Virginia coach George Welsh

"I would have been happy to come out of the gam 14-7. Blocked punts and kick returns are great.

We got stuffed too many times on the run. We didn't have a good week of practice. We were beat up from FSU.

"That wasn't the Navy team that lost to San Diego State, They're (Navy) better.

"I think Willis could have gone back in the pocket and handed off, but he couldn't have ~~h~~ scrambled.

"I feel good about Groh in case we have to start him again."

N

Navy Head Coach George ~~daump~~

"I was proud of the way we played in terms of effort. As long as we have that kind of effort we will get better."

"I thought we showed a lot of improvement in all areas. We can't keep giving up punt returns like that (San Diego State returned a punt for a TD last week)

"I thought our defense played well except for on third downs."

"I thought we showed a big improvement from last week."

"Tyrone Davidis big and can run. If I had him I don't know where I would play him. We don't have anyone like him. We couldn't defend him.

POSTGAME NOTES

Tyrone Davis is the first UVA player with 3TD receptions since Ken Shelton had 3 vs William & Mary in 1974

Tiki Barber's 74-yard punt return for a TD was UVA's first punt return for TD since Jason Wallace returned one 60 yards vs Maryland in 1990. It was also ~~h~~the 8th longest punt return in school history and 5th longest for TD.

The blocked punt by Percy Ellsworth was first by Cav since Kareem Martin blocked one against Va. Tech in 1992.

All of Mike Groh's Stats (except INT's) were career highs.

Jim Kubiak was 25-55 for 298 yards and two interceptions. The 55 attempts was a school record. Previous record was 54 by Kubiak in 1991 against Wake Forest. He has now passed for over 200 yards in four straight games and 11 of the last 12.

Kubiak is now the all-time completions leader at the Academy for a career with 390. He now holds 15 school records. Kubiak moved to second on the all-time passing charts at Navy with 4,294 career yards. The school record is 4,582 set by Bill Byrne.

Ryan Bucchianeri's 36-yd field goal in the second quarter were the first points scored by Navy against Virginia since the second quarter of the 1991 game.

Mike Groh's 26 completions are the most by a UVA QB since Scott Secules completed 26 (50 att's) vs North Carolina in 1987. It is also the second most completions in ~~HEA~~ UVA history.

VIRGINIA E COACH GEORGE E WELSH

There's only one other game I can remember that was like that. We beat Penn State in 1974 and fumbled seven times and lost six. That's the only other game that comes close.

I'm happy with the win. I'm happy with the way the defense played. Usually you lose games like that.

We have to go back to basic fundamentals on offense. I'm glad we have an ~~offense~~ off week this week. We won't have to institute a game plan right away and we can spend at least a couple of days on fundamentals. We have to re-evaluate everything on offense.

(On the advantage gained by Ronde Barber's interception return in the fourth ~~quarter~~ quarter): Even if they have to punt and we get the ball on the other side of midfield, maybe we give it back the way we were playing on offense.

(On changing quarterbacks) I wanted to get Groh in the game in the first half because I thought he could help us, but I should not have changed them as much as I did in the second half. It doesn't give them a chance to get into a rhythm. I should have stuck with one of them longer. It doesn't matter which one.

That's as good a defensive effort as we've had here. With all these turnovers, as long as they were out on the field, making a key interception—that's a great effort.

(On Ronde Barber) He had a good spring. Tyrone Davis was out with an ankle injury, so he wasn't going against him, but we have three or four other wide receivers that are pretty good, and he stayed right with them. ... I was hoping he'd get it in the endzone (on the interception), so we wouldn't have to put the offense back on the field.

CLEMSON COACH TOMMY WEST

We got whipped up front again. It's pretty simple. We gave a good effort, but not an intelligent effort. It was a disappointing loss for us. I thought we lost it in the line of scrimmage again—and I'm not sure we didn't lose it on both sides of the ball.

We win as a team and we lose as a team. One thing I thought our kids did today—they fought their guts out—they laid it on the line. We can never accept losing, but I'm not giving up on this football team, and I hope nobody else does because they continue to fight.

Turnovers were a big part of today's game. We got enough turnovers to win the football game, but didn't. It's tremendously frustrating right now is that we can't get any kind of running game going.

We had plan to use Louis Solomon coming out of the goal line and when we were going in to the goal line. We got one first down with him in there and thought that if we got another one, we'd jump into our two minute offense.

No body on this staff and nobody on this football team is going to give up. We're going to continue to fight. That's all we know how to do. We're going to try and improve this football team man for man and we're going to be a better team week by week as long as we continue to work hard.

We had plenty of opportunities to win this game and didn't get it done.

'COACHES' QUOTES: WILLIAM AND MARY VS. VIRGINIA

VIRGINIA COACH GEORGE WELSH

We scored some touchdowns, and that's good. I wish we could have gotten a couple more early. We stalled out down there close. We'll have to work on that. We just have to keep inching forward.

I'm always concerned with a team like this. Their offense can hurt you, especially with a guy like Knight in there.

(On the play of Symdon Willis) It's just one game. He's got to play more like this. But he helped us with his running. He was better, he made better decisions. His receivers didn't help him.

This football team is going to have to get better playing games. Our numbers are down on the scout team and you can't keep going against yourself all the time. You don't want to leave your game out there on the practice field.

(On Virginia's goal line offense) It was different this week, but the results were the same. We tried different things. I know we're not ~~knocking~~ knocking people off the ball, and that's what you have to do down there.

(On Virginia's two unsportsmanlike penalty ~~game~~ calls) I don't know why they called them. To me that's not excessive, that's spontaneous.

(On the option) It's been in the offense. We just haven't ~~emphasized~~ emphasized it. Against a defense like this, we wanted to run it and it helps Willis. He made some good plays to get outside. Against some defenses we won't be able to run it.

(On Virginia's running game) We've got to get better. Our running backs are going to have to break some tackles like we've done in the past. They've got to hit the crack and get five, and if it opens up get more.

WILLIAM & MARY COACH JIMMY LAYCOCK

I expected a closer game. I thought our defense would play better. They did play better in the second half. We needed to play better to win. We couldn't make the mistakes we made. We are 4-1 and there is nothing wrong with that. There aren't a lot of teams that can say that. We had some things show up here that would not have shown up against a lesser team. This can only help us. We saw a lot of positive things in this game.

(On returning Shawn Knight to the game) He couldn't return. He has an ankle sprain. The doctors looked at and tried to ice it and tape it. Even after treating it he was not able to go. I never had to make a decision.

(On Virginia's speed) With speed all mistakes are magnified. Instead of a 4 yard gain it is 20. When a tackle is missed the player is down field.

I thought we did a good job of handling the running game. When we kept things inside we were able handle them. Once they got outside things broke down.

(On the second half) We played better. We just hung with what we did in ~~game~~ practice. Matt (Byrne) did a better job as did the defense. We just needed the breaks to go our way.

NORTH CAROLINA COACH MACK BROWN:

"I want to give Coach Welsh and his staff all the credit. He did a better job of preparing his team than I did. I'm not sure what I did wrong, but I'm going to go back and review the week and try to find out.

~~"We didn't do anything~~

"We made every mistake possible in the ball game. Both teams played very hard. But, we played as poorly as I've ever seen us play. That's my fault. We tried; we played hard. Maybe we played too hard. We might have had them too ready to play. I don't know.

"We had some opportunities, but we didn't take advantage of them. We just didn't play well. Our players are frustrated and disappointed.

"We came out and did a great job on the opening kickoff, maybe the best we've done all year. Then they drive the length of the field to score.

"We weren't moving the ball. We weren't running the ball well. Yet, we were in the game in the second quarter and really hadn't had the ball very much."

(On the interception at the one-yard-line)

"Jason was just trying to throw it away, I think. The kid made a great play. Not getting any points at the end of the first half hurt. ~~But, then~~ we come out and throw the interception on the third play of the second half. *They*

"We didn't get a break all day. After the game George told me 'You just didn't get anything to go your way.' But, you have to make your breaks, too. And I don't want to take anything away from Virginia. They played a great football game.

"Now we've got to regroup and get ready for next week. N.C. State has had a week off and we have to go back and get ready for them. Some of the things people were talking about this week we won't have to worry about hearing this week. We're not assured of a winning season. There's no need to talk about bowls. We've got to worry about getting our team back on track."

VIRGINIA COACH GEORGE WELSH

Somebody said I smiled in the fourth quarter. That's the first time this year. I thought we had it won with about four minutes left in the game--but not before that.

We started to run it better, but we weren't running it well early. And we passed the ball well enough to win.

We had a couple of new formations and that toss to the tailback from the shotgun was new. We had more new things on offense than normal. But we didn't do anything new defensively.

(On Mike Groh) He had a really fine day. He threw the ball well and he didn't make any mistakes.

The pass protection was good. The offensiveline did what they had to do. They knew they had a challenge.

We played pretty good defense. When you hold them to 10 points, have three interceptions, hold them to a field goal awwhen they got close one time, and that goal line stand at the end of the half--that's pretty good.

I think they made mistakes. They had chances. That's not a 24point differential. We were opportunistic and made some plays.

I've been talking about being mentally tougher since last February. Now we have to see if we are. We've been here before. I'm not too excited.

COACHES QUOTES

MARYLAND AT VIRGINIA

NOVEMBER 12, 1994

VIRGINIA COACH GEORGE WELSH

A lot of weird plays out there. We game up a couple of easy ones, but then the defense is what won the game. We put pressure on the quarterback and put him on the ground some., and we started running the ball better.

(On his thoughts when the score was 14-3) I wasn't worried. It's only 11 points. We had a good game plan and did a good job defensively. The only thing that bothered me was the big plays.

(On Virginia's touchdown with :02 left in the first half) That helped. That's a momentum changer, but it doesn't mean you win the game.

That's a big league offense. They've got a good offensive line, and they're scoring a lot of points. I'd be surprised if anybody didn't play well defensively.

(On this game) It's a crossroads game. It's one of these games at the end of the year. We don't think this way, but if we lose it it's not so good.

(On the offense) We're hurting ourselves. There was a point out there when it was 32-14 and we got the ball back and we didn't stick it in there. You don't have to score, just hold it for five minutes.

Maryland Coach Mark Duffner

In the first half we played the way we had to. We were able to take a lead into halftime. During the second half we started to press and a lot of what we tried backfired. We had some tough breaks on special teams, with the protection and the on-side kick. The roof just caved in. The teams play today does not indicate how hard they prepared for the game.

(On UVA scoring at the end of the first half) We were still winning at the end of the half. That score was not the cause of our play in the second half.

They have a pretty good defense. We did not protect Scott as well in the second half as we did in the first. The protection just fell apart.

Virginia head coach George Welsh

"This was a crucial win for us. To come down here and beat a team that is 8-2 and may finish second in the BIG EAST is big. Some coach told me that you will be remembered in November.

The team has had to endure some things from the media. If we had lost, it would be even worse this week.

We ran more because it seemed like the thing to do. Syracuse did the same thing and got a couple of touchdowns in the fourth quarter.

"It was a tough situation for (Brandon) Semones to have to move to a new position, but that is a break of the game.

"By running the ball with success, it makes the quarterback better by taking some pressure off of him. I have always believed that.

"We came into this game with the right frame of mind. We wanted to go right after Virginia Tech from the start. And that is what we did. But the Tech defense made some mistakes that we took advantage of. No team should lose if it makes five interceptions. Two of those were weird anyway. One was made by a player on his knees and another just fell into the player's lap.

"I figured it would be back and forth kind of game, so when Tech came back in the first quarter, it did not surprise me.

Virginia Tech Coach Frank Beamer

"That was a tough day at the office. Man, eight turnovers! I don't think we could beat anyone on our schedule with that many turnovers, especially not a good team like Virginia.

"I give Virginia credit. They executed extremely well. And that field goal kicker Garcia really had a super day. I take my hat off to the Virginia team.

"It was a strange day for us. I saw our players do things that I never have even seen in practice. Virginia had guys on their knees coming up with interceptions. It really was a strange day.

"Virginia hurt us with their zone blocking on the sweeps. That was very effective for them. We certainly did not play as well defensively as we are capable of playing. But give Virginia credit for making us look bad.

"Antonio Freeman played well for us. He has had a fantastic career at Virginia Tech. Bryan Still also had a good day. He is a big-time player and proved it again out there today.

"Eight and three isn't bad and I am sure we have one game left. But I will admit it would have been a whole lot sweeter if we had won today."

VIRGINIA at VIRGINIA TECH
November 19, 1994

NOTES AND ADDITIONAL INFORMATION:

- ** Rafael Garcia kicked 5 field goals and 3 PATs. His 18 points kicking is the most ever by a Virginia player in a game.
- ** Garcia's 5 FGs made sets a new Virginia single-game record.
- ** Garcia has now made 17 FGs this season, setting a new team record.
- ** Maurice DeShazo had 235 yards passing and 2 yards rushing. This makes him Tech's all-time total offense leader, with 6,105 yards. The old record of 5,871 was set by QB Don Strock from 1970-72.
- ** DeShazo's 5 interceptions tie a Tech team record, as do the 5 interceptions by the Virginia defense.
- ** Tech punter Robbie Colley averaged 45.7 yards per punt, the 7th consecutive game in which he has averaged above 40. Colley finishes the season with 57 punts for 2,402 yards, an average of 42.1. This is just shy of the season record of 42.3, set by Dave Smigelsky in 1979.
- ** Tech kicker Ryan Williams had 1 field goal and 2 PATs, for 5 total points. This gives him 78 points for the season, tying him for third place in all-time single-season scoring.
- ** Today's attendance of 53,157 is the third-highest attendance in Lane Stadium history. Six of the top ten home crowds have come against U.Va.
- ** Tech's 17 rushing attempts are an all-time team low. The old "record" was 24, most recently against N.C. State in 1991.

VIRGINIA COACH GEORGE WELSH

(On the fourth and one decision to go for first down with 3:13 left) I thought about a field goal earlier in the drive. I did not kick because the kicker missed earlier. But with fourth and one, we thought we could get it. They just played it well. If it had been fourth and two or three, I think I would have kicked.

(On Stephens' 84-yard touchdown run) I don't think we got the blitz executed right. There should be somebody in every gap and somebody in the secondary should have been free to make the tackle.

(Keys to the game) We didn't convert on a couple of fourth downs, and we made too many mistakes on offense, and we gave up too many big plays. It's hard to beat somebody when you give up that many big plays.

I think this football team had a heckuva year. If you had asked me in August would 8-3 have been a good season, I'd have said yes. Because we had a chance for a major bowl and didn't get it is no reason to be demoralized.

(On the play of Charles Way) He was going good so we tried to get him the ball more. With Barber hurt, he played tailback some. He did well.

N.C. STATE COACH MIKE O'CAIN

This was as good a seen second half as I've seen in my nine years at NCS. It was a gutsy performance. We are a hurting team--especially the guys up front. Geoff Bender may have broken his right hand in the second half--he could barely grip the ball on our last two drives. I could not be prouder of this team. Very few people gave us a chance to beat Virginia. I'm proud to have won this game, and I am proud to be second in the conference.

(On offensive game plan) Our plan was to throw the ball deep because they have a run-oriented defense. Their safeties and cornerbacks play the run very well. We wanted to call several play-action passes. It's a low-percentage call to throw deep, but we hit the ones that counted.

(On defensive effort) We stepped it up and stiffed them on fourth down conversions. We don't win the game if we don't stop them on fourth down. I wasn't surprised with the last call to go for it. They were playing to win; a tie didn't do them any good. I knew they were going to run. We had a good defensive call and we made the play.
