coach's quotes, virginia vs. william & mary sept. 3, 1988, at UVa

Jimmye Laycock---W&M

Overall, I thought we did pretty good. But give credit to UVa, they gained momentum, broke some plays. We have nothing to be ashamed of, though, it was a good effort.

On Brosnahan:

He has a laceration on his hand. The doctors advised against playing him. He played with it (the cut) for awhile, he's a gutsy kid but the doctors convinced me to keep him out.

It did hurt us to ~~play~~ play without him...he starts for a reason.

On Steve Christie:

He did an excellent job for us. It's nice to know that if we get the ball in opponent's territory we can score. He's much more consistent this year, especially in his punting.

Overall, they wore us down. It took its toll. Their quickness and ability to come from the back side hurt us.

VIRGINIA COACH GEORGE WELSH

I don't think we were very good, but William and Mary has a pretty good football team. If Brosnahan isn't hurt, they're going to be pretty good.

~~When~~ We were jittery, and we were sluggish. They were hustling, and they were quicker than us. They kept us off balance.

(Halftime talk) I told them if we didn't get the game turned around in the third quarter, we probably weren't going to win. We felt it was do or die in the third quarter. The fourth quarter would have been too late.

(On preparations in preseason) We've been dull. We haven't been enthusiastic, and that's hurt us.

If their quarterback is in there maybe we don't win.

(On W&M's missed fourth-and-one play) I was surprised they went outside, but I wasn't surprised they went for it.

~~When~~

(On second half offensive changes) We changed formations some, and we went unbalanced. That kept them off balance.

VIRGINIA VS. GEORGIA TECH, Scott Stadium, Charlottesville, 9/17/88

Coach Bobby Ross--Georgia Tech

"I told our kids I was proud of them. I thought they played hard and showed a lot of fight. That's what I want our kids to do. I think we finally have that now. I want us to be fighters and we were that.

"We didn't do everything perfectly, and I thought we stopped ourselves some of the time, when we should have gotten things going. We have a busted assignment here, we run a trap play and our tight end is supposed to go inside, he goes outside. We get a 15-yard clipping penalty downfield at a critical time. A time or two offensively, we just hurt ourselves. We kept stopping ourselves.

"With the exception of a couple of plays defensively, they played well. I'm very proud of our defense, they are coming along. As long as they're playing that way, we've got a chance in every football game.

"On the kickoff return, I relaxed. I guess maybe some of our players did, too. I thought we had him. There were some real solid hits, and we just didn't lock up. The last thing I told our kids on the sideline was just to make sure you keep your containment. And we lost the containment. The number two guy that's supposed to come to the outside came underneath, and we lost the containment and he went to the outside.

NOTES: Jerry Mays' 116-yard effort was the 5th 100-yard game of his career, and the first since he picked up ~~111~~ 188 yards vs. N.C. State on Oct. 11, 1986. He has moved past Bobby North into the ~~9th~~ 10th spot on Tech's career rushing list with 1,554 yards. He needs just 123 to move into 9th place past Malcolm King (1,576). In three games vs. Virginia, Mays has gained 232 yards on 58 carries.

REFEREE ROBERT WOOD (on Tim Finkelston's ~~extra~~ catch/non-catch in third quarter in the endzone): I was 30 yards upfield, but the side judge (Daniel Post) told me he did not have possession of the ball when he hit the pylon.

VIRGINIA COACH GEORGE WELSH:

(On Finkelston play) I think he (the official) is wrong. It looks to me like he had possession of the ball and room to come down. If he gets knocked out of bounds then, it should still be a reception. The official told me that he didn't have possession of the ball. If he bobbles it, then it's incomplete.

We hung in there. The defense did a good job. They had bad field position all day.

It's a good win for us. It wasn't pretty. We're struggling to get better. This (win) could help us if we use it right.

(On end of game strategy) I wasn't going to run another play. We didn't want to take that timeout when we did. We wanted to let the clock run down so they couldn't run another play after the kickoff. But someone on the offense called the timeout before we wanted it.

(On sloppiness of win) I'm not greedy. ~~I'd~~ I'd like us to be a little better, but we're not. Last year, though, we played better and we were 0-2. Now we're 2-1

## POST GAME QUOTES

### DUKE HEAD COACH STEVE SPURRIER

General Comments: Obviously we are happy to win the football game but we're not very happy the way it happened. We are not sitting around here jumping and celebrating and acting like we are a great football team. We are certainly not. A good football team when you have a team down go ahead and try to finish the game. So far we have not been able to do that.

We made some big plays right before the half. Our receiving corp were the key to the football game getting those touchdowns right before the half. As it ended up the catch Clarkston had and the one Walter Jones made were what ended up winning the football game for us.

Anthony Dilweg played well inspurts. He had some bad plays this game. Probably a few more than he's had in the past. But he hung in there tough against a real good Virginia rush and played pretty good.

Our defense played well most of the game. A few missed tackles here and there. It looks awfully stupid when you let them throw the ball over your head when you are ahead 31-7. That's upsetting but we are happy to win the football game.

## NOTES

DUKE's 4-0 start to the 1988 season matches the 4-0 start the Blue Devils had in the 1971 season.

Duke has now won five straight games, including last year's victory over North Carolina. The first five game winning streak since the 1965-1966 seasons. (last two of 1965, first three of 1966.)

Clarkston Hines has seven straight 100-yard receiving games. One game short of the NCAA record held by Henry Ellard.

Virginia head coach George Welsh:

Our biggest problem was that we could not our zones right and it looked that we playing our zones very well. They were throwing the ball over the middle for 15 yards and on the sidelines for 15 and 20, coming out of those long yardage. A lot of pressure defense did OK sometimes, but some of the more important ones we did not. They beat us man-to-man and I think that their quarterback had a little too much time.

On the defensive holding call:

He called us for pulling to the ground, which I guess you are not allowed to do. When you are pulling on field goals you are not allowed to pull to the ground. That is the first time that I have ever had that one called.

coaches' quotes, clemson at virginia, october 8, 1988

clemson's first 0-0 halftime game since 1979 georgia,  
first time clemson shut out in first half since 1987, nc state

clemson coach danny ford

(in the lockerroom) "I'm very proud of you--you did what you had to do to win the ballgame. Great job defensively. Offense--you showed a lot of poise and courage. I'm glad to get the game out of the way. We also got the turnovers out of our systems--let's not have any more heart attacks."

(to the press)"It's very good to win a game like this one. Virginia played very hard. We hurt ourselves on the fumbles. Had one turnover early and one was caused by a hard hit from a Virginia player. They made a nice play in the end zone against us on the touchdown. I thought we played good defense ---we gave up yardage but not points. In the end the offense showed a lot of poise. It was a great play by Chip Davis. Virginia played well--that's a credit to coach Welsh. We dodged a bullet. Virginia kept us from making the big play and made us earn it. It's time to go home--I've had it."

Game balls went to OT Frank DeIulias, DT J.C. Harper, TB Cameron Gibson, and FS Rusty Charpia. The coach's game ball went to quarterback coach Jack Crowe.

VIRGINIA COACH GEORGE WHELEN WELSH

We played well enough to win, but we didn't. We played 60 minutes of football for the first time all season. We only got seven points on offense but that doesn't mean we didn't have a good effort on offense.

(On attitude when Virginia led with 5:27 ~~km~~ left) You can't be optimistic against anybody. You'd like to think you can win in that situation, but Clemson's been pretty good in those situations against other teams.

We had a great effort and we lost. Now we have to regroup. This kind of effort should help us, but you ~~km~~ don't know if it will. You don't want to be too high when you win or too low when you lose. It's next week that's important.

(On defensive effort) We had a good effort from everybody. The line didn't get knocked off the ball like they have the ~~km~~ past couple of years against Clemson and we got good run support.

COACHES' QUOTES: VIRGINIA VS. NC STATE CHARLOTTESVILLE NOV 5, 1983

VIRGINIA COACH GEORGE WELSH

We ~~had~~ wanted to score three ~~a~~ touchdowns and hope that that would be enough. But the defense knew ~~we~~ that if the score was going to be 10-7 that they would have to keep us in the game.

We had to move the ball and get some first downs. If N.C. State shut us down like they have some other teams, we're going to lose. The defense kept us in the game.

We're playing better, and we're playing with more emotion. We're making mistakes, and we don't have stability at running back. But it's a good team because they're playing hard. I think we're playing the run well. If you don't give up 5 or 6 yards on first down, that helps.

(Ford) We ran the same things today that we've run before, but the timing hasn't been good. I haven't been displeased with his play. I think he's handled it well. In some ways he's been a bigger help than last year. He's been at practice most of the time. and he's provided some leadership.

(John Ford set the Virginia school record for receptions in a career. Ford caught five passes for 34 yards against State. He now has 121 receptions in his career.)

N. C. STATE COACH DICK SHERIDAN:

"The game itself was a lost opportunity. We were in position to win the ACC championship and this hurts quite a bit.

"I thought our defense played well enough to win. They didn't play as well in certain situations but overall I though it was the kind of effort that could win us ball games.

"We made more mistakes in the first half than in out other games combined. We were tense, no doubt about it. I wish I was smart enough to know why.

"We are very disappointed we didn't play our best. This is the toughest loss of the year. You've got to give Virginia credit. They made the big plays when they needed to. They played like the team everyone said they would be. We wre fortunate to be close with all the mistakes we made. They responded like the team people said they would be at the start of the year.

NOTES:

With his eight receptions today, Naz Worthen becomes the Wolfpack's all-time leader in career receptions with 122. The old record was 116 by Mike Quick. Worhten also becomes the first Wolfpacker and the eighth in ACC history to crack the 2,000 yard barrier in pass receptions. He now totals 2,046 yards.

HEAD COACH JOE KRIVAK OF MARYLAND: (on the game ending play) I'll have to take a good look at the film before I can say anything. I feel that the team played in spurts, we played hard. The best thing I can say is that the kids kept coming back. But we still end up with a losing season.

"When I do take a look there will be a more accurate comment."

(On Scott Zolak) (I thought he did a helluva job -- the kids have a lot of confidence in him. He came in in a pressure situation and he hit that fourth down pass -- he hit that sucker!

"There is no time limit on a catch that's possession. (Holding his arms up) What does that mean - that's my reaction"

NOTE Neil O'Donnell left the game with a hyperextended left knee

FINAL SCORE: VIRGINIA 24, MARYLAND 23

HEAD COACH JOE KRIVAK OF MARYLAND; (on the game ending play) I'll have to take a good look at the film before I can say anything. I feel that the team played in spurts, we played hard. The best thing I can say is that the kids kept coming back. But we still end up with a losing season.

"When I do take a look there will be a more accurate comment."

(On Scott Zolak) (I thought he did a helluva job -- the kids have a lot of confidence in him. He came in in a pressure situation and he hit that fourth down pass -- he hit that sucker!

"There is no time limit on a catch that's possession. (Holding his arms up) What does that mean - that's my reaction"

NOTE Neil O'Donnell left the game with a hyperextended left knee
