## 2006 VIRGINIA FOOTBALL

Virginia 13, Wyoming 12 (OT)

September 9, 2006

### POSTGAME QUOTES

#### Virginia Head Coach AL GROH:

"That game right there is the kind of game we've been trying to get here for six years. That is, get our defense playing so that we can win a game on defense. That was a terrific job by the defense. Those guys were resilient, resourceful and hung in there under every circumstance."

On his thoughts heading into the final extra point attempt by Wyoming:

"There's not really much I can do about that kick so I was trying as you do often in the game, to get a couple of plays of ahead."

On winning the game on an opponent's missed extra point

"I was lucky enough to be part of a team to win the Super Bowl on a kick (XXV as an assistant with the Giants) on the last play of the game that went wide right. This one felt almost as good."

On today's special team's effort:

"Last week only one of the six units did anything to give our team a chance to win. And that was the field goal team. Now that team regressed a little today, but our kick off coverage was good. Our punt coverage was much improved and that was a big factor and then Chris did a nice job of punting the ball for distance. That's three out of six that stood out pretty good today, so that's an improvement from one out of six."

On Kevin McCabe's touchdown pass:

The throw was everything it had to be. It was right on the spot against that coverage with that route. Kevin did a real good job. Both Kevins. Kevin Ogletree was in the spot the quarterback expected him to be. Kevin McCabe through the ball to the spot."

On Kevin Olgetree's 10-catch, 95-yard performance:

"He made catches under duress and did a good job with it."

On Kevin McCabe's overall performance:

"He had good ball movement out there. He had his rough moments out there. He miscalled a couple formations, but any guy would. One of the characteristics of a team that is going to do anything is resilience and your quarterback has to be the most resilient. Probably the best characteristic that he showed wasn't the ball in the air, but the resilience he showed in coming back from some other circumstances that he found himself in."

On the importance of the team getting it's first win of the season:

"It's very positive and that was apparent by our player's happiness in the locker room."

On the quarterback situation:

"That is something we will address in here. We are not going down that road. When we decide each week who our quarterback will be. The quarterback will know first. The team will know second. Everyone else will know third."

**On Chris Olsen:**

**"We didn't get enough drives going there. We made sure to tell Chris that we weren't down on him we just thought at that particular time to try to see if something different might work. So that's what we did for the moment."**

**On Jason Snelling's injury:**

**Jason sprained his ankle a little bit last week. Jason's a very important player to this team. We just decided that what we didn't want to happen was to be sitting around in December and say, 'Jason sprained his ankle during the first and really hasn't had his juice all year.' We just had to have the discipline to face the reality of things and hold him out here today."**

### POSTGAME QUOTES

#### Wyoming Head Coach JOE GLENN:

On PK-Aric Goodman's missed extra point at the end of the 1st overtime:

"Well, he'll win a lot of games for us before it's all said and done. He out-kicked their guy all day long; he was 2-for-2 and their guy was 2-for-4 and had a chance to win it and couldn't. It's just a shame we missed a three-inch putt at the [end]. You know, I'm his coach, so I have to take a little blame, I guess. He left it right, didn't square his hips up. He gets a little lazy once in a while squaring his hips up, getting through the ball. He left his right hip open."

On whether Goodman will keep his job:

"We'll see. We've got another good kicker, and if he's healthy, we'll work them both like any other position. . . . You've got to make those kicks. He sure did a good job on his other ones. It's too bad it had to come down to that."

On his postgame message to the team:

"We already talked about it. You know, we lost a hard-fought game. I told them, 'You played so hard for so long. You gave it everything you had. We're putting this one behind us, and we've got a tough game coming up.' If you saw the running back from Boise State, he's a great runner. So, yeah, this one's behind us. I think the kids feel proud of the way they played. You know, we're a long way from home. Under the circumstances, I thought we gave it the old college try and came up one point short. What a difference one point makes."

On Wynel Seldon's fumble at the goal line:

"I thought it was a touchdown. I couldn't see it, but I felt like Wynel went up and touched the line with the ball. . . . He touched the line with the ball. It's supposed to be a touchdown, isn't it?"

On Wyoming's fake punts:

"We actually give it to John [Wendling]. It's a deal where we go out and if it's there, we take it. John Wendling is a star. We had it ready. We worked it in practice, and if it's ready, take it. And then for the kids to run block and execute like that, hats off to them."

On Chris Sundberg's touchdown reception:

"He bodied up really good, got himself into position. It didn't open up like we hoped. We take isolation in there and hopefully the linebacker will step up and we throw the pop pass over him. The linebacker didn't really come up that much. Now, instead, you've got to make a play. It turned into driveway basketball. Jake [Doss] made a great throw and [Sundberg] made a great catch."

On the difference between Virginia's quarterbacks:

"I don't know. They scored six points. [McCabe] threw the ball a little bit better."

On McCabe's touchdown pass:

"That was a great play. He threw a nice shot, got it in there. Dorsey [Golston] just about got it, he should have been a little more in coverage. Give him credit because he made a real good play."

On bouncing back for the next game, Sept. 16 vs. Boise State:

"We didn't embarrass ourselves here, a couple of thousand miles away. We played our hearts out and got beat by one point. So, I think we feel pretty good about ourselves. We beat a team pretty good at home last week, now we're home again for two straight games – get a little run going at home. This is a pretty good team right here. They beat Florida State last year [and] beat Minnesota in the bowl game. It wasn't that long ago. These guys have a lot of good players on their team, and we took them toe-to-toe into overtime and lost by one point. That doesn't make us a bad team. I'm so proud of our guys. I think we build on it."

### **POSTGAME QUOTES**

#### **Wyoming Senior Safety JOHN WENDLING:**

On choosing to fake the second punt:

"Coach gave me a look and if we get this look we go with it. It probably wasn't the smartest thing to do but it worked and we went with it."

On the second faked punt:

"It was tough. It was a long yardage situation, fourth and twelve, and they came out in the exact same look. It took me longer than the first one because I probably thought about it too much."

On the hard loss:

"We're a little down but we're a heck of a football team to stick with an ACC team like Virginia. We're fairly positive and excited about next week's football game. Our defense is looking forward to proving ourselves against that quarterback."

"It's tough, but we have got to learn from it and build on it. We have great potential for the season."

#### **Wyoming Junior Quarterback JACOB DOSS:**

On the missed extra point in OT:

"That is a lot of pressure put on a young guy like that. This is football, it happens. Aric, he'll be fine, he's going to win some games for us, I guarantee that."

"He was by himself but at first you think, 'did that really just happen?', but then it sets in and you can only feel for him. The leaders had to get his confidence back up. He's a heck of a kicker, an All-American in high school and he'll be fine."

On offensive struggles:

"Their defense is really good, I wouldn't say we struggled. We're young, we lost our starting center, and we had to switch a guy to center and put a young kid in. He played his heart out, he's awesome (Russ Arnold – guard)."

#### **Wyoming Sophomore Tight End CHRIS SUNDBERG:**

On catching the touchdown pass in OT:

"It wasn't intended for me. I was elated for about 15 seconds, then I was deflated right after that. I was so excited that our team had a chance to go into OT again. I was pretty sure we'd be back on the field but it didn't go through the uprights and that's just the way it goes, and we can't do much about that."

#### **Virginia Junior Position FB JOSH ZIDENBERG:**

On the blocked punt:

"It was something I was expecting. Coach told us to expect to come free and the two plays before that I was getting close. This time it just happened. It was great feeling."

#### **Virginia Sophomore Receiver KEVIN OGLETREE:**

On his touchdown reception in overtime:

"They called a play where the coverage allowed me to be the first option, and I just ran the route we had been practicing all week and there it was."

#### **Virginia Senior Cornerback MARCUS HAMILTON:**

On his interception:

"I was in the right position at the right time."

On the missed extra point in overtime:

"I went for the block and I was on the ground, and then I heard cheering, and that was when I realized he had missed it."

#### **Virginia Junior Quarterback KEVIN McCABE:**

On his thoughts when first entering the game:

"I was just trying to go out there and play within the offense."

On the touchdown pass in overtime:

"We ran that play at the end of the fourth quarter, and Kevin Ogletree said the defender was in position where we could hit one. He lined up the same way the first play, and I didn't want to force anything, but when you have a chance, you got to take it."

#### **Virginia Sophomore Linebacker JON COPPER:**

On his individual performance:

"Well, I had been really sick all week, and I had a lot of people praying for me over the last 24 hours, so I feel really blessed to have been able to give this kind of performance."

On if he felt the defense had to help carry the offense:

"This is a team game, and it was a good win with good plays on both sides of the ball."

#### **Virginia Junior Place Kicker/Punter CHRIS GOULD:**

On his kicking performance:

"Obviously I was disappointed with my field goals, but I did kickoffs and punts pretty well. I thought I hit the 48 yard field goal pretty well, but it hit the upright, and that is just one of those unfortunate things."

On the Wyoming place kicker, and the missed extra point:

"I sure he was thinking 'unbelievable, how did I do that.' But he is a true freshman, he'll have his glory one day, and I wish him the best of luck and am sure he'll get a lot better."

## Virginia vs. Wyoming Game Notes

This was Virginia's first overtime victory in five tries. The Cavaliers scored their first overtime touchdown on a 25-yard pass from Kevin McCabe to Kevin Ogletree. UVa had previously gone 0-4 in overtime – the last was in a 37-34 loss to Fresno State in the MPC Computers Bowl in Boise, Idaho on Dec. 27, 2004. Virginia had faced Clemson, Duke and BYU in extra time.

The last time Virginia held an opponent to one touchdown was in the 7-5 loss at North Carolina on Oct. 22, 2005.

This was Wyoming's sixth overtime game. The Cowboys are now, 3-3, in overtime games. The last one was played on Nov. 6, 2004 in a 53-45 triple overtime win over UNLV. Of the previous five overtime games, four were played in Las Vegas – three against UNLV and one against BYU in the 1996 Western Athletic Conference championship game.

Virginia quarterback Kevin McCabe threw his first career touchdown on the first play of overtime. It was a 25-yard scoring strike to Kevin Ogletree.

Virginia wide receiver Kevin Ogletree had career-highs in receptions (10) and receiving yards (95). He also caught his first career touchdown on the first play in overtime.

Wyoming wide receiver Michael Ford caught a career-high nine receptions for 63 yards.

Wyoming's opening drive for a field goal marked the second consecutive game this year UVa's opponent has scored on its opening possession. Last week Pitt scored a TD on its opening drive.

Virginia's Jon Copper's first career sack came in the first quarter when he tackled Wyoming quarterback Jacob Doss for a loss of eight yards. He finished with a career-high 11 tackles.

Chris Cook made his first start at CB in nearly a year (Boston College '05) and was in on a career-high 12 tackles. He made six tackles in five games last year.

Wyoming successfully completed two fake punts in the first quarter, which both led to first downs for the Cowboys.

Marcus Hamilton recorded up his 11th career interception when he picked off Doss at the four-yard line and returned it 29 yards. He later recovered a fumble on Virginia goal line, the first of his career.

After recording one sack for eight yards in its first game of the season at Pittsburgh, Virginia sacked Wyoming four times for a loss of 20 yards (all in the first half). Virginia is 20-4 under Al Groh when recording at least three sacks.

The first half of the Virginia-Wyoming game was the lowest scoring half in a Virginia game since a 0-0 halftime score in the UVa-Virginia Tech game on Nov. 27, 2004.

With his third quarter reception, wide receiver Fontel Mines has now caught a pass in 13 consecutive games, the longest streak on the team.

Wyoming kicker Aric Goodman's 39-yard field goal in the third quarter was the longest of his career.

Virginia's Josh Zidenberg was the first Cavalier to block a punt since the Virginia vs. Duke game on Oct. 23, 2004 in Durham, N.C. when Jon Thompson blocked one in the third quarter. Zidenberg blocked his first collegiate punt in the third quarter.

Chris Gould's 49-yard field goal attempt that hit the left upright during the fourth quarter was the longest attempt of his career.

Prior to the kickoff of today's game the University of Virginia paid tribute to Carl W. Smith, one of the University's most generous supporters. A 1951 graduate, and former Cavalier player, Smith died in December. In 1997, Smith, along with his wife, Hunter, made a gift of \$25 million to the University. It was the largest single monetary contribution in UVa history. The bulk of that unrestricted gift – \$23 million – went toward the expansion of Scott Stadium. The area encompassing Scott Stadium is named The Carl Smith Center in Mr. Smith's honor.

## **2006 VIRGINIA FOOTBALL**

**Western Michigan 17, Virginia 10**

**September 16, 2006**

### **POSTGAME QUOTES**

#### **Virginia Head Coach AL GROH:**

**On Western Michigan's game plan:**

**"Western Michigan knew exactly what kind of game they had to play, which was play a good sound solid game, see if Virginia would do enough to help them win. Obviously, we did everything necessary to help them win. And we were well below unacceptable in every phase of the game, from me on down. It's got to get better than this."**

**"It's like being caught in quicksand. When you can't score any points, you can't kick it through, you can't throw it in, and you can't run it in, it makes it pretty hard to win. Teams that we're playing are recognizing that, playing a certain kind of game. They know that they don't have to score a lot of points to win. We put them in a position to get 14 (points) today. That's good smart planning on their part."**

**On playing three quarterbacks:**

**"We were planning on doing whatever the situation during the course of the game indicated was necessary. What I saw out of the three quarterbacks was what I see everyday – not enough production."**

**On Jason Snellings's play:**

**"Jason did a nice job. Unfortunately, we lost him for part of the game. When he came back in, he was able to create some plays for us, but his unavailability certainly didn't come at a good time when you need somebody to make a play offensively."**

## **2006 VIRGINIA FOOTBALL**

Western Michigan 17, Virginia 10

### **POSTGAME QUOTES**

#### **Virginia Junior Tight End TOM SANTI**

On his role with the offense:

"I enjoy my role, getting to do different kinds of things. Once we start clicking a little bit more, I think we'll have a little bit more success."

On his relationship with the Quarterbacks:

"I don't think I have any more of a connection than anybody else. Sometimes it just happens that I am open. For the most part, they do a good job of getting the ball to the open receiver."

On what they will be working on in practice:

"I think the biggest thing we need to work on is working together as a team. You can't ever win a game without good teamwork, without good collaboration between every position. That's the biggest thing we need to work on."

On the successes of the Western Michigan defense:

"They did a good job of mixing up their blitzes. They played a good game, they wanted it, and we just didn't do a good job of stopping them."

#### **Virginia Sophomore Linebacker ANTONIO APPLEBY**

On defensive side of the game:

"We played well. We're mad at the fact that their defense outplayed ours. So, we have to look at the tape and correct the things we did wrong and get ready for next week. The only important stat from the defensive side at the end of the game is the amount of points scored. We didn't win the game, but we can't sit here and dwell on that. Obviously, we have to do something more and better so we can get to the point where we can create even more points."

#### **Virginia Freshman Quarterback JAMEEL SEWELL:**

On what he was thinking as the starter for the second half:

"Just win. I was thinking just win."

On the offense's second half performance:

"I liked that our offensive line was giving the running backs creases to run through, and the pass protection was pretty decent. It was just the little things and we would fall apart. There were individual things that we needed to do all around."

On the Western Michigan defense's successes:

"They did a great job bringing rushers from the outside, frequently more than one off the outside edge."

On the offense's focus in practice to prepare for Georgia Tech:

"Blitz pick-up. It's as simple as that, just blitz pick-up. Georgia Tech likes to bring a lot of blitzers, almost every down, so we are gonna focus on the blitz pick-up."

## POSTGAME QUOTES (CONT.)

### **Virginia Junior Defensive End CHRIS LONG:**

On the defense's overall performance:

"I don't think [our successes] amount to anything because we didn't win the game. There were corrections we could have made on defense to put our offense in a better position to win the game. We gave up a couple of long runs, and there was one screen play that went for awhile, and we weren't able to make the stop at the end, so we are disappointed as well."

On keeping the game close:

"Well, you know, you say that every week there is a tight game. Somebody is picking up the slack a little bit, so today we tried to keep it close. The offense was moving the ball nicely on some drives, but things just weren't coming together, so we just had to keep it tight and hope the ball would bounce our way, but in the end it didn't."

On the Western Michigan offense:

"They did a lot of stuff, some of the things we knew they would do, and they also came out and ran a variety of plays [we didn't expect]. They called an impressive game and they're a really good team."

### **Virginia Senior Running Back JASON SNELLING:**

On the offense's rushing performance:

"The line blocked well today and they opened up some holes. I was just trying to run downhill and just hit the holes, hit them hard, to try and wear them out. It worked well, but it just wasn't enough today."

On what they expected from the Western Michigan defense:

"We prepared for everything they showed today. We were working on it all week, but some of the things we just didn't execute well."

On what they will be working on in practice:

"Protection and finishing the game. The defense stopped them quite a few times and gave us good field position. The offense didn't execute and that is pretty much the story of it."

On quarterback Jameel Sewell:

"I fell like he played well. It was his [first real chance], and he was out there trying to make plays. The things he didn't do right, he at least was doing them hard, and he made some good plays out there. I think he has a bright future and I think he played very well."

### POSTGAME QUOTES

#### Western Michigan Head Coach BILL CUBIT:

On the conservative offensive strategies of UVa and WMU:

"Well, we kind of tried to play it the same way offensively. We couldn't make mistakes. Fortunately, they made two. We didn't make any and that's the difference in the game. We wanted to make sure the clock was going down because of our quarterback situation. But our kids came up with big plays. The kicking game did a good job. ... The bottom line is to win the football game and I don't really care how we win it. ... As a head coach, I'm going to do whatever I have to do to get a win."

More on the conservative offense:

"It was because they're struggling on offense too. I told them to make sure that we didn't make the turnover to give them a big advantage. We had a couple of close calls that were scary."

On the WMU defense:

"I felt really good the whole way through. I felt confident that they couldn't sustain a drive all the way through. I think our defense came up with some big plays in the red zone. When you change ... three quarterbacks, they're searching for answers, too. You get a spark here and a spark there, but it's kind of short-lived at times. I don't think our guys gave them a chance to get in a rhythm."

On UVa's future:

"I still think they'll be a good football team. I think they've got a chance. I think they found out some things today, and I think they're going to be fine."

On WMU's injuries:

"[Louis Delmas] goes down and E.J. [Biggers] goes down, and of course we're playing without Ryan [Cubit]. Desman Stephen goes out there and intercepts a ball for a touchdown. Last year, he didn't travel half the time. ... The one thing I know with our kids, they'll play hard. ... I think it's a great testament to their character ... and the kids' commitment to what we're asking them to do because we're not the imposing group you've been around. ... It just seems that the guys who step in are hanging in there."

On a win over an ACC opponent:

"To me, it's a win. We never talk about winning or losing. We just talk about playing hard and then don't back down from anybody. Am I happy about it? Yeah. I think I'll be happier probably after the season. Right now, our whole focus is we've got to get ready for Temple. ... We're not good enough to go out there and just think we're going to win a game. It just doesn't happen."

On the play of QB Thomas Peregrin:

"It's really hard for [junior-college] guys. Our offense is really intricate, even though it looked about as boring as you could possibly say today. There's a lot of checks going on out there, a lot of stuff that needs to get done. You know, the more he plays, time in the system, the better off he'll be."

## **2006 VIRGINIA FOOTBALL**

### **POSTGAME QUOTES**

#### **Western Michigan Sophomore Free Safety DESMAN STEPHEN**

On their leader, Louis Delmas, getting hurt and coming out of the game

"It made us come together actually. It made us want to come and play even more for him because when he was in there, he played his hardest. It pulled us together as a team."

On his interception in the second quarter

"It was just a matter of the coach putting us in the right situation at the right time. We had other guys who gave a great effort on that play. It was just me being in the right place at the right time and being aware of my surroundings."

On the big win

"It's big. It gives us the extra boost for the bigger teams later on in the season. They beat us last year so to come back into their stadium and get this victory was huge for us. We don't want to stop here, we want to concentrate on the team that we have next week and focus on them."

#### **Western Michigan Senior Linebacker AMEER ISMAIL**

On UVA changing quarterbacks three times

"Whoever they put in there, we were trying to put pressure on them and make some big plays. It was to our credit that if one quarterback isn't getting the job done, the next guy, he brings a little something different, and we've just got to be able to adjust."

"We're just playing hard no matter what."

On the big win against an ACC team

"It's a great win for us against a great ACC school and we just have to use that and not let it be just one game of victory this season. We'll hopefully feed off that for next week."

#### **Western Michigan Junior Quarterback THOMAS PEREGRIN**

On starting the game and if it was easier than last game

"I don't think it's ever easy but (our) defense kept the pressure off of me. I always have to prepare as if I'm going to start. (I) Can't thank the defense enough for taking the pressure off us."

On the big win

"I just want to come out with a 'W'. Luckily, like coach says, we need to score enough points to win and that's what we did. The defense was able to get us some big plays, and the special teams were just huge for us."

"Whatever we need to do to get the 'W', that's all that matters."

## Virginia vs. Western Michigan Game Notes

Virginia junior quarterback Kevin McCabe started for UVa today. It marked the first time in his three-year, seven-game UVa career he has started. McCabe appeared in three games as a redshirt freshman in 2004, one contest last year and all three games this year.

McCabe's 34-yard completion to TE Tom Santi in the second quarter was the longest pass play in his UVa career. McCabe recorded career highs in completions (13) and passing yards (111).

Louis Delmas' first-quarter interception for Western Michigan was the fifth in his career and the second this season.

The Western Michigan game marked the third straight time this season Virginia's opponent scored first. The streak extends to six games including last season. Virginia Tech, Miami and Minnesota all scored first in their games with Virginia last season. The last time UVa jumped out to the early lead was the Georgia Tech game on Nov. 12 when the Cavaliers scored the game's first 17 points.

For WMU, the game was the second consecutive where the Broncos scored first.

When Western Michigan's Desman Stephen returned an interception for a touchdown in the second quarter, it marked the third time an opponent has done that against the Cavaliers this season (twice in season opener at Pittsburgh). That is the most interception returns for scores against Virginia since 1956 when the Cavaliers also allowed three. Western Michigan (C.J. Wilson) also returned an INT for a score in last year's game with Virginia.

For WMU, it was the second straight game the Broncos has scored on an INT return.

During the brief three-game series between the two teams, there have been four INTs returned for scores. Two by UVa in 2003, one by WMU last season and one by the Broncos today.

Chris Gould's 59-yard punt in the third quarter was the longest in his career. It is the longest punt by a Cavalier since Mike Abrams had a 67-yarder vs. Florida State in 2001. Gould also averaged a career-best 47 yards per punt against the Broncos.

WMU's Desman Stephen recorded his first career INT and TD on a 34-yard interception return in the second quarter.

Today's game marks the first of two meetings between Western Michigan and an ACC opponent (Florida State on Nov. 18)

Virginia WR Fontel Mines has now caught a pass in 14 consecutive games, the longest streak on the team.

WMU has held its first three opponents to fewer than 100 yards rushing (Indiana \*71; Toledo \*88; Virginia \*69).

Virginia red-shirt freshman quarterback Jameel Sewell made his second career appearance when he started the second half for the Cavaliers. Sewell completed 7-of-10 passes for 51 yards and rushed four times for 17 yards.

This was the first win over an Atlantic Coast Conference opponent for Western Michigan. The Broncos were winless in seven tries against the ACC. (1-2 UVa; 0-1 against Florida State; 0-1 against Maryland; 0-3 against Virginia Tech). WMU's win was also the second Mid-American Conference win over an ACC opponent. Akron defeated NC State last weekend.

WMU's Mark Bonds rattled off his second run of over 50 yards in the last two games. He had a 56-yard run in the Broncos' second possession of the third quarter. Bonds also rushed for 100 yards for the second straight week as he finished with 118 yards on 27 carries and one touchdown.

This also was the first time that Virginia suffered a loss to an opponent from the MAC. UVa was 8-0-1 against the conference entering today's game.

Virginia allowed its fewest yards (179) in a loss since Georgia Tech gained 183 yards in 1996 in a 13-7 win in Atlanta. It is also the third-fewest yards gained by an opponent in the Al Groh era. The last time, the Cavaliers held an opponent under 200 yards was Temple (170) last season.

## **2006 VIRGINIA FOOTBALL**

Maryland 28, Virginia 26

October 14, 2006

### **POSTGAME QUOTES**

#### **Virginia Head Coach AL GROH:**

##### **On the loss:**

"That was certainly very disappointing, not only in the outcome — well, most certainly in the outcome. I feel bad for the players, who put so much into it for this week. I feel bad for the fans, who put so much into the game, who did a lot to lift the energy level of the team. We appreciate that. It's tough circumstances for them as well as it is for the players."

##### **On making progress:**

"We made a lot of positive progress in a week's time. We did a lot of things today that we haven't done previously in the course of the season. It's very disappointing that a more positive result didn't come out of all those things."

##### **On Maryland's comeback:**

"I congratulate Maryland on coming back. That was an uphill fight that they had. They deserve a lot of credit for doing that."

##### **On the game's turning points:**

"Clearly, the game hinged on two plays that made it very easy for them to get back in the game. The fumble recovery and the very short punt."

##### **On Byers's fumble:**

"It was an unfortunate decision. I'm sure he feels the same way. We really had emphasized on a number of occasions during halftime to be alert to avoid all those occasions that would let the other team easily get back into the game — a long pass, special teams plays."

# 2006 VIRGINIA FOOTBALL

Maryland 28, Virginia 26

October 14, 2006

## POSTGAME QUOTES

### Virginia Junior Wide Receiver EMMANUEL BYERS:

On the muffed punt:

"I didn't get my feet set, the ball was really high, and I took some steps back and I shouldn't have. It was just a lack of concentration. Now I just have to forget about it and show up at practice ready to play and get better."

### Virginia Junior Kicker/Punter CHRIS GOULD:

On thoughts on game:

"We started out strong. We obviously got up twenty to nothing. It seemed like it was only a couple key plays in the second half that hurt us, a muffed punt return and an sixteen yard punt. That really swung the momentum to Maryland and started the downhill shift."

On the missed field goal try:

"I hit it good. I hit it straight down the middle. I just didn't hit it far enough. There wasn't a bigger reason. Whatever it was, it just came up short."

On thoughts about kicking the potential game winner at the end of the game:

"Based on the 50 yard kick that came off good, came off high, came off straight, I was confident that I would be there for the team if given the chance. We just didn't get the opportunity at the end of the game."

### Virginia Sophomore Wide Receiver KEVIN OGLETREE

On team's performance:

"I think as a team today, we showed some good things which were good to see. The result wasn't what we wanted by any means, but we made some strides today."

On second half:

"Obviously, they were down 20 to nothing, and at half time they were going to come out and make adjustments. We didn't move the ball when we wanted to, but when we needed a play in the second half, we made it. I'm not sure what their adjustments were, but they went into half time and they did some things, and what we were doing well, they adjusted coverage-wise or linemen-wise. I still wouldn't say we played a bad second-half, but we were a couple of plays away from winning the game."

On preparing for North Carolina:

"We just have to have a short memory and come back tomorrow ready to work."

### Virginia Senior Cornerback MARCUS HAMILTON

On the interception in the first half:

"I saw my guy motion over and then slide out towards the sideline. I was just able to get a good enough break on the ball to get a hand on it, and fortunately the tip came right to me."

On Maryland's second half adjustments:

"I really don't know what they did, obviously it is what they talked about in their locker room. But I know that the team we saw in the second half was a different team, they came out and played a different game."

### Virginia Junior Defensive End CHRIS LONG

On the defense's inability to get a stop at the end:

"You know, it's just frustrating. We played a strong first half, but they got it done in the second half. All of us could have made more plays. I had some good ones and some bad ones, but I know I left some plays out on the field."

On his leadership role in this loss:

"Well, anyone can be a leader when it's good, so I just try to tell my teammates to keep their heads up. But you know, I'm just the guy they send out there for the coin toss. There are so many guys on this team who play a leadership role."

## 2006 VIRGINIA FOOTBALL

Maryland 28, Virginia 26

October 14, 2006

### POSTGAME QUOTES

#### **Maryland Head Coach RALPH FRIEDGEN:**

##### On the victory:

"It was a heck of a football game. We knew that Virginia would play very, very good against us. . . . I'm very proud of our players, the way they hung in there. It was a tough, emotional thing after last week [and] then to come out and not play very well in the first half. When I was talking to them at halftime, I don't know if it was registered, but I told them we could play better, this game is not over. After a while, it sounds like the same talk everytime. I didn't throw any chairs. . . . We got a break in the second half and were able to punch it in. Then, we got a drive going and of course the interception was huge. . . . I was proud of our guys. They didn't quit, they haven't quit all year. They really deserve a win like this."

##### On what the win means going forward:

"I'm anxious to see what this team does. I've been saying all along that we had to win a big game, and this game got even bigger when you got 20 points down. It's tough banging your head day in, day out against the wall and not seeing anything for it. . . . I'm just happy for them. There are some tremendous life lessons to be learned: when things aren't going your way, you just got to keep hanging in there and eventually if you keep working at it, sometimes things will turn your way. . . . Every goal we had is still there."

##### On the impact of the punt muffed by Virginia:

"I will say that that was the spark they were looking for. We just haven't gotten anything like that."

##### On Keon Lattimore's long touchdown run:

"It was really good to see a guy take it the distance. You know what, Lance [Ball] almost did it at the end. I think Lance really was worried about staying inbounds because in the Florida International game, he ran out of bounds in that situation. It's something we practice. I think it was going through his head, 'Gee, if I get knocked out of bounds, coach is going to be unhappy with me, but I may score.' That was a big run."

##### On where the comeback ranks in his career:

"You know, when you've coached 36 years, you've got a lot of these. . . . But this one is pretty special just because of what these kids have been going through. They were able to hang in there. After a while, as a coach, you starting saying, 'Hey, they're not listening. They don't hear me.' When they respond like this, you feel like the message finally got through. I've worked harder this year than I have in any year of my life. Al [Groh] and I were talking before the game and he's doing the same thing. He said, 'We busted our butts early in our careers so we wouldn't have to work this hard when we were 50.' Somehow, it's not working out that way."

##### On Virginia's failed two-point conversion:

"You see the hand in my pocket? It's my rosary. That's what I was thinking: I was praying."

## 2006 VIRGINIA FOOTBALL

Maryland 28, Virginia 26

October 14, 2006

### POSTGAME QUOTES

#### Maryland Sophomore Linebacker ERIN HENDERSON

"It's always good to have the ball bounce your way every now and again. We had some tough luck, for the past few years we've had some tough luck. It's always good. Hopefully it's a turn in the corner and we'll be able to continue get these breaks down the road. Every now and then, it's going to take some luck to win games, sometimes we've got to have the ball bounce our way."

On being the first Maryland team to win against Virginia since 1990...

"I'm glad to be a part of that. It makes me feel that much better about coming down here and getting the victory. We're just excited to get this win. A lot of people counted us out once that first half got rolling. We hung together, we hung in there, and came out with the win."

#### Maryland Junior Tailback KEON LATTIMORE

"Things went our way, the ball started bouncing our way and we made the best of our opportunities."

On the atmosphere in the locker room after the game...

"It was so emotional. Guys were just all over the place, we were happy to get that sour taste out of our mouth after the loss last weekend. Anytime you come on the road in the ACC and get a victory like this its great for the morale of the team."

On what Coach Friedgen said after the game...

"He said he was praying for us. He can only coach, we've got to go out there and do it. Collectively as a group, the coaches, the staff, and the players, we're happy about this."

On the fourth quarter interception...

"I feel good but not satisfied. I worked very hard in there and given the opportunities I can do this week in, week out. It feels good, I enjoy celebrating, but I'm right back to work."

#### Maryland Sophomore Linebacker DAVID HOLLOWAY

On Virginia's fumbled punt...

"I think the punt really gave us momentum. We got us our first points and we kept building, building and building. We keep feeding off of it."

On what the win means to the team...

"It was a relief because we worked hard and our hard work paid off tonight. We got an ACC win, we're one and one. We still have goals to get as far as we can."

On the adjustments made during the game...

"We made little adjustments. We moved some guys outside, and that was really it. We just said come out fighting and refocused. Keep doing what we are doing and make little adjustments like that and once we got the momentum it worked."

#### Freshman Wide Receiver DARRIUS HEYWARD-BEY

On Keon Lattimore's run...

"That meant a lot. If he didn't break that, we'd probably be in overtime right now. I just saw the light out of Virginia just vanish. It really hit them hard when we scored right there."

On what it means to win...

"It feels good, I feels good to be part of that. It's big for us. It gives us a chance to go into the ACC. Going home against N.C. State, Florida State, we want to win. Confidence is so high we can't even describe it. We got that win that we wanted."

# Virginia vs. Maryland Game Notes

Virginia wore an all blue uniform for today's game vs. Maryland. It is believed to be the first time the Cavaliers have donned an all blue uniform.

Today's game marked the first home start for UVa quarterback Jameel Sewell. A redshirt freshman, Sewell's first three starts came on the road at Georgia Tech, Duke and East Carolina.

UVa freshman wide receiver Staton Jobe (22) accompanied the Cavalier captains for the coin toss of today's game. Jobe was given the honor by the UVa coaches as the scout team player of the week for the East Carolina game. UVa senior captain Christian Olsen gives up his spot for the pregame ceremony to allow the scout team player of the week to participate. NCAA rules limit each team to just four players during the coin toss.

Virginia started junior Keenan Carter at nose tackle for today's game. It was just the second start during his career. He started in 2005 vs. Georgia Tech. Allen Billyk had started the first six games of the season at nose tackle for UVa.

Today's game marks the third time this season the Cavaliers held an opponent with a touchdown in the first half and it marks the second time this year they have held the opponent scoreless (also Duke). Wyoming scored just three points in the first half in its game at Scott Stadium.

Prior to today's game Virginia's longest play of the season was a 34-yard pass from Kevin McCabe to Tom Santi vs. Western Michigan. In the first half the Cavaliers had four plays of longer distance:

In the first quarter, Jameel Sewell ran 36 yards for a TD.

In the first quarter, Marcus Hamilton returned an interception 58 yards.

In the second quarter, Sewell hooked up with Kevin Ogletree for a 38-yard TD pass.

In the second quarter, Sewell threw a 51-yard pass to Ogletree.

Jameel Sewell's 36-yard touchdown run in the first quarter was the longest by a UVa player this year. The previous high was a 29-yard carry by Jason Snelling at East Carolina. Sewell's previous long rush was an 18-yard carry at East Carolina.

Sewell's 51-yard pass to Kevin Ogletree was the longest in the redshirt freshman quarterback's career. Coming into today's game, Sewell's longest pass was a 20-yard throw to Jason Snelling last week at East Carolina. Sewell's 44-yard TD pass to Kevin Ogletree was the longest touchdown pass of his career. He also threw a 38-yard TD pass to Ogletree in the first half.

Ogletree's 51-yard catch in the second quarter was the longest in his career. He followed that up with a 44-yard TD reception in the fourth quarter, bettering the 38-yard reception he had earlier in the game. Prior to today, Ogletree's long reception was a 25-yard TD pass on the first play of overtime in UVa's 13-12 victory against Wyoming. Ogletree had his fourth TD catch this season.

Virginia cornerback Marcus Hamilton recorded the 14th interception of his career in today's game. It was his fourth this season. The 58-yard return by Hamilton was the longest of his career and was longer than the other 13 interception returns combined. Entering today's game, Hamilton had 14 interceptions totaling 55 yards. It was the longest interception return by a Cavalier since Muffin Curry returned an interception 58 yards vs. Virginia Tech in 2003. Hamilton entered Saturday's game second in the nation in career interceptions, trailing only Utah's Eric Weddle who had 17. Sabby Piscitelli of Oregon State and John Talley of Duke also entered Saturday's action with 13 career picks.

Chris Gould's 50-yard field goal attempt in the third quarter was the longest try in his career. His long FG was from 48 yards.

Sophomore safety Byron Glaspy recorded his first career sack today.

Fontel Mines extended his consecutive streak of catching a pass to 18 games today. That is the longest streak of any current UVa player.

Keon Lattimore's 56-yard touchdown run by Maryland in the fourth quarter equaled the longest run surrendered by the UVa defense this season. Mark Bonds of Western Michigan carried the ball the same distance earlier in the season. It was Lattimore's longest rush of the season.

Erin Henderson's 45-yard interception return for a score was the 10th longest INT return for a TD against a Cavalier team. It was his first interception this season, the first INT for a TD this year by the Terrapins and the longest runback by a Terp player this year. It is also the first time ever that Virginia has had four interceptions returned for touchdowns in a season.

Sewell threw for a career-high 243 yards (13-for-21) and rushed for a career-high 92 yards on 10 carries. He accounted for three touchdowns (1 Rush, 2 Pass) and 335 yards. It was the first time he threw for two touchdowns in a game.

Ogletree ended with a career-high 133 receiving yards and two touchdowns. It was also his first two-TD reception game of his career.

The 424 yards of total offense gained by Virginia were the most by the Cavaliers this season. UVa ran for a season high 181 yards and threw for a season-high 243 yards.

Today's game was the biggest comeback against a UVa team since BYU trailed 21-0 at halftime and rallied for a 38-35 overtime victory in 2000 in Charlottesville.

### POSTGAME QUOTES

#### Virginia Freshman Quarterback JAMEEL SEWELL

Thoughts on the game:

"Great job all around by the whole team. The defense definitely shut them out. We did what we had to do in terms of running the ball."

On the rushing touchdown:

"We practiced that all week during practice and we ran the same way today. When the backer turned his back on me, I just ran in right behind him."

On easy yards today:

"Yards are definitely easy to come by when we run the way we did today. Also, the blockers played well today. We only gave up one sack and that was just a miscommunication. We adjusted, came back and capitalized."

#### Virginia Junior Kicker/Punter CHRIS GOULD

On his overall performance:

"It was pretty good tonight, I kind of did it all. It helped that Ryan [Weigand] could kick the other punts, it helped me concentrate on kicking field goals. It helped to get some early kicks there to help the team out, and then they were able to score touchdowns in the second half."

On what 3 for 3 on field goals does for him:

"It really builds a lot of confidence, I mean I got one short one and two intermediate ones, which is where I have struggled this year, with the intermediate to long kicks. It gives me confidence going into next week."

On Coach Groh's decision to punt from the 35 yard line in the first half:

"It was definitely best for the team, we wanted to pin them down, especially with what happened last week with Maryland, seeing how fast they came back after missing a 50 yard field goal. Maybe if we need the points next week I'd like to try one."

#### Virginia Junior Defensive End CHRIS LONG

On what a shutout means to the team:

"It means a great deal. Anytime you win, you want to be critical of your own performance, and there are things we are going to be able to take from that. But its good to shut somebody out, and that's what we want to do more around here. We're building a defense, and we're excited about it."

On UNC's quarterback change:

"It didn't change the way we approached the game. We knew he was a fast guy, he was athletic and made people miss, including myself. We had to swarm him, and so we did."

How this affects the team's confidence:

"I don't think our confidence has gone up, this is just simply what we thought we could do, and we were just ready to show people what we could do. There is no better stage than on a Thursday night on ESPN."

#### Virginia Senior Running Back JASON SNELLING

On his career day:

"I'm happy about it, but I didn't even really know until they told me about it. I am more happy we got the win and that our offense is clicking. The offensive line, I just have to take my hat off to them, they did a heck of a job tonight."

On this game as a confidence booster:

"I think it gives us a lot of confidence. Last week we got off to a quick start with Maryland, but this week we carried it on. Now we are just going to keep on working."

His thoughts on settling for field goals in the first half:

"It's frustrating because we want to score seven points every time we have the ball. are just going to take our points though and keep it positive."

His words on the Cavalier defense:

"Oh, shoot, they've been great all year, and it's something I admire, seeing them work every day in practice and then into the game. I'm really proud of them, they stepped up and made big plays, and our offense could just help them out."

### POSTGAME QUOTES

#### North Carolina Freshman Quarterback CAM SEXTON

On the offense tonight:

"We know we can run the ball efficiently, and we did that. We just didn't score, we couldn't put points on the board."

On the remainder of the season:

"We've been in that locker room too many times with the same speech. We've got five games left, and we've got one win. If I know it right, we need six games to be bowl eligible. So there is no reason we still can't be bowl eligible. We're not going to quit. We are not going to quit. We will not."

"It's just all about the feeling, sitting around and feeling the same way after these games it's tough. It's like always, it's a broken record. You've got to move on, move past it, and work past it. We're not done. We can get to a bowl. I really believe that."

#### North Carolina Senior Tight End JON HAMLETT

"It's just frustrating. I thought we'd go out there and play hard. It's just frustrating."

"We've got to keep playing together and stay together because it's about us. We're in this together; we can't point fingers; that will bring us apart. I don't think we are going to do that. Our senior class is going to make that happen. We've got to just keep playing and stay positive."

"You don't like to lose. It's what the game is about. Someone's going to win; someone's going to lose. We've just got to keep practicing and keep playing. We can't give up. We've got five games left; I've got five games left in college. There is a winner and a loser; it's just whatever you do with that, however you pick yourself up."

#### North Carolina Junior Quarterback JOE DAILEY

"We got talent. We need a lot more passion. And what we're going to need is opportunity."

"We need a chance and opportunity to highlight our talents."

"They generate a good pass rush. You got to have the right skills in order to pick that up. They've got some strong guys opening up front as well as backers. That's like having six backers at the line of scrimmage all the time. It's hard for a linemen to get out there and pick up a lot of those guys. But they did a good job for the most part. I think they gave them too many sacks. That's a lack of execution. We have the skill but we couldn't execute it."

"We have to pass the ball. Not to say that's a weakness but right now we got some really good guys back there that can make some things happen and we're failing to get them the ball."

### POSTGAME QUOTES

#### Virginia Head Coach AL GROH:

"That looked a little bit more like Cavalier football is supposed to look like. The coaches did an excellent job preparing our team in the short week."

"They have a lot to feel positive about. We are starting to look like we've always felt this team could look like."

"This is the best we've played. But, we still see things out there that need to get fixed so we can get better."

On Cedric Peerman's Third Down Rush for 19 yards

"It was really a critical time because we going to have to kick the ball back and not have very good field position. It's really one of those key plays that gets lost in the stats but certainly helps determine the outcome."

On Jameel Sewell

"There were some rocky times out there. Some key issues with play calling in the huddle the way we wanted it called. But, as he has done in all circumstances, he stayed positive and kept his poise."

On Jason Snelling

"Teams that can really run the ball need somebody who does more than just carry the ball. We call it having a running back who can carry the flag for the team and Jason did that for us tonight. He wasn't the only who did it, but some of those runs he made were some warrior runs. He really did, I thought, carry the flag and set the tone."

On the defensive performance

"I want to make sure I don't go too far with paying the defense credit for what they did to get their second ACC shutout of the year. Certainly, they are continuing to step up and meet some challenges. I thought those three take-aways were key tonight. Each one of them was a pretty significant play."

"One of the medals that you get in coaching is not about anyone else's acknowledgement of what you've done or anything like that. The only ones that count the most is to be able to stand in the lockerroom after a team has accomplished something and the brotherhood and collective pride they have in what they've accomplished. They certainly had that about them tonight and it was gratifying to see."

On Chris Cook

"Chris does this kind of stuff in practice. He has a way of having the ball end up in his hands. That was a really competitive play. He had to go in there and get that one. That was about ability, but it was also about preparation."

### **POSTGAME QUOTES**

#### **North Carolina Head Coach JOHN BUNTING:**

**On the loss:**

"I can't put into words how disappointed that locker room is. They're a discouraged group of kids right now. I do everything I can to pick them up. Things that happen sometimes out there, we don't have an explanation for. We did some crazy things at times, we also did some good things. We ran the football a little bit sometimes. There were some plays to be made, and we didn't. We had some opportunities to do something special here tonight, going in at halftime down at that point 9-0. We gave them some yardage on that last drive before half, which was really disappointing. They had a third-and-long conversion. We just couldn't find a way to get more efficient with our passing game. That's where we are really, really hurting."

**On Ronnie McGill's fumble in Virginia territory:**

"What are you going to say? Ronnie McGill is one of the greatest kids I've known in my life. He's a tough kid, plays hard, and give Virginia credit for ripping the ball out. I couldn't see how it came out, but I know he was fighting for extra yards. And he's really got to take care of that football. Anytime in this game ... you have to take care of the football. You cannot lose that turnover march over and over like we're doing."

**On Joe Dailey's lateral, which was ruled a fumble:**

"That's what we thought, that's what my coaches were telling me up in the box: that was going to be overturned. But they called it as they saw it and, boy, it was a big play to start the second half -- very disappointing."

**On preparations for Wake Forest:**

"The players have a couple of days off, and I asked them to get their minds right and come back home and play Wake Forest and do something special there. I'd like it to come together for them. I'd love it to come together for our fans. But the players and coaches are going to have to work really, really hard."

**On playing two quarterbacks in the future:**

"There's a very good possibility of that. It's something I've been thinking about all season long. We'll decide, but it's something that's been on my mind for quite some time."

## Virginia vs. North Carolina Game Notes

Tonight's Virginia victory marks the 13th consecutive time the Cavaliers have defeated the Tar Heels at home. The 13-game win streak is UVa's longest home win streak ever over an ACC team and the third longest against any opponent. North Carolina's last win at Scott Stadium came in 1981.

Jameel Sewell's 18-yard TD run in the third quarter was the first score by a Cavalier QB against the Tar Heels in two years, since a 56-24 UVa win in 2004. Last year the Tar Heels won at home 7-5.

The last time Virginia posted two shutouts in the same year was 2004 (51-0 vs. Akron and 16-0 vs. Maryland). The Cavaliers last shut out two ACC opponents during the 1990 season when UVa defeated Duke, 59-0, and NC State, 31-0.

This is the first time Virginia has shut out North Carolina since a 3-0 win in 1926.

UVa quarterback Jameel Sewell moved into first place on several Cavalier freshman record lists and improved his status on several others:

Passing TDs:	First with 5
Completions:	First with 81
Completion Pct.	First with .583
Pass Attempts	First with 139
Passing Yards	First with 803
Total Offense	First with 946 yards

UVa running back Jason Snelling ran for a career-high 131 yards on 19 carries. He surpassed the 100-yard rushing mark tonight for the second time this season. He had 103 yards in the Cavaliers' loss at East Carolina. Over the last four games, Snelling has rushed for 407 yards this season. His previous career was 123 yards vs. Temple last season (33 carries).

Chris Cook's interception in the fourth quarter was the second in his UVa career. He becomes the fourth UVa player to record an interception this year.

UVa kicker Chris Gould's 31-yard field goal in the first quarter made him 7-7 inside the 40 this year.

UVa redshirt freshman quarterback Jameel Sewell celebrated his 19th birthday today.

Cavalier punter Ryan Weigand's punt in the first quarter was just his second punt of the season, and his UVa career. He finished the game with five punt attempts averaging 43.2 yards. He had a long of 52 yards.

Virginia's Chris Cook forced fumble in the first quarter was the first of his career.

UVa sophomore linebacker Antonio Appleby picked up his first career sack in today's game.

UVa tailback Cedric Peerman's 19-yard run in the second quarter was the longest rush in his career.

UVa wide receiver Fontel Mines extended his consecutive streak of catching a pass to 19 games today. That is the longest streak of any current UVa player.

Today's game marks the fourth time this season the Cavaliers held an opponent without a touchdown in the first half and it marks the third time this year they have held the opponent scoreless (also Duke & Maryland). Wyoming scored just three points in the first half in its game at Scott Stadium.

UVa defensive end Jeffrey Fitzgerald recorded his sixth sack of the season tonight. That ties him for third place on the Cavaliers' Sack List for Freshmen. Darryl Blackstock (2002) tops the list with 10 while Sean Scott (1984) had 8. Stuart Anderson (1978) is tied with Fitzgerald with six.

In the series since 1996, Virginia has scored 21 times on the ground while UNC has scored just five rushing touchdowns with two coming in 1997. In the last 10 meetings, UVa has held UNC to two touchdowns, with nine coming in two games (1997, 2002).

Virginia is 12-2-1 since 1982 when committing fewer turnovers in the series. UNC committed three turnovers while Virginia did not commit any turnovers.

Virginia outrushed UNC, 194-98, and outgained the Tar Heels, 370-182, making it the 52nd time in 64 meetings that winner has outrushed the loser in the series. It was the 54th time that winning team outgained the losing team.

UVa held North Carolina to 94 rushing yards, marking the second time this season that Cavaliers held an opponent under 100 yards rushing (-21 at Duke).

This was the third time this season that Virginia has held an opponent under 200 yards of total offense. UNC gained 182 yards of total offense. Western Michigan finished with 179 yards and Duke had 100 yards against the Cavaliers.

\* North Carolina held Virginia without a touchdown in the first half. It is the first time the Tar Heels have not allowed a touchdown in a half since last season's Virginia game, a 7-5 UNC victory. Carolina held Virginia to a field goal and a safety in that game. That is a span of 12 games.

\* QB Joe Dailey saw his first action since the Miami game, starting the second half in place of freshman Cam Sexton.

\* North Carolina cornerback Jacoby Watkins posted his first career sack, an 18-yard loss on a Cavalier trick play attempt.

\* North Carolina posted a season-high three sacks against Virginia. The previous high was two against Rutgers and Furman.

\* Tar Heel wide receiver Jesse Holley has caught a pass in 25 consecutive games.

## 2006 VIRGINIA FOOTBALL

Virginia 14, North Carolina State 7

October 28, 2006

### POSTGAME QUOTES

#### NC State Head Coach **CHUCK AMATO:**

On his postgame conversation with Virginia Coach Al Groh:

"Al Groh said after the game was over, 'This is yours and my type of game.' I said, 'Yeah, it was yours a little more than mine.' It looked like maybe it was going to come down to an overtime game."

On Virginia's last drive:

"We've not been really good — and why I don't know — at the end of a game. They had about 260 yards, and 80 of them came on the last drive. ... You're kind of betwixt and between are they going to get in position to kick a field goal? We had stopped them two times and kept them out of field goal range in the fourth period. ... They made plays. And we weren't able to make one back. (Our) defense was on the field pretty much the (entire) last quarter down at that other end of the field."

On false start penalties:

"When you're playing over 91 (Virginia lineman Chris Long), who's really a good player, you get a little fidgety, especially if (the play count) goes a little long in anticipation."

On Virginia QB Jameel Sewell's avoidance of a sack on the last scoring drive:

"Oh, that's huge. We say, 'You need to make one play.' That's a play that was a make-able thing. He showed his athleticism to avoid it and get away from the sack and then get rid of it. What I was trying to say (to the official was), 'Before it went out of bounds was it over the line or behind the line?' I was pleading on that. ... That would have been huge."

On rebounding from the loss:

"I have all the confidence in the world. There's not a coach in the country that wouldn't. You've seen the games — they were one play away. But we're not going to play the what-if game. We know what we've got to do. We play Georgia Tech, who is an unbelievable football team, Clemson, who is an unbelievable football team, we've got the University of North Carolina and East Carolina. Those are in-state rival games. Every one of them, you're going in with your back against the wall. But you know what: you've watched them. Do they quit? And they ain't gonna. They aren't going to quit. And they really aren't."

On the slow offensive start:

"They were pretty slow too. Let's look at it both ways. It was a defensive game. They had 170 yards with 4 minutes left in the game. ... It went back and forth. It became a field-position game, and people just don't like that. ... It was one of those fighting, slapping and getting after each other (games). There were two pretty good defensive teams out there whacking each other around."

#### **Virginia Head Coach AL GROH:**

On the way Virginia played

"That game had everything we like. It was a clean game. We had one penalty and no turnovers. We ran the ball proficiently if not prolifically. We played real good defense, which is something we're working real hard to do on an ongoing basis. And we were able to finish the game strongly."

"We were very tough-minded today, throughout the circumstances. The defense had to keep on playing, keep on playing, keep on playing. Offensively, we had to come back and answer there at the end, and the players stepped up and did everything just right."

On big plays by Tony Franklin and Jason Snelling:

"Tony and Jason embody the tenacity of the players. They both have had their circumstances that they've had to fight through. For Tony and Jason to step up and make those two great individual plays is certainly representative of their teammates and a great punctuation on their careers here at Virginia."

On Virginia's game-winning drive:

"There had been quite a few series there where things were really tough for Jameel. The reads were coming slow, and the passes weren't on target. If you want to be a competitively tough-minded team, your quarterback has to be tough minded. And that means they have to come back from some circumstances where things aren't going their way and step up when the moment's there. He did an excellent job of that and as a result hit a couple of throws early and got things started. It really got started with a send-a-message play by Fontel when he caught the ball in the flat and just wasn't going to go down until he made the first down."

On Jason Snelling:

"He's a hard-working back. He makes so much on his own. He's got really good skills, but as he demonstrated on many play earlier than today, he's also got a great heart."

On Virginia's defense:

"We were pretty good last week [against North Carolina], but after awhile the margin kept widening. Today we had to go out there every series knowing the game was on the line. I was impressed with their competitive resolve under those circumstances."

## POSTGAME QUOTES

### Virginia Junior Defensive End CHRIS LONG

On his thoughts of the game:

"This was a big win for us. We've been in a lot of games this year, we've won some, we've lost some. But this is the best win for us. They were a very talented team. But this really feels like a Virginia Football win."

On the team's defensive play:

"We gave up some plays on two drives, one where they missed the field goal and then the touchdown at the end. But it's not just about the defense. The offense came through at the end when it really mattered, and I can't say enough about Jameel (Sewell) and the offensive line and Jason (Snelling)."

### Senior Running Back JASON SNELLING

On his thoughts of the game:

"It was a great win. I was real proud. North Carolina State played very well. They made a few mistakes and we were able to execute at the end. It was the type of win that makes you real proud."

On the running game:

"They were hard earned yards. Defensively, NC State played very well. But, the offensive line played excellent today, opening up some creases and we were able to capitalize at the end."

On the last drive:

"We knew what was at stake and we were very focused at the end. The run previous to the touchdown I felt like I should have scored. So, I was pretty determined to get in the second time. I saw the crease when they blitz and I hit it and we were able to score."

### Sophomore Linebacker ANTONIO APPELBY

On the defense against NC State:

"Our defense played very well today. Aside from a couple long plays we gave up, we played real well. The coaches made sure we were well prepared for today's game. We watched a lot of tape this week focusing on their different tendencies."

### Sophomore Wide Receiver KEVIN OGLETREE

On his catch to set up the touchdown in the first half:

"We got the coverage that we were expecting and the personnel we wanted. The corner was lined up on the outside and the play was for me to run a post route, so I just got on him, going as hard as I can, and the ball was at the spot when I got there."

On the offense's mindset during the game-winning drive:

"That was just us being heroes, which is what really everyone wants to be on offense. As a unit we came out and we said that we were going to win the game. We got the opportunity to use our two-minute offense and go down and score. We were just happy to show how much we work on that and how important it is. I mean, it won the game for us."

### Junior Center JORDY LIPSEY

On the game winning touchdown run:

"I was pulling, it was a stretch play. I just kept running, my guy I was supposed to block came inside, and Jason made him miss. Honestly, Jason made an excellent play on that play."

### Senior Cornerback TONY FRANKLIN

On NC State's touchdown:

"It was a play where I read the quarterback a little bit late, so I got there a second late. I got a hit on him, but I just couldn't get the ball out."

On the interception at the end of the game:

"The last play on defense was a play we practiced all week, so we knew they were going to go back to it. I was just able to make a play on it."

**POSTGAME QUOTES**

**NC State Junior Wide Receiver JOHN DUNLAP**

"I think we made a lot of mistakes. I thought we worked really hard, we just have to really execute earlier and work a little harder."

On turning the season around...

"Obviously we have an extremely great team. Talent-wise, we're one of the best teams in the nation. We just got to work on the small things. Once we got that down, we should be O.K."

**NC State Senior Guard/Center LEROY HARRIS**

On N.C. State's false starts...

"We got out there, and we changed the snap count because we've had trouble hearing all year. We changed it to silent-1 and on one I didn't snap it out on time. On the other, the guy rocked in his stance and jumped the count. We were going on a different count and cadence this week."

**NC State Sophomore Running Back ANDRE BROWN**

"That's what killed us; mistakes and penalties. We need to get back to playing disciplined football. We haven't done that yet. Mistakes and turnovers, we can't do that."

"Great defense, they had a great defense. Their defense is better than Akron's defense. The flow of the game; the speed was different."

**NC State Sophomore Quarterback DANIEL EVANS**

"First half penalties really bogged down the drives. We'd start to get something going and then something like that would happen. We'd have a negative yardage play or something like that to get us out of sequence."

On preference of hurry-up offense...

"That's what I've been used to. That's all we did in high-school, no huddle offense."

NC State Postgame Notes  
10/28/06 at Virginia

- John Dunlap set a career-high with 80 yards receiving. He had four catches, including a game-tying nine yard touchdown reception with 4:48 left in the fourth quarter for his fourth touchdown of the season.
- Daniel Evans set a career-high with 220 yards passing and tied a career-high with 21 completions.
- NC State has committed nine or more penalties in four of its five losses this season. It is averaging 5.3 penalties a game in the three wins and 8.4 penalties in the five losses. Below is a listing of the penalties and yards in four of the Wolfpack five losses (NC State had five penalties for 35 yards in the loss to Wake Forest):

Akron	9-for-82 yards	L, 17-20
USM	10-for-84 yards	L, 17-37
Maryland	9-for-80 yards	L, 20-26
Virginia	9-for-53 yards	L, 7-14
- NC State had not been held scoreless through three quarters since the 14-0 Baylor loss on Sept. 23, 1995. That game marked the last time NC State was shutout.
- NC State was held to its lowest point total since a 23-6 loss to East Carolina on Nov. 20, 1999.
- In its last two trips to Charlottesville, NC State has score a combined 16 points in two losses, 14-9 in 2002, and 14-7 today.
- John Deraney punted a season-high nine times and it was the most punts since he had 11 against Florida St. in 2004.
- With Virginia's first quarter touchdown, NC State has now been outscored 26-3 in the opening quarter over the last seven games. The Wolfpack has only 12 points all season in the first quarter with nine against Appalachian St. and three against Boston College. NC State has allowed a score in the first quarter in six of the eight games, with only Maryland and Akron being held scoreless.
- For the second straight week, and the third time this season, NC State failed to score in the first half. Maryland led 6-0 last week and Akron held a 7-0 advantage on Sept. 9.
- Sophomore DaJuan Morgan made his first career start at safety.
- Junior Demario Pressley started the game at defensive end after starting the first seven games at defensive tackle.

## Virginia vs. NC State Game Notes

Remember, it's time to fall back. Daylight-saving time ends at 2 a.m. Sunday. Clocks should be turned back one hour.

Virginia defensive tackle Nate Collins started for the first time in his UVa career. Collins is the only true freshman playing for the Cavaliers this season.

UVa punter Ryan Weigand's 58-yard punt in the first quarter was the longest in his Cavalier career. His previous best was a 52-yard effort vs. North Carolina.

UVa tailback Jason Snelling's 23-yard reception in the first quarter was his longest catch of the year and the longest reception by a Cavalier running back this year.

Today's game marks the fifth time this season the Cavaliers held an opponent without a touchdown in the first half. Four of those games have come against ACC opponents. Duke, Maryland, North Carolina and NC State failed to score in the first two quarters against the Cavaliers. Wyoming managed three points during the first half in its 13-12 loss to UVa in Scott Stadium.

UVa's Cedric Peerman returned the second half kickoff 53 yards, the longest return of the season for the Cavaliers and the longest in his career.

NC State's John Deraney's 33-yard field goal attempt that was wide left was his first miss inside 40 yards this year. He entered the game 5-6 overall and 3-3 inside the 40.

Virginia's opponents made their first six field goal attempts of the season, but have missed the last four tries.

NC State did not register a first down in the second half until there were eight minutes to play.

UVa wide receiver Fontel Mines extended his consecutive streak of catching a pass to 20 games today. That is the longest streak of any current UVa player.

Virginia's Jason Snelling rushed for more than 90 yards for the fourth time this season. Snelling carried 20 times for 99 yards. He also rushed for two touchdowns for the first time this season.

This was the third time this season that Virginia held an opponent under 10 points. UVa shut out Duke, 37-0, and UNC, 23-0.

Virginia outrushed NC State, 125-70. In the series, the team with the most rushing yards has won the last 10 meetings and 42 of 49 games since 1944.

UVa quarterback Jameel Sewell continues to rank in first place on several Cavalier freshman record lists and improved his status on:

Passing TDs:	First with 5
Completions:	First with 93
Completion Pct.	First with .583
Pass Attempts	First with 161
Passing Yards	First with 934
Total Offense	First with 1099 yards

UVa safety Tony Franklin intercepted his first pass of the season with 30 seconds left in the game to end NC State's last drive. Franklin now has six career interceptions.

Franklin's interception was the only turnover of the game. Since 1983, Virginia is 11-2 vs. NC State when committing fewer turnovers. In addition, the Cavaliers have intercepted one Wolfpack pass in 22 of the last 25 meetings.

Sophomore linebacker Antonio Appleby posted a season-high seven tackles for the Cavaliers, tied for the second-highest total of his career. He now has 50 tackles on the season.

## Virginia vs. Miami Game Notes

Virginia sophomore tight end John Phillips' 44-yard reception in the first quarter was the longest catch of his career. His previous long was a 21-yard catch at Duke this season, his only other reception this year. The catch was just the fourth in Phillips' career.

Virginia held a moment of silence prior to the National Anthem of today's game in remembrance of Miami's Bryan Pata who was shot and killed outside of his apartment on Nov. 7.

On Virginia's opening scoring drive, the Cavaliers passed on eight of the 12 plays. Redshirt freshman Jameel Sewell was involved in 10 of the 12 plays and totaled 90 of the 92 yards he scoring drive covered.

Today's game marks the sixth time this season the Cavaliers held an opponent without a touchdown in the first half. Five of those games have come against ACC opponents. Duke, Maryland, North Carolina, NC State and Miami failed to score in the first two quarters against the Cavaliers. Wyoming managed three points during the first half in its 13-12 loss to UVa in Scott Stadium.

UVa junior tight end Jonathan Stupar set a career high with six receptions today. His previous best was five (for 66 yards and 1 TD) last season when the Cavaliers upset No. 4 Florida State 26-21 at Scott Stadium. Stupar entered today's game with six receptions in 10 game appearances.

Virginia honored its 2006 Senior Class before the start of today's game. Those 30 players include: Marshal Ausberry, \*D.J. Bell, Ryan Best, Allen Billyk, Emmanuel Byers, Keenan Carter, Ian-Yates Cunningham, Jermaine Dias, David Fairbrothers, \*Tony Franklin, Tyrus Gardner, \*Noah Greenbaum, \*Marcus Hamilton, \*Michael Johnson, Jordy Lipsey, Kevin McCabe, \*Fontel Mines, \*Christian Olsen, Ben Parziale, John Phillips (H/QB), Marvin Richardson, Davon Robb, Mike Robertson, Gordie Sammis, Jeff Schrad, Jason Snelling, Jonathan Stupar, Ryan Weigand, Deyon Williams. (\* Indicateds fifth-year players)

The UVa senior class posted a 19-5 record at Scott Stadium over the last four years.

Time of possession was close between today's teams despite a wide margin on actual plays run. The Hurricanes held the ball for 26:30 while UVa had 33:30 in possession time. Miami rank 47 plays to 75 for UVa.

UVa had no penalties in today's game marking the first time since the Maryland contest in 2004 that the Cavaliers were penalty free.

Virginia defeated Miami for the first time in program history in three tries. The Cavaliers are now 1-3 in the series with the Hurricanes.

Virginia's Marcus Hamilton intercepted his fifth pass of the season on Miami's final possession. It was Hamilton's 15th career interception, which moved him into a tie for third among active players in the NCAA. Hamilton is also now tied for third place in UVa history.

Virginia is now 7-0 at home following a bye week under Al Groh

Following today's game, Virginia head Al Groh presented a game ball to Lucas Bolen, an 8-year old from Buena Vista, Va. Bolen has attended UVa Children's hospital for several years for treatment for a medical condition and has been visited by Cavalier players on numerous occasions and was a guest of the team for today's game.

**POSTGAME NOTES**  
**UNIVERSITY OF MIAMI AT VIRGINIA**  
**November 18, 2006**  
**Scott Stadium – Charlottesville. Va.**

**RUN STREAK ENDED:** Virginia rushed for 132 yards against Miami, ending UM's 10-game streak of holding opponents to fewer than 100 yards rushing. The previous high was 95 yards by Louisville.

**OLSEN GRABS FIVE BALLS:** TE Greg Olsen caught five passes for 57 yards, his second-most receptions of the season. He had eight catches against North Carolina and also five vs. Georgia Tech.

**LEGGETT GOES DEEP:** Lance Leggett's 77-yard touchdown reception was the team's longest since Kyle Wright hit Sinorice Moss with a 92-yarder on 10/15/05 at Temple.

**"BABY J" DOES IT AGAIN:** Freshman RB Javarris James rushed for 95 yards on 21 carries, just missing his fourth 100-yard game of the season. He now has 722 yards this year, the second most ever for a Miami true freshman and just 116 yards behind Clinton Portis, who gained 838 yards as a true freshman in 1999.

**SACK TIME:** The Hurricanes made four sacks today, the second-most all season (they had five sacks against Virginia Tech). Kareem Brown registered two sacks, equaling his career high that he set in 2003 vs. Pittsburgh and in 2005 vs. South Florida. Turning in solo sacks were Darryl Sharpton and Eric Moncur, the first of the season for both players and the first of Sharpton's career.

### **Miami Quotes**

#### **Miami Head Coach Larry Coker**

##### **On the game:**

"Really not a lot to say there. We just got beat. The better team won the game today. We didn't do things to win the game. We didn't tackle well on defense. We didn't do enough things on offense to give ourselves a chance to win. We had a couple of turnovers. That's about it. The best team won the game. They outplayed us."

##### **On injuries:**

"We're pieced together. We left some linemen at home. Our starting left tackle has been out for a few weeks. ... We didn't have the energy on defense. We didn't have the energy on offense. If our tank was empty, it's my fault. Somehow we need to find a way to fill it up."

##### **On Virginia:**

"We played a good football team today. They mixed things up and their quarterback is going to be a special player. Let's give him some credit."

##### **On recovering from the loss of Bryan Pata:**

"It affects different people in different ways. Obviously it was a very draining week with the services on Tuesday and Wednesday. But the bottom line is sometimes when you make plays you develop energy, and we just didn't generate enough plays to feed off of one another. ... I don't want to use the excuse that the drain of the week cost us the game."

##### **On the Nov. 23 game vs. Boston College:**

"I think the way we've got to approach it is we'll go to work tomorrow. We'll have to be on a mission. Boston College is a good football team. We've played them for a number of years -- we're both from the same, old league. It's our last home game for our seniors, so hopefully that's something we can rally around."

##### **On bowl eligibility:**

"I don't think about that at all, I just think about how we play. As I said last week, if we play as well as we can play, the bowls will take care of themselves, and that hasn't changed."

##### **On a first half personal foul penalty on Lance Leggett:**

"I was extremely upset because I thought we were going to go in 14-7 at half. We had driven the ball into great position and I thought we were going to score. I was just very upset, very upset. You can't do that to your team."

##### **On Miami's defense:**

"I was disappointed with the defense. I thought we misaligned some, we weren't sharp and we missed a lot of tackles. Again, we've got a lot of players out on defense. We weren't a good defense today."

##### **On Virginia QB Jameel Sewell:**

"He kind of played at will. He made some nice throws, did a great job with the screen game. If you had to pick a player of the game, I might pick him."

**Virginia vs. Miami**  
**Nov. 18, 2006**  
**Miami Player Quotes**

**Sophomore Quarterback Kirby Freeman**

**On the loss...**

"I'm sick of losing. Miami's sick of losing. This football team's sick of losing. You know it's been like this all along; we've been busting our tails in practice. We're doing what we need to be a good football team. Things aren't clicking. UVa played a great defensive ball game. When Miami goes into any city to play football, they are going to play their best game. They played their best game today and they beat us."

"Like I said, we're sick and tired of losing. It was kind of difficult as quarterback to make things happen. I tried to be conservative and make things happen, but on one play we had two linemen go down and that's difficult. When you've got your linemen in front of you blocking their tails off and trying to protect you and you lose two of them in one play, all of the sudden you have to change the way you play. It's a trust process and to a quarterback that's everything."

**On the team's energy...**

"I'll tell you right now we don't have a lot of energy. A lot of things happened last week. God bless Bryan Pata and his family, but that's over. We're playing with that inside of us now because the sun comes up, the University of Miami goes back to school, and we've got to get successful."

**Sophomore Defensive End Calais Campbell**

**On the outcome of the game...**

"I didn't play as well as I thought I should have played. I let my team down a little bit. It was a tough loss, but there's not really much we can do about it. We have a big game next week on Thanksgiving."

**On the team's energy during the game...**

"Personally I felt like we did have energy but the plays just weren't there. We were just playing badly. We could have played a whole lot better but we didn't."

**On being drained during the game...**

"I can't use that as an excuse. There is no excuse. We didn't play as well as we should have. I didn't play with as much energy as I usually do."

## POST-GAME QUOTES

### VIRGINIA COACH AL GROH

I'm proud of the way our guys fought and executed. It was really awesome to stand out there and watch the total team effort. It was going to take a real strong effort - offense, defense, special teams collectively - to beat a team like Miami. We fought as hard as a team can fight, and we executed like a big-time team.

(On Jameel's play) Jameel ran the ball well. He threw the ball with accuracy. Most particularly, he ran his team well. He did a real good job of managing the clock, managing some field position circumstances. He was real field general for us today.

Jason did a great job again of running the ball. This is a team that no one has been able to run the ball on. We said early in the week that we were going to commit to running the ball, and if we couldn't run the ball today we wouldn't win the game. We made a commitment to doing that, and that's all with the players. The players deserve all the credit for that.

(On the game's first drive) One of our objectives going in was to keep them off balance throughout and that clearly occurred. I thought Michael called a great game. We kept them off balance all the way through. Those were the things we were going to do, and we were going to trust the players.

(On the bye week) It allows you to expand your preparation dramatically. The whole team can be on top of stuff. But that only occurs if the players really apply themselves to what we give them.

(On Greenbaum's fourth-quarter field goal) It made it a three-score game. That was a great drive right there. We would like to have finished it off with a touchdown, but it ate up a lot of time. The play with Kevin (Ogletree) on the reverse put us in pretty good shape. It made it a three-score game and that gave us a lot more space.

(On Virginia's defense) The defense has made a lot of progress this year. It's kept us in a lot of games. It's part of the formula for how you win in this league. We only had two takeaways, but obviously one was very instrumental in the game. That was the one that set up the second score and let us to operate the game in an entirely different fashion.

**Virginia vs. Miami**  
**Nov. 18, 2006**  
**Virginia Player Quotes**

**Junior Defensive End Chris Long:**

**Thoughts on the game:**

"Coach Groh talked all week about offense, defense, and special teams, and that is exactly what we needed. Everybody executed in all three aspects of the game, and we were nearly perfect. We did give up a big play, but we all did enough to get a big win."

**On Miami's touchdown:**

"We were very upset because we really wanted to shut these guys out. We let a couple of shutouts get away from us this year. I think this is a sign of things to come for us. We took some pressure off of these older guys that are just playing their hearts out out here who won't be back again next year."

**Freshman Quarterback Jameel Sewell:**

**On today compared to the Florida State game:**

"Today we approached the game not wanting to be embarrassed since we were embarrassed against Florida State. It's something we don't want to go through because it hurts so bad. Some of us didn't play well, I know I didn't play well, and I just wanted to turn that around and make it a special day for the seniors."

**On the importance of beating Miami:**

"Miami is a powerhouse, no matter what is going on. They have had to go through some unfortunate circumstances, and we have really felt sorry for them, but we knew they were going to come out hungry. We had to match their intensity and just go at them."

**Senior Running Back Jason Snelling:**

**On his last game at home:**

"It has just been great. Four years, really five years for me, just goes by so fast. Being able to come out and beat a team like Miami just feels good. I am really happy for the fourth and fifth year seniors."

**On the rushing game:**

"Miami has been a run stopping defense all year, but we knew if we just kept grinding and wearing on them, then we would be effective. In the end we were able to do that, and I got to give credit to my linemen. They did a great job and I was just able to make some plays."

**Junior Tight End Jonathan Stupar:**

**On his greater role today:**

"It is weird when you have three tight ends who can all do a lot of things. Tom (Santi) was banged up a little this week, so I had the opportunity to go and make some plays for the team and do what I could do."

**On offense today:**

"I thought we did a great job today. The line, we pretty much dominated the whole game. The wide receivers made some big catches and Jameel (Sewell) played incredible today. The offense was really just together today."

**Senior Cornerback Marcus Hamilton:**

**On his last home game:**

"Today worked out very well. It was exciting to go out there one more time and get a chance to get a victory today."

**On defensive performance:**

"Nate Lyles came out and just set the tone. He is a tone setter and he does that all the time. It was big to see him go out there and get a hit on that guy and let them know we were going to be there all 60 minutes."

**On the fourth down stop in the fourth quarter:**

"That was big, because if they got that first down, who knows what would have happened. We got a stop there and it was big, it let them know we weren't going to quit and that we weren't happy with just 14 points."

**On his Miami's touchdown and his interception:**

"It was my fault on the touchdown, I didn't play my coverage right, so I take the blame for that. But I was in position to make a play on that last play to end my home career here, so I am really happy about that."
