END OF GAME

WXXX VIRGINIA 14, Wake Forest 12

COACHES QUOTES:

COACH GEORGE BLACKBURN: Football is a game of inches and Quayle's 4 yard run for the last Cavalier first down was made by one inch.

Virginia won on mental guts.

Singled out fullback Jeff Anderson but also mentioned his sub. Dave Wyncoop.

Again tonight the defense was hitting hard.

~~#####~~

COACH BILL TATE:

"I felt the big turning point of the game was when we drove down with about seven minutes to go in third quarter and couldn't score.

"This was our best game by far. I thought our boys played well enough to win.

"Our defense certainly was improved, but we still need more work. Grant and Pate did real good"

"Butch Henry was catching the ball well

"Johnson and Jurewicz did a real fine job running.

"I don't know exactly what to say,.... We kept driving into their territory but couldn't score.

"I was really encouraged by our performance tonight. Offensively, we moved the ball well, and our defense certainly was improved."

## Tulane Vs. Virginia

### COACHES QUOTES

George Blackburn (Virginia): "This game did prove that we could come back in the second half and win. I was real proud of the way we fought back after failing to score on several opportunities in the first half, and especially after we failed to score in that third quarter when it appeared to the bench that we had made the score."

Jim Pittman (Tulane): "You can't beat anybody by fumbling the football, so I guess it just wasn't in the books for us to win. I think if we'd have held onto the ball we would have moved it. We were real flat. They set up their defense to stop our pitch-out, and there were other areas where we could have moved the ball. But you have to hold on to it first. We stopped ourselves tonight more than they did. Our defense tired at the end because they were exposed so much by those quick turnovers. They ran pretty much what we expected but we gave them too much good field position, and they made the critical yardage. The difference in Virginia, this year over last, is their fine running game. (Tulane won last year's game 20-6). (Frank) Quayle did a real good job tonight, and that big fullback (Jeff) Anderson is real tough. Jimmy Trahan, Sid es, and a few others had a touch of the virus tonight, and we couldn't play the whole game."

COACHES' POST GAME QUOTES

Coach Bob Ward, Maryland: I told the players in the locker room after the game that we were going to have a football team. We were just inches away from being one today. I'm sorry the seniors don't have another ~~year~~ crack at it. I was fed up to here with the refereeing.

Sniscak was real good. I was pleased with him. We let them off the hook five or six times on third down plays (defensively for Md.).

On third quarter action: "That was the game right there."

On the red helmets: "We just thought we'd do something different."

Summary of the year: "Dismal. Tough. You usually luck out once in a while and win one. We can't even do that."

Coach George Blackburn, Virginia: We had the composure to stick with them when things were going bad and to come back and win against a hard fighting, fired-up football team.

Credit must be given to Maryland's Quarterback, Sniscak for his tremendous job. Our scouting report was not wrong. Maryland never gave up and they brought the fight to us.

No coaching staff in the nation could be more appreciative of the <sup>job</sup> you did our players did for us in the last three games after our mid-season miseries.

I was real pleased with our performance and we game up with the big defensive plays when we needed them.

Game balls were given to Captain Mal Macgregor for his fine leadership and his defensive abilities and to Frank Quayle for his offensive contributions, especially for his extra effort on his second TD.
