Virginia vs. Richmond

Sept. 4, 2010

Mike London Quotes

On the game:

“It was really important to come out and be representative of a team that is trying to improve. We’re trying to show that we have improved academically, we have improved socially and we wanted to show that we could take one quarter at a time and play a game where we don’t self destruct but rather score points and play defense. That’s the improvement we’re looking for. There are things we did well and some things we need to keep working on. Our goal for the season is to improve each time we play.”

On the play of QB Marc Verica:

“He did a good job. He was able to throw the ball deep to some of our wide receivers and they did a good job catching the ball. He didn’t try to win the game by doing something heroic. He stayed within himself and threw high percentage completions and moved the chains. If he continues to do that, he’ll continue to help us.”

On RB Keith Payne:

“He’s a downhill runner. He’s a big guy who is hard to tackle. He complements a different version of our running game. We started running off tackle, downhill plays and we tried to use Keith then and a couple times he carried the whole pile. This was a game where we could use his skills.”

On a run-oriented second half:

“We could see that they were kind of wearing out just a little and we had to take advantage of coming off the ball and trying to establish a run game that would eat up the clock.”

On playing the University Richmond:

“I graduated from there. I spent a lot of years there as a coach and as a player but we’re playing for (UVa) President Sullivan and the Charlottesville community now and that’s what is most important. But that’s a team that has won championships with all-star caliber players. I’m pleased that we were able to play an elite team and win the game.”

Richmond Head Coach Latrell Scott Quotes

Opening statement:

“Well, we got through the Virginia game. It’s something we have been talking about for a long time. Now we just need to get ready for Elon in two weeks.”

On how the team played:

“We’re learning. I thought we rushed the ball fairly well in the first half. We made some plays on defense. The defense played well. I think Virginia started to wear us down a little bit in the second half but we were still in the game. Things happen and we’ll be back.”

On quarterback Aaron Corp’s play:

“I thought he played well. He’s what we thought he was. He is savvy. He’s a leader. He made plays with his feet. I think once we get all of his tools back, we’ll be fine. We were missing two starters tonight and when they get back he’ll have one more guy to protect him and one more guy to throw to.”

On Virginia’s running game and Keith Payne:

“Keith is big and they wore us down and Keith just kept on churning. I would say that they hit us with a couple different backs but he was really the difference maker.”

On his feelings coming into Virginia:

“I don’t think this game was any different. I mean, we’ve all coached in games before, this time was just a little different. I leaned on my staff just as I have all preseason and there was no reason to be nervous. I feel like we managed the game well when we got into different situations. We’ll take a look at the tape and see.”

Virginia Player Quotes

Senior quarterback Marc Verica

On the long wait:

“I felt pretty good out there, the offensive line was doing such a nice job. The running backs were hitting the holes and the receivers were getting open and making plays when they had to. So as long as all of those things combine it definitely makes my job a lot easier.”

On being comfortable:

“When everything is firing on all cylinders like that and the whole operation is going smoothly and everyone is doing their job, it makes my job much easier so I can settle in and keep the offense going. They did a nice job.”

On how another year of game action benefitted:

“Having played before that is definitely to my benefit, that previous game experience, because you can’t really replicate that in practice. So I think that helped tonight.”

Senior running back Keith Payne

On reason for career day:

“The offensive line was phenomenal. I was just following behind the offensive line. The offensive line played really well today.”

Junior wide receiver Kris Burd

On victory:

“It feels good for everyone. We’re working hard and it’s paying off. The offense—we did a great job today. We executed the plays well. Marc did a great job of keeping everybody calm. It seemed like everything clicked.”

Junior defensive lineman Nick Jenkins

On season-opening win:

“Everybody out there was anxious to play today. Things went well, but we have to get back to work this week and get ready for USC. Hats off to the offense.”

Virginia Player Quotes

Senior safety Trey Womack

On winning the season opener:

“We have been waiting for this a long time, and it is just awesome. We have been working really hard in camp, and the way we play and practice is paying off. But we are not satisfied and we will continue to raise our level every week.”

On the crowd’s reaction to the win:

“It was an awesome experience. It has not been that loud in this stadium in a long time. The noise, excitement, and energy they brought is something we need to have every week. We love that.”

On winning Coach London’s first game:

“We have not won our first game for a long time, and we have worked really hard for this. We have been practicing with Coach London since February for this moment. But like I said, this is not over and we will continue to raise our level of play.”

Junior corner Chase Minnifield

On his long interception play:

“It feels good because it was such a big goal to win this first game. The seniors have not won a season opener since they have been here, so to make a big play for my teammates feels great.”

On winning the season opener:

“We told everyone that this was a huge game for us and it would define our season. “

On the crowd’s reaction to the win:

“It felt good. We knew we had to protect this house, and the fan base is back on board. We are going to give everything we have to protect Scott Stadium.”

On coming together as a team:

“We have practiced really hard since the spring, and we are gaining trust in each other and ourselves. We have a chip on our shoulders, and we are ready to play.”

Virginia vs. Richmond

Richmond Player Quotes

Junior quarterback Aaron Corp

On strong start to the second half:

“We came out on the first drive of the second half and I thought it was a pretty good drive. We got three points out of it. After that, we just couldn’t seem to get a drive sustained consistently. I think that hurt us, and it hurt the defense because they were out there a long time.”

On fourth quarter interception by Cavalier Chase Minnifield:

“It was a momentum killer. When I let it go, I thought there was some contact, but obviously that’s not my call. Obviously, I was frustrated.”

Senior defensive lineman Martin Parker

On difficulty stopping the run:

“It was give-and-take all game. We came out there with a game plan to stop the run—sometimes we stopped it, sometimes we didn’t. We just have things to fix as a team as a whole. We can’t be sad about what happened out there today. We learn from what we do, and we come back in two weeks and face Elon.”

On Virginia’s physical offensive line:

“As a defensive lineman, you go into a game and you know your technique and you know how to play blocking schemes. We faced offensive lines as big as that in the ’08 national championship. Montana’s line was as big or bigger than Virginia. We’ll never use that as an excuse. That’s why we stay in Richmond the entire summer — to weightlift and to work out to be stronger and to be better.”

On fact that team’s last loss to Virginia came during its 2008 national championship season:

“We’ve just got to take it one game at a time. That year, we lost and we took it one game at a time, and we ended up winning the national championship game. Right now, we’re going to prepare for Elon and go out there and try to win that game.”

- London became the first UVa coach to win his debut UVa game since the Bill Elias-led Cavaliers defeated William and Mary 21-6 in 1961. London snapped a streak of six-straight first-year UVa head coaches losing their first games at the University.
- London's career record as a head coach improved to 25-5
- Virginia improved to 26-2-2 in the all-time series with Richmond and won its seventh-consecutive contest vs. the Spiders.
- Virginia snapped Richmond's streak of 12-consecutive road victories – FCS's longest streak and second-longest in the NCAA (Boise State's 13 is NCAA's best).
- Virginia's 34 points were the most in a season-opener since 2004 when UVa won 44-14 at Temple in its first game of the season.
- Virginia players seeing their first game action were: Chris Broadnax, Jacob Hodges, Morgan Moses, Brian Oden, Jake Snyder and Rijo Walker.
- Rijo Walker and Morgan Moses becomes the first true freshman to see game action in 2010. Last season, a total of 14 true freshmen played for the Cavaliers.
- First time starters for the Cavaliers were: Devin Wallace, Trey Womack, LaRoy Reynolds, Ausar Walcott.
- Virginia TB Keith Payne rushed for 114 yards and four touchdowns vs. Richmond. It was the most rushing yards by a Virginia player since Cedric Peerman rushed for 118 yards against Georgia Tech in 2008. It was a single-game career high for Payne (previous high was 70 yards against Middle Tennessee State in 2007).
- Payne scored his first touchdown since Nov. 10, 2007 against Miami in the Hurricanes final game at the Orange Bowl.
- Payne became the first Cavalier to rush for four touchdowns in a game since Mikell Simpson did it against Indiana in 2009.
- Marc Verica had a career-high 283 passing yards and registered his seventh 200+ yard passing game of his career (his previous high was 279 at Wake Forest in 2008).
- Verica's touchdown pass to Kris Burd in the second quarter was his first touchdown since the Wake Forest game in 2008.
- Virginia TB Perry Jones had a career-long 38-yard rush in the first quarter. His previous long was three yards. It was the longest rush by a Cavalier since Vic Hall (40 yards vs. Virginia Tech in 2008). Jones finished with 73 yards.
- Kris Burd's 51-yard reception in the fourth quarter was longest of Burd's career and tied the longest completion for Verica.
- Burd finished with with 122 yards receiving. The last time a Virginia player had a 100-yard receiving game was Kevin Ogletree (100 yards even) vs. Maryland in 2008.
- Burd and Dontrelle Inman set new career highs with 7 receptions (previous high for Inman was three vs. Boston College in 2009), also more than any player for Virginia had in a single-game in 2009 (Simpson, Burd and Hall had six catches during a single game).
- First field goal attempt of Chris Hinkebein's career (51 yard attempt no good in the second quarter).
- Longest FG attempt of Robert Randolph's career (50 yards in the second quarter).
- Chase Minnifield's fourth-quarter 65-yard interception return is the seventh-longest interception return in school history.
- Former UVa standout and current New York Giant Clint Sintim was in attendance.
- Virginia's uniform combination was orange jerseys and blue pants

Richmond Notes

- Richmond FB Kendall Gaskins 70-yard rush (his career long) in the first quarter was the longest rush against Virginia since Graig Cooper of Miami in 2009 (also 70 yards).

- The 70-yard TD rush by Gaskins was the the Spiders' longest rush since QB Eric Ward ran 74 yards for a TD versus Elon in the 2009 NCAA First Round.
- Gaskins previous career long rush was 10 yards.
- Gaskins finished with a team-high 89 yards rushing on eight carries (one touchdown).
- Richmond gained 131 yards off of kick-off returns compared to Virginia's 67 yards. On punt returns, Richmond had 39 yards compared to UVA's two.
- Nick Hicks' punt of the 63 yards was the longest of his career – and was longer than any Richmond punt last season.
- Richmond trailed 14-10 at the half, marking just the 11th time since the start of the 2007 season the Spiders were behind at the half. Richmond is 25-2 in that span when leading at the break, 4-6 when down and 2-0 when tied.
- Senior CB Justin Rogers saw action on the offensive side of the ball for the first time since 2007. He is a three-time All-America pick and on the preseason watch list for the Buck Buchanan Award (FCS best defensive player).
- In the modern era of Richmond Football (since 1948), first-year head coaches are now 6-4 in their debut on the Spiders' sidelines. That includes Mike London -- who beat Elon, 28-10, in 2008 -- and Jim Reid, who took down VMI, 51-28, in 1995. Both London and Reid were on the opposite sideline Saturday as Latrell Scott made his debut at Richmond.
- The era of starting QB Aaron Corp also began Saturday, and the junior transfer from USC was 18-for-32 passing with 183 yards. He takes over following the graduation of four-year starter Eric Ward, who was 41-12 in his Richmond career.
- Richmond owned a nearly three-minute advantage in time of possession (31:22 to 28:38). The Spiders have trailed in TOP just seven times since 2007 (and did not trail in a game all last season).

Virginia Quotes

Virginia Head Coach Mike London "I'm proud of our guys and their effort. To come here, travel and play and go toe-to-toe with these guys is great. We had a turnover in the red zone and had chances to score. We missed two field goals. Could have, should have, would have.

"It was a tremendous effort by the guys in the locker. No one gave us a chance. We played a good game but we need to get some things in order."

(On the penalized fake punt) "I was told they blew the call (after halftime), by the guy who made the call and the referee. It's a shame, a crying shame. It happens some times in games. You get good calls and calls go against you."

(On QB Marc Verica) "He could have made some better decisions but the ones he made and how he drove the team, it showed the maturity of a player who has been in games. He made some ill-advised throws but directed the team well and made good throws. I'm proud of his efforts.

"Our defense played excellent. They were running around, played some bump coverage and they threw deep a couple times. We tried to put pressure on Barkley and their ground game. The coaches did a great job to come up with a game plan to take it into the fourth quarter.

Virginia QB Marc Verica (On his interception in the end zone) "I knew it was a stupid play. I know exactly what I have to do on every single play. You can't let one play rattle you. It was a costly decision but you have to put it behind you."

"We sent a message tonight. It's a new team and we are not who we used to be. We can play with anyone. It hurts a lot but we definitely had our chance."

USC vs. Virginia Game Notes, Sept. 11, 2010

USC is undefeated in its last 32 home night games. [3 wins later vacated due to NCAA penalty]

USC has won its last 13 home openers. [1 win later vacated due to NCAA penalty]

Sophomore QB Matt Barkley's two second-quarter TD passes were his sixth and seventh of the season. He has thrown at least one scoring pass in 10 straight games and in 12 of 14 career games. He has thrown at least two TD passes in a game seven times.

Barkley's 202 yards passing marked the ninth time he's thrown for at least 200 yards in a game Barkley's 20-yard second-quarter run was a career long.

Senior TE Jordan Cameron's 4-yard second-quarter TD catch was the first scoring reception of his career. Junior wide receiver Brandon Carswell's 11-yard TD reception was his first career score.

USC senior PK Joe Houston made his first career FG as a Trojan, a 34-yarder in the fourth quarter. He missed from 47 in the third quarter.

With his 20 completions tonight, Barkley moves into a 12th-place all-time with Mike Van Raaphorst in career completions with 249.

USC sophomore T.J. McDonald notched his first career interception, picking off a pass in the end zone in the first quarter.

USC junior DT DaJohn Harris' third-quarter sack was his first solo sack of his career. He had half a sack against San Jose State last year.

With his three catches, USC senior FB Stanley Havili passed Marcus Allen and into a tie for 23rd on USC's career receptions chart with 88 (tied with J.K. McKay.)

The only other meeting between these teams was a 52-7 USC road win in 2008.

USC's defense held Virginia QB Marc Verica to 190 yards on 17 of 36 attempts. Verica had 200 or more passing yards in 7 of his first 11 career starts.

Soph. QB Matt Barkley

On the offense's inefficiency:

"Penalties killed us. We had too many plays called back. We had a lack of execution on third downs. We need to be a lot more disciplined. If we can put all of that into action, we'll be a lot better off."

On what he said to his teammates in the huddle regarding penalties:

"I was just saying 'Move on, move on.' There's not much you can say... just move on to the next play, forget about it."

On not scoring on the first two drives:

"I think scoring on the first drive is huge for us. The three-and-outs hurt us badly. I'm excited to watch tape. There's a lot we can do to learn and grow from it. We have a lot to improve on."

On second-half improvements:

"I think our 2-minute and hurry-up offense are really effective. We had a lot of good chances in the red zone. I think our red zone offense is really great."

Soph. S T.J. McDonald

On the defensive troubles last week at Hawaii:

"My pride was hurting. At SC we have great tradition, so it always hurts when you come out like that. We definitely came into this game with a chip on our shoulder, just looking to finish stronger and get better. Coach Kiffin did a great job preparing us for this game. I'm happy for the win."

Head coach Lane Kiffin

Opening statement:

"I'm extremely disappointed with our performance. We flip-flopped from last game. I'm extremely disappointed in our penalties. This has got to be the most miserable 2-0 locker room ever. We have much higher standards than this. We need to get into the film room and improve before we lose another game like this one."

On creating more team discipline regarding penalties:

"We have to find a way. We had too many penalties and we have to find a way around that. We had critical penalties on big plays -- a holding penalty on a 50-yard touchdown. We had no rhythm at all on offense. 3.8 yards a carry isn't cutting it. But give credit to Virginia. They played very well. We had too many plays called back, and we need to make those plays."

"I'm not encouraged at all by the defense. We expected a much better performance than that. We need a lot of improvement overall."

On what he saw in the offensive line:

"I didn't see much from them. Critical penalties, sacks, sack fumbles. Didn't see much at all."

On his disappointment tonight:

"This is the most disappointed I've been in a win. I'm most disappointed for the SC family. The crowd was great and we disappointed them. It wasn't like the old days at all."

On the Virginia coaching staff:

"They outcoached us. I don't know. We barely won this game. There's nothing positive to take from it. The fans were great. We had great players, we should have made the plays. We got outcoached."

On the improvement from week one to week two:

"There was no improvement. I expect the biggest improvement to come between week two and week three."

VMI Player Quotes

Senior Quarterback Cameron Jones

On size of Virginia

“They’re a lot bigger than anyone else we’ve played or anyone else we’re doing to play. In the beginning we were moving the ball and rolling a little bit, but it was just one of those things where they had a good play and then we’d have a bad play. We just couldn’t answer back, and it just kind of got away from us a little bit.”

On Virginia’s kickoff return for a touchdown

“I wouldn’t say it completely took the wind out of us, but it’s definitely a momentum shifter. To compete against a decent team, you’ve got to be able to bounce back after something like that. Any good team is going to have big plays, so we’ve just got to overcome that. We weren’t able to do that today.”

On upcoming Big South Conference schedule

“Basically now, everything that we’ve done is behind us and in the past. We’ve got to move forward. It’s a brand new season. Conference play is conference play, and everything from here on out counts a lot more than it did before.”

Senior Defensive End Ben Brandt

On size of Virginia

“I thought they were definitely a bigger team. They exposed us in a lot of ways that good teams do, and they’re definitely a good football team.”

On what VMI can learn from the game

“A good team like that shows you weaknesses and what you need to work on. It’s good for film—to be able to get in there and show what our weaknesses are and what we need to improve on.”

On thoughts coming into the game

“We felt like we needed to prove something and make the Corps proud.”

Virginia vs. VMI

Sept. 25, 2010

VMI Head Coach Sparky Woods

Opening Statement:

“I’d just like to congratulate the University of Virginia. Boy, that was a good team. They were very well coached and are good athletes. This stadium has a great atmosphere and it was a good opportunity for us. I wish we were a little better prepared for the game than we were. They tackled. They had a lot more broken tackles than we had and they had a lot fewer missed tackles than we had. It really came down to special teams. In order to be competitive in this game, we had to play our best and not make mistakes. I thought our plan was okay; we just didn’t execute it well. I think that we had one huge turnover in the first half. Overall, I thought they were a much more intense football team than we were. We couldn’t put pressure on their quarterback. I think they only punted the ball once in the first half. We got them to third and long but we couldn’t get them off the field and we had to do that. Certainly, part of that was a result of their defense. They whipped our blockers at times. I think they are a really good team and have a chance to have a great season.”

On what he expected coming into today’s game:

“I see it as an opportunity. Obviously there are monetary reasons to play a game in a place like this but the kids also want to play in a game like this, as they should. Virginia is first class. Everything they do is super. This game was a chance for us to measure ourselves. The disappointing thing is that we played poorly as a team. When you’re not executing well and you’re punting the ball, that’s okay but if they do it because you’re out of position, that’s not okay. That’s something that you can control no matter what level of football you play.”

On playing a much physically larger team:

“I was worried in the second quarter. When we came in at halftime, we thought about playing a couple more people. We held up second in the better in the second half than we did in the first. That could have had something to do with the anticipation and excitement that comes with playing at a place like this. We talked about executing because we knew that the players would be excited about playing but we wanted them to be somewhere between hyper and not quite as intense. There were some times when we stepped up. Coach London played a lot of his players down the line so you would think that we would have matched up better at times so that was disappointing.”

Virginia vs. VMI

Sept. 25, 2010

Virginia Head Coach Mike London Quotes

Opening statement:

“I’m very happy for the team to get a victory, put some points on the board, and get some turnovers. I thought that Chase Minnifield made some very athletic plays. We wanted to show up on our special teams aspects. I know we dropped a punt, but we returned a kickoff for a touchdown and I can’t remember the last time we did that. We had a couple good punt returns and Robert Randolph did a nice job with his field goals so we are very happy for him. I told the guys that the first half, the first quarter looked lethargic a little then we just came to life a little bit and did the things I thought we needed to do to win this game. We will celebrate this for a little but. It is always short-lived because the next opponent is a very good team. We’ll be here in Charlottesville playing again. We are looking forward to the challenge.”

On the decision to rely on the passing game instead of a running offense:

“When you play with your safety down in the middle, you do a lot of things to stop the run and that means you put your corners out there playing one-on-one even though they might be playing a third, it’s still one-on-one. We just wanted not to force anything but to take what they gave us. I thought Marc [Verica], Ross [Metheny] and [Michael] Rocco did a good job of distributing the ball.”

On playing Michael Rocco:

“We talked a lot about not having a [second] quarterback with any game experience and there wasn’t a clear-cut guy over the next guy. The next best thing was to put them in a venue, in a game, and see how they manage the game outside of practice. You put yourself in a game and play and make the calls and see if you are affected or distracted by anything. We wanted to do that; that was the plan. Both guys came in, both played, I think both guys threw touchdown passes. We will go back and we will look at this and see... if there is a clear cut number two or two guys who have played in the game now who are still battling.”

On Ras-I Dowling and Rodney McLeod getting snaps:

“I thought it was important that they had the chance to get into the game, play, and be out there making calls, competing, taking a hit. Now their bodies are subject to the normal aches and pains that happen when guys play any game. I didn’t want the Florida State to be that game. Both of them went out there and played – a little rusty, we saw. Now they have a game behind them and we look forward to them playing and participating next week.”

On Jared Green:

“A lot of teams talk about the next man up mentality. You have to have guys who are capable, ready, and able to step up. I saw a lot of really nice catches that Matt [Snyder] made and then Jared with catch-and-run opportunities; he’s always been fast. To see those two guys have some success, now there is a little more depth at the wide receiver position.”

On assessing the team going into conference play:

“I don’t know about putting a grade on it without seeing this tape, but maybe people who watch us see that there’s something different about this team, something different about the way these guys like to play, about how they feel about themselves. I’m pleased to see our students out there. It’s a new atmosphere that these guys have, and a new belief in themselves. If you have that, you have opportunities for guys to believe in themselves, believe in their teammates, things happen on the field for you. This next game is a big game for us in that we have gone from playing Richmond to going out to USC, a very good team, to playing VMI – credit to them for fighting and giving a good effort. Now back to the ACC schedule and a team like Florida State and the caliber team that they are; we will find out which team we are and we are all looking forward to that challenge and answering that question.”

Player Quotes

Senior quarterback Christian Ponder

On the game:

“It was definitely big. We scored on the first drive, and I think that was big for us. I’d like to see us finish the second half better, but we started off really well and were able to get the momentum on our side.”

On the play of RB Jermaine Thomas:

“He’s huge. He’s doing really well. He was on fire today.”

On three-consecutive wins:

“We’re learning to play with success. We can’t forget what got us here—it’s the preparation and hard work that we go through every week. Obviously, we had a big road test that second week and didn’t do so well, but to come out like this today was huge. We were hungry and we knew we had to make a statement on the road. I’m happy it happened. We can learn from it, but we’ve got to have a short memory because we have another big road game next week.”

On the play of the FSU offensive line:

“I had all the time in the world. I took a few hits, but most of the time, they kept them off me. Obviously, they did a good job of opening up the run-lanes, and they’re playing really well.”

On the play of the FSU defense:

“It obviously keeps the pressure off us as the offense. It really keeps the momentum on our side. It kept the ball in our hands and kept giving us help to change the score.”

Junior running back Jermaine Thomas

On his big rushing performance:

“The offensive line came out and did a phenomenal job. I was getting a lot of good hooks on the stretches, and they were making a lot of good run blocks. I was reading my reads and was just gashing them and hitting them.”

On taking an early lead:

“It was fun. We just came out there with intensity. We just tried to go out there and play hard as a team, and we got the job done.”

On play of defense:

“It’s really important. Now we’ve got this game behind us knowing that we’re 2-1. We’ll take that with us in practices this week. Now we’re going to be focused on Miami and just having that energy coming off this game is really going to help feed us. We’re going to make sure we try to keep on doing the same thing and keep the same pattern going to prepare really well against Miami.”

On team’s improvement:

“From offense to defense, I feel like this is a better team and we’re really clicking. We’re going out there with that mentality to play nasty and we’re just giving a fuller effort. That’s all our coaches ask for.”

Virginia Player Quotes

Sophomore tight end Colter Phillips

On team mentality moving forward:

“At this point, we will look at the tape tomorrow and figure out what we need to do better. We face Georgia Tech next week, so we will try to learn from this game and put it behind us as quickly as possible.”

On the physicality of the game:

“Florida State came out as a very fast and physical team, and they continued to play hard the entire game. They caught us off guard in the beginning of the game and we just were not able to bounce back. That is something we have to work on and I know we will. We will find a way to start games as hard as they did.”

On halftime adjustments:

“The coaches said regardless of the score that we had to go out and play our best. We had to give it our all and that is what we did in the second half. As a team we have to learn that good and bad things happen in games, and we have to play our best to make more good things happen. If we do the little things right, the big plays will come.”

On Ross Metheny's late game play:

“I am proud of all of the guys who were out there at the end of the game. For a lot of them it was their first series of the game and I am proud of them for staying motivated and staying focused.”

Senior running back Keith Payne

On physicality of the game:

“It was a very physical game from the first snap to the last.”

On moving forward following the loss:

“This game is behind us now. We have a better idea of what we need to work on now and we will bounce back from this.”

On halftime adjustments:

“Coach [London] told us to ‘play every play like it is your last.’ He said we had to believe in our hearts that we could compete and that was the mentality we came out with in the second half.”

Virginia vs. Florida State

Oct. 2, 2010

Florida State Head Coach Jimbo Fisher Quotes

On winning on the road:

“We’re 2-0 in the league. It’s learning to win on the road in the league. If you’re going to win conference titles, you’re going to have to win in somebody else’s house. Virginia has played really good football all year. Really good football.”

On coming into the game with a purpose:

“They’re learning to focus; they’re learning to prepare. They’re understanding that Monday, Tuesday, Wednesday, Thursday – they’re learning they can’t just say ‘now I build my momentum on Friday night.’ They’re learning how to come to the game to compete. It’s part of maturing and it’s a great thing to see.”

On the defense:

“They played well. The offense ate the ball and kept them off the field. The defense got some three-and-outs. They played together. That’s what we keep saying: offense, defense. Here’s what you’ve got to understand. Defense is getting three-and-outs, offense is taking six minute drives, which keeps an offense out of whack for the other team. Kicking game is kicking it out of the end zone and they’re starting at the 20 [yard line]. You’re winning field position; you’re winning time of possession. You’re running the football, you’re throwing the football, and you’re playing pass defense – it all fits together. [The defense] was great on third down and we were converting in the first half on third down. It’s hard and it’s a whole team effort.

On juggling offensive tackles [Henry Orelus and Zebrie Sanders]:

“They seemed pretty good. We got some pressure – it was a great job and we did a better job of setting them up a little but in practice. They’re big rushing game is to the left so we did a personnel match moved Xavier [Rhodes] over there... Xavier did a good job. He’s very athletic setting to his left.”

On the play of quarterback Christian Ponder:

“He really made some good plays. He was very efficient today. I thought he missed some things but he scrambled two or three times which he always does. He threw 29 times but he didn’t have to throw it all the time. We made plays and he was really efficient on third down. We were 10-for-16 on third-down.”

**FLORIDA STATE VS. VIRGINIA
GAME NOTES
OCTOBER 2, 2010**

FIRST HALF

TODAY'S GAME CAPTAINS

The team captains for today's game are senior defensive end Markus White, sophomore cornerback Greg Reid and senior guard Rodney Hudson.

TACKLING THE TACKLES

Redshirt freshman Henry Orelus made his first career start at the right tackle position – its was the third career start of his career. He started at the left tackle position against both Brigham Young and Wake Forest. Junior Zebrie Sanders started his fifth game of the season and his first at left tackle. Sanders started his first career game against Western Carolina on Sept. 6, 2008 at the left tackle position.

THOMAS TAKES IT TO THE HOUSE

Junior tailback Jermaine Thomas scored his third rushing touchdown of the season on a career-long 70-yard run in the first quarter to put Florida State up 10-0. The rush eclipsed a 62 yard run (not for a touchdown) against Georgia Tech on Nov. 1, 2008.

THOMAS TAKES IT TO THE HOUSE – TAKE II

Junior tailback Jermaine Thomas scored his second rushing touchdown of the game on a 10-yard play to put Florida State up 24-0 in the second quarter. It marks the fourth time in his career he has scored two rushing touchdowns in a game. The touchdown was his 16th career rushing touchdown – which moves him into a tie for 12th in school history for career rushing touchdowns with William Floyd (1991-93) and William McCray (1997-2001).

THOMAS OVER 100 FOR THE GAME

Junior tailback Jermaine Thomas gained 112 yards in the first half to mark the first time this season that he has rushed for 100 yards and the sixth time in his career that he has rushed for 100 or more yards in a single game.

RELIFORD WITH MULTIPLE CATCHES

Junior tight end Beau Reliford recorded two catches in the first quarter of today's game – the second time in his career he has had multiple receptions in a game during his career. He also had two catches in the Seminoles' victory over North Carolina on Oct. 22, 2009 and against Georgia Tech on Oct. 10, 2009.

HAULSTEAD HAULS IN ANOTHER TOUCHDOWN

Sophomore wide receiver Willie Haulstead caught a 15-yard touchdown pass in the second quarter of today's game against Virginia. It marks his third touchdown reception in the last two games (he had two last weekend against Wake Forest) and moves him into the 2010 team lead for touchdown receptions with a single-season career-high three for the season.

SACKING THE QUARTERBACK

Florida State's defense recorded three sacks in the first half of today's game (one each by Xavier Rhodes, Markus White and Demonte McAllister) to bring its season total to 22 through the first 4 1/2 games of the season – only four fewer than the Seminoles' defense recorded in 13 games during the entire 2009 season.

SECOND HALF

THE SCORELESS STREAK

Florida State's defense held Virginia scoreless for the first two quarters of today's game. Added onto the second half shutout of Brigham Young (Sept. 18) and the complete shutout of Wake Forest (Sept. 25) – the Seminoles held their last three opponents without a point for eight quarters. It was the longest such defensive streak since the Seminoles' defense held three consecutive opponents scoreless (Louisiana State, Louisville and East Carolina) in nine consecutive quarters. The Seminoles' held their three opponents (BYU, Wake Forest and Virginia) scoreless for 124:01.

REID EARNS THIRD CAREER INTERCEPTION

Sophomore cornerback Greg Reid earned the third interception of his career in the third quarter of today's game against Virginia. He also earned interceptions against Miami and Brigham Young during the 2009 season.

REID EARNS FOURTH CAREER INTERCEPTION

Sophomore Greg Reid earned his fourth career interception and the fourth of his career – he is the first player since current safety Ochuko Jenije had two interceptions against USF on Sept. 26, 2009.

THOMPSON FINDS THE ENDZONE

Sophomore running back Chris Thompson scored his third rushing touchdown of the season on a 14-yard run in the third quarter to put Florida State up 34-7. He had two as a freshman in 2009.

OVER 30 POINTS IN THREE CONSECUTIVE GAMES

Florida State has scored more than 30 points in each of its last three games (34 vs. Brigham Young, 31 vs. Wake and 34 vs. Virginia). It marks the first time since the 2004 season that Florida State has scored more than 30 points in three consecutive games (34 vs. UAB, 41 vs. Clemson and 38 vs. North Carolina).

SEMINOLES GO OVER 200 YARDS RUSHING FOR THIRD CONSECUTIVE GAME

Led by junior tailback Jermaine Thomas, the Seminoles rushed for 256 yards to mark the third consecutive game they have rushed for more than 200 yards (278 vs. Brigham Young, 201 vs. Wake Forest and 256 vs. Virginia). It marked the first time since the 2000 season (against NC State, Clemson and Wake Forest) that the Seminoles' offense has rushed for 200 more or yards in three consecutive games.

PONDER MOVES INTO TOP 10 FOR TOUCHDOWN PASSES

Senior quarterback Christian Ponder's 15-yard touchdown pass to Willie Haulstead in the first quarter gave him 37 career touchdown passes and moved him into a tie for 10th place with Drew Weatherford (2004-07) for career touchdown passes at Florida State.

SEMINOLES POST CONVINCING BACK-TO-BACK ACC WINS

Florida State has now won their first two ACC games of the 2010 season by a margin of 51 points (31-0 vs. Wake Forest and 34-14 at Virginia). The last time the Seminoles won back-to-back conference games by a margin of 51 points or more was in October of 2004 when Florida State defeated North Carolina 38-16 and Virginia 36-3.

Virginia vs. Florida State

Oct. 2, 2010

Virginia Head Coach Mike London

On the loss:

“I’m disappointed for our players. I’m disappointed for the fans. That wasn’t the type of effort that is indicative to the type of team that I think we have here.”

On Florida State:

“Florida State did a great job. I said all along that they are a fast, very athletic team. I think that is a top-20 team right there. That’s a very, very good team. Their quarterback is good. Their defensive front four did a good job today. “

On moving forward:

“We’ll go back and look at the tape to see what we need to do better. It’s game four. It’s easy to get discouraged and throw players and coaches under the bus but we’re not going to do that. It’s early in the season for us. We’re going to continue to work. I’m going to coach those guys up. We’ve got a long way to go.”

On Florida State’s rushing game:

“We played pretty good rush defense but a couple missed tackles added to the accumulation of their yardage. We need to take care of that.”

On Virginia’s second-half performance:

“In the second half we drove the ball. We were able to score and get on the board and the defense kind of responded a little bit but that was a good football team that we played. They will win a lot of games.”

On giving up sacks:

“That’s the number one team in the country in sacks and we added to their stats today. Tremendous effort by their defensive ends to speed rush and get on the edge. We have to look at how we are going to protect the quarterback and how we’re going to do things in order for him to get the ball down the field.”

Virginia vs. Florida State

Oct. 2, 2010

Virginia Player Quotes

Junior Wide Receiver Kris Burd

On the long Touchdown reception early in the second half:

"We knew we had to make a play to spark the offense. They got lost playing coverage and Marc [Verica] hit me to score, it was a big play."

On the timing today:

"They did nothing that we didn't expect. Our game plan showed what they were going to do, we just weren't clicking on all cylinders at the beginning of the game. It was a tough game."

On the momentum today:

"There were a lot of big plays and you have to be perfect. We didn't execute as well as we should have and we are going to focus on the execution this week in practice so we can be ready for Georgia Tech next week."

On not giving up:

"We are going to play until the end of the game every game, we are never going to quit. We had a good offseason and we pride ourselves on being a family. A family is never going to quit on its brothers."

Senior Quarterback Marc Verica

On the 72-yard touchdown pass to Kris Burd:

"The thing about that play is that that's not even part of the progression, that route is designed to clear out the coverage. I saw him out of the corner of my eye and they busted a coverage. He was open and we were able to make a big play."

On momentum:

"We made a commitment to try to turn this thing around and generate some big plays. The defense got a stop, we got the ball and made that big play. We got off to a nice start, so it's unfortunate we couldn't carry that momentum through the rest of the game."

On the interception in the third quarter:

"I should have come to the checkdown, it wasn't there. It was a big play in the game, if we go down and get some points on the board it's a two-score game."

On the lack of rhythm:

"We came out flat. I wasn't playing with the right tempo and the ball wasn't getting out quick enough."

Junior Defensive Back Chase Minnifield

On the missed tackles today:

"Our tackling today is something we have to fix. To be a good defense you have to be able to tackle."

On the overall defense today:

"I don't really know what happened, I think we played hard. We realized some things just don't go the right way. We'll be back tomorrow working hard and getting ready for next week."

On the intensity in the third quarter:

"We aren't going to lay down, we aren't going to quit. That's not what we do around here. We worked too hard and you won't see us lay down."

Virginia vs. FSU Game Notes

- Marc Verica's 76-yard touchdown pass to Kris Burd in the third quarter marked his longest career completion. Verica's previous long was 51 yards, which he recorded against Richmond earlier this year and against Maryland in 2008.

- FSU now holds a 14-2 series edge over the Cavaliers.

**POST-GAME QUOTES – GEORGIA TECH 33, VIRGINIA 21
October 9, 2010 – Bobby Dodd Stadium/Grant Field**

VIRGINIA HEAD COACH MIKE LONDON

Even though there was a wide disparity in total offense, you seemed to have a lot of opportunities you didn't take advantage of.

"We talked about having assignment-oriented football, and it will be interesting to see how many big plays they had, plays of 14, 15 yards or more. It seemed like we'd stop them and we'd stop them, then all of a sudden they'd break one. You can't do that against a team that's No. 1 in the conference in rushing and sixth in the country. They're very good at what they do, and we had no margin for error.

On the lack of success on third down the last two weeks.

"We've got to protect the quarterback better. That's the commonality. Teams are going to come at you on third down, and you have to be prepared and ready to block what they throw at you. You've got to get it off and run the right routes. We need to make sure we address that once again this week."

Did the Georgia Tech defense go out of its way to take Kris Burd out of the game?

"I think what they did was bring a safety down and say 'you're not going to run the ball,' then they roll some coverage and do some things to minimize one of our playmakers. It was a good game plan for them, and again, we've got to do a better job on third down, and give ourselves a chance to win against a good team. They're the reigning ACC champs right now, so you can't come in and not do those things and think you're going to play well. We need to go back to the drawing board again."

On throwing the ball instead of using Keith Payne on a third-and-2 play and on fourth down at the goal line.

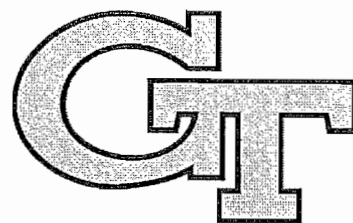

"Those were plays we practiced during the week that we thought would work. Obviously, they didn't work. So we go back and look at what we're doing. Sometimes they stuffed the box to stop him. When they do that, then you should be able to complete a pass, but you've got to be able to protect. Everything needs to be examined to make sure we're doing the right things and making good use of our playmakers."

On Tech getting lots of yardage on dive plays.

"They do a nice job of getting big splits between the center and guards. We tried to change some things up, and their tackles veers inside in the A gap. They're so adept at running their offense. Our linebackers have to step up and make tackles on that. They executed their offense, and we didn't execute our plan against them defensively, and that's why they rushed for what they rushed.

October 9, 2010

Georgia Tech Head Coach Paul Johnson

Opening Statement

"Excited to get a win back at home again. I thought our guys played hard, but we didn't always play smart and execute the best, but we did enough to get the job done. I was a little disappointed at the half; I mean we had over 300 yards of offense and 13 points. We were our own worst enemy, fumbling the ball and bogging down in the red zone. We came out in the second half and got a big stop and went up and really never let them get closer than two scores after that. Good win to build on, still got a lot to work on. Halfway through, 4 and 2, 3 and 1 in the league, still control our own fate, so we've got to keep working and get better and see what happens."

On Anthony Allen

"I thought he played really good, he ran through a lot of tackles."

On the passing game

"Really there was no use to throw it once we saw how they were playing."

On Jay Finch

"I think he did okay, we will have to watch the tape. It is hard to tell how those guys played until you really watch the tape. We ran the ball pretty good inside so they had to be doing at least a decent job in there."

On the defense

"They played really well. I thought that other than one play in the first half, the one long run, we played really, really well. You know, they are going to hit some plays. The last drive was disappointing, but it was more of them making plays. The guy just threw it up and the big tall receiver made plays so you have to give him some credit. I think we have played better on defense the last two games for sure."

On Stephen Hill

"He made a couple of catches early, and hopefully got some confidence."

On Joshua Nesbitt's intercepted pitch

"He did a really nice job getting us in the right set plays most of the time, but that is one I'm sure he would like to have back."

On the offense

"There was some good and some bad. I think the first team offense punted once, and that was after a holding penalty backed us up. They did some good things, but we've got to hold onto the ball though."

On intensity

"I don't know if we played with any more intensity to be honest with you. I think we just hit some plays, and some individual guys played really well. Anthony Allen ran through a lot of tackles. We hit some plays. Anytime you rush for that much yardage, there is guys blocking downfield. We just played a little better."

On Al Groh facing former team

"We didn't talk a lot about it this week. I have never been in that situation. I'm sure he is close to a lot of those kids, but when you actually play the game it really doesn't come into play. He wasn't playing, Coach London wasn't playing, it's the guys on the field that are playing the game."

Assistant Coaches and Players

Defensive Coordinator Al Groh on talking to his former players after the game

Seeing those players was a very confirming feeling. One of those things that, besides the competition and winning games, one thing that we think that we are able to do [as coaches] is touch lives and do something to make their lives better. For those kids to come over it was very confirming that I have the opportunity to keep them in my life and that they want to keep me in their lives. That plus the many players and coaches that I heard from during the week, that is what you are left with at the end of your career, the relationships. Those rings and watches you can put away, but those relationships never tarnish. There were so many players immediately coming up to me after the game that I was just happy to thank each and everyone of them.

Groh on what the defense did this game as compared to Wake Forest

It is two different kinds of games. Different style of offense, different type of team. Every week you have to defend what the other team does and play the game you have to play.

On the secondary

For a long time we did. We misplayed some balls there at the end that we would have liked to play better but we have six weeks at getting better at those things. It was two conference wins in a row and there are things that we will address and fix and all of us on the sidelines know that we could do them better but right now we are just going to celebrate two conference wins in a row and three conference wins all together.

On Julian Burnett in his first career start

He seemed to do very nicely. Frankly, I am not looking at any individual players. I am trying to manage the game and call the game in the responsibility that I have. Immediately after, I am not a good one to ask on how any one particular player did.

On the distractions leading up to this game

There really weren't any distractions for me. During the course of the week, I was looking at what #72 did and what #22 did and what #6 did. After the game, they all became friends of mine again. But in the preparation for the week, just as it is with a team that I don't know, anybody, I just had to deal with the players in each position.

Anthony Allen on finishing his runs

I still didn't finish as many runs as I wanted to. There were a couple of long runs where I should have just trusted my speed and kept going, but I tried to cut back into a guy. But, for the most part I did pretty well.

Allen on getting into the endzone

I didn't know what to do! That first one I didn't know I scored a touchdown until I was still up on my feet and everyone was clapping. It was good to get that first touchdown and my second, and my third.

Mario Butler on playing with a chip on his shoulder

It was one of those during practice that we tried to do last week and the week before was being competitive. This week in practice we went out and played with a chip on our shoulders and that is what I thought we did today. It shows on the field when you make plays. I think it showed today especially and last week at Wake Forest it showed that we evolved as a team and things are coming together for us

Butler on his fumble cause and recovery

In watching film, we noticed that a couple of their players carry the ball pretty loosely. I saw 81 and all I can remember in film that we watched yesterday that he fumbled the ball so I stuck my hand in there and got it out.

Butler on holding Marc Verica to 18 passes

I think that is pretty pleasing. You have to have the mentality that you are going to challenge everything, challenge the receiver and challenge the quarterback to make bad throws.

Butler on trying to win the game for Coach Groh

I personally wanted to. Coach Groh is the type of person that just kept on coaching like he usually does. There were a couple of us that talked about it a little bit, but we didn't want to make a big deal because we knew the media was making a big deal about it.

Allen on falling just five yards short of 200

I didn't want to go back in there and get it. I knew that Richard Watson was going to get in there and he hasn't seen the field since the first game. I just wanted him to stay in, I wasn't worried about it.

Allen on the offensive line

The offensive line played great today, they did a good job of coming off of the ball and blocking some guys downfield that left outlets open for me to find and run through.

Roddy Jones on cutting back inside

They were coming over and pursuing on some of our pitch plays and the lanes were back inside so I just was trying to get back inside and to do that you have to stop on a dime and cut back in.

Jones on starting off well

We came out with a big play to start off the game, which really helps us a lot. When we do that our offense runs better. Then we just got in a rhythm. Some of the things that we haven't done in the past couple of games was stay on the field and establish something and I think we established the triple [option] early in the game and it helped us later.

Jones on playing through the fumbles

That is something that we still have to work on. We left a lot of points off the board because of the turnovers so the score should have been even higher for us. It gives us something to build on. We scored 33 points and had two or three turnovers, but its something to build on, it's a good time for us.

Anthony Igbuniwe on getting his first career sack

It is a game everytime you have to set them up. You use some moves and if they don't work, you use another one. You just keep fighting every play. They were big when I knew I was going to get that sack. That was my first one. The play right after [Jeremiah] Attaochu got one. I call him my little brother so I said "brother/brother got a sack today."

Igbuniwe on the defense coming together

We are confident as a defense. We have been playing together and communicating a lot better and I think that is where the confidence is coming from. Us coming together as a defense and playing together.

Jay Finch on the offensive line coming together

It all starts up front. That was the big thing that we were trying to push. We had to do our job so they could do theirs. There was a sense of urgency. There was a point to make sure that we got it done. It was a conference game at home and we are still in control of our own destiny and we took care of it today.

Finch on playing the full game in his first career start at guard

I think I still have game jitters. I feel great right now, but I know that I will wake up tomorrow and everything will be stiff. It was great to play a full game.

Sean Bedford on the offensive line

As poorly as we have played and as blind as we have been this was the game we needed. Not just from a confidence point of view but also to get everything in gear and get moving downhill. I think we did a much better job of opening up pulls today and controlling the line of scrimmage and when we do that we win and that's the bottom line.

Bedford on the offensive line's motivation for this week's game

I try not to let the questions get to me too much. I think they are more bulliten board material than anything. Things that you look at to motivate you, although I don't think I needed them for motivation. Our lack of success is plenty motivating. The coaches did a great job this week of making sure we knew what we were doing. Coach Sewack put a big emphasis this week on making sure that everyone knew their assignments as well as they could. They weren't trying to be our friends this week, got after us, pushed hard and I think you saw the results this week and I like them.

Joshua Nesbitt on Jonathan Dwyer being on the sidelines

It was good seeing him but I was trying to focus on what I was doing in my job.

Nesbitt on the fumble

I was trying to do too much when I didn't have to. The defender got up field on me and when I saw come in a try to hit me low so I tried to go over his head but it was a dumb play, I should have never done it.

North Carolina Postgame Notes
UNC vs. Virginia • October 16, 2010
Final Score: Carolina 44, Virginia 10

- North Carolina's 44-10 victory was the Tar Heels' first win in Charlottesville since 1981. Carolina had lost 14 straight at UVA before today's game.
- The 44 points scored by Carolina marked the most against Virginia since scoring 48 in 1997 in Chapel Hill. It was also the most in Charlottesville since the Tar Heels scored 49 in 1946.
- Carolina's 34-point margin of victory is the second-largest margin for UNC at Virginia in the ACC era. The biggest margin of victory was a 42-0 win in 1958. The 34-point win is the largest margin of victory against an ACC team in a road game since a 38-3 win at Clemson in 2001 and equals the largest margin of victory for Carolina against any opponent under Butch Davis. UNC also beat The Citadel, 40-6, in 2009.
- Carolina scored on the first play from scrimmage, an 81-yard touchdown strike from T.J. Yates to Dwight Jones. The score, which happened with 14:43 remaining in the first quarter, marked the earliest UNC had scored in a game since Wallace Wright returned the opening kickoff for a touchdown against Boston College in 2005. The Wright touchdown also occurred with just 17 seconds gone from the clock. Earlier in 2005, Brandon Tate returned the opening kickoff against Utah for a touchdown, a play that took just 13 seconds.
- The Yates-to-Jones hookup was the ninth-longest pass play and the 10th pass play of over 80 yards in UNC history. Earlier this season against LSU, Yates connected with Jheranie Boyd on a 97-yard touchdown that was the longest pass play in Carolina history. The Jones reception was also the longest pass play against UVA since 2003 (South Carolina, 99 yards).
- Yates finished 17 of 22 for 325 yards and three touchdowns, his fourth career 300+ yard game and his second of the season. The senior quarterback has now completed 634 of 1037 attempts for 7454 yards and 49 touchdowns in his career, moving him into 19th place in ACC history in passing yards. Yates is also second in UNC history in attempts, completions, yards and TDs.
- In the first half alone, Yates completed 12 of 16 attempts for 249 yards and three touchdowns. He threw touchdown passes of 81 yards and 20 yards to Dwight Jones and a 1-yard to Zack Pinalto. Yates had more yards in the first half of today's game than he had in 12 of the 13 games last season.
- Tonight's opening score marked the second time in Yates' career that he has thrown a touchdown pass on his first attempt of a game. He completed a 65-yard touchdown pass to Brooks Foster against James Madison in 2007. That was also Yates' first career pass attempt.
- Jones finished with a career-high 198 receiving yards, including 119 in the first quarter, on a career-best seven catches. His previous high was 43 yards vs. ECU earlier this year. Jones had touchdown catches of 81 and 20 yards. He also had a 54-yard reception to the 1-yard line, which led to another TD. The previous high for a Tar Heel receiver against Virginia was Sam Aiken's 179 yards in 2002.
- Pinalto had a 1-yard touchdown reception in the second quarter to give UNC a 27-3 lead. It was Pinalto's first scoring catch since last year's Connecticut game and the third of his career. Pinalto also had a 46-yard reception in the first quarter, the longest of his career. He finished the game with three catches for 54 yards and a touchdown and now has 30 catches for 311 yards. Last season, he set the UNC single-season record for receptions by a tight end with 33 catches for 334 yards. Pinalto fractured his right fibula in the game.
- North Carolina's 17 first-quarter points were more than the Tar Heels had scored in either of their previous two visits to Charlottesville. The Tar Heels' 27 first-half points are the most UNC has scored against Virginia in a game since 2002.
- Carolina had five interceptions in the game, the most since the Tar Heels picked off five Boston College passes in 2009. UNC finished the night with 95 interception return yards and now has 199 on the season.
- Senior Matt Merletti grabbed his second interception of the season late in the fourth quarter.

North Carolina Postgame Notes – page 2

- Senior safety Da’Norris Searcy tallied his second interception of the season in the third quarter, giving him two in three games after missing the first four games of the season. It was the third interception of his career.
- Sophomore linebacker Kevin Reddick returned a Virginia pass 22 yards for a touchdown in the third quarter. It was his second pick of the season and of his career and the score was the first of his career.
- Junior linebacker Zach Brown, who started in place of Quan Sturdivant, had a 70-yard interception return in the second quarter. It was the second of Brown’s career. He also had an interception last year vs. Georgia Southern.
- True freshman defensive end Tim Jackson grabbed his first career interception in the opening quarter Saturday.
- Place kicker Casey Barth converted all five extra points attempts in the game, giving him 55 consecutive made PATs. He also made field goals of 36, 34 and 32 yards, his three longest conversions of the season.
- Redshirt freshman quarterback Bryn Renner saw action in the fourth quarter and completed his only pass attempt, a 14-yard strike to tight end Ed Barham. It was the first completion of his career.
- Carolina scored on its first five possessions Saturday (three touchdowns and two field goals). The Tar Heels scored on their first two possessions against Georgia Tech, which was their previous best in 2010.
- After not leading at halftime in any of its first four games, Carolina led after 30 minutes for the second week in a row.

Virginia Player Quotes

Senior running back Keith Payne:

On Virginia:

“It’s not about how we played. It’s about how we executed. We all played hard so playing wasn’t an issue. I really can’t say if this is the worst we have executed. It is the way it is. We just have to bounce back from it. We can’t sit here and talk about what happened, what should have happened, how badly we played. We just have to bounce back.”

On running for 107 yards:

“I’m not even thinking about that right now. I’m thinking about how we have to win some games. We will win some games. We are going to fight and Coach London is going to get some wins under his belt. We have to fight back.”

On whether the team will use this loss as motivation:

“We don’t talk negatively. We talk positively. We’re going to go back out there next week and play well. We want to play everyday. We have to keep our heads up. That is the way it is going to be around here.”

Junior cornerback Chase Minnifield:

On North Carolina’s passing game:

“They didn’t do anything we didn’t expect. There was just a lot of miscommunication in the secondary. There are some things that we need to clear up because obviously when you have miscommunications in the secondary, they get big plays.”

Sophomore offensive tackle Oday Aboushi:

On the next step moving forward:

“We are going to get back to work tomorrow and Sunday. We are going to look at the film and see what we did wrong. Obviously there were mistakes made so we are going to have to get back to work and make sure that we get better as a team.”

“On the frustration of getting to the red zone and not scoring:

“It’s definitely frustrating to be in the red zone as many times as we were and not convert whether it be a field goal or a touchdown. It’s definitely frustrating. We have to look at what we did wrong and correct what we did wrong.”

On Coach London’s passion:

“Coach London is all in. He put all his chips on the table. He put it all in for us and we’re going to do the same for him. He gave a lot of second chances and put us in positions where we can do well and we are going to do the same for him. Like I said, we are one big family. We are there for each other, we love each other and that’s all there is to it.”

Redshirt Freshman Quarterback Ross Metheny

On his first drive in the third quarter:

“You always look for those opportunities. We started fast and got down towards the goal line, Keith [Payne] had a couple great runs. Unfortunately, we didn’t stick it in for the rest of the game.”

On whether failing to score was a missed opportunity:

“You never want to throw an interception. I thought we executed well to get down there, you just have to finish. We’ll watch the tapes and learn from those and get better.”

On the quarterback situation:

“It’s not in my interest, that’s a coaches decision. I have the most respect for Marc [Verica] and I have learned so much from him.”

Freshman Quarterback Michael Rocco

On his interception in the red zone:

“I made a bad throw. Quarterbacks should know that you can’t throw the ball across your body and that’s what I did. I wish I could take it back, but I can’t. I have to move on and learn from it.”

On whether he would be ready if given the start at quarterback:

“I’m always looking for the opportunity, whether it’s on the sideline watching and getting better or on the field playing. Whatever Coach London thinks is best I’m ready to do.”

Virginia vs. North Carolina
UVA Game Notes – Oct. 16, 2010

- North Carolina earned its first victory in Charlottesville since 1981, snapping the Cavaliers' 14-game home win streak against the Tar Heels with a 44-10 victory Saturday.
- Starting at RT against North Carolina, Morgan Moses became just the third true freshman in UVa history to start at an offensive tackle position. He follows D'Brickshaw Ferguson (2002- LT)—Virginia's only true freshman to start the season opener on the offensive line—and Brad Butler (2002- RT), who only started the bowl game, as the only true freshman to start at either of the tackle positions. Moses is the seventh true freshman to start at offensive tackle in Division I this season. Others include: Seantrel Henderson (Miami – RT) - James Hurst (North Carolina – LT) - Rob Crisp (NC State – LT) - Luke Joeckel (Texas A&M – LT) - Davonte Wallace (New Mexico State – LT) - Ja'Wyan James (Tennessee – RT)
- In addition to Moses, John Fullington of Washington State joined that list Saturday when the Cougars kicked off against Arizona Saturday night.
- With Colter Phillips' 8-yard catch in the first quarter, Virginia recorded its 500th reception by a tight end since 2001.
- Saturday's game marked the first time the Cavaliers sported an orange-on-orange uniform combination since 1986, when the team fell to Maryland, 42-10. Previous to that, Virginia wore the all-orange ensemble in 1979, in 20-18 win against Virginia Tech.
- T.J. Yates' 81-yard touchdown pass to Dwight Jones 17 seconds into the game marked the longest pass-play against the Cavaliers this season. The previous long allowed by Virginia was 40 yards against Southern California. The 81-yard reception was also the longest against the Cavaliers since South Carolina's Dondrial Pinkins connected with Troy Williamson for 99 yards on September 6, 2003.
- Throwing for 139 yards against North Carolina, Marc Verica passed Scott Secules for 10th all-time in passing at Virginia.
- Keith Payne scored his eighth rushing touchdown of the season against the Tar Heels, eclipsing Jameel Sewell's team-high of seven touchdowns in 2009.
- North Carolina's 27 first-half points ties the most surrendered by the Cavaliers in the first half this season. Florida State also scored 27 points in the opening period against Virginia.
- Keith Payne's 49-yard run in the third quarter marked the longest carry of his career and the longest by a Virginia player this season. His previous long was 17 yards against Middle Tennessee State in 2007.
- Matt Conrath recorded his first career fumble recovery against the Tar Heels.
- Keith Payne rushed for over 100 yards for the second time this season and the second time in his career, tallying 107 yards on the ground against North Carolina.
- North Carolina's T.J. Yates became the first player since Duke's Thaddeus Lewis in 2009 to pass for over 300 yards against the Cavaliers.
- With its 44-10 victory, North Carolina scored the most points against Virginia since 1997, when the Tar Heels notched a 48-20 victory against the Cavaliers. The Tar Heels' 44 points also marks their highest total in Charlottesville since a 44-40 loss in 1973.

North Carolina Coach Quotes

North Carolina Head Coach Butch Davis

Opening Statement:

“They really ganged up—we had trouble in the previous three seasons running the ball against Virginia because of how big they are. I think that Dwight Jones had by far his finest game as a Carolina Tar Heel. I thought T.J. Yates’ poise and calm with the football generated big, explosive plays. I thought that was extraordinarily critical. We did a lot of good things offensively. We’ve just got to continue to grow on that and get better every week.”

On game philosophy:

“I think when you’re scoring, you think you might dictate not only the tempo, but the style of which the game’s played. We kept the pressure on [Virginia]. One of the things that you’re always concerned about as a coach is when you get off to a big, explosive start like that. I’ve seen teams relax and let the other team get back into it. I was concerned at halftime—they had scored right near the end of the half and you could see the momentum switching. They closed the gap and they leave the field with a positive attitude, feeling like they’ve done something good, and it was really critical for us to come back out and start good in the third quarter and reestablish a little bit of control of the game.”

On ability to overcome off-field issues this season:

“We’ve got good kids—this is a good group of football players. They’ve got a lot of character, a lot of integrity. There’s a lot of good leaders on this team. You can’t say enough about this coaching staff—Edward Winters has done an absolutely remarkable job given all of the things he’s had to try to deal with. They just show up like junkyard dogs every week and bring their hard hat and go to work. But these kids—there’s leaders on this team that hold each other accountable.”

On offense:

“Clearly, this might be one of the biggest and most explosive offensive performances we’ve had.”

North Carolina Player Quotes

Senior Quarterback T.J. Yates

On opening score:

“That’s one of our basic, basic plays—our little short passes. You kind of get the ball rolling, get ahead of the schedule. They just happened to be there, playing the perfect coverage, and we had some great blocking downfield. Dwight [Jones] broke a tackle, and he took off. It’s the simplest of plays.”

On breaking the streak of road losses in Charlottesville:

“It feels good. We tried not to put much emphasis on it this week in practice, because we found ourselves doing that a little too much in years past. It kind of got us out of the funk a little bit. Once we got back in the locker room, we acknowledged it and it’s a good thing for this program to get that out of the way.”

On getting past off-field issues:

“It’s awesome. We’ve been through it all already. It seems like it happened so long ago, but we’ve finally got the guys that we know we’re going to play with now. It doesn’t seem like the roster’s going to change too much anymore. Now that we’ve got some confidence and we know which guys are going to go out there, we can focus more on football.”

Junior Wide Receiver Dwight Jones

On his career day:

“It felt good. I was in the zone from the beginning of the game, from when I first stepped on the field. There was a lot of adrenaline, and it felt good out there. I haven’t felt like that since high school—it was different. I felt like a beast out there on the field.”

On the opening play of the game for a touchdown:

“It’s just a simple play to get the offense going and get that chemistry going. I was fortunate to just break a tackle and get by him. I got a nice block along the sideline and was fortunate to get through. My coach told me before this game that we needed that play, and fortunately, I just broke it. I knew it was going to be called. Once I turned the corner and just ran free, I knew no one was going to catch me. If you get a big play like that at the start of the game, from then on, I guess you’re going to be really feeling it. I was fortunate to just go out there and score and just keep staying in rhythm with the quarterback.”

Virginia Head Coach Mike London Quotes

Opening Statement:

“It feels good to win a game and be able to celebrate with the players on what this team can do and can accomplish. Can't let the highs get too high or the lows get too low, but we haven't won around here in a while and when you get the chance to experience a win regardless of the opponent, when you have a chance to compete you always want to win. I'm very proud of the team, particularly in the second half, scoring twice on special teams, and the quarterback directing the ball – five-for-five in the red zone. We did a nice job in third down situations, no interceptions. We played the play we need to play to have a chance.”

On improved performance in the second half:

“They did a good job of what their offense is. It's kind of a wildcat, spread you out but they also have a dive option where they run trap option with a big scheme. As soon as you start running outside to stop the hand sweep, they started running on the inside with the quarterback – he became an extra player. Some of the things they did -- getting to our legs, chopping, getting us to the ground and we weren't using the technique we were using during practice. The second half we just talked about one of the things, again that we had practiced, coverages and the way we played. If we just went back to that, I thought we'd be okay.”

“Offensively, there were a lot of balls that were just right on the fingertips, or overthrown, or just didn't have enough time and have to get rid of it sooner than what we wanted. At halftime it was more about us and what we were doing and just continuing with the game plan and we came back out. I think they had 200 yards or something in the first half, in the second half they didn't have nearly as many. We started connecting on some passes; we started converting on third downs. We had an opportunity to score on special teams a couple times. They gave a look that we thought we could exploit and we went ahead with it and it was executed perfectly, so it was great to see. I would imagine they have respect for Raynard Horne and his kickoff return abilities since he is first in the ACC for that. There were a lot of bloop kicks and you try to school up your up backs that you can become a runner also. I think Terence Fells-Danzer – they kicked one like that, he caught it, and everyone converted like Coach Poindexter taught them to go and be blockers. He ran one back. Those 14 points were huge lifts for the team and for the morale and started things for us in the second half.”

On using the fake punt:

“It was different than the one we used at USC and it was some of the things they were doing that we were looking to exploit. Every week we try to look and see if we can exploit what they're doing using the fake. You have to prepare for the fake or practice something more than they want to because they have to be sound on all fake responsibilities if they have something schemed for us. This opportunity presented itself so we took it.”

On the play of Marc Verica:

“He's seen good times and bad times and he understands that part of it is going through the criticism and hearing the boos. Part of being a mature fifth year guy is understanding that you are a game away or a throw away from righting your ship and playing the way you are capable of playing. That's what he did. He wasn't worried about what people were saying or what he wasn't doing. He just followed the game plan. The third downs, the passing yardage, the red zone opportunities – those things presented themselves and he was on. If you talk to him, he is probably satisfied with his performance but he wants to get better. That's the difference between a guy like that and young quarterbacks. Sometimes you ruin a young quarterback by having a rough day because they can't handle the things that a veteran would.”

Virginia Player Quotes

Sophomore running back Perry Jones

On morale of the team following the win:

"This win does a lot of good for us. We have forgotten about the past, and started a 'new' season. To us this is the first game of that season, and it is good to get a win."

On halftime adjustments:

"We know that every team we play is going to come out playing hard in the first half. We just try to play our game then at halftime come in [the locker room] and make adjustments. The defense did a good job, and the offense put a lot of points up in the second half."

On facing Miami next weekend:

"We have to keep preparing for the game like we have been because they are a good team coming in [to play]. We will prepare this week in practice and take it into the game on Saturday."

On 'setting the tone' with a win:

"[This win] really helps us a lot. We got the crowd excited and we try to come in and play our best game."

Junior safety Rodney McLeod

On the win:

"It is a very big win. Any win at home is very good. That is something we stressed this offseason, and it is always good to protect your house. Plus, it adds another win to the record."

On setting the tone with a big win:

"This game really helps us tremendously. It gives us confidence and puts us back on the right track. We hope to build on this win, and focus on Miami next week."

On halftime adjustments:

"We told each other to promise our teammates that we would come back into the locker room with a victory. I think a lot of guys took that to heart, and set that as the goal and we came out with the victory."

On facing Miami next weekend

"We will watch the game tape tomorrow, and work on fixing aspects of the defense such as stopping the run. I think this week, with a good week of practice, we will be fine."

Junior Punter Jimmy Howell

On the fake punt for a touchdown pass:

"We had been running it a lot in practice. The guys were doing such a fantastic job with the blocking giving me enough time to get punts off, so we saw the opportunity and sure enough there you go."

On the call for the fake punt:

"I was really happy that we called it because it had worked so well in practice. I was thinking 'what if they don't rush?' But it worked out exactly the way it was planned."

On the throw:

"I wasn't trying to do anything fancy, I didn't care how it looked. Some people said it was wobbly, but as long as the ball got in his [Trey Womack] hands I didn't care."

Senior Free Safety Trey Womack

On his touchdown reception on the fake punt:

“It’s something that has been in our game plan since summer camp. We were waiting for the right opportunity to call it. We saw the way they rushed and the opportunity presented itself. In high school I ran that play about three times a game, so it was really familiar.”

Junior Defensive Back Chase Minnifield

On how Eastern Michigan attacked the perimeter:

“They had a really good game plan. It’s kind of like a Wildcat [formation], but instead it’s their real quarterback. It’s hard to get out there and defend the edge because they cut a lot of stuff back.”

On his late interception:

“You always try to make a play to seal a game. He threw the ball late and I was able to undercut the receiver and make the interception.”

Virginia vs. Miami Postgame Notes
Oct. 30, 2010
Scott Stadium

- Virginia's win over No. 22 Miami was the Cavaliers' first over a ranked team since beating No. 21 Georgia Tech in Atlanta on Oct. 25, 2008 by a similar score, 24-17.
- For the first time in ACC history on Saturday, two African-American head coaches faced off—with Mike London leading the Cavaliers against Randy Shannon and the Hurricanes.
- Senior cornerback Mike Parker and senior tailback Keith Payne earned their first career starts for the Cavaliers against Miami.
- Jimmy Howell's 52-yard punt in the first quarter marked his ninth kick over 50 yards this season.
- Raynard Horne's 26-yard rush in the first quarter was the longest of his career, surpassing his previous long of 14 yards against Eastern Michigan last weekend.
- For the fourth consecutive game, Miami failed to score in the opening quarter.
- Chase Minnifield had two interceptions against the Hurricanes, marking the second time he has recorded two pick-offs in a game this season. Minnifield also had two interceptions against VMI.
- With six interceptions this season, Minnifield now has ten career picks to tie for 14th on Virginia's all-time list.
- Colter Phillips' 16-yard touchdown reception in the second quarter was his third receiving touchdown of the season, the most by a Virginia tight end since Tom Santi recorded three in 2006.
- Corey Mosley tallied his first and second interceptions of the season against the Hurricanes. Mosley now has three career picks.
- Keith Payne notched his 11th and 12th rushing touchdowns of the season against the Hurricanes, scoring on a 30-yard run in the second quarter and later on a five-yard run in the fourth quarter.
- Payne's 12 rushing touchdowns this season are the second-most by a Cavalier since 2000, second only to Wali Lundy's 17 in 2004.
- With its three-touchdown performance against the Hurricanes, the Virginia offense has now scored 26 touchdowns this season, already surpassing its 2009 total of 23 touchdowns.
- Miami was shutout in the first half for the first time since September 26, 2009, when the Hurricanes failed to score in the opening half against Virginia Tech. Miami went on to lose that game, 31-7.
- Rodney McLeod tallied his first career interception against Miami, picking off a 12-yard pass from Miami quarterback Spencer Whipple in the second quarter.
- With his 104 receiving yards against Miami, Kris Burd became the 30th player in program history to reach 1,000 career receiving yards.
- Burd secured his fourth 100-yard plus receiving game of the season, the first time a Cavalier has done so since Billy McMullen did it four times in 2001.
- The Virginia offense has not allowed a sack since the second quarter of its game against North Carolina.
- Virginia's five interceptions against Miami tied a single-game school record. The Cavaliers have accomplished the feat nine times in program history, with the last time coming against Virginia Tech in 1994. In that game, Percy Ellsworth and Joe Crocker both had two interceptions while Randy Neal recorded one en route to a 42-23 victory against the Hokies.
- The Cavaliers' five picks also ties a single-game ACC-high for this season. Miami notched five interceptions against Duke earlier this season, while North Carolina had five against Virginia.
- Punter Jimmy Howell landed three punts inside the 15-yard line against the Hurricanes.

Virginia Head Coach Mike London Quotes

On recording the team's first ACC win:

"I have to talk about this team being resilient regardless of what people say. In that locker room right there is a group of proud football players and coaches. We always knew there was something about this team, that we can be a good enough team to compete with people. It was disappointing with Florida State and the North Carolina loss, but we were the USC kind of team today, the team that had a chance to finish off the game. We are just trying to find that identity of where we are and who we are. When you have a group of young men who hear 'you guys are only going to win three games' and 'you're no good,' those that are in the room keep hearing the message 'you're not fast enough, you're not good enough.' They refuse to listen to those things. We are what we are and we play a style that's conducive to who we are. Today we played a style that was good enough to hold on and beat a very good team, a fast team, an athletic team regardless of who is in the game. It's unfortunate for Jacory [Harris] to go down, but I'm playing without Joe Torchia. I'm playing without Tim Smith. Ras-I Dowling didn't play today. That's the nature of football. You play with who you have and I'm proud of the way our players and coaches responded."

On the choice to go for it on fourth and three early in the game:

"We wanted to send the message that we are going to call plays to win the game. When you have a team that has taken its lumps, the only way to bring them out of that mindset is to say 'I have enough faith in you that we are going to go for it and we are going to get it.' That's the only way you create the mindset that you want to be physical and you want to compete. Why not?"

On post-game emotion:

"I'm very thankful and I'm very humble and I am very blessed to be in the position I am right now to be involved with the young men who go to this university, to be involved with this community and have an opportunity to recruit some of the best student-athletes in the country and definitely some of the best in the state. When you have an opportunity like that, with the game going back and forth and you see that this time your guys pulled it out. It's emotional. I like to be an active participant in the game, just ask the referees and the side judges. It's one of those things where you share in the success of a lot of people in that room next door. I can't wait to finish up, hug them up, and share it again."

On the play of quarterback Marc Verica:

"Marc [Verica] is a poised guy who can manage a game. He had one errant pass for an interception, but there were a couple that he had right on the money. You can argue whether or not people were draping over our receivers, but managing the clock, seeing the blitzes, seeing how they were setting up in the middle of the field, knowing how our tight ends were breaking - that's what an experienced guy does. That's what he did. A lot of credit to him. This is hopefully a signature game for him. He directed the offense, particularly in the first half, in a way that we need."

On the decision to stay on the field after the game:

"After we got beat by North Carolina I wanted them to feel what that feels like. It's the same thing with students and people standing around. I want them to feel what that feels like. I don't know how many other opportunities we are going to have to feel that before the season ends, but you have to start somewhere and you have to start a mindset of 'this is what's going to happen around here for a long time.' Being out there and sharing the moment with them and the students was a signature moment for them. Then we came back into the locker room and celebrated again. They're probably in there celebrating right now. When we finish I'm going to go back in there and celebrate with them."

Virginia Player Quotes

Senior quarterback Marc Verica:

On the win over Miami:

“It’s the most dramatic win since I’ve been here. I can’t tell you how excited we are right now, we laid it all on the line today. I could not be happier for Coach London, he’s a guy who sticks with us and supports us no matter what. It’s a special win.”

On the offensive game plan:

“We needed to be physical at the line of scrimmage. We expected them to play aggressive man-to-man coverage so we did some things to help the receivers get open. Also the running game today was tremendous, everybody played really physical.”

On the game clinching third-down conversion:

“It looked like it was some kind of zone combo coverage and the corner had jumped the flash. There was a nice window there for Kris [Burd] on a 12-yard curl. I made the throw, the line did a great job of holding up, and Kris made the catch. That’s about as big as a third-down that I’ve seen on a final drive.”

Junior linebacker Darnell Carter:

On the defensive effort:

“We did a lot of scouting on them and we played with a lot of energy today. We just wanted a little respect, so we played with a lot of hunger.”

On Miami’s fourth-quarter offensive scores:

“They were just passing a little more and we left some of the receivers open, but we never gave up and got the victory.”

On being able to capitalize on Miami’s turnovers:

“We knew we needed to make them commit some turnovers. Going into halftime it gave us a lot more confidence, it definitely helped out a lot.”

Junior safety Corey Mosley

On the win:

“It was a big win for us. Coming into the game we talked a lot about respect, and it was not going to be given to us so we had to take it. That was the mindset we had on the field. Everyone on the team knows what we are capable of, and we just have to show everyone else. I think people saw a little bit of that today.

“We will keep working and use this win as fuel.”

On the importance of the win for the Virginia football program:

“Any time you can win a big game people are going to be interested. This win is good for our program because it will bring us a little more attention. We appreciate everyone who has stuck with us through thick and thin.”

On the game changing when Miami quarterback Jacory Harris was injured:

“We knew Jacory Harris would be a threat, but their backup quarterback came in and played pretty well.”

On a school record-tying five interceptions by the Virginia secondary:

“As a secondary unit we are very competitive, so I was just trying to be like my comrade [fellow defensive back] Chase [Minnifield] on the field. Rodney [McLeod] also had a nice interception out there. We are very close to one another, and we are capable of great things on the field.”

Junior corner Chase Minnifield

On the win:

“This is the big win that we have been looking for. It is a signature win, and we will continue to work hard to improve.”

On the importance of the win for the Virginia football program:

“It is a very big win in that sense. This is a big win for the community and for the fans. This win helps us recruit, and it is great to get a win on the national stage. We needed the win and we worked hard for it. One thing no one can say is that we did not work hard this week.”

On a school record-tying five interceptions by the Virginia secondary:

“This is the game we have been waiting for as a secondary. We always talk about changing the game [by causing turnovers], and winning the game. We had a few playmakers in the secondary today.”

“It is a big-time accomplishment, and we will just continue to try and make big plays. We have a lot of playmakers, and today it showed.”

On Miami’s late fourth quarter comeback:

“We all kept our heads up and kept fighting. Like we have said since the beginning of the year, we will keep fighting no matter what the circumstances are.”

On the game changing when Miami quarterback Jacory Harris was injured:

“We had not seen any tape on the other quarterbacks so we did not really know what their attributes were, but they were pretty good. The third quarterback they brought in [Stephen Morris] is going to be a good player.”

“I’m sure to lose him was disappointing to their offense, but we feel that as a defense we can play ‘on the fly.’”

On gaining confidence moving into the tail end of the season:

“This win gives us confidence and adds to the confidence we gained after the Eastern Michigan game. We look at each game as a new season, and as for the second half of the season we are 2-0. We will keep practicing hard and doing what we have been doing. Hopefully we can continue to get these results.”

Senior defensive tackle John-Kevin Dolce

On the play in which Miami quarterback was injured:

“We were in a base defense, and I think the guard tried to pull away. The tackle tried to come down [to block] me, and I just tried to get a good push. The tackle could not pick me up so I basically came free to hit him [Jacory Harris].”

On the win:

“This is a big win for us because it is our first ACC win. Every win you can get is the biggest win of the season, and we just try to take one game at a time.”

On the importance of the win for the Virginia football program:

“It helps every aspect of our program, but the thing I am most happy about is getting Coach London his first ACC win.”

On Miami’s late fourth quarter comeback:

“I think that when we were up by so much we might have relaxed too much, but we stepped back up and the offense got some big first downs.”

On gaining confidence moving into the tail end of the season:

“We are excited for the rest of the season, and we know that when we play our best we can be one of the best teams out there. We have confidence in ourselves.”

I'LL TAKE THAT

Colin McCarthy's third quarter interception was Miami's 15th of the season in eight games. Coming into today's game, the Hurricanes' 14 interceptions as a team trailed only Alabama's 15 for the national lead. Last season, the 'Canes recorded just nine interceptions in 13 games.

BOSHER'S BOOTS

Senior Matt Boshier had his most productive outing in the punting game this season, booting four balls for an average of 57.8 yards, including a season-long punt of 62 yards.

HANKERSON EXTENDS STREAK, SCORES AGAIN

With six catches today, Leonard Hankerson extended his consecutive games with a catch streak to 21. Hankerson also improved on his team-leading touchdown total in the fourth quarter when he recorded his ninth TD of the season with a 29-yard touchdown reception.

BYRD'S BEST

Junior wide receiver LaRon Byrd recorded a season-best 78 yards receiving on 6 catches today.

COOOOOOP

With 39 total yards this afternoon, Graig Cooper now has 3,612 all-purpose yards, passing Edgerrin James for third place in program history.

MORRIS MAKES DEBUT

Freshman quarterback Stephen Morris made his debut as a Hurricane today, coming out of the second half at quarterback from Miami. Morris tossed his first career touchdown pass to Leonard Hankerson in the fourth quarter and later scored his first touchdown on a nine-yard run on the next drive. Morris would go on to finish the game 9-for-22 for 162 yards with two touchdown passes.

CAREER AND SEASON BESTS

- McCarthy also recorded a career-high 18 tackles (5 solo, 13 ast.). The total is the most from any Hurricane in a game this season.

MIAMI VERSUS THE COMMONWEALTH STATE

Miami is 29-13 all-time versus teams from the state of Virginia. In the series against ACC members Virginia and Virginia Tech, Miami is at its best when it scores 20 or more points. UM is a combined 16-2 against Virginia Tech (11-2) and Virginia (5-0) when it scores 20 or more points in a game. The Hurricanes are 6-11 when it fails to score at least 20 points against the Cavaliers (0-3) and Hokies (6-8).

QUICK STRIKING 'CANES

- The Hurricanes have proven to be one of the nation's most efficient teams when it comes to quick-strike scoring on offense. Already this year, Miami has 15 scores of two minutes or less through eight games.
- Miami posted 20 scoring drives under two minutes in 2009, which was among the best in the nation.

Miami Head Coach Randy Shannon Quotes

On how the team will respond to this loss:

“We’ll bounce back and get ready for Maryland next week.”

On quarterback Jacory Harris’ injury:

“I haven’t discussed it with the trainers or the doctors.”

On whether Harris was knocked unconscious by the hit:

“No, he was talking.”

On the effect of Harris’ injury on the team’s play:

“It affected the team. When you have a guy like Jacory [Harris], the leader of this football team, go down like he did, it takes a little bit out of you. Spencer [Whipple] came in and threw the ball down the field, but we had turnovers in the red zone. We went to Stephen Morris in the second half to give us an opportunity. We turned the ball over, but we made some plays to bounce back at the end.

It affected the whole team. Anytime you lose a young man like him who’s a part of the team, has been here for a long time, and has done some great things and has been on the road. Offensively, he’s been doing some great things. Like anything though, you have back-ups, and Stephen Morris came in and did a great job, giving us a chance to win the game at the end and that’s all you can hope for.”

On the play of freshman quarterback Stephen Morris:

“It was very tough—to come in on a situation like that as a true freshman, going in there and running the offense and putting him in that situation. But he had to learn. He made some good throws, he made one bad one, he bounced back. [Virginia] blitzed him a lot, and he got out of those situations with his feet. Scored a touchdown and ran for a touchdown, which was good. Anytime you have a young man do those kinds of things and give you a chance, being so young, that shows a lot of how he can improve and how much he can really help this football team.”

On whether the decision to play Morris was a difficult one:

“It wasn’t tough. We’ve been working him a little bit, and you have to give a young man the opportunity. I had confidence in him, and he responded late in the game.”

On decision to go with senior quarterback Spencer Whipple first:

“He’s a veteran. He’s been here for a while, so the thing you have to do is give him the opportunity to go in. He’s learned the offense, he’s been around. He did some good things, and he didn’t.”

On defense’s play:

“In the fourth quarter, our defense really responded. They started making some plays, getting off the football field, creating a short field for the offense to have an opportunity to score. As long as your defense keeps playing and giving yourself a chance, you’re going to get it. They kept fighting and trying to make plays. They gave the offense the ball.”

On whether loss alters the team’s goals for this season:

“Alter the goals? No. We still just have to win the games—win each game one-by-one and just keep going from there.”

Miami Player Quotes

Senior Kicker Matt Boshier

On the team's mood after the loss:

"It's disappointing. We didn't really come out and play the way that we know we can early in the game. We turned it on late. We've just got to watch the film and get back next week."

On the late comeback in the fourth quarter:

"A loss is a loss. We have to learn from it, we have to watch film. We have to play better next week. We just have to make sure to move on. We've got Maryland this coming week."

On junior quarterback Jacory Harris getting injured:

"It was a big hit, not only literally, it was a big hit for the team. We've got to bounce back. We have plenty of playmakers on the field. Stephen Morris did a good job stepping up in the second half. He did a great job leading this team and getting us back within a range of winning. Hopefully Jacory gets better, and if not we'll do what we need to do next week."

Junior Offensive Lineman Tyler Horn

On quarterback Stephen Morris's performance:

"I'm really proud of him. He came in, he rallied us, he grabbed us and said 'come on guys, we've got to do this.' He led us; he's a natural leader. He got us fired up and ready to go, and he led us on the field and scored touchdowns. That was big, I'm really proud of him. He grew up a lot today."

On Harris' injury:

"It's terrible. We let our brother get hurt. It just is the worst thing in the world, there's no worse feeling than seeing that and knowing, that's because of the offensive line, that's because of us. I can't describe it, it's the worse feeling in the world."

Virginia Postseason Game Notes Virginia at Duke • Nov. 6, 2010

- Virginia's 48 points are the most scored in a UVa loss - bettering the previous high of 38, a total scored twice in losses to Georgia Tech in 1998 and 1990.
- Virginia's 48 points equals the most scored by a losing team in an ACC game - tying Duke's 48 points in a loss earlier this season to Wake Forest.
- There were 103 combined points scored between the two teams - marking the second-highest combined total in ACC history.
- Dontrelle Inman's 239 receiving yards is the second-most all-time at UVa, trailing only Ken Shelton's 241 yard day against William & Mary in 1974.
- Inman's 10 receptions were also a career high.
- Verica threw for 417 yards, setting the program standard for a game and breaking the previous best of 393 by Matt Schaub against N.C. State in 2003
- Verica's 413 yards of total offense set a school record, breaking Bryson Spinner's mark of 399 against Georgia Tech in 2001.
- Verica with 417 passing yards has now tossed at least 200 yards in 12 of his 19 career starts.
- Verica's 12th career 200-yard passing day is tied for third most in program history with Aaron Brooks (1997-98)
- Verica was sacked on the first play of the fourth quarter, marking the first time a UVa quarterback had been sacked since the final play of the second quarter of the North Carolina game. UVa went 13 full quarters without giving up a sack.
- Verica's career day of 417 yards through the air passed his previous career high of 283 passing yards against Richmond on Sept. 4.
- Verica set a career high with four touchdown passes, breaking his three TD output against VMI earlier this year.
- Verica is the first UVa quarterback to toss over 300 yards since Jameel Sewell threw for 308 against Indiana in 2009.
- Verica is the first player in program history to toss 400 yards in a game.
- Verica's four touchdown day marked the first time a UVa quarterback tossed double digit touchdown passes in a season since Jameel Sewell's 12 in 2007. Verica now has 13 on the season.
- With 2,082 passing yards on the season, Verica currently has the 12th-best output in a season.
- With Verica's 417 passing yards he now has 4,275 career yards, moving into eighth all-time at UVa. Verica eclipsed Don Majkowski and Dan Ellis against Duke.
- Robert Randolph's 20-yard touchdown run was his first carry and first touchdown of his career.
- Randolph's score off the fake field goal was a Cavalier first since Scott Deke tossed a 12-yard pass on a fake field goal to John Phillips in UVa's 35-20 triumph over East Carolina in 2008.
- After Randolph's touchdown - 12 different Cavaliers have scored at least one touchdown in 2010, breaking a tie for fourth most since 2000. The 2005 and 2009 seasons also had a mark of 11.
- Randolph's score was UVa's 10th this season of 20-yards or more
- Keith Payne's 9-yard touchdown reception in the second quarter was the first TD reception of his career.
- Keith Payne (121 yards) and Perry Jones (89 yards) have rushed for at least 50 yards in the same game seven times this season, including each of the last five weeks. A pair of UVa backs rushed for 50-plus yards each just once last season
- Payne (673 yards) and Jones (557 yards) became the first duo of UVa backs to rush for at least 500 yards in a season since 2007. That year it was Cedric Peerman (585) and Mikell Simpson (570).
- Payne rushed for over 100 yards for the third time this season and the third time in his career, tallying 121 yards on the ground against Duke.
- Payne's 121 yards was a career high, passing his 114 yards gained against Richmond in season opener.

Virginia Postgame Quotes

November 6, 2010

Duke 55, Virginia 48

Head Coach Mike London

How confident were you feeling on 4th and 20 after having back-to-back sacks:

“Very confident - it is disheartening and discouraging that one play gets you off the field and you cannot capitalize on that. Guys are hurt in that lockerroom right there. It was a game of we couldn't stop them, they couldn't stop us – who was going to have the most possessions. They got the possession when it counted and they scored.”

On that defensive call:

“It is just making a tackle on the quarterback. It is a missed tackle. I wish it could have been me and not him. It is one of those things that kind of eats at you. As I told them in there, you have to have short memories when things are not going well for you because the only thing you look forward to is correcting what mistakes you can correct and look forward to playing again. That is what we have to do – correct the mistakes we made and then look forward to playing in our last home game.”

“The fourth and 20 – you don't throw the ball behind you. There was one of those quarterback runs when we had him in the grasp – he got away from us and that led to one of those touchdowns. Like I said it is unfortunate.”

“Three turnovers by us – we couldn't get any unlike last week. It comes down to a game of who is going to have the ball – who can stop who. Those three turnovers helped them and didn't help us for sure.”

On quarterback Marc Verica's play:

“You cannot throw interceptions. It is great that he sets the school record for passing but the scoreboard reads what it does. If I was sitting in that position, you have to play better and cannot make those mistakes. It is the possessions you take away from us when we are driving the ball. The one down on the two yard line – that one hurt. They started the game fast and before you knew it they were up 14-0. You cannot go away into someone else's house and start a game like that.”

On the penalties:

“We can't do things that are going to knock you back and take you out of field position or make it second and long because you can dial up things and put pressure back on the offense or the defense for that matter. We had 11 and they had three – that is not acceptable. Then the turnovers compound that. Like I said it is frustrating. We have to get it fixed and I have to do a better job myself.”

The Football Writers Association of America is supporting the efforts of the AT&T Cotton Bowl Classic to celebrate the 141st birthday of college football and to assist the V Foundation for Cancer Research in its fundraising efforts.

Clarkston Hines Honored

At halftime former Blue Devil standout **Clarkston Hines** was honored for his upcoming induction into the College Football Hall of Fame. Hines is a two-time first team All-America pick in 1988 and 1989.

103 Combined Points Second Most in ACC Game

The 103 combined points between Duke and Virginia is the second most scored in an ACC game in conference history behind the 106 points in a Clemson and Wake Forest game that Clemson won 82-24. Earlier this season Duke and Wake Forest combined for 102 points in a 54-48 Wake Forest victory over the Blue Devils, which ranks third most in conference history.

55 Points Most Since 1990

The 55 points scored against Virginia is the most by a Duke team since 1990 when the Blue Devils won 57-20 Nov. 3, 1990 against Wake Forest. Duke had not scored 50 points in a game since 1994 when they had 51 in a 51-26 win over Wake Forest. It marks the third time this season Duke has scored at least 40 points in a game and sixth time under head coach David Cutcliffe. The last season in which the Blue Devils had three games of 40 or more points was 1994 when Duke had five games with 40 or more.

Blue Devils Rush For 230 Yards

The 230 rushing yards were the most by a Duke team since last season when they had 233 yards on the ground against N.C. Central. Sophomore running back **Desmond Scott** led the way with 97 yards on 17 carries and the game-winning 35-yard touchdown run. Duke's two quarterbacks combined for 100 rushing yards and four rushing touchdowns. The Blue Devils had six combined rushing touchdowns on the day.

Scott Scores Game-Winning Touchdown

Scott's 35-yard carry with 40 seconds remaining in the game gave Duke the lead for good as true freshman **Brandon Connette** converted the two-point try to make the score 55-48.

4th-and-20 Pass Keeps Game-Winning Drive Alive

Redshirt sophomore quarterback **Sean Renfree** stood in the pocket and completed a 32-yard pass to junior wide receiver **Donovan Varner** on 4th-and-20 with 1:09 remaining in the fourth quarter. Renfree completed a similar pass at Maryland, finding Varner for a 35-yard gain on 4th-and-19 in the fourth quarter to set up a two-yard touchdown pass.

Touchdowns on First Three Drives

Duke scored touchdowns on each of its first three offensive possessions. Redshirt sophomore quarterback **Sean Renfree** led Duke down the field on the opening drive and, after a personal foul penalty, kept the drive alive he hit junior tight end **Cooper Helfet** for a 30-yard touchdown pass. On the next possession, Connette had a two-yard touchdown rush following an interception to make the score 14-0. Connette scored again with 2:22 left in the first quarter, this time on a 20-yard run to make the score 21-7.

Four Straight Scoring Drives

Later in the game Duke had four straight drives with scores, recording three touchdowns and one field goal in the third and fourth quarters. Overall the Blue Devils had nine scoring drives out of 13 possessions. The last time Duke scored on four straight possessions was at Wake Forest on Nov. 1, 2008.

Scoring on Opening Drive

The Blue Devils have scored on their opening possession of the game in six of the nine games this season. Virginia marked the third time Duke has scored a touchdown to open the game. They also had touchdowns against Elon and Wake Forest and had field goals against Maryland, Miami and Navy.

Renfree Two Scores, Including a 37-Yard Scramble

Renfree had rushing touchdowns of one yard and 37 yards in the fourth quarter to give him four rushing touchdowns in the last two games. All four of his career rushing scores have come in the last two weeks. The 37-yard run was 25 yards longer than his previous career long.

Connette Scores Two Rushing Touchdowns

Connette had two rushing touchdowns in the first quarter to give him six on the season. He had runs of two and 20 yards for his two scores. The true freshman's six scores rank tied for the school record for rushing touchdowns by a freshman with Chris Douglas (2000). The six touchdowns also rank as the fourth most by a quarterback in a single season.

Connette Sets Freshman Scoring Mark

Connette set a Duke freshman single-game scoring record with 14 points on the day. In addition to his two rushing touchdowns he added a two-point conversion with 40 seconds remaining in the game to give Duke a seven-point edge.

Connette Posts Season High

The 78 rushing yards and two touchdowns were a season high for Connette who's previous best was 48 yards against Elon in the season opener. He now has 281 rushing yards on the year and six touchdowns.

Varner Tallies First Career Rushing Score

Junior **Donovan Varner** carried the ball in from nine yards out for his first career rushing touchdown. Prior to the Virginia game, Varner had three career carries for -13 yards.

Helfet Catches Second Touchdown Pass

Helfet's 30-yard reception in the first quarter was his second touchdown of the season and his longest catch of the season. His first touchdown grab of the year was a nine-yard score at Wake Forest.

100-Yard Game For Helfet

Helfet finished the game with a season-high 122 yards on seven catches for his first 100-yard receiving game as a Blue Devil. His previous high came last week at Navy when he caught seven passes for 69 yards.

Varner Moves Into Eighth All-Time

Varner had 73 yards on four catches to move into eighth on Duke's career receiving yards list with 1,795 career yards.

Duke 5-of-5 In Red Zone

The Blue Devils entered the game ranked first in the ACC and tied for sixth in the nation in red zone efficiency and continued their success by completing all five of its trips inside the 20-yard line. Duke is now 30-of-32 (.938) inside the red zone this season.

Cockrell Records Two Interceptions

Redshirt freshman **Ross Cockrell** had an interception on Virginia's first possession to set up a Duke two-yard touchdown. He then recorded his second of the game in the third quarter on a long pass attempt. It is the first time a Duke player has had two interceptions in one game since Leon Wright returned two for touchdowns at Army on Sept. 12, 2009. Cockrell now has three on the season to lead the team.

Canty First Career Interception

Sophomore safety **Walt Canty** recorded his first career interception in the fourth quarter to give Duke three in the game.

Defense Forcing Three Turnovers

The three interceptions gives the Blue Devils five games this season with two or more caused turnovers. The three interceptions give Duke eight on the year and break a string of three straight games without an interception. The last time Duke had three interceptions in a game was at Virginia Tech on Nov. 22, 2008.

Double Digit Tackles

Canty had a career-high 12 tackles to lead the team, four more than his previous best of eight against Army earlier this season. Redshirt senior linebacker **Abraham Kromah** notched his sixth straight game with 10 or more tackles, finishing the game with 10 stops. Junior safety **Lee Butler** matched a career high with 10 tackles, which he also had at Kansas last season.

Duke head coach David Cutcliffe

On the game

"It was unbelievable. Those young men deserve to win. It certainly wasn't perfect, but both teams played well, and played well enough to win. We were fortunate enough to get off to a good start and had a great finish. Sometimes that's what you do to win football games."

On playing quarterbacks Connette and Renfree

"Brandon [Connette] is a heckuva football player and we are fortunate to have two guys who can play that position as well as those two [Connette and Renfree] play it at times. You think about this game, there's so much to talk about, I'm almost in shock. I don't know when the last time Duke gave up 600-plus yards and 48 points and won. Anybody for that matter; it doesn't happen very often. Guys made plays on defense that helped us win. Guys made plays on offense that helped us win. This is the exact thing we talked about Thursday night, and if you think back about the kicking game, we were about picture-perfect in the kicking game, really well done."

On Duke's fumble in the fourth quarter

"I still want to see that on tape. I thought, and you can't see it clearly, but our coaches thought he landed on his back and the ball popped out. It shouldn't happen. He got caught off the backside. Just unfortunate, but the quarterbacks took care of the ball. We took the ball away from them at times when it was really critical. So a lot of great things in every phase, which is how you win ACC football games. In the fourth quarter, facing as much adversity as often as we did, most Duke teams in recent years haven't been able to emotionally handle that. That's a tribute to our seniors. That's a tribute to our freshmen and that's certainly a tribute to our coaches. That's certainly going to help us as we move forward with this program."

On the fourth-down conversion in the fourth quarter

"Thank goodness they went to two-deep. We had an all-go route on and [Donovan Varner]'s got a win route. He's got a read route for him, where he read the middle of the field open. They hand a guy vertically stretching him and [it was a] perfect throw, a tremendous throw, and a great call by Kurt Roper. Those fourth-and-eighteens, you don't just have a bunch of those up top as a play caller, so it was a great job by Kurt."

On Duke's ability to run the ball

"We had six rushing touchdowns. It's one of the things I believe in and it's one of the reasons we were able to win the game; we ran the ball better than they ran the ball in the second half. That was critical. Obviously we gave up some big yards passing and they're not a great passing team. We've got to look at ourselves and see what we're doing defensively. But Sean Renfree is fast. I've been telling people. Now they might believe me."

Duke Offensive Coordinator Kurt Roper Quotes

On the 4th-and-18 play call

"We were obviously in a tough situation with 18 yards to go and we had to get something that gets beyond the sticks. It wasn't a play that you could throw in and hope you could run for it. So we put in a full vertical scheme all go and Donovan [Varner] has the first option. He found a way to beat the linebacker over the top and inside the safety and just made a heck of a football play."

On the touchdown by Desmond Scott

"My thoughts at that point we were on the 30-yard line so a field goal wins. And then I was really honestly trying to be smart with the football and get something going fast and we just put in a new little crack pulse into the boundary and I'm hoping to get it to the 25 or 20 and help [Will] Synderwine. And players make plays and Desmond [Scott] stepped up

and made a great play and got a couple of really good blocks over there so I think it was a game of truly players making plays.

Duke Football Player Quotes

November 6, 2010

Duke 55, Virginia 48

Duke cornerback Ross Cockrell

On his two interceptions this afternoon

“We had the perfect play call for the second one. The second basically I act like I’m pressing the ball and then I just run straight down the field when they snap the ball. I was doing that and the receiver just ran straight into me and the quarterback threw it up and I just attacked the ball. On the first one, I don’t even really remember it. I was just so excited to see the ball. I just go out there and I try to make plays the best way I can and the coaches do a great job of putting me in the position to make plays.”

On the win

“It was a great win. The offense definitely stepped it up big time for us. I know I gave up a touchdown on a slant that I shouldn’t have done. Our offense came up big each and every time. Kelby [Brown] was just running the alleys hard. Our linebacker corps in general was all over the field today. I just really appreciate knowing that I can play my position deep and knowing that I’m going to have a lot of help inside.”

On the team congratulating him on an interception in practice during the week

“The scout team ran a post route on me. I jumped the post undercut it and picked it off. As soon as I caught it everybody ran out to me and started patting me on the head because everybody knows what happened to me last week against Navy. I had some chances there. I just want to go out there and make some plays the best way I can to help the team.”

Duke quarterback Sean Renfree

On the victory

“We’ll take the win any way we can get it. No matter how many points you have to score, it’s nice that we can put up points when we need to.”

On some of the hard hits he took

“At times it was tough, but I think overall our offensive line did a real good job. At some points I held the ball for too long and obviously it cost me. But I think I had to take some shots when I needed to.”

The 4th down and 20 play to Donovan Varner

“We just had an all-go concept on. The safeties were wide enough that we were able to get a one-on-one matchup with Donovan [Varner] up the middle. He was able to beat his defender real nicely and made a real good play.”

On his rushing game this afternoon

“That’s something I focused on the last couple of games that when something’s not there in the passing game to not to force it and just run and get as many yards as I can. The receivers did a great job with blocking down field and allowing me to run all the way to the end zone.”

On coming back after falling behind twice

“We’ll come back from whatever we need to. It says a lot about our team to come back like that and keep fighting all the way to the end.”

On the final three games of the season

“We have some good momentum going forward. We’re playing some very good teams, but we’re looking forward to it and look to finish out strong.”

On having former quarterback Thaddeus Lewis back on the sideline

“I think having Thad around helped a lot because he’s a real energetic guy and guys look around and see Thad and they can’t help but smile and play with some more energy. He’s been leading this team for a long time so having him around helped us a lot today.”

Maryland Player Quotes

Wide Receiver Torrey Smith

On the win:

"It's a game that everyone wanted; it's a personal game, one that everyone wanted to redeem all of our losses from last year. And obviously being a rivalry game, Coach [Friedgen] wanted it bad, and so did we."

On the different defenses UVa played tonight:

"He was trying to play us man-to-man on the outside, so we had to challenge our receivers. Nine times out of 10 we take our chances, and go one-on-one."

On the team's turnaround this year:

"I mean, no one prepares to lose. We knew coming into the season we had to work our hardest to change what happened last year. Last year we thought we were going to win every week, and when we started to lose, we never gave up. So I guess we didn't surprise anyone but y'all."

On the difference between last year and this year:

"We're a little bit more mature, a little bit hungrier, and we understand what it takes to win. Everyone put a lot of work into it in the offseason, so we're finally seeing some results. But our main change is confidence. Danny [O'Brien] did a great job today, hitting a bunch of our receivers. Everyone caught the ball, and he does a good job spreading it around. We all have great chemistry with one another, so we are starting to get it on."

On the Maryland-Virginia rivalry:

"Oh yeah. This is definitely a rivalry. You can feel it: the pressure, the tension. It's a tough rivalry, you know it is going to be physical; you know you'll hear some trash talking, and have some light pushing. But at the end of the day we all respect each other. Coach [Friedgen] wanted this game bad, and we wanted it badly as well. We haven't won out here in a while, and we wanted to come out and win."

Quarterback Danny O'Brien

On preparation for the game:

"We thought they were going to do one of two things - either press up on us like Miami did, or play off us. They pressed up on us a good amount. We took advantage of it and we did what we knew and what we practiced. Our receivers are great."

On bouncing back from last week's loss:

"Our team all year had bounced back great from losses, which has been big. Every time we lose a game, we don't get down. Having said that, even when we win games, we're going to enjoy this. Tomorrow it becomes Florida State, which is a big one for us. It's what you want at home late in the season, so we're looking forward to next week."

On his own performance:

"I think I did well, I think I executed better. I think I was more prepared this week. I didn't want what happened last week; there were just one or two plays where you don't really know what to do. It didn't happen again, because I had made a conscious decision to prepare harder than last week."

Virginia Player Quotes

Senior linebacker Darnell Carter

On his missed interception:

“A missed opportunity, that’s all I can say. If it hits your hands, you have to catch it.”

On the penalties:

“It killed us. I know it was an emotional game, but you can’t win a ball game with 16 penalties”

On the overall performance:

“As a whole I think we need to be more focused. Sometimes we don’t use the proper technique and I think if we used proper technique and focused more we would do better.”

Sophomore linebacker Steve Greer

On the game in general:

“We came out and battled, they battled, and they had a couple more big plays than us.”

On the 16 penalties:

“Penalties always hurt and that’s something as a team that we are going to have to work on in order to help ourselves.”

On the rest of the season:

“We are family in this locker room, a bunch of brothers. These next two games are big for us and we are definitely looking to go in and get two big wins at Boston College and Virginia Tech.”

On playing well all four quarters:

“We had a good first few quarters, but we pride ourselves on playing well in the fourth quarter. We are going to have to work on that in practice and improve.”

Senior defensive tackle John-Kevin Dolce

On the physical nature of the game:

“We were out there playing very physical. It felt like a very personal game, and guys were getting after each other a little bit.”

On the importance of the game:

“It was the most important game of the season in the sense that every game is the most important. We knew we needed this game and that we had to come out and be more physical than them [to win]. I think we are the better team, but unfortunately I don’t think the better team won today.”

On stopping big plays:

“That is the game of football. Big plays happen. We have to be able to come back the next series or play and make up for it.”

On finishing the season against Boston College and Virginia Tech:

“I think the biggest thing for us is to keep our heads high. I think some of the seniors have to pull along some of the younger guys because they have not been in this position before. We have to make them see that our season has not ended. We still have two games to play, and we are going to play those games very hard.”

Junior holder Jacob Hodges

On his touchdown pass on a fake field goal:

“We noticed on film the way their defense sets up in certain situations, and we knew we could take advantage of it. When we ran the [earlier] extra point play we noticed they were set up that way and that we would have it. It worked perfectly. Oday [Aboushi] had a great block, and Terence [Fells-Danzer] had a great run. It was a great play.”

On momentum gained from the play:

“It gives us a ton of momentum. It gets the players and fans excited. It also gives us a better opportunity for field goals later in the game.”

Junior wide receiver Kris Burd

On the game:

“Obviously it is not the outcome we were looking for, and we did not execute as well as we wanted to. The good thing is we still have two games to prepare to win.”

On the team committing 16 penalties:

“It is unacceptable. Penalties drain the energy of the team, and we will definitely have to address that this week.”

On play in the first three quarters:

“Any time the team is playing well is definitely a good thing to look back on. We just have to get back in the film room and get ready for next week.”

On preparing for the final two games:

“We will play to win. We can still finish 6-6, which is not the season we wanted, but we can finish on a positive note. It can really help build the foundation for the program.”

Virginia vs. Maryland

Nov. 13, 2010

Virginia Head Coach Mike London

Opening statement:

“I’m very disappointed in the lack of better effort—particularly in the fourth quarter. It’s frustrating. It’s frustrating to have 16 penalties. That’s directed on us coaches—what we teach and how we teach it, getting it across to the players about what’s acceptable and what’s not acceptable. You can’t have that many penalties. We gave up turnovers. The team that gets turnovers has a chance to do well, and they got two of them late. We had an opportunity, but the ball went through Darnell Carter’s hands and the guy caught it. It was unbelievable, but that’s the way it goes. They got theirs, we didn’t get ours. As I told the players in the locker room, we’ve got two games left. You can take it and go south. All of those that want to do that can come by my office tomorrow, and I’ll excuse them from practice for the rest of the season. Anyone that wants to go forward and move forward can show up and we’ll get this thing going and get it in the direction we want it to go. We’re a work in progress, it’s rough, it’s not smooth around the edges, but it is what it is. We’ll get this team and this program moving in the right direction. I think when adversity hits, a true test of someone’s character is how you handle that, and you’re not going to see this guy tucking his head or ducking questions or walking around feeling sorry for himself.”

On turnovers:

“The biggest thing is, when the ball is thrown up in the air, having the ability to make a play or not have a penalty on that. When the ball’s thrown into the air, the mindset has got to be ‘it belongs to me.’ Those things have to be addressed as far as people being in position. You’ve got to go up and make a play, or you’ve got to contest a pass. A couple of the interference calls—they are what they are—but you’ve got to go up and contest the ball. You don’t have a chance to do that if you’re not in the vicinity. We have to keep manufacturing those types of plays. We do have to find a way to put a game away in the fourth quarter.”

On injuries:

“I think with Perry [Jones] it was a collision issue. I don’t know exactly about Ras-I [Dowling], but I see he’s in a boot. In Keith [Payne’s] situation, it’s a lower-leg injury. I think he’ll be back. It’s frustrating that the week before, you lose your starting left tackle. We’re a team that can’t afford to lose players and guys that have played. On the other end, guys like Morgan Moses and Sean Cascarano—hey, you’ve got to play. You’ve got to take the growing pains along with that.”

On penalties:

“When you’re in certain positions to carry out plays and to carry out blocks, I’d rather you not carry the block out than carry the block out and block in the back. That’s got to be created in practice. Holding the coaches accountable for the techniques that they teach—making sure that their techniques are sound and that they will allow us a chance to execute whatever we’re trying to get done. I’m in charge of the whole team, so I’m the one that’s got to make sure we reduce the amount of penalties by what’s being taught and by what’s being understood by the guys playing.”

On interceptions:

“They were ugly. They went to the wrong guy. It’s one of those things where [Marc Verica] probably didn’t see the underneath coverage. On the second one, I believe [the Maryland player] just took it out of the receiver’s hands. He made a great play on it. Not to minimize the play, but when the ball’s in our hands, we’ve got to hang onto it. They got turnovers that they needed.”

On drops by receivers:

“Coach [Bill] Lazor mentioned that—a couple of drops by guys that were pretty open who are usually sure-handed. Obviously when you’re in a game and playing a team like Maryland, those drops end up hurting you. It is very uncharacteristic to have that many drops by our wide receivers because usually they’re pretty sure-handed.”

Postgame Notes

Maryland 42, Virginia 23

Quick Hits: Maryland improved to 7-3 and 4-2 in the ACC with its 42-23 win over Virginia ... the Terrapins record when leading at half this season is 6-1 ... Maryland snapped a three-game losing streak to Virginia ... Maryland's 19-point win is its largest margin of victory in Charlottesville since a 42-10 win in 1986.

Friedgen Wins: Head coach Ralph Friedgen won his 73rd game today, tying him for the third-most victories in school history with Jim Tatum. Curley Byrd is the all-time leader with 119 and Jerry Claiborne is second with 77.

Ground Attack: Maryland's first four touchdowns came on the ground, and all four from freshmen. Quarterback Danny O'Brien had one and running back D.J. Adams had three.

Adams TDs: D.J. Adams ran for three touchdowns against Virginia, becoming the first Maryland player to do that since Lance Ball on 10/6/07 against Georgia Tech. Adams had TD runs of 6, 1 and 2 yards and the freshman now owns the team lead with six rushing TDs of the season. It is the second multiple-TD game of Adams' career (also two vs. Morgan State, 9/11/10). Adams had 13 rushes for 37 yards.

Turnover Battle: Maryland improved to 6-2 in games they win the turnover battle. Eric Franklin and Adrian Moten had each had interceptions, while the Terps didn't commit a turnover. Maryland is now plus-13 in turnovers this season. Franklin is the eighth different Maryland player to record an interception this season. Moten now has six career interceptions (four this season), the second most in school history by a linebacker.

Make it Six: Torrey Smith had over 100 yards receiving with 12 minutes left in second quarter. He finished with a game-high 157 yards on seven receptions. It was the sixth 100-yard receiving game of his career, which is tied for the fourth most in Maryland history (also Vernon Davis). His 12-yard TD catch in the fourth quarter gave him eight on the season, which is tied for the third most in a single season in school history.

More Smith: Torrey Smith had 216 all-purpose yards in the first half (157 receiving, 59 kickoff returns) and now ranks 15th on the ACC career list. The junior has 4,766 all-purpose yards in his career.

Run, Pass and Catch: Danny O'Brien ran for a 12-yard TD early in the second quarter, the first rushing TD of his career. The freshman has thrown, caught and run for a TD this season.

Big Plays: The Terps had two plays over 50 yards against Virginia: a 62-yard pass from Danny O'Brien to Torrey Smith and a 55-yard pass from O'Brien to Quintin McCree. Maryland, which had just eight plays of 50 yards or longer in 2009, now has 16 this season.

O'Brien in Top 15: Danny O'Brien threw for 289 yards and two TDs against Virginia and now has 1,571 yards on the season, which is a Maryland freshman record. It also ranks 15th in ACC history among freshmen.

Tidbits: Quintin McCree's 55-yard reception was the longest of his career ... Alex Wujciak had a team-high 11 tackles ... the Terps have now recorded 22 interceptions over the last 15 games

Virginia vs. Maryland

Nov. 13, 2010

Maryland Head Coach Ralph Friedgen Quotes

Opening statement:

“It was a very good win for us and our program. Playing well down here isn’t something I’ve been able to get our team to do. We had so many kids step up. Virginia played hard like I knew they would so we were very fortunate to get a win. Losing three years in a row is not good and I wanted this one really badly. I think the kids knew it. I’ve been on them all week. I am very thankful to them for playing as well as they did.”

On Virginia’s secondary:

“We thought we could beat them. We thought their secondary was their strength but they were all banged up. When we played one-on-one we could beat them. Danny [O’Brien] threw it right on the money. His deep ball is looking really good.”

On Virginia’s penalties:

“There were a lot of holds on that team, both up front and in the back so I think the officials did as well as they could with that.”

On Maryland’s success in the red zone:

“Last year our red zone offense was not good. I think [offensive coordinator] James Franklin called a great game.”

On clinching a winning record:

“Here we are with two games to go in the season and we have a shot to win our division. We were picked to finish last by all of the experts and that itself is an accomplishment. We’re not looking to stop there though. We have a huge game this week and we’re coming home so hopefully we’ll get a lot of people to come out and support us. Who knows what could happen? We have some issues like everybody does at this time of year but we also have kids that are playing their hearts out right now. As a coach, you can’t ask for more than that. They just laid it on the line. We have very good leadership from not just our seniors, but also our juniors and sophomores.”

On the difference between the first and second halves:

“I was upset at halftime because we didn’t stop the run and we were going to be in trouble. Then we did a better job stopping the run in the second half and they had to throw it. That was when we started getting some picks and some sacks. They did a good job protecting. They were keeping seven guys in at a time to get quick passes out but when our defense needed to, they came up with some big plays. That last interception sealed it.”

On his team’s growth:

“I have a good bunch of kids and I know how hard they work. They’re just starting to grow up right now. They’re just getting started. We finished the game on the offensive side today and that was a very positive step.”

Virginia Postgame Quotes
Boston College vs. Virginia
November 20, 2010
Alumni Stadium, Chestnut Hill, Mass.

Head Coach Mike London:

Overall:

“The guy has played in a lot of games. He made an ill-advised throw for an interception, but I think we had over 400 yards of total offense, which is something that hasn’t been done around here in long time. It’s a tough loss, but you always have to learn from things like this. Players have to learn that the margin for error is so thin. The opportunity when their quarterback was hit and the ball bounced in and out of our hands. He probably would have took and ran it for a score. They have the best running back in the conference – statistically - and they did a good job at what they do. It’s disappointing, but you have to look up, look forward and get ready for our final game.”

On the missed field goal:

“We’re glad to be on TV, but it felt like there was a ton of timeouts that just slowed the game. Either way you have to make the kick, whether it was one timeout or no timeout at all. He was doing a good job, but I guess it went right. Nobody is pointing fingers at him, because we could have a lot things on both sides of the ball to help ourselves.”

On the touchdown review:

“I asked the question, ‘Was it a touchdown or a play that should be reviewed?’ No, I did not see a replay. Dontrelle said he landed on top of the guy with the ball, in bounds. Obviously, they didn’t call it. I never got an explanation for that, but I guess I will soon.”

On striving towards a bowl streak like Boston College’s:

“Absolutely. In that kind of streak you play in games like this and win, you start to identify yourself as a program that has enough wins to go on to the postseason. With the postseason, you have the chance to practice more. And when you practice more you build more experience and more depth, because of the opportunities that postseason allows you to do. That is a goal of ours to do it every step of the way, the right way. As I keep talking about what we do in the community and the classroom and everything else. Hopefully, as we continue to forge ahead here, that becomes the culture, becomes what Virginia football is known for.”

On the onside kick:

“We were trying to create those opportunities for us. They gave us the same exact look as Duke. We practiced that every day, twice-a-day, 100 percent every day. It was one of those things where we flubbed it a little bit. You try to live courageously. No guts, no glory as far as the kicking game. That one didn’t work, so we’ll keep looking for other opportunities.”

Boston College Postgame Quotes
Boston College vs. Virginia
November 20, 2010
Alumni Stadium, Chestnut Hill, Mass.

Head Coach Frank Spaziani:

Overall:

“My hats are off to the Virginia players. They are well coached. They played hard. They had a good scheme. Obviously you saw it went down to the wire. I’ve got to give our kids and our coaches a tremendous amount of credit. It was a tough ball game and guys just keep stepping up, keep working hard and that was the little edge at the end in one of those games that could have gone either way. We are very happy to win it.”

How satisfying is it to get that sixth win and be bowl eligible?

“The players and myself, we didn’t start the year out to be 6-6. We certainly have higher aspirations every year around here. Are we happy now to have won four games in a row? Absolutely. We have another game to play. We move on to the next week and then we’ll figure it out at the end.”

On the defensive effort of the Eagles:

“Yards is a nice stat for everybody, but points is where it’s at.”

On the performance by true freshman running back Andre Williams:

“I said to Andre, and I said to a couple of the players, that’s why you keep working hard as a backup, whether you are two or three or whatever you are on the depth chart. That’s why. Because you will be called on and you don’t know when and you don’t know where. He was ready. You have to be ready for the opportunity. We know he has some talent but he’s been working and we were glad to have him today. Obviously.”

On the performance of junior running back Montel Harris who became the second-leading career rusher in Boston College history:

“I say it every week, Montel works hard. He’s a good back. He really is a good back. You have to be exactly right with him and they had him contained a little bit in there but he was able to slither through. He did a good job. We had planned to use Andre in there to give him some rest.”

On the performance of true freshman quarterback Chase Rettig:

“He made some nice plays. He did. He made a couple of nice throws. He managed the game correctly. He certainly made a nice scramble for a big first down for us over there. There are a couple of passes that I think he would like to have back that might have made it easier for us. He had Alex Amidon a couple of times. But that’s football. There aren’t too many perfect people around.”

Sophomore LB Luke Kuechly

On the game’s final play to secure the victory:

“It feels great. The past couple of games have come down to the wire. I joke around with the coaches that we’re making them get older and taking years off their life because these games have come down to the wire. So, it was good that we were able to bat the ball down at the end of the game. We got good pressure by our guys up front and he threw it kind of short so it helped us out.”

On BC second-half adjustments made to stop Virginia's ability to run the ball:

"I don't think we came out how we needed to. We came in at halftime and got things fixed. We did a little better job of containing the ball in the second half that led to a better showing from the defense.

On securing the team's sixth win:

"It's definitely good, but you're not satisfied until the end of the season. If we keep winning, and that's all that were concerned about is continuing to win. You can never be satisfied because once you're satisfied, everything else in the future kind of goes away.

On putting together four wins after a five-game losing streak:

"We knew we had a great team. We knew we had to just get things rolling. It took a few games in the middle of the season to figure things out. Now that we are figuring things out, we're starting to roll again."

True freshman QB Chase Rettig

On the touchdown pass to Alex Amidon:

"I saw that their safety was not playing too deep. He was kind of in the middle. Alex made a great break around the corner and I just tried to keep it up-field as much as I could. Everything ended up working out and he made a great play. I had a lot of time [in the pocket] on that play and I was able to step up and put it in Alex's hands.

On satisfaction gained after managing a go-ahead touchdown drive:

"It definitely made me feel more comfortable. Confidence-wise, it was a huge boost. It made me realize that when we needed to, we'd go ahead and do it. I think that sparked our offense and the whole team rallied a bit.

On offensive line and its run blocking:

"They [the offensive line] played great. The last couple of games, teams have started to load the box up for Montel [Harris] and Andre [Williams]. We have a huge run attack so it's credit to our offensive line. They played great and I don't mind handing the ball off. We're going to be successful doing it, so I'm just going to do everything I can to help our team win. That's all that matters.

On putting together four straight wins after a five-game losing streak:

"I definitely thought it was there for us to take. This whole week, we have been talking about 'what team wants it more.' Every game, it's a new week and all you're trying to do is win that game and not worry about anything else. We had that streak when we were losing. But, each week, I feel like our coaches instill in us that it's yours to take. The older guys have definitely helped out. The captains are telling us that we're alright and if we want this, like I said before, it's ours. So it's nice to be on a streak right now and we're just trying to continue it into next week.

Virginia Postgame Notes • November 27, 2010

Virginia at Virginia Tech • Blacksburg, Va.

- Virginia drops its 13th-straight game in the month of November
- Virginia wore its ninth different uniform combination this season (white jerseys and pants).
- Billy Skrobacz caught his first career reception in the fourth quarter.
- The reception marked the 19th different receiver to catch a pass this season, matching the 1959 Cavalier squad's 19. In 1959 there were four different receivers that caught only one pass, while this year UVa had three receivers catch only one pass.
- Kris Burd's 27-yard's kick off return was the first of his attempt of his career. He had accumulated 47 previous return yards on a reverse earlier this season, but wasn't credited with an attempt.
- With eight rushing yards today Keith Payne becomes the 38th player all-time at UVa to amass at least 1,000 career rushing yards. Payne finishes his career with 1,004 career rushing yards – good for No. 38 in the UVa annals.
- Kris Burd finished the season with 58 receptions. The only UVa wide receiver with more reception in a season is Billy McMullen who had 83 in 2001 and 69 in 2002. Deyon Williams in 2005 and Kevin Ogletree in 2008 also caught 58 passes.
- With 47 receiving yards Burd moves up to No. 16 all-time at UVa with 1,277 receiving yards
- With 168 yards passing, Marc Verica concludes his career at No. 6 in the UVa record book with 4,992 passing yards.
- Verica concludes his career with a .599 completion percentage (487-813), placing him No. 3 all-time in the UVa record book behind Matt Schaub (.670) and Marques Hagans (.623).
- Verica's 487 completions rank No. 3 all-time at UVa.

University of Virginia Head Coach Mike London Quotes

How far do you have to go?

They're (Virginia Tech) the measuring stick right now. You're humbled by the fact that there's where you got to go. But that's where I aspire our program to go, a team that wins games and consistently competes for championships. Not to be too hard on myself this first year but this is humbling to see, as you say, 'how far we've got to go' from a recruiting standpoint, from the mindset of what our players continue to think about themselves, from what we do in the classroom, all those things – a total transformation of trying to get things going in a direction for people that are Cavalier fans can be proud of. I'll work tirelessly in all those aspects to make that happen. Our fans deserve it. We'll get older, we'll get bigger, we'll get stronger and we'll get used to what's going on around here. They are playing in the championship game so our hats off to them, good luck.

Field position issues –

Today was a field position issue where they had short field and we had long fields. At the beginning on fourth-and-three we were going to go for it but we get a delay of game and then we miss a field goal. Then we had a fourth down on a punt situation where we had the option to kick it or throw it to Colter Phillips for the fake; the look that we wanted wasn't quite the look we wanted to execute the fake but it was thrown and were stopped with just a couple of inches. Then it was fourth-and-one and Keith Payne has been our big back and all we need is our back to fall forward for yardage and they stop that. We were playing on a long field most of the day by not being able to convert on those fourth downs.

It is always a challenge when you go into a situation where you're trying to get players to believe in themselves when no one else does, or you're trying to change a mindset or culture. I will continue to try to create positive atmospheres around our guys because that's the only way you can do it.

Tomorrow is the first day of contact period that allows you to go out. My second season has just started. To get in the homes and get in the faces of those young men that have opportunities here and talk about the things that this school can offer them. I'll be working tirelessly to attract the type of young man that can help us win on the field also.

Virginia Tech Postgame Notes vs. Virginia . Nov. 27, 2010

. Virginia Tech held its opponent to no points on its first drive of the game for the first time in the last four contests and just the fifth time in 12 games this year. Opponents have scored six touchdowns and a field goal so far this season. Georgia Tech, North Carolina and Miami all scored touchdowns on their first drive of the game in the previous three games. East Carolina kicked a field goal while JMU, Boston College, Wake Forest, Duke and Virginia failed to score.

. Eddie Whitley picked off his second career pass to start the second quarter. It led to Ryan Williams' eighth rushing touchdown of the season. Williams has now scored 32 touchdowns in his 21 games played at Tech. His 32 scores are the fourth-most for a career in school history.

. David Wilson caught his second touchdown pass of the season in the second quarter. It was Tyrod Taylor's 40th career touchdown pass.

. Taylor became the school's all-time leader in passing yards with a 25-yard pass to Jarrett Boykin in the third quarter. He passed Bryan Randall (6,508 yards; 2001-04) and now sits with 6,532 yards. He also holds the school record for career total offense, career rushing yards by a quarterback, career rushing touchdowns by a quarterback and wins by a starting quarterback.

. Taylor now has 20 touchdown passes on the season, becoming the third quarterback in school history to pass for 20 or more touchdowns in a season. The school record for touchdown passes in a season is 22, set by Maurice DeShazo in 1993. Bryan Randall had 21 touchdown passes in 2004.

. Chris Hazley connected on a 40-yard field goal in the second quarter, his 19th make in a row. It extends his school record for consecutive field goals made in one season. Brandon Pace holds the school record for consecutive field goals made, making 22 in a row over a two-year span (2005-2006). Hazley is now 6-for-6 on field goals of 40 yards or longer with a long of 52 yards.

. Freshman corner Kyle Fuller registered a career-high 10 tackles (including three for loss) with two pass break ups in the game. He came into the contest with 21 tackles on the year with a high of five tackles, coming in three different games.

. Junior Jarrett Boykin moved up to fifth place all-time at Tech in career receptions with six catches and now has 115, just 12 away from a new school record (Ernest Wilford, 126).

. With the win, the Hokies finish the season with a perfect 8-0 record in ACC play. They become the first team since Florida State in 2000 to go undefeated in conference play.

. Tech has now won 10 games in a row, only the third time in school history the Hokies have had a winning streak of 10 games or more. Tech won 11 in a row in 1999 and won 13 in a row to end the 1995 season and open the 1996 season.

. Tech has now won 10 or more games for the seventh-consecutive season. That streak is the longest active streak in the country for FBS schools and ties for the fourth-longest streak in the modern NCAA history.

Head Coach Frank Beamer Quotes

Opening Statement:

I'm really proud to get this win. I'm proud that we are the one program in the country that has gone seven straight [seasons] with 10 wins, and there's only one team. I'm proud of the fact that we went undefeated in ACC play. I think our seniors are still in line to come out with the most wins ever. We feel great to be in this position. We have to prepare for next week and go get it. The kids played hard, it wasn't always pretty, but I think the wind can get things out of whack. It can just affect the games. I think our guys came up with some big plays and got it done early. It was another good team win. I'm proud of these guys. Where we started and finished now is remarkable.

On coming back from starting the season 0-2:

We were at a point where we were just trying to win the next game but it just makes a statement about this team and our coaching staff. They supported each other, we have a tight knit group here and it's been quite a year. The two losses make you appreciate these ten wins even more.

On Kyle Fuller filling in for Rashad Carmichael:

He's a young guy that's ahead of his time. He's heady and a smart football player. We missed Rock in there but he did a good job filling in.

On the turning point in this game:

I think there was a couple big stops there that got the game going in a different direction. I give Virginia credit, they played tough, but we have guys too. When we had Bruce Taylor on the fourth down, that was a big hit. It shows the heart of this team, I don't think they have ever stopped believing, even when things don't look good they keep playing hard.
