VIRGINIA COACH GEORGE WELSH

We played better defense in the second half. In the first half, I was concerned about our defense. Clemson got a lot of 5 and 6-yard runs, and we were trying to defend against some things we hadn't seen. We spent a lot of time on the option and they didn't run that very much. But the wishbone and bootlegs surprised me.

I'm glad we won, and I'm glad it's over. It was a long build up. We've been ~~not~~ hearing about this since the summer. I'm happy for the team. The best part may be that we won't have to hear about it anymore until next year.

We played hard the whole game, maybe for the first time against Clemson since I've been here. We didn't have any letups, except maybe on that touchdown run. But we kept the pressure on and we didn't let up.

There were a lot of big plays. Jason Wallace's punt return if you've got to pick one. But Kirby's four-yard touchdown run on that sweep was a big play. You can't keep kicking field goals.

There was a lot of emotion, but it wasn't a pretty game. The execution wasn't very good. But it was a helluva game.

CLEMSON COACH KEN HATFIELD

"I congratulate Coach Welsh and the Virginia team. They had a very good gameplan and they executed very well. We just could not force a win on defense and in general it was a defensive fight.

"The punt return was the big play of the game. That changed it from a six-point game. Also, their drive at the beginning of the third quarter was a key to the game. They just played a solid football game.

"We had a solid drive for touchdown early, but had trouble executing after that. There were chances, the dropped pass in the endzone near the end of game, could have changed things, or made it more interesting. We just could not break a long play offensively.

"Everyone is entitled to an opinion and I am sure there will be some criticism from the fans. Some people will have things to say. But we made a commitment for the entire season. This is just one game. We are going to review what happened and do better...go from here. I think we have a great group of seniors who want to have an excellent season.

"This team has the ability, we just did not perform up to our capabilities. We did not execute at the critical times."

Virginia Notes

- Today's win over Clemson marks the first time that UVa has defeated a top-10 team under George Welsh. Clemson was ranked 9th in the country this week by the Associated Press.
- Virginia's defense has sparked the team's last three wins over top-20 teams. Last year, UVa held 12th-ranked Penn State to six points and 18th-ranked North Carolina State nine points.
- Shawn Moore set a school record for most consecutive passes without an interception. Moore has not been picked off in his last 113 attempts. The school record was 110 by Wayne Schucts in 1983.
- Moore also topped the 1,000-yard rushing mark for his career. Moore has 1,030 career rushing yards.
- Herman Moore has now caught a touchdown pass in nine of his last 10 games.
- Jake McInerney has converted 18 of his last 19 field goal attempts.

- Clemson's seven points today was the fewest they have scored against Virginia since the second game of the series (7-0 Clemson win in 1956).
- Shawn Moore has guided Virginia to 11 consecutive wins in ACC play.
- The Cavaliers have woneight consecutive regular season games and 17 of their last 19.
- UVa has won nine consecutive games at Scott Stadium, the longest current home winning streak in the ACC. The Cavaliers have won 16 of their last 18 home games.

COACHES QUOTES: NAVY AT VIRGINIA SCOTT STADIUM CHARLOTTESVILLE SEPT. 15, 1990

VIRGINIA COACH GEORGE WELSH

Navy has to execute better to win. They did pretty well against the run in the first half, but they gave away too much in the secondary. Some of our wide receivers were bigger than their linebackers. But we didn't knock them off the ball.

I thought our defense executed pretty well early in the game.

We needed the pass early. We were struggling with the running game. I'm not sure we had the right running schemes in for that defense. That's something we'll have to take a look at this week.

I was concerned in practice this week. We weren't good until Thursday. I got mad at them on Wednesday. We were sluggish, dull. But on Thursday we got excited. We were jumping around, got some interceptions on defense.

We're playing Duke, we're back in the ~~CAA~~ conference. That should be enough (to get Virginia ready). Enough has been said between us and Duke that we'd better show up.

NAVY COACH GEORGE CHAUMP

I expected a major upset or getting sent home with a big defeat. We felt coming in they had a goof ball club. They took us out of our game plan early. Their offensive line was too big for us. We couldn't get to their quarterback.

I thought we did a good job stopping the run early on, but when we forced a third down and long, the quarterback had all day to throw. We didn't have the athletes to stay with them. If we blitz we wouldn't have been able to cover their receivers. So we tried to put pressure on the quarterback without the blitz.

The score is what I felt it could be. This kind of thing happens to everyone. They (Virginia) had a bad opener last year and rebounded to beat Penn State. We'll learn from this. We'll play harder and work harder. The character of this team will surface. It's a long season and we have some tough games ahead.

NAVY NOTES

*Jerry Dawson's eight total returns (six kickoff returns) ties a school record set by Napoleon McCallum in 1982 and Pete Williams in 1946. He had 140 total yards on returns.

*The 42-point defeat was the largest since 1988, when Pitt defeated Navy, 52-6.

*Alton Grizzard is now third on the all-time total offense list at Navy, passing Roger Staubach and Napoleon McCallum. He's five yards behind second-place Bill Byrne. Grizzard has 4,393 yards in total offense.

*Grizzard's 44 passing attempts is a career high, eclipsing his 32 attempts he set last week versus Richmond. The 44 attempts is also the most in a game for Navy since Bill Byrne threw a school-record 54 times versus Syracuse in 1986.

Duke vs. Virginia
Coaches Quotes

DUKE HEAD COACH BARRY WILSON

"They were good as they were billed. We certainly didn't do a great deal to offset it. You can't give a top 10 football team the ball seven times and expect to beat them but I don't take my hat off to them."

"I was very disappointed with the fumbles, turnovers in general. We apparently were not strong enough defensively to offset that or Virginia was too good offensively to put back on the field that frequently."

"The game was virtually lost in the first half. They're too good to come back on from that big a deficit."

"I was proud of a lot of our players who played with some injuries. We had to have everything going right for us and we didn't get that."

"I don't know if they are better than I thought. They certainly played well today. We had high regard for them coming into the game. So it's not like we're suprised that they are good."

"I had hoped that we would perform better offensively to offset some of their offensive talents and some of their offensive weapons."

"We moved the ball pretty well in the first half, yet we kept dropping it on the ground."

VIRGINIA COACH GEORGE WELSH

That's the best offensive team we've played this year, and they executed well. I've been saying that teams haven't executed against us. William and Mary did and it showed. That's a lot of yards.

It might be good for our team to be in a game like this, where ~~we~~ it was close and we had to suck it up. We played pretty well in the third quarter. And our offensive execution was better in the second half.

William and Mary didn't turn the ball over for a long time, they're a good pass protecting team, and they have backs that could play for anybody in the ACC.

(On throwing the ball on first drive after ~~xxxx~~ moving the ball easily down the ~~xxx~~ field on the ground) We ran at will last year and only scored 24 points. We felt we had to throw the ball to score points.

They took a lot of gambles on defense and if you break into the secondary there's nobody back. Then we ~~xxx~~ broke a few tackles.

~~On~~ (On defensive play in third quarter) I think the defense was upset and I was upset with them. Twenty-one points in the first half is a lot of points. But we had a better pass rush in the ~~xxxxxxx~~ third quarter. We put pressure on Hake and we tipped a pass. We played when we had to play. You're going to have games like that. I just hope we don't have another one.

W&M Coach Jimmie Laycock

Obviously we didn't play very well on defense. We made some mistakes and against a team as good as they are, those mistakes are magnified ... we never really did stop them.

Our kids were upbeat (at halftime). We played very well in the first half (on offense)

(On the on-side kick): We were hoping to get something going. (It looked like) they were going to return it (for a lot of yardage) anyway, so we ~~did~~ decided to take a chance.

In the second half, the big thing (that hurt us) was the deflected pass.

We scored more points than anyone else did against them combined, so I'm happy with that.

N. C. State Coach Dick Sheridan: "This defeat is difficult to take because Virginia beat us just about every way you can beat a football team. This is very disappointing. We have not been manhandled like this in a while." Of course, Virginia is probably the best football team we have faced since coming to State. Hopefully we are a better football team that we showed today.

"To be in this game we needed to be perfect and obviously we weren't. Certainly you have to give Virginia credit. They didn't do anything we hadn't seen on film. They just blocked us up front and ran it up the middle. Then they hit the big pass plays.

"We had no quitters out there today. We just have to go out and work hard, watch the films and see where we have to get better. These boys want to win very badly. We just haven't molded them into the kind of team we've wanted. What made this game so tough was the Virginia was so much better than we were."

VIRGINIA COACH GEORGE WELSH

There wasn't much I didn't like today. Maybe the roughing the kicker. And the pass protection broke down a couple times. We missed some blocks.

That's the best defense in pressure situations we've played. That's what they do best. They put pressure on you and get some losses. We blocked them ~~as~~ well in the first half. They did better in the second half. They changed some things at halftime and we didn't pick them up.

Their history is that they try to stop you with their standard defense first and if that doesn't work, they come after you. I think that's what happened today.

They played us a lot of man to man, ~~which~~ which we expected, and some two-deep zone to keep us from going deep. That's smart. They did well in their zone. If we had men open, there weren't very many.

(On Slade) I don't think we've ~~we~~ ever had anybody do that (sack total). That's what he's in there for. It helps that they had to pass. Down 24-0 at the start of the fourth quarter, you don't have to worry about the draw. He just beat people one-on-one.

(On Shawn Moore's play) I thought he did pretty well. When he wasn't throwing the ball well, he was running it. He made some smart plays and he made some big plays.

GEORGIA TECH POST-GAME QUOTES AND NOTES

"I told our kids that this was a special game. I gave my Dad the game ball (Leonard 'Bus' Ross, who lives in Williamsburg, Va.).

"We felt we could move the ball. I didn't know if we could stop them, but I felt we could move the ball. That was the key to it. We did a super job there.

"We were having a lot of trouble on the sideline with our phone system. It kept going out on us. It was out a lot of the game. We were having tremendous communication problems on the sidelines. But we were able to keep our cool and our poise and get the right calls in.

"We're going to relax tomorrow. I'm going to give them off tomorrow. We have to get ready for a very tough Virginia Tech football team next week (7 p.m., in Atlanta Nov. 10). Frankie Beamer is one of my best friends. And he has done an outstanding job. I hate to have to play them, but we've got to play them.

"We just kept thinking we could win (when Tech was down 13-0), and our kids just never stopped believing that we could.

"Later on we just went to more zone. I don't think we stopped him (Herman Moore). I don't think we ever stopped him. They hit us on a couple of deep ones. We were in a zone, but we didn't play it well sometimes. Ken Swilling was obviously very rusty. He hadn't practiced much. At the same time, we just didn't play the long ball well. But we hung on and we won. That's the bottom line.

"We just wanted to keep a constant mix. We wanted to get a lot of running in, and a lot of throwing in. We wanted to get all cylinders working and not turn the ball over. We wanted to move the ball every series and we did that. We wanted at least one first down or two, just so we wouldn't give them the ball.

"We got a great job of play-calling by our offensive coordinator, Ralph Friedgen. We got a super job by Shawn (Jones). Our Shawn is a great quarterback, too.

NOTES: Georgia Tech is now 14-1-1 in its last 15 games, dating back to the Maryland game the fourth week of the 1989 season...Tech is now 2-6-1 against teams ranked No. 1 in the AP poll on the week the game was played...The other victory was a 7-6 decision over Alabama in 1962...This was Tech's first victory over Virginia since a 29-14 decision here in 1986...Scott Sisson kicked five extra points to extend his streak without a miss to 60 (30 for 30 this season, 30 for 30 in 1989) to tie a Tech record set by Ron Rice over the 1980-83 seasons...Jerry Gilchrist's two touchdowns in the game were the first of his career...Calvin Tiggler's interception was the first of his career...Tech's 7-0-1 record remains its best start since the 1966 team had a 9-0 getaway in Bobby Dodd's final season as the Tech head coach... Tech is now unbeaten in its last 2 games, dating back to last season's 30-19 loss to Duke.

COACHES' QUOTES---Virginia coach GEORGE WELSH

November 3, 1990

We made too many mistakes on offense. A fumble, an interception. Then we fouled up on the goal line. I don't think we played very well at all on defense in the second half. We never really did stop them.

(On illegal procedure penalty that nullified the Shawn Moore-to-Aaron Mundy touchdown pass that would have put Virginia ahead) We only had 10 men in the game. That's okay if you have seven on the line of scrimmage but we didn't. We wanted to have two tight ends in the game, but we only had one. We saw it when they came out of the huddle, but we couldn't get a timeout.

(On going for the field goal to tie instead of a touchdown) I would never do it different. Fourth and six goal from the six--What are your chances of making that? Not as good as a two-point play. There were two and a half minutes left. That's still enough time. We had three timeouts left. You stop 'em once, make 'em throw it into the ground, get a holding penalty. Everything's in our favor.

(On the loss) I think it's hard for them to take right now. But we have to play next week. I never went in for the rankings and that game of the century stuff. We can still have a good season. We have to bounce back and play well next week. ... It's one of the most difficult losses (for Welsh) because of the way we lost it. Two crucial errors on the goal line.

GEORGIA TECH PLAYER QUOTES

Jerry Gilchrist: "I never thought I'd be in this situation. Just to be able to contribute in a key situation, I never thought it would happen. I'm just glad we came through. We knew we could score points too. We knew they couldn't stop us. We knew if we kept our defense would come through in the end. We stopped them when we needed to and they couldn't stop us. It was a character thing."

Ken Swilling: "(On Va going for field goal) It didn't surprise me because we were really playing tough defense on ~~the~~ the goal line on that series. I think we could have stopped them if they went for it on fourth down."

"They beat us the same way in '88. Everytime we've played them it's been a close game."

Scott Sisson: "I was trying not to think about it. I knew they were going to call some timeouts. I didn't want to stay on the field and let them freeze me so I tried to go over and talk to the guys in the huddle and I went over and talked to Coach Ross and Coach Watson. I tried not to get uptight and I tried not think about it. I wasn't like this cool going in there but I feel a lot better coming out.

(First game winning FG?) "I had a couple in High school and one last year against Boston College, but nothing that compares to this."

"It wasn't a long kick, about 37-38 yards, but pressure can get to you and ~~make~~ you can miss and extra point."

~~Sh~~ Darryl Jenkins: "He (Shawn Jones) has poise all the time and he gets us out of tough situations. He showed today that he can lead this team to win. He ~~is~~ definitely took over the game and made the plays."

Calvin Tiggie: "(on pass knocked down in endzone) I had the weak guy, and I just rolled underneath him Our defensive line did a good job of rushing Shawn Moore and I was there to knock it down."

Shawn Jones: "Shawn Moore played a great game. He kept them in the ballgame. It was almost like a track race. I said all week it was going to be like this. I give credit to our line and our backs and receivers. They really played well.

"I just wanted to keep scoring. They kept scoring, so we had to keep scoring."

(Surprised Virginia went for FG?) "I knew if they didn't make it the game was over right then. ."

(On pass to Greg Lester) "We ran a read on the linebackers. The linebacker ran out and came back in and I threw the ball right underneath him."

"I think I played well. I think I played well when we had to have it. I said all week it was going to be a track race. They've got Shawn Moore and Herman Moore and those are two great players."

Virginia Notes

- Shawn Moore set a Virginia single game record for most passing yards with 344. The record was held by Scott Secules with 328 vs. N. Carolina in 1987.
- Moore's 376 total yards were the second most of his career. His three rushing touchdowns today were a career high.
- Herman Moore had 9 catches for 234 yards, the second highest single game total in UVa history. The most was 241 by Ken Shelton vs William and Mary in 1974.
- Moore has caught a touchdown pass in 10 consecutive games and 15 of his last 16.
- H. Moore now has 11 touchdown catches this season, breaking his own school mark of 10 set last season.
- Terry Kirby rushed for over 100 yards for the fifth consecutive game, tying a school record set by Barry Word in 1985. Kirby had 104 yards today.
- UVa broke the ACC season scoring mark of 365 set by North Carolina State in 1973. Virginia has 378 points this season with three games remaining.
- Shawn Moore broke his own single season passing touchdown record with his 19th of the season today. He threw for 18 last year.

Quotes from Herman Moore:

"This loss doesn't end our season. We still have a few games left but it hurts a lot. We've got to bounce back next week.

"We did well. We had two turnovers and didn't hold on our last defensive stand. Those were the key points to the game."

"Personally I wanted to go head and go for it (on McInerney's final FG). I have that confidence in our offense."

"You have to give credit to their offense but also look at us and say Virginia made a lot of key mistakes."

PRE-GAME FIRE AT SCOTT STADIUM

CHARLOTTESVILLE, Va., Nov. 3--An early morning fire at the University of Virginia's Scott Stadium caused extensive damage to the playing field, but was not expected to delay the start of the U.Va.-Georgia Tech game this afternoon, according to University officials.

The fire, which was discovered about 3 a.m. by a U.Va. police officer on duty at the stadium, destroyed an 18- by 32-foot section of Astroturf at midfield. University police and Charlottesville firefighters extinguished the blaze, which is estimated to have caused \$50,000 to \$60,000 damage.

Athletic department grounds crew members began to repair the field before dawn, cutting away the burned section and replacing it with Astroturf and padding left over from the resurfacing of the field two years ago, said associate athletics director James O. West. Repairs were expected to be complete by mid-morning, several hours before the scheduled 2:28 p.m. kickoff.

"Our main concern in making the repairs was not just playing the game, it was the safety of the athletes," said U.Va. Athletics Director W. James Copeland. He said coaches George Welsh and Bobby Ross will inspect the repaired area later this morning.

U.Va. Police Chief Michael Sheffield said a state arson specialist and Charlottesville police officers at the scene will be assisting his department with the investigation.

COACHES' QUOTES: MARYLAND AT VIRGINIA

CHARLOTTESVILLE

NOV. 17, 1990

VIRGINIA COACH GEORGE WELSH:

(On fourth down attempt from Maryland 2 with 1:47 left) It was a flood pass, a sprint with three wide receivers. We do one thing if they play zone, another if it's man-to-man. I'm not sure what defense they were in.

(On Shawn Moore's injury) Moore ~~hurt~~ hurt his thumb on ~~that~~ that last play. It's a possible dislocation of the thumb on his throwing hand. I think Doc (McCue) has decided on surgery, but we'll have to wait to see what the X-rays show. I don't think he'll be ready to play next week.

(On few catches by Herman Moore) There was no reluctance to throw to him. He was the first receiver a lot. On some of the long passes, I think Shawn didn't want to throw against the win. On the short ones, I'm not sure why he didn't throw it to him. There wasn't anything wrong with Herman. If anything, he's better this week than last week.

We have not been a good second half team for the last three weeks. I think that's obvious. We only scored 10 points in the second half against Georgia Tech, we got down close and didn't score, and we got close and didn't score today. The defense is giving up too much in the second half. I don't know what's wrong.

There was a lot of talk about ~~a~~ New Orleans during the week, and that's not good. But that usually affects you early in the game. We came out mentally prepared to play well early, I thought.

Our four-man rush didn't get close to him (Zolak). I think that extra half-second made a difference.

The long yardage situation hurt us. We should have the advantage there, but I guess we're not playing it right.

Maryland Head Coach Joe Krivak:

"It's a great win because we beat a nationally ranked team. We're very proud of the way our kids played. Virginia is a great football team. I think that George has done a great job football program. It's really a big win for us, no two ways about it.

"(about Jason Wallaces punt return for a touchdown) We felt we were back in the game and all of a sudden they just turned it right around.

(about the fake punt) "We saw an opportunity with their punt return, they had some guys leaving early. That was important to us because it kept the drive going and allowed us to go down and score and tie the game.

After battling back from two touchdowns down our kids had been playing hard and now they really got jacked up to where we really felt we could win.

You can't let that offense intimidate you and if we got down a couple of scores that we just had to continue to play because if you don't they just run away from you. They're probably as explosive of an offense as anyone in the country.

Our situation was to try to take the big play out of the game, keep everything underneath us, react to it because the further they get down the field would shrink. But the thing we didn't want to do was give up the 60 or 70 yard play/

I think Hermann (Moore) is a great wide receiver. If there's a better one in the country I don't know where he is."
