## COACHES QUOTES

### GEORGIA HEAD COACH VINCE DOOLEY

"First of all, I'm pleased with the win today and with the way the team stayed steady under pressure. We did not get rattled once we got behind 14-0 and I was very pleased with the fact that we were able to keep our composure and get back on track."

"I want to congratulate Virginia on an excellent game plan. They knew we were vulnerable in the secondary and they went right after us. They got some easy touchdowns earlier and also ran the ball well with their big backs."

"In the second half I felt like we got control along the offensive line. We were able to put together some drives and gradually begin to take over. However, to Virginia's credit they came right back down the field and scored. They made the two-point conversion which forced us to have to come back and make a sustained drive. Fortunately, we were equal to the task."

"All in all, what you have is a win. But, there are serious problems on defense with our not being as good as we had hoped."

### VIRGINIA HEAD COACH GEORGE WELSH

"I think we have to get better if we are going to win. It looks like we were a little sluggish to me. We've got to catch up a little bit on the quickness factor. I think they are very good, but that's on the basis of us. They are a lot quicker, they make plays, their quarterback and their tailback make plays."

"Maybe they are a little better than us; maybe more than a little better."

On Lars Tate:

"I thought he was awfully good. I thought what I thought looking at him on tape."

On last drive, first half:

"I thought things were slipping then and I didn't want to give them the ball back. I didn't want to go three passes and punt and give them the ball. I was happy with that situation."

"I don't think we played well. I think we played all right. I don't think we played well on defense in the second half. And then we went too long after 14-0. We didn't even get close; we didn't even get in field goal range."

On Morgan and Greggs:

"I think they played well; I think those two did all right. I'd like to see more rushing yards when we get them into the secondary like that. We can't seem to outrun anybody and break through."
