We went in at the half and the coaches told us that it was all on us to win the game because offense wasn't pulling through.

Q: Do you feel that today's game was emotional for the team?

A: It was a big deal especially because they kept us from a bowl game last year. There is a lot of bad blood between the two teams and we just wanted to come out for the win.

Q: Did you want to show revenge because of what happened last year?

A: We wanted to show that we're not the same team as last year. They had no respect for us coming into the game.

#50 Tyler Lenda

Q: How do you feel today considering that you missed last week?

A: Definitely felt great to be back. It was tough to sit on the sidelines last week and not being able to play. My knee feels 100% better and it was great to be back out there.

Q: What are your thoughts on the attitude of the team?

A: I don't think it's hard to get fired up. We have a lot of seniors on the team and we only have 2 regular season games left so it is definitely easy for us to get fired up for the games.

Q: How does it feel this time of year in comparison to last year?

A: There are much better feelings than the last two years. It is a completely different feeling and the season is going really well for us. I hope that the next two games go in our favor.

#4 Robbie Gould

Q: What are your thoughts on the end of the drive (fake field goal)?

A: It's always a great feeling to be out there. I was prepared for a field goal, but then got word on the fake. That kind of play isn't always going to work, but today it did.

Q: How significant do you think this game was on the coaches?

A: With any team it's a good thing for the coaches to win. Now they're just going to go back and prepare for Indiana.

Continued

Bryan Scott:*On the defense play:*

"We are playing well, very well. We came in fired up and gave up one TD. We were looking for a shutout."

"There are always flaws, no defense is perfect, but we're trying to get there."

On Mayer

"He's a hell of a person and a hell of a player. We've gotten pretty close through the years, and I usually know where he'll be on the field and he knows what I'm going to do"

"We went down to Virginia and they beat us last year. That was a huge motivating factor for us this year."

On the turn around of the Defense

"We are really confident in what we're doing. Guys just keep making plays, that's really the key."

Jimmy Kennedy

"There was a lot of bad blood in this game. Joe had some issues with this team. We had to rise to the challenge and we did a good job with that."

On thinking about a bowl game:

"Right now we are definitely going to a bowl game, but we're not thinking about it much yet."

On Haynes:

"I've definitely seen a change in Haynes' attitude. Last year he had a problem trying to fill Courtney's shoes, which were big shoes to fill. Mike has just as much talent as him; Courtney just had more experience starting."

On the improvement of the defense:

"We believed in everyone to make a come back from last season. We are a better team this year. It's a family atmosphere and I love playing with these guys."

"This win was definitely a payback. No one said it, but that attitude for revenge was there."

Bryant Johnson*On the offense flaws in the first half:*

"Things like that happen but that mindset as a receiver is to go out there and get the next one. That's exactly what we did in the second half."

"We have the confidence level now that if drops happen we can just come right back."

On the Virginia revenge:

"We really wanted this game. It was sweet to go out there and avenge last year's loss."

On LJ's TD getting called back:

"I blocked the guy and fell down and he fell down after that. I was down for a while and all of a sudden the ref approached me and threw the flag. I didn't block from the back but it must have looked like a clip when the guy fell."

"Our team is very mature and we don't let little setbacks like that take away our confidence and motivation."

On Larry Johnson:

"He can run, catch, block, and he's very powerful. It's very hard for people to bring him down."

David Kimball:

On his performance:

"I feel pretty good. It is basically technique, and as long as I don't kick off too much I should be good. I had all summer to work out and train."

On a future in the NFL:

"It is definitely a goal to be a kick off man in the NFL. But for now, I just come to practice and work hard, and should they need me to kick field goals I'll be ready to go."

On tackling:

"I don't really know how to tackle, I didn't play any defense in high school. I just try to go get them down. Hopefully I won't have to make any more tackles this season."

On seeking revenge:

"We came in fired up, and there was more than just the talk off the field. The players just wanted revenge from last year, since we wanted to go to a bowl game last year and they took that away from us."

Larry Johnson:

How much fun are you having out there?

"It's real fun. Both the veterans and young guys are going out having fun and it's important to keep that in mind during the game."

How did it feel when the touchdown was called back?

"The self esteem goes way down. But then I look at the scoreboard and see that it's the third quarter and we're winning the game and hopefully we get another shot."

On getting 30+ carries:

"I feel great. It takes me a couple of days to get well rested but I feel pretty good and my body's getting used to it at the end of the season."

Did you think about last year's loss to Virginia?

"We all did. We knew they knocked us out of a bowl game and we were a good team. With them coming off a bye week, we showed them what kind of character this team has."

Continued

On State College High players contributing to game:

"It feels good. Michael McQueary is like the father and we're all brothers. It's great to see the hometown kids doing well. It adds to the excitement."

Tony Johnson:

On cracking Virginia's defense:

"I think we cracked the code. I think their downfall was they had to respect the running and passing and I don't think a team can do that well. We were able to run the ball well and we opened up the passing game as well. We cracked the code which we were not able to do last year."

On Zack Mills' enthusiasm:

"I couldn't tell. Zack is Zack. He's always calm and composed. I don't care if we're playing Virginia or someone else. He's the same person."

On struggles in the first half:

"We were kind of shooting ourselves in the foot. We missed a couple of key blocks, dropping balls. For me, I dropped some balls and the best way to solve that is to have a short term memory and come out in the second half and catch the balls and be a lot more effective."

On Larry Johnson's performance:

"It speaks for itself. No one is real surprised. We expect big yards and big numbers."

Zack Mills:

"I felt a lot more in sync. I felt comfortable. I felt great out there. In the first half, I couldn't get things going. In the second half, things started cooking and we were playing how we played a few weeks ago."

"Not at all. I'm not going to give up on anybody. I focused on what we did and went down the check downs. That's what I did at times when I had to."

On talking to the receivers after dropping passes:

"I just let them know I'm there. Obviously, the coaches are going to get on them enough. I don't feel like I need to be the one to get in their faces. I just let them know that I'm going to stick by them. There'll be times when they'll have to bail me out."

"This Virginia game is a big game. We got by this one and we have two very winnable games left. Yes, this win meant a lot and 7-3 is a lot better than 6-4."

"We came out swinging the ball in the first couple of games and then the defense tried to stop that. Then Larry [Johnson] had a couple of 200 yard games. We're running the heck out of the football and we're sticking to that. When they start stopping Larry, maybe we'll go back to running the ball. Each game is a chess match and we have to see what the defense gives you."

Continued

Michael Haynes:*On the helmet-to-helmet play on Zack Mills:*

"I saw that play. The coaches told us to calm down. Once you retaliate and that starts happening, it's just not good."

"We expected them to run on us but what they were doing was kind of a two-step thing. I think we threw them off their rhythm."

Is this your best game this year and how do you feel about approaching the sack record?

"It was a pretty good game for me. The [sack] record doesn't matter that much to me. I'm looking at the fact we have two more games and then we get to go somewhere warm."

On Jimmy Kennedy challenge before the game:

"Jimmy challenged everyone. Last year we didn't stop the run. There was the unfortunate call to Zack [Mills] but there were a couple of times when we should have stopped them and we didn't. He challenged not only me but us as a defense."

Chris Ganter:*On Fran Ganter's reaction to touchdown scored:*

"He tried not to act too excited. He came up to me in the locker room and said I never knew you were that fast and he was proud of me."

Joe Paterno Quotes

Talk about Zack Mills' performance today after he seemed to struggle the last three games?

I didn't agree with any of that. I constantly said Zack is doing fine. I thought his receivers didn't do a good job. In fact in the first half we didn't catch the ball very well, in the second half we caught the ball. I think Zack has been playing really well. I thought today that they (receivers) did a better job for him. Overall he's a good football player.

How important was it to get this win especially with everything about the scheduling mishap?

I think every win is important for us right now. I was annoyed with Virginia but not to the point where it should affect the way we play. I didn't look at it that way. In fact the young lady with ABC asked me before the game about revenge. Revenge is a word I don't particularly like. Obviously we felt we had a better team than they had last year and we gave it away and we wanted to win this win to make up for that in addition to the fact that we want to win every game we can from now on in.

What happened to Gino Capone and can you comment on the play of the players who replaced him at linebacker?

Gino (Capone) on Tuesday in a dummy session got his head caught in it and got a stinger down his back and he has had one of those before. The doctors didn't think he had enough strength to play. We had hoped he would play. The kid who really looked like he rose to the occasion was (T.C.) Cosby. He looked like he made a lot of plays. Now you guys are watching the game a little differently than I am watching it as I was watching the secondary more than I was watching the linebacker but I thought Cosby and (Andy) Ryland both did a good job for kids who hadn't played much.

Why did you put Larry Johnson back in the game?

I got talked into that by a couple of kids on the squad and by a couple of the coaches telling me he (Larry Johnson) could get a 200-yard game. I fought them for about two series and I said no way, he liable to get hurt. Then they kind of ganged up on me so I stuck him in there and said he has one shot at it period, so we put in the trick play and his buddy (Kinta) Palmer misses the block otherwise he probably would have had it. I don't like to that. I have never been one to do that kind of stuff. This team is close in a lot of different ways and I felt if that's what they want then let's do it.

What persuaded you to try the field goal instead of punting?

Well we were going to go with a fake punt but they didn't give it to us. We figured we were going to fake the punt and if we didn't make it then so what? They lined up and took it away from us. (Robbie) Gould didn't miss by much on those ones last week. He can hit from 51, 52 yards so I thought he had a good shot at it.

Coaches Quotes

NC State Head Coach Chuck Amato

It's becoming a ditto. That's three weeks in a row. When we got that fumble recovery deep in our territory, it really pumped life into our team. But Virginia never gave up.

They ran the ball on us more that we thought they would, and could.

In the first half we took a great shot from them. The field position really favored Virginia in the first half, in my opinion. But our defense came up with play after play after play.

Jerricho Cotchery is a tough football player. There might be a better receiver in the country, but he's a good one.

It looked like a pro game out there. Field position, the kicking game, field conditions -- they were all important today.

(on State's final drive) When we first got the ball there was an eternity to play, plus we had two timeouts. But there was a play or two that used more time than we'd like. But we had time on third and fourth down to get the plays we wanted.

Virginia Head Coach Al Groh

"It was a good win today. But we still have two more to play. ... That was a real fighting game today -- 14 to 9 is our kind of game. We're trying to build an operation that can be in a lot of close games and come down to the end and make a play at the end."

"Marquis Weeks, besides what he did individually, was just symbolic of what a lot of players have done during the course of this season to step up when something had to be done."

N.C. State has "a very high-powered offense with some highly skilled players and a great quarterback. [The Virginia defense] had to make a lot of plays against them, and they certainly did. ... We had some good pressures -- good harrassment in the pocket -- but we didn't get as many stops out of it as we would have liked. As a result, the ball was up in the air and we had to make plays on the ball upfield."

"I've seen on a weekly basis -- not just in the games, but in practices -- significant development in a lot of our defensive players. This kind of game was good to my heart because that's the way we want to play defense on a consistent basis. We tried to flip some things around this week to put some players in a little bit better position to make plays. We made some changes in the lineup. Obviously, that helped us today and I hope that will carry over.

On the last NC State offensive play -- "In those moments, you have to look to your big-time players. We set up a little game to give Darryl [Blackstock] a chance [to pressure the quarterback]. He came around and had a real good pressure against a very accurate quarterback. It was certainly a factor in where the ball went."

NC State Postgame Notes

- Wideout Jerricho Cotchery went over 1,000 yards for the season, becoming only the third player in NC State history to do so. Cotchery now has 1,047 yards receiving on the year.
Torry Holt '98 - 1,604 - Torry Holt '97 - 1,099 - Keron Robinson '00 - 1,061
- Cotchery finished the day with 8 catches for 108 yards, going over the century mark for the sixth time this season and in the third straight game. Cotchery has 7 games of at least 100 yards for his career, ranking him 4th all-time.
- QB Philip Rivers rushed for his 10th TD of the season, the 10th best single season mark. Rivers is one of just seven players in NC State history to rush for at least 10 TDs in a year (TA McClendon is one of those w/ 15 rushing TDs).
- Senior George Anderson recorded a sack in the first quarter to give him 17 for his career tying him with Ray Agnew (1986-89) for fourth all-time.
- Bryan Peterson extended his streak of games with at least one catch to 37, in a row.
- NC State failed to score on its first possession for just the third time this year. Also, for the second game this season (Texas Tech) NC State did not score first.

Virginia Postgame Notes
Nov. 16, 2002

Sophomore tailback **Marquis Weeks** had a career day rushing. He rushed for a career-high 129 yards on 19 carries today, far surpassing his CAREER total coming into the game. Prior to the game he had rushed for 53 yards. He had a 32-yard run in the fourth quarter, the longest of his career. He also had a 21-yard run in the second quarter.

Weeks' ~~129~~ yards is the most by a Cavalier runner since Antwoine Womack rushed for 153 yards vs. Penn State in the final game of last season.

Weeks was awarded the offensive game ball and linebacker/special teams standout Stan Norfleet the defensive game ball by head coach Al Groh after the game.

Quarterback **Matt Schaub** became the Virginia single-season record holder for passing touchdowns. He set the record with his first TD in the first quarter. With his two TDs on the day, Schaub now has 23 touchdowns this season. The former record was 21 TDs, held by Shawn Moore (1990) and Bobby Goodman (1992).

Schaub also tied the UVa record for consecutive games with a TD pass with 11. He ties Shawn Moore, who had a TD pass in 11 consecutive games two different times in his career.

Schaub also set a school record with 346 pass attempts this season, breaking the old mark of 320 by Mike Groh in 1995.

Schaub has thrown for 2502 yards and needs nine more yards to pass Mike Groh's single-season mark of 2510 yards in 1995.

Wide receiver **Billy McMullen** caught four passes in the game and now has 198 career receptions, third in ACC history. Second place is held by FSU's Peter Warrick, who finished his career with 207 receptions. Former Wake Forest receiver Desmond Clark caught an ACC-record 216 passes in his career.

Almondo "Muffin" Curry's interception in the third quarter was his first of the season and second of his career.

Virginia held N.C. State scoreless in the first quarter, the second time this season the Cavaliers shut out an opponent in the first quarter. The Cavaliers also blanked Akron in the opening quarter on Sept. 21.

N.C. State's three points in the first half are the fewest UVa has allowed in the first half this season (10 was the previous low by both Clemson and Penn State).

The Cavaliers' held the Wolfpack to 96 yards rushing, the lowest output by the Cavaliers since they gave up just 74 yards to Georgia Tech last season, 14 games ago.

Virginia has won five conference games this season for the first time since going 5-3 two years ago. The Cavaliers, picked to finish eighth in the preseason, are currently third in the league standings with a 5-2 record (could move to second depending on what Maryland does vs. Clemson later today).

The win over the 22nd-ranked Wolfpack is Virginia's second win over a ranked team this season. The Cavaliers defeated #22 South Carolina 34-21 at home on Sept. 7.

Four of Al Groh's 12 wins at Virginia have come vs. ranked teams.

Virginia Football Postgame Notes
Virginia 48, Maryland 13
November 23, 2002

With his first completion of the game Matt Schaub set a new school record for most passing yards in a season, breaking the previous record of 2510 held by current assistant coach Mike Groh set in 1995, Schaub now has 2751 passing yards this season.

With Billy McMullen's second reception of the game he became the third player in ACC to have 200 career catches. He finished the game with 7 catches in the game and 205 for his career.

Connor Hughes' 47-yard field goal in the second quarter was the first of his career and UVa's longest field goal this year.

Wali Lundy's two receptions for touchdowns were the first two of his career. His three total touchdowns were also a career high.

Billy McMullen's touchdown pass to Michael McGrew in the third quarter was his first touchdown pass of the year (and career). It is also the fourth way that McMullen has scored this season (touchdown pass, touchdown rushing, touchdown reception, and two-point conversion).

Matt Schaub's 249 passing yards was his 8th 200 yard plus passing day of the year, tying with Scott Secules (1987) for most 200 yard plus passing days in a season.

Wali Lundy's two receiving touchdowns ties him with Heath Miller and Ryan Sawyer for the season high for most receiving touchdowns in a game. He also became the first player this year to have both a receiving and rushing touchdown in the same game.

Special teams standout Alex Seals recorded his first career interception when he picked off Scott McBrien in the fourth quarter.

Michael Johnson's five-yard touchdown run in the fourth quarter was the first TD of his career.

Matt Schaub set a new career high with a completion percentage of 85.2% (23-27) breaking his previous career high of 81.5% against Wake Forest earlier this season.

Virginia's 48 points ties its season high scored against Akron and is the first time they have scored 40 or more points against an ACC opponent since a 45-38 victory over Georgia Tech on Nov. 6, 1999.

Virginia's 35 point victory is the largest margin of victory since its 38-point win over San Jose State on Oct. 3, 1998.

The 35-point margin of victory is UVa's biggest ever over a ranked team. The Terrapins came into the game ranked 18th in both major polls. The old record was 32 points (42-10) over #18 N.C. State on Nov. 9, 1991.

The Cavaliers' six ACC wins are the most they've had since a 6-2 record (3rd place finish) in 1998.

POST-GAME QUOTES

MARYLAND COACH RALPH FRIEDGEN

It wasn't our night tonight. It looked like we couldn't do anything right tonight. Virginia played very well tonight. They had a good game plan and they played hard.

(On blocked field goal) We thought about going for it on fourth down, but the last time we tried it we didn't make it. We had a 7-0 lead and we wanted to come away with some points, but the kick was low. That changed the momentum.

(On Monroe's dropped pass) I thought that was pretty important. It would have changed the momentum back. And Virginia was bringing their corners up for run support, and completing that pass would have slowed that down some.

We had a bad game, and they had a very, very good game. I'm not trying to insinuate that we lost because our biorhythms were off. Virginia played pretty darn good.

Sure, I'm disappointed. Winning a conference championship and maybe going to a BCS bowl doesn't come along every day. We had that chance tonight and we didn't take it.

VIRGINIA COACH AL GROH

This is a very good win for our team. It was a wonderful thing for [Virginia's seniors] to walk out of this stadium for the last time with a sense of accomplishment.

I've said repeatedly that if you play in a conference, your goal should be to win the conference championship every year and then everything else takes care of itself. This had the feel of that a little bit because it was one of those games where both teams were playing for the same thing. We hope that in the future that one of these games will be for first, not for second. This was a step in the right direction for where we want to go, but it isn't the pinnacle for the program.

We've put together two real good defensive games against quality opponents. Obviously, this was a very good [Maryland] team. They've scored over 45 points several times this year. They have a lot of talent on their team. I think our defense is starting to show some promise.

[The offense] was pretty efficient tonight. How about [Billy] McMullen? He threw one, caught one and ran one in [for touchdowns] all in the same season.

I thought we would have a good team this year. I thought our team played well tonight. ... If you're a team that has aspirations to be in the hunt, [peaking at the end of the season] should be your M.O. If you don't get any better through the course of the year, then you'll get left behind. These players have done a nice job of doing that.

One of our significant concerns was [special teams]. I thought our kick coverage was tremendous in making sure that nothing negative happened. We got a [field goal] block and for Connor [Hughes] to step up and hit those field goals for us was a real shot in the arm. That was very positive and he should be able to take away a lot of confidence from that.

Post Game Quotes

University of Virginia:

Head Coach Al Groh:

"This game was about us making a statement and our players did that. What coaches have to say is overrated. We like to win, it makes no difference who we are playing. We viewed this like a playoff game, where if you lose you go home and don't play for a long time. (About Billy McMullen's injury) Whatever obstacles and adversity the team had in front of them, they were able to succeed. We lost one of the best players that's ever played in this conference and our guys just went back out and played. That says a lot about our team. (On Marques Hagans' punt return for TD) That was a big issue. That really stretched the margin and gave us a greater level of separation. It really changed the momentum and helped us keep rolling. We were going to try to put them on edge a bit. But it all came down to our ballcarriers creating missed tackles. We emphasized that the inside line play would be crucial and their work speaks for itself. It was a marvelous experience and a dynamic atmosphere. The only thing better than having two second place teams would be having two first place teams."

Running Back Wali Lundy:

"I always expect the best out of myself and I always think I can do more. I think I did a lot to help the team this year. (on trick TD pass) It was a good play call. I was just hoping I could catch the ball. When you're that wide open, you have to concentrate and let the ball come to you."

Quarterback Matt Schaub:

"It shows that we can play with anybody and that we're as good as anyone. We expect to win, regardless of who we play. Things worked for us. We didn't need to make many adjustments since we played the same type of defense twice. (in Wake Forest and South Carolina) (On Heisman chances) That's fine, but I don't think much about it. All that matters is winning and what happens between the lines. All the attention can help the program, but it's all about what happens on the field."

Linebacker Angelo Crowell:

"We knew coming in what they were going to do and how they were going to try to attack us. The coaches were right and the defense stepped up big. Everybody was on the same page. Just like when we played NC State and Maryland. It's big coming from 5-7 to 9-5. There are not many teams that can do that. We may not have as much talent as some teams, but we played big when it counted. It was big for me to try win a bowl game. This time the mentality was totally different. We were here to win and celebrate after the game, not before."

Post Game Quotes

West Virginia University:

Head Coach Rich Rodriguez:

"I was very disappointed in how we played in all three areas, special teams, defensively, offensively. But I don't want to take away from our seniors. We moved the ball well at times. We had a couple of bad drives. Just a matter of execution. They kept us off balance. We didn't tackle well and didn't make the big play. Rasheed made a couple of bad decisions, misreading coverage. We never got them out of their rhythm. Lundy runs very well and had good blocking. We didn't get off blocks and didn't make plays. It is a bad way to end a good year. It's a shame we didn't show our true team today and did not execute well. We can learn from today and be ready for next year. We have a lot of work to do."

Quarterback Rasheed Marshall:

"It was a long day. They played well. They did a great job stopping our running game. They did a good job preparing. I credit them. They were a step ahead of us. This game was sort of like the Maryland game, a step ahead of us. They did a good job getting to the football. I've got two seasons left and I have to keep learning. I take this as experience and just absorb it. We had a good year. One game doesn't determine....we won nine games."

Running Back Quincy Wilson:

"We couldn't get the big runs today. They are a great team. They were flying around. The safeties came up and hurt you. We're disappointed right now. Their defense was really good and physical with us. Our first two drives went well. I thought we were really ready, we had some great practices this week."

Running Back Avon Cobourne:

"It seems like everyone knew what we were doing. We stopped ourselves. They confused us."

Jerry Richardson Most Valuable Player

Wali Lundy, Running Back - Virginia

University of Virginia Running Back **Wali Lundy** was named the **Jerry Richardson Most Valuable Player** for the 2002 Continental Tire Bowl, it was announced by bowl officials following Virginia's 48-22 victory over West Virginia University in the inaugural game. The award is named after Carolina Panthers Owner and Founder Jerry Richardson.

Lundy, a freshman, gained 127 yards on 22 carries while scoring two touchdowns, and caught five passes for 76 yards and two touchdowns.

The Continental Tire Bowl is proud to honor a true champion of the Charlotte community by awarding the Jerry Richardson Most Valuable Player at the conclusion of the game.

Virginia Postgame notes
Dec. 28, 2002
UVA 48, WVU 22

The win is Virginia's first bowl win since a 34-27 win over Georgia in the 1995 Peach Bowl.

The win over West Virginia is Virginia's ninth win of the season. It is UVA's first 9-win season since 1998 (9-3).

Freshman TB Wali Lundy won the Jerry Richardson Most Valuable Player Award of the inaugural Continental Tire Bowl.

Lundy rushed for 127 yards to tie his career high set previously against Virginia Tech in UVA's most recent game.

Lundy finished the season with 826 yards rushing, a UVA record for a freshman. Antonio Rice held the previous record with 764 yards in 1982.

Lundy also caught five passes to finish the season with 58 receptions. That ties the ACC record for most receptions by a freshman with Maryland's Frank Wycheck in 1990.

Lundy's 4 TDs is a UVA bowl record and a UVA modern day (since 1937) record for most TDs by a freshman.

Lundy led UVA in both rushing (127 yds., 2 TD) and receiving (5 for 76 yds, 2 TD). Overall he finished with 239 all-purpose yards in the game, which is a UVA freshman record.

All-purpose player Marques Hagans' 69-yard punt return for a TD is UVA's first since Tiki Barber took one back 74 yards vs. N.C. State in 1996. It is also UVA's first punt return TD in a bowl.

Hagans' 14-yard TD pass to Lundy in the first quarter was his first of the season. He became the fifth different Cavalier to throw a TD pass this season.

UVA defeated 4 ranked teams this season to become the only ACC school other than Florida State to beat as many in a season. FSU beat 6 ranked teams in 1993 and has defeated 5 on several occasions.

Half (13 of 26) of the games Al Groh has coached at Virginia have been against ranked teams.

LB Angelo Crowell needed 4 tackles to break his own single-season tackle record. He was credited with at least 12 tackles (we'll look at the tape for the official total), but he still set a school record regardless.

WR Billy McMullen suffered a dislocated left elbow on his only catch of the game on UVA's first possession and missed the remainder of the contest. He finished his career with 210 receptions, second in ACC history.

Junior WR Ryan Sawyer picked up the slack in McMullen's absence and finished with 4 catches for 41 yards. All 4 of his catches went for first downs.

UVA punted only once, following its first possession of the game. From there, UVA scored on 8 consecutive possessions before running out the final 46 seconds of the game on the final possession.

Virginia started 6 true freshmen (3 offense, 3 defense) and 3 redshirt freshmen (2 offense, 1 defense). The starting offensive line featured true freshmen at the tackles (LT D'Brickshaw Ferguson and RT Brad Butler) and a redshirt freshman, LG Brian Barthelmes. In addition, starting TE Heath Miller is a redshirt freshman.

WEST VIRGINIA POSTGAME NOTES VS. VIRGINIA

Captains for today's game were James Davis, David Upchurch, Lance Nimmo and Avon Cobourne. Those four were selected as 2002 season team captains.

There were no first time starters for West Virginia. Avon Cobourne leads the team now with 44 career starts. David Upchurch leads the team with 36 consecutive starts.

Todd James' 27-yard field goal in the first quarter was his 11th of the season and the first points scored in Continental Tire Bowl history.

Avon Cobourne's six-yard touchdown run in the first quarter was his 16th of the season and 41st of his career. His 41 career touchdowns are second all-time at WVU and in the BIG EAST.

With his yardage today, Avon Cobourne went over the 5,000-yard mark in the BIG EAST and NCAA. He becomes only the 10th player in NCAA history to reach the 5,000-yard career rushing mark.

Rasheed Marshall's third quarter touchdown was his 13th rushing touchdown of the season and 22nd total for the year. He is tied for fifth in rushing touchdowns for a season.

Avon Cobourne's 100-yard rushing effort is his 28th-career 100-yard game and 10th of the season. His 28 career 100-yard games are tops at WVU and in the BIG EAST.

Avon Cobourne's fourth quarter touchdown run was his 17th of the season and 42nd of his career. His 42 career touchdowns are second all-time in the BIG EAST and now moves him into a tie for first place in WVU career rushing touchdowns with Ira Errett Rodgers.

Avon Cobourne has now rushed for two or more touchdowns in a game on nine different occasions.
