COACH BO RWIN, F.C. State: "We won, but we looked a lot like a team that had a lot taken out of it last week. We blocked and tackled decently, and since we won, I'll have to be happy.

"I was impressed with Virginia. They don't have as much overall speed as we do, but they played very well. Their kids played darn hard all night. Yes, they do have more speed than they had a year ago.

"Defensively, I felt we played pretty well except for that 77-yard drive of theirs in the third quarter. Billy Ray (Vickers) ran real well for us, and overall the line blocked decently. Virginia ran a simpler defense than we had anticipated, but when you put the ball on the ground as much as we did, well, you're just not going to be consistent. And we certainly weren't tonight.

"We gained some yardage, but I hope we can grow up some in handling the football. We executed pretty well on the outside option, but we didn't get good play from the entire team. It was a conference ~~win~~ win and I've got to feel good about that. I hope it will give us the momentum we need.

"At the end, we weren't trying to run up the score. We had a young quarterback who had never thrown a pass in a game. It was a simple slant, but their corner rushed, so the end had no place to go but straight ~~down~~ down.

"I was very much pleased with our goal line stand. In fact, the defense played pretty well all night."

N.C STATE GAME BALLS were awarded to: DT Tom Prongay; TE Jimmy Stowe and K Jay Sherrill.

COACH DICK BESTWICK, Virginia: "Our kids gave a great effort. Obviously in the second half they tired. They appeared to be playing a lot of fresh people. We just don't have enough depth on both fronts, to play the quality football we need too. But we will in time.

"Unfortunately, we had to open with State. They have a lot of quality people.

"I think in the the first half when we lost the ball at the eight on the fumble, it took a lot out of us. We had two time outs and could have gone in at the half 7-7.

"They used a different defense--an 8-man front and oversledded a lot--and it gave us some trouble.

"I thought that Bryan (Shumock) handled himself extremely well. We'll get better. For as many ~~times~~ snaps as the defense was on the field I thought they held up remarkably well.

"I think the reason they had more success with the pitch in the second half was because our people were tired and made mental errors. They also have some very good skilled people running it so it was a combination of both.

"I think N.C. State played us extremely well especially on things we did which were new. It was as though they had seen us. They must be an extremely well coached team.

"I'm dissatisfied but we'll be back. Our kids really wanted to win and overall they played extremely hard."
