COACH BO RWIN, F.C. State: "We won, but we looked a lot like a team that had a lot taken out of it last week. We blocked and tackled decently, and since we won, I'll have to be happy.

"I was impressed with Virginia. They don't have as much overall speed as we do, but they played very well. Their kids played darn hard all night. Yes, they do have more speed than they had a year ago.

"Defensively, I felt we played pretty well except for that 77-yard drive of theirs in the third quarter. Billy Ray (Vickers) ran real well for us, and overall the line blocked decently. Virginia ran a simpler defense than we had anticipated, but when you put the ball on the ground as much as we did, well, you're just not going to be consistent. And we certainly weren't tonight.

"We gained some yardage, but I hope we can grow up some in handling the football. We executed pretty well on the outside option, but we didn't get good play from the entire team. It was a conference ~~win~~ win and I've got to feel good about that. I hope it will give us the momentum we need.

"At the end, we weren't trying to run up the score. We had a young quarterback who had never thrown a pass in a game. It was a simple slant, but their corner rushed, so the end had no place to go but straight ~~down~~ down.

"I was very much pleased with our goal line stand. In fact, the defense played pretty well all night."

N.C STATE GAME BALLS were awarded to: DT Tom Prongay; TE Jimmy Stowe and K Jay Sherrill.

COACH DICK BRSTWICK, Virginia: "Our kids gave a great effort. Obviously in the second half they tired. They appeared to be playing a lot of fresh people. We just don't have enough depth on both fronts, to play the quality football we need too. But we will in time.

"Unfortunately, we had to open with State. They have a lot of quality people.

"I think in the the first half when we lost the ball at the eight on the fumble, it took a lot out of us. We had two time outs and could have gone in at the half 7-7.

"They used a different defense--an 8-man front and oversledded a lot--and it gave us some trouble.

"I thought that Bryan (Shumock) handled himself extremely well. We'll get better. For as many ~~times~~ snaps as the defense was on the field I thought they held up remarkably well.

"I think the reason they had more success with the pitch in the second half was because our people were tired and made mental errors. They also have some very good skilled people running it so it was a combination of both.

"I think N.C. State played us extremely well especially on things we did which were new. It was as though they had seen us. They must be an extremely well coached team.

"I'm dissatisfied but we'll be back. Our kids really wanted to win and overall they played extremely hard."

COACH FRED AKERS:

It was a day when the best football team made some breaks early and it just turned out to be more than they could handle. I was pleased with our progress from a week ago. It was obvious we had them outmanned. Their overall youth caused some errors and created opportunities for us that were like gifts. I am proud of our team ... they were alert. It was a good, clean game and I'll say this for Virginia ... they never gave up. Their young men did the best they could.

Our defense has been playing really well. He played as many people as we could and this second shutout by our young defense really impresses me. The defense started things with that punt return. Johnny Johnson is an excellent returner, but he would be the first to credit that defensive front that ran hard and got blocks to set up his run. I was very pleased to see the defense score.

Earl Campbell played barely a quarter and got 156 yards. He could have had much, much more.

Only injury was Tim Campbell, a twisted knee. He says ... "I'll be back for the Rice game."

VIRGINIA COACH DICK BESTWICK:

"The first thing I want to say is that the heat did not bother us.

"Texas has a very good, maybe a great football team. They really improved on the mistakes they made a week ago against Boston College. They executed very well today. Maybe I was lulled somewhat by the mistakes they had made against BC last week and despite beating them 44-0, they made mistakes.

"I really thought we were ready to play a good football game.

"I've been in football a long time and this is the worse licking I've ever taken (25 years).

"But I'll vote right now for Campbell and Shearer as All-Americans.

"For us, I guess anyone who survived, stood out for us.

"There are two solid rules to football and one is blocking and other tackling and we didn't do either. I just don't know whether our kids were awestruck or not.

"I said early last year that playing Texas at this stage of our program was the worst thing that could happen for us. And as it turns out, it certainly was.

"The sun will set tonight and rise tomorrow. We'll get back to working in the morning and try to iron out the mistakes.

"I still think we'll surprise some people this year. We're a better football team than what we showed out there today.

TEXAS DRESSING ROOM QUOTES

MARK McBATH, QB, #17 -- Our offense is really putting it together, and the coaches seem to think we're playing well enough to play as little as we did today. ~~But~~ I think we'll have to play longer to have that experience somewhere down the road.

(Texas' next two games are against ~~Arkansas~~ Rice and Oklahoma.) Against Rice, I think Oklahoma'll be in the backs of our minds, but Rice is no slouch. They're a good ball team.

We've been scoutin' 'em, and they did about what we expected.

MORGAN COPELAND, LB, #38 -- We ~~didn't~~ haven't been doing anything technically different from last year, but we have a bunch of people who've made up their minds that they're not gonna let them (Virginia) move that ball. We've got a lot of enthusiasm, and I think every person on our defense could be classified as aggressive.

BRAD SHEARER, DT, #77 -- The main thing is that everyone is hustling. Coach Parker and coach McWilliams have done a hell of a job working with us. The linebackers are playing very good, too.

You see people cheering for each other: like, Mark (McBath) is cheering for Jon (Aune), and vice versa.

But we've got a lot of games to go and further down the line we'll know how good we are.

MORE TO COME

Texas locker room quotes:

JOHNNIE JOHNSON: The punt returns weren't so much line drive punts or short ones as they were set up by a bunch of people on the punt return people who were running and hitting and working hard. The interception was set up by our zone defense--the pass kind of hung and I was a little slow getting over so that I got there at the same time as the ball. Having shutout our first two opponents was part of our goal; I can't say what the rest of that goal is. But now we have two shutouts and now we start aiming at Rice and working for a third.

~~XXXXXXXXXX~~

STEVE CAMPBELL--~~XXXX~~ This is a really proud day for me because ever since I got here I haven't been able to play for one reason or another. Earl and the rest of the guys really helped ~~me~~ me and it was something I've prayed for for two years. Run like Earl? Are you ~~xxxx~~ kidding?

RUDY IZZARD-- I really have ~~en~~ pointed toward a game like this because I wanted to help out the team. I don't worry about not starting for a team which has Johnnie Johnson at safety. He is such a fine player that I spend all my time working to make sure that when he's out of there and I'm in there's no discernible dropoff in ability.

RUSSELL ERXLEBEN--I have never had a punt blocked in my life so when it happened I didn't know what ~~to~~ to do. I was trying to figure out if I could advance it or what and it was a really wierd ~~to~~ feeling. I think the block was my fault because I ~~kind~~ off took my time on the thing.

END OF THE GAME

Clemson 31

Virginia 0

Coach Dick Bestwick:

"It was an example of an inexperienced football team of giving the ball up and you just can't do that against a good team.

"I thought we were going to play well today. We broke down in the secondary which we haven't done all year. And they were individual breakdowns, just like they have been all year.

"Clemson is a well coached team and very aggressive defensively and they have some excellent skilled performers. I really looked for them to be in the top 20 last week.

"I guess we're just too young." (35 of 55 on travel squad are sophs and freshmen)

Coach Charley Pell:

This was a big win for us, but I would like to commend Coach Dick Bestwick and his Virginia football team because they played in that second half just like we thought they would and feared they would. They're scrappy and they came after us. They're a very determined group and those young players are going to give Virginia a good football team before long.

I'm very proud of our football team again -- they did what they were supposed to do -- they performed well -- they ~~responded~~ responded very well.

The seniors won at homecoming -- it was our first win at home this year and it was our first Atlantic Coast Conference win. Those three things made it a great day for us.

I'm very pleased at ~~the~~ the way Steve Fuller performed again today and I think he is continuing to erase any doubt people might have had about his passing. One highlight was when we came back to score after a silly penalty on that first touchdown.

We passed more because Virginia ran more 8-man front than we thought they would, so we tried to take advantage of the three-man secondary.

The rain didn't force us to change our game plan. I thought we played ~~8~~ 45 minutes of great football. and I believe our defense had one of the best game plans yet.

Virginia Head Coach Dick Bestwick:

"We lost one we shouldn't have. We had 2 or three chances to win it. We got down there 3 times and only came away with 3 points. You can't do that and expect to win.

"On that interception in the endzone, Mark had two men open, but just didn't get the pass away quick enough. On the one where we wound up getting the field, Mark just overthrew his open man in the endzone."

"This was great effort against a team that did very well against Penn State and Pittsburgh. Our defensive efforts down at the goalline were just plain courage."

"The injuries really affected us, and we had several inexperienced players in there on top of the already young ones out there. We just made several crucial mistakes, and often it was the young people making them."

"Our young players are improving, and we'll be a much better team next year. For our players who were in the game two years ago against Syracuse, they told me that this was a real reformation for them after that previous humiliation."

"We defended well against the things Hurley ~~did~~ does well. There wasn't anything special we were doing on defense, but we did expect them to continue doing the things they had been doing down at the goal and we were ready for them. That Hurley is a good one, but the real difference in the game today was Monk, because he came up with big third plays when they needed them."

Syracuse Coach Frank Maloney:

I was pleased with our defense. Anytime you hold anyone to three points you have to be happy.

After what we have been through the past three weeks, any win is a great one as far as I am concerned.

Concerning the fourth down attempt early in game instead of going for field goal--"It was early and if you are going to gamble that is the time to do it. We thought we could make it, that's all.

We were flat all week and I was worried coming into the game. We didn't play with much emotion.

We moved the ball on the ground very well but we screwed up when we got down close. We'll have to play better next week. Navy is a good team.

I thought Warren Harvey played very well. When he intercepted, I thought he might go all the way. Those were pretty nice kickoff returns, too.

OG Glenn Williams dressed but we did not play to use him. He'll be ready this week and we really need him.

Injuries--RB Bob Avery has knee sprain while center Paul Colvin has a bruised calf and shoulder. These appear to be the two most serious injuries at this stage.
