VIRGINIA VS. DUKE *** SCOTT STADIUM***SEPTEMBER 3, 1983

Coach's Quotes

"First games are tough to evaluate. It's hard to tell how good we are. It'll take a couple of weeks. I said the same thing last year. I'm just glad we won this one."

"If we didn't get those three plays out of Walker, we wouldn't have won."

"I started to feel better about our passing game earlier in the week during practice. Wayne threw all his passes on the money"

"We started off running the ball, but Duke plugged our holes, so we had to throw."

"I couldn't foresee us scoring 38 points, but I could foresee them (Duke) scoring 30."

"I'm looking forward to playing Navy next week. I hope we'll have a better football team on the field this year."

"Navy will have a good team. We'll have to hold them down more than we did against Duke."

Virginia vs. Duke, Scott Stadium, September 3, 1983---

Coach's Quotes---Steve Sloan

First of all I'd like to congratulate Coach Welsh and the Virginia team. That was a fine comeback from last year. I thought they played particularly well offensively with a lot of big plays. We did ~~xxx~~ very poorly defensively, especially in the big-play area. We gave up a lot of big plays for long yardage and that hurt us. Offensively we had some penalties. We had some miscues on our extra points and field goals. I thought we moved the ball pretty well. They did a good job defensively down there in the scoring zone holding us and stopping us. Our team has a long way to go obviously. We still have a lot of potential. Our kids play hard and they run hard. I possibly didn't do a very good job preparing ~~xxx~~ 'em for this game but they are good kids and I think they will stick together and bounce back from this..

Duke quarterback Ben ~~xxxx~~ Bennett --

"We have the capability of scoring points quickly but we didn't score more than they did and lost the game. They were playing back, playing for our passing game. Throwing deep any more than we did would have been a wasted effort. They did a pretty good job of covering everybody. Their defense did a pretty good job and their offense did a real good job. I just didn't execute as well as I should have and that's why we lost. We lost because I didn't make the offense score enough points. Period."

VIRGINIA 27 Navy 16, at Scott Stadium, Charlottesville, Va, September 10, 1983----

COACHES QUOTES:

Schuchts 5 interceptions ties a school record set by Charlie Harding(1952, vs. Richmond 49-0) navy intercepting 5 passes ins most since 1983/ 1973 vs. VMI--

Virginia Coach George Welch:

I think the defense played very well. There was a lot of pressure on them with all those interceptions.

Q: Did you consider pulling Schuchts?: "Not today. We had to keep throwing the ball. We had a couple of bad plays and a couple of bad passes. Four interceptions in one half is not good. We tried to fool them a couple of times, but we really didn't. But they play very good pass defense."

We made some bad plays, but we still won and that's the best part. I think we showed a lot of character, and we beat a very good football team.

If we went in, 10-0, at halftime, that might have made a difference. But we scored those two touchdowns and that ~~made~~ gave us a big lift.

On Petty: "He did a great job. He's running with a lot of authority and power....His run in the beginning really helped a lot. We weren't going anywhere before that."

On Navy: "Some of those guys, especially on offense, were sophomores when I was there. Maybe next time the turnover will be complete."

Think you'd have five interceptions and win?: "We usually don't throw the ball that much. It's hard to win with five interceptions. Usually, if we get a few interceptions, we stop passing the ball."

Navy Coach Gary Tranquill:

"We ~~h~~ gave up three long drives that killed us. I thought we had numerous opportunities (to scores) and didn't take advantage of them. But Virginia came up with the big plays that hurts and we didn't have big plays when we needed them.

This is a 60-minute game and we played good defense for only about 48 to 50 minutes. I was impressed with Virginia. They have good size and they have speed. Their backs and receivers all can run. They're a much improved football team.

I think we're going to be all right but you have to play the whole game.

They really hurt us when they got those 14 points so quick late in the first half. It was ridiculous that we didn't t score more in the first half with four interceptions."

VIRGINIA vs JAMES MADISON, September 17, 1983, Scott Stadium, Virginia 21, James Madison 14

James Madison's Gary Clark set a JMU record with his 87-yard punt return and then broke the mark with his 89-yard return for a touchdown. Clark's 189 yards in punt return yardage also is a JMU single-game record. No JMU player had previously returned two punts for touchdowns in a game, season or career. Clark has three punt returns for touchdowns in his collegiate career.

~~COACH'S QUOTES~~ COACH'S QUOTES --George Welsh

How did you feel about tonight's performance? "Depends on how you look at it. I felt like we lost some battles, but won the war. I figured we'd have some problems against their defense and we did ~~not~~."

About Virginia's fourth down play late in the first half that led to first ~~TD~~.... "I figured we weren't going to win the game on defense. We had to take some chances."

About offensive line... "I thought we did a good job of controlling line of scrimmage late in the game."

About Quentin Walker's injury... "I feel sorry for Quentin, especially after he was off to such a good start. We don't have anyone else with his kind of quickness and speed."

COACH'S QUOTES: Challance McMillin (JMU)

"We didn't really get stopped on offense tonight. Rather, we stopped ourselves. We got ourselves in scoring position three ~~or~~ or four times but kept ourselves out of the end zone. I felt we executed well tonight. And I feel we'll continue to ~~execute~~ execute well."

On Clark's two punt returns: "He's simply a great athlete, an exceptional player. We had some fine blocking each time and he made the most of it. We gave him the sideline and he gave us two fine returns. We spend a ~~lot~~ lot of practice time on punt returns. It's good to see it pay off."

"I'm not happy to be 1-1 because I wanted to be 2-0. ~~This~~ This is a tough loss, but then any loss ~~is~~ is tough. But we aren't about to pack it up. We'll come back out this week and get with it."

"Virginia deserves ~~the~~ credit for putting together drives when they needed to."

VIRGINIA COACH GEORGE WELSH: On Blocked Punts: Everyone once in a while we rush...we didn't work extra on it for State...we didn't plan nor detect a weakness by State beforehand...we did know that punter was only 12 to 13 yards back and would kick from just 8 yards behind scrimmage
Momentum: The momentum changed about six times in this game...Frazier's interception though was a big key...a breaker

On Field Goal of 49 yards: We were going for the field goal come hell or high water...we figured we needed three points there...but shouldn't have taken the sack before it...if I had to do over I would have run it...the field here goes down a bit at the end and I really think that helped us...otherwise, it doesn't make it...

On 4-0 start: This win doesn't tell us anything that the first three did...they have a great defense, especially against the run...that Johnson is a great linebacker...

On Frazier Interception: They had tried that same play to Frazier's side earlier...and just missed...I think they were thinking blitz on that play...it was a first down play and I was glad to see them throw it on first down

On 18 play, 49 yard field goal drive: That's the way you want to play it down the stretch...we've done it the past few weeks...On Blitz: We gambled a few times and lost, but mostly State did a great job with it...we had to go to five steps and throw and had to go for the quick, short plays.

N.C. STATE COACH TOM REED: "There are two things. On the positive side, give Virginia credit. They wanted the game, and they believed they could win it. On the other side, we had no desire, we didn't really want it. To review the situation, it's my responsibility to get them ready to play. I didn't. Give Virginia credit, though.

"We were poorly coached. We played miserable football. That's about the size of it. In a football game, you can never relax. We relaxed. It's a ~~competitive~~ competitive sport. You've got to play every second. We got beat, and we appeared to enjoy getting beat. That's what hurts me the most. The fumbled punt, the blocked punts, it just boiled down to we didn't want to play. We wanted to be somewhere else. Hey, it's my job to ~~get~~ get them ready to play.

"Give Virginia its dues. They deserve credit. They didn't quit. They got behind, but they came back. They wanted to win the game. Give them the credit."

Wake Forest

SPECIAL GAME NOTES...KENNY STADLIN, S four field goals / ties a Virginia record set by Russ Henderson in 1977 vs. Wake Forest...his 49-yard field goal falls one yard short of Wayne Morrison, S record 50-yarder set in 1980 vs. Navy. The Stadlin Field Goal is the second longest in UVA history. Stadlin also set the record for most points in a game by kicker with 14 points today. The old mark was 12 points by Henderson vs. WF in 1977...this marks the first time since 1952 that Virginia has won 4 straight and the 1st time since 1952 that Virginia has opened the season with 4 straight wins... it was also Virginia's 1st win vs. State in 10 years and only the 2nd win over the Wolfpack in the last 23 years...Virginia is now leading the ACC with a 2-0 record. Virginia running backs have still yet to fumble the ball this year.

VIRGINIA HEAD COACH GEORGE WELSH: STILL NOT SURE YET ON OUR TEAM...I'M NOT MAKING ANY JUDGEMENTS YET...AT TIME WE WERE OUMUSCLED OUT THERE AND AT TIMES WE WEREN'T... no doubt that they wre better than us today...our goal line stand early on ended up not having any effect...their defense was too much for our offense and I'm not sure why... I didn't think it would be a question of physical strength coming into the game... but maybe it was...we didn't play the screen very well... (asked why went for field goal with score 13-0): Why? It was fourth and 13 plus now it's only 10 points and not 13...if it were 4th and 4 or 5 then maybe it would have been different but that 13 yards was long all day...I thought Walker punted alright today...they didn't get any returned and he caught some rolls...they're punter had a great day...we did have bad field position thoroughout most of the game and that was a factor...they were just a better team -- today...maybe next week the game would be closer...it looks like Maryland is playing better now than they had against W.Va...and a good football team will start playing better as the season goes on...they blocked better than anyone else we faced this year...when the score is 23-3 it usually means that you just weren't good enough.

MARYLAND HEAD COACH BOBBY ROSS: We Were very glad to get a hard win against a much improved Virginia football team. I was scared when they stopped us on the goal line. Between the twenties we moved the ball well.. We stopped ourselves several times. They stopped us once. On one we had a motion penalty, on the official tolad the player to put his knee pad in. We had a tipped pass by the tight end once, and we threw an interception. I thought Boomer threw very well. He and I both would like to have that interception back. Defensively, We played well, but did not tackle well in the first half. We were sluggish in the first half. Tyrone Furman played a prketty good football game. The secondary played well and did a good job. I was Especially pleased with the punting of Alan Sadler and place Kicking of Jess Atkinson, except for one game, Sadler's punting has been a weapon for us. It was a tremendous effort on the part of Steve Burke in running down the kickoff return man. We just half to go back and get our confidence in catching the football, Coaches and Everyone. We got ahead and I said keep it one the ground and run the clock down. I felt we had pretty good possession as far as time went/Virginia was dropping quiet a few people and we threw the swing pass. They were rushing three and dropping five. We expected them to blitz more. It was another hard physical game.

Clemson Starter Changes

There are four starter changes for Clemson off the depth-chart, flip card, two on offense and two on defense,

On offense: Steve Reese will start at right guard in place of Andy Cheatham. Reese graded higher in the last game and has a fine week of practice.

Joe Ellis will make his first start this year and the second of his career at right tackle in place of Jeff Cruce, Cruce has an ankle and knee sprain, but should play today,

On Defense: Ray Brown will start at right tackle in stead of Jim Scott, The two trade off each week,

Roy Brown will make the first start of his career at the bandit end in place of Terrence Mack. Mack has a broken little toe on his left foot. It was suffered late in practice on Tuesday, Mack will play in this game.

Terrence Flagler is not scheduled to dress for today's game, He had knee surgery on September 16 after an injury suffered at Boston College. He ran on the side at practice this week, but did not take any contact work,

COACH'S QUOTES---Virginia vs. VMI, October 15, 1983, Scott Stadium

About Antonio Rice's injury... probably
"They read the X-rays and told us his arm was fractured. That will be it for him for the rest of the season."

About game in general: game.
"I was expecting a tougher ~~week~~ We overcame a bad week of practice."
"Sometimes you can be not so good and still win. In some ways we weren't so good. I thought we were a little sloppy on defense and no particularly good on offense, but we were better than they were, so it was easy."
"VMI has had wholesale losses in offense and defense from graduation and appear to be rebuilding."

About Wake Forest game:
"Next week is a big game for us. I don't usually say that, but it is. We have to face it. If we're going to do well in the conference, we have to win."

VMI Head Coach Bob Thalman:

"Virginia is a very well balanced ball club; we knew that coming into the game, and they showed it tonight."

"From our side--I saw good things out there, and we had the ~~chance~~ chance to play a lot of people--we have been searching for a tailback, and I think we found one tonight in Trent Bridges. I was very pleased with his performance."

"Our running game had been hurting us all year, and overall that was better tonight."

"When you go into a game 0-5, it is easy for your team to fold, but we didn't ~~knock~~ and we are not. Some of our young players got a baptism against a big league football team, and they along with our veterans are going to improve the remainder of the season."

"We just have to keep working, and I think things will fall in place."

WAKE FOREST vs. VIRGINIA

COACH GEORGE WELSH: Had the nose guard push across on that final fumble...it was just a draw...we lost four fumbles? I guess you can't go all year without losing one but losing four in one game is hard to overcome...I'm not sure that we beat ourselves... we just couldn't stop them enough...we had them third and six and seven numerous times and then let them get the first down...we tried some blitzes but when we did, they ran we just can't play man-to-man coverage...I don't recall ever having this many yards offensively and still losing...we hadn't seen them use the reverse that often....

this loss shouldn't do anything to us if we're smart enough and don't let this get us down we have a whole week off now...we just need to be better on defense...we are getting a lot on skill people back there (secondary)...I'm not sure what we're going to do with Mike Eck

Virginia Records

Randy Stadlin (placekicker) tied two season records - most points in a season by a kicker and also ties season field goal record with 11.
 Wayne Wachuchts becomes the first Virginia quarterback to have four 200 yard passing games in a single season.
 Howard Petty sets freshman rushing record with 182 yards gained.
 The 85-yard scoring pass play from Schuchts to Word was (tied) 5th longest in UVa history.
 Jenkins 39-yard TD run longest rush in his career

COACH AL GROH:

Last week they had 3 more than we did if you ask me to make sense out of it it is hard for us to play under the circumstances. We had 4 more than they did. I thought our team played very very hard they had a lot of faith in themselves. We kind of got decimated on defense after a while, we lost several football players during the course of the game. I thought the players who came into the game really cleared themselves out. It is hard to come into a game and play well when you don't anticipate coming in.

Schofield was really sharp for us in some ~~really~~ really key places. If you're supposed to be a star type player and you have the opportunity to make a play, you have to make it. I thought Schofield and Ryan did that very well.

I thought they (UVa) were played very very hard, they fought back from some difficult circumstances it was obvious they had a particular goal in the game football game. I think one ~~was~~ of the things ~~missing~~ that was missed was our opponent having a winning season if they won this game.

I think a lot of people underestimated the fact that Wake Forest was playing for a winning season today and had that worry much in their minds.

I think our coaches called a very good game from upstairs.

Although Ramseur was medically ready to come back in the game I didn't really think his care was really on the way it should have been, that's why Topper Clemons played the majority of the game.

coach's quotes, virginia vs. north carolina, november 12, 1983, scott stadium.

NORTH CAROLINA COACH DICK CRUM: "Quite simply, Virginia deserved to win the football game. They made the plays in the second half and we didn't make the plays we had to make. George has done a good job of bringing this team along. I really don't know what more I can say other than that.

"~~And~~ If we had won ~~the game~~ late in the game, we would have been very fortunate. Virginia did a better job than we did."

NOTES: Ethan Horton's 69 yards today gives him 1,000 this season. This is the 11th consecutive ~~year~~ season in which a North Carolina tailback has rushed for at least 1,000 yards. Carolina now has 15 1,000-yard rushers in history. That ties Southern California for the most ever in college football.

With 105 yards today, Scott Stankavage increased his season total to 1,660 yards passing for the season. That is a new school record, breaking the old mark of ~~3,500~~ 1,587 set by Matt Kupec in 1979. ~~Stankavage~~ Stankavage also set a new school ~~and~~ single-season record for pass attempts today. He now has 235. The old record of 227 was set by Kupec in 1979. Stankavage set a completion record last week.

~~Virginia~~ VIRGINIA COACH GEORGE WELSH: "This was one of the greatest wins for me personally and is the biggest win for this team since my regime. We beat a quality football team, one with a winning record.

"This was one of the gutsiest performances I've ever seen."

"I think we did a great job. We got an outstanding performance defensively."

"~~I think~~ think we're a better second half football team. The offense got some key first downs and helped eat up the clock."

LESTER LYLES on hit that caused fumble in third quarter... "We were looking for a big play. They had been running that play all day. I just went in there as hard as I could and hit him on the numbers. I didn't realize he'd fumbled until I saw people jumping on the ~~grass~~ ground."

NOTES: ~~Virginia~~ A number of Virginia players set individual single season records in today's game. Quarterback Wayne Schucht set a single season passing record with 1,857 yards, breaking the old mark ~~of~~ 1,687 yards, set by Scott Gardner in 1973. Billy Smith set the single season record for receiving ~~yards~~ yardage with 777 yards, breaking the old record of 773 yards set by Harrison Davis in 1973. Tailback Howard Petty set a new first-year rushing record with 769 yards, breaking the record of 764 yards, set by Antonio Rice last season. ~~Kenny~~ Kenny Stadlin set a new record for most fields in a season (12), breaking the old record of 11, set by Wayne Morrison in 1981.
