VIRGINIA COACH GEORGE WELSH

We've got a lot of work to do, but we won. Maybe this is good. We've got something to talk about this week.

(On Husted's missed extra points) I think he was concerned about slipping, and our extra-point protection wasn't very good. They blocked one right up the middle, and when you get penetration like that you're going to get them blocked. The second extra point that hit the upright--I think that was tipped.

(On Bobby Goodman's performance) It's a tough situation for him, and he wasn't getting any help. The pass protection wasn't real good and we couldn't run the ball. I still say that we're not going to be a good football team unless we can run the ball. But Bobby came through in the second half. His touchdown passes were right on the money and they had some zip on them.

We need to be a little more precise on offense. If there's any place you need cohesion, it's on the offensive line and we didn't have that. We missed some pass protection and we weren't consistent.

We didn't play the ~~we~~ shovel very well or the screen, but other than that I thought we did pretty well. We had them in third and long a lot, but we just couldn't contain them.

(On Maryland's bad puntn snap) We may not win if we don't get that one. Of course, though, we could say that if we didn't turn the ball over maybe they wouldn't have been ahead.

MARYLAND COACH MARK DUFFNER

I am proud of how hard our team played. They deserved more at the end of the game. It got away in the fourth quarter. Virginia is a fine football team and they held their composure. I have respect for what they did.

The defense got some turnovers for us. We battled and took control. When we went ahead 15-12 we wanted to hold on. I am proud of the effort. The players played hard and they deserve better.

(On Kaleo's performance) There are things to work on but I am pleased with his effort and the team's effort.

(What he told Corey Holobetz after centering the ball over the punter's head) I told him to settle down and get the next one. He is a young kid and we are going to work hard next week

(On Chris Slade) We will know better after looking at the tape. A lot of teams run away from him but we decided to at him. He is a very talented athlete.

(What he was thinking after getting the ball and being up 15-12) WE had two choices go up quick with the big play or establish a ~~systemic tempo~~ rhythm and control the ball. I was leaning towards establishing the tempo but considering both ideas.

* BOBBY GOODMAN--Set a Virginia single-game touchdown passing record with five. The previous record was four held by six different players.

Third consecutive start that Goodman has thrown for over 200 yards in a game.

Goodman is the seventh quarterback in UVA history to throw for over 300 yards in a single game. His 306 yards tonight ranks seventh amongst UVA's single-game passing leaders.

* UVA's third shut out in the last five regular season games and the first on the road since 1990 (Duke, 59-0).

* SYMMION WILLIS--45-yard touchdown run was the first of his career.

NAVY NOTES

* 31 first-half points for UVA was the most since Sept. 15, 1990 when UVA defeated Navy, 56-14. The Cavaliers scored 35 first-half points in that game.

* The 53-0 shutout was the worst defeat since 1976 when Michigan defeated Navy, 70-14. That is a span of 178 games.

* CUAD CHATLOS--Has at least one interception in his last five games.

Virginia Coach George Welsh

"on the game as a whole- We were only looking for a win tonight. Navy had a bad first game.

on the big plays of the game- if Navy doesn't give up the long passes it is a much different game. Big plays make the difference.

on the troubled kicking game- Our kicking game is a big concern for us right now. It could cost us the game this coming week. We are playing a high caliber football team.

on the defense- Give the defense a lot of credit. They played very well, however we still have a couple things that we have to work on stopping, especially the pass over the middle. We will continue to see it until we are able to stop it. We also got beat on pass protection. It is not as good as last year.

on field position- Field position was definitely a key. They moved the ball but were often penalized which really hurt them.

Navy Coach George Chaump

on the game itself- I don't feel like talking about the game. Whatever went wrong, went wrong, including our quarterback. They showcased some good athletes. Hate to start a year like this but it serves notice that we have a lot of work to do. We're going to do everything in our power to right things. I would like to give credit to our opponent. I still have confidence in our coaches.

on Jim Kubiak's injury- Kubiak has a dislocated shoulder and will be out for a while. We took a gamble giving Kubiak most of the snaps in practice and gave the others as many as possible. I feel for Brian Ellis. Jim had more work at quarterback. It was a gamble.

on the number of penalties- We have to overcome some penalties. We didn't have enough to overcome adversity.

VIRGINIA COACH GEORGE WELSH

We got some easy ones. That kickoff return was a major play. It made it just about impossible for them to win. If they stop us on the kickoff and get the ball back in a hurry, who knows what might have happened.

We were sloppy, they were sloppy. They were just a little sloppier.

When the defense had to, when we turned the ball over, it ~~wasn't~~ played pretty well. They got the ball back for the offense.

For most of the day, we controlled the line of scrimmage on offense. Their defense made it easier to get the ball to the ~~the~~ tailback because they didn't have 8 or 9 guys around the ball.

It was a good win because we're not having very good execution and we're turning the ball over too much. But we've played hard for these weeks and that helps a lot. They're hungry and they want to win. They're coming off the ball well. And when ~~we~~ we've had to have it, Goodman's been accurate.

GEORGIA TECH COACH BILL LEWIS

First I would like to congratulate George Welsh, his team and his coaching staff. His team dominated every phase and all parts from the beginning to the end. I was disappointed in the way we played. We did not play as good as I think we can be.

They caused a lot of the problems we had, but we can go home and solve a lot of the problems and fight a better fight.

(On the problems with his defense) They dominated the line of scrimmage. The battle has to be won on both sides of the ball and they dominated the lines. They were able to have ~~the~~ their ~~own~~ way and do what they wanted. We were out executed.

(On getting back in the game) There were phases early in the game when we were able to get in the game. However, everytime we got a sense of starting to get back in the game ~~the~~ Virginia answered with a big play. Any time we ~~we~~ started ~~to~~ putting something together they responded.

(On the offside) There are no excuses.

(On the turnovers) WE forced three of them and only got 3 points out of them. Anytime you get turnovers or in scoring position you need to get touchdowns. We only got three points and you can't do that and win.

Post-Game Quotes
Virginia vs. Wake Forest
Groves Stadium
October 3, 1992

FINAL SCORE: Virginia 31, Wake Forest 17

VIRGINIA HEAD COACH GEORGE WELSH:

"I didn't think this was going to be an easy game, but then again, I didn't think Duke was going to be an easy game either. You know when you play a team coached by Bill Dooley that they're always going to play you like that. They did two years ago, but not last year. That was probably due to that last-second loss to Maryland."

ON WAKE'S OFFENSE: "They do a good job of picking you apart, and they have good techniques up front. They really make you work hard. They didn't go to the pass when we blitzed, instead they went to the run, which was a good move. They ran hard and broke tackles, they deserve a lot of credit. They played well and executed well."

ON VIRGINIA: "We needed all the points we could get. They were all important. The first touchdown was a good break for us, they usually don't let you get easy points like that. I thought the missed field goal hurt us because, instead of being 11 points up, where they need a touchdown and a field goal, we could have been 14 points up where they would have needed two touchdowns."

ON TERRY KIRBY: "He got hit harder today than he has all year."

ON KIRBY BEING A HEISMAN CANDIDATE: "Yes, he definitely is because he can do everything out there."

Kirby's 214 yards today represent a new career high for the senior tailback. He is now second on the Cavaliers' list of all-time leading rushers with 2,970 yards.

Also a Virginia record: most rushing yards this season with 329,

WAKE FOREST HEAD COACH BILL DOOLEY:

"First of all, you have to give a lot of credit to the University of Virginia football team. They're very strong, and Terry Kirby is unbelievable. I am proud of our tailback, John Leach, though — he had an excellent game as well. Terry Kirby is just a great player — he falls forward.

"Our team gave lot of effort. We gave the kind of effort it takes to win, we just came up short. We were playing a very good football team. We need to not give up long plays, like the first play of the game.

"Of course, you're never satisfied when you lose, but I am happy with the way the team came out. They have shown a lot of improvement, but they're going to have to show a lot more improvement and keep giving the same type of effort. If we can do that and continue to execute better, we'll get on the win side."

"Ben Coleman has developed into an excellent outside lineman. Our offensive line is a patch situation, we've lost Tom Kleinlein, Mike Siders, David Lowe, etc. The fellows who have filled in have given a great effort — Elton Ndoma-Ogar, Tommy Mordica and Eddie McKeel — the have filled in very well and I'm very proud of them."

COACH IGEN HAIFIELD -- Clemson

I think our coaches did a great job talking to the team at halftime. We told them that the first half was theirs, and that this second half was going to be ours. We knew we had the ball coming back, and the first five minutes of the second half is always crucial.

Although we didn't get anything out of our first drive (in the second half due to a fumble), we came back. All we wanted to do was play our hearts out. We knew our option would work.

It says enough about Louie Solomon. That young man showed a lot of guts. We got him in the game last week (against UT-Chattanooga) and that came back to pay dividends.

We were our own worst enemy when the penalties went against us, but we overcame them and made some breaks of our own.

The biggest thing we let them get three easy ones on us with those long passes after out line and linebackers had fought so hard. We ~~showed~~ showed a lot of character and came back and played that way. We scored 10 points on them in seven minutes last year down at Clemson, and we had the second half tonight.

I couldn't be prouder of a group of players. After losing two close one already this year, I knew something good was to happen to this team.

GEORGE WELSH -- Virginia

(On Clemson's second half play) They didn't do anything we hadn't practiced against. I didn't see any difference (in what they did in the second half). They blocked us better, and their power running hurt. They broke some tackles and we didn't tackle very well.

(Did you consider kicking a 57-yard field goal on last play?) No. We wanted 10 more yards. Then we would have tried it.

~~XXXXXXXXXXXX~~

(On Clemson's comeback) I can't account for it, but it's something that happens in football.

(Welsh's feelings at halftime, leading 28-7) I was very apprehensive because we gave them an easy touchdown (right before the half). Somebody blew the option coverage and the safety slipped. The game's not over at that point. That's a quality football team and they've got pride. They're not going to fold up.

I'm concerned with ~~and~~ our performance in the third quarter. Why can't we get more than two first downs in the third quarter. That changes the field position and maybe things are different. But they kept getting the ball at midfield.

This team hasn't lost a regular season game in over a year, and this is a tough way to lose one. I told the team after the game it's important for us to be able to bounce back ~~xxxxxxxx~~ next week.

(On second half play-calling) I don't think we got conservative. We went deep and we called enough passes.

COACHES QUOTES
NORTH CAROLINA 27, VIRGINIA 7
OCTOBER 17, 1992
CHAPEL HILL, NC

VIRGINIA HEAD COACH GEORGE WELSH:

"I don't see how anything would be different in the game if Kirby had been out there. There weren't any holes. The fullbacks didn't get anything and we were second-and-eight a lot. We didn't block well. We didn't get a back in the secondary but once. To be a good football team and to score more than a couple of touchdowns, we have to run the ball well."

(About Bobby Goodman): "He's been rushed a lot. He hasn't had the extra time that he's been having. We tried to go deep a few times, I think we may have tried to go deep too many times. They were backing off of us. Maybe we should have gone underneath. I don't know exactly what happened. It's just a thing where I'll have to look at the tapes and see."

(About Virginia's defense): "I don't think it's the case of us missing tackles. We were just not able to play solid defense. We need to hold them to three yards instead of giving up nine yards on the run."

"I don't think we had any mental lapses. We just have not been playing 60 minutes of football. The turnovers that didn't hurt us earlier in the season are hurting us now because we're playing better football teams. William and Mary will beat us if we keep playing like this."

NORTH CAROLINA HEAD COACH MACK BROWN:

"Obviously, we're very pleased to win against a great football team. I think George Welsh is one of the finest coaches in America. Since we've been here, we feel like we've been building our program like George has built his. He does a great job off the field academically and we feel we're headed in the same direction. It was a game that we needed to win as all of them are. It was a game that keeps us in the bowl picture and gives an opportunity to do some things we haven't done in the past. But obviously we need to come out next week to play a good Georgia Tech team here and hopefully we gained some confidence and momentum today that will help us play this way the rest of the year."

"I felt this was the first time our team has really played like it did at the end of last year. Part of that probably was growing up in the Florida State game. At Florida State, we played hard. We played well at times against one of the best football teams in America. We felt the team even gained some confidence last week which is really hard to do in a game you lose 37-13."

"This doesn't mean we're there. It means we're 5-2. We are making progress. Progress in our business is judged week-to-week. But we do feel like we took a big step forward today."

"I was very pleased with the way Jason Stanicek played early in the game before he hurt his knee. He's such a competitor. He really did not want to come out of the ball game. We took him and put Mike Thomas in and Mike did a great job. Mike was much more ready to play today than he was two or three weeks ago. He'd improved a lot in practice. We're very fortunate to have two guys like that."

"Today we took the #1 passer in the country, got him out of his rhythm and really shut him down. We were controlling the ball on offense. Every time Natrone gains 100 yards we seem to win. That means we're blocking people well. Randy Jordan also had a big run. I was pleased with execution of the quarterbackss. We made some big plays today. And I felt like Natrone was player we thought he was coming into the season."

Note: Carolina's 27-7 victory over Virginia today was the first by a Carolina football team over a nationally-ranked opponent since the Tar Heels defeated Texas 26-10 on December 25, 1982 in the Sun Bowl at El Paso, Texas.

QUOTES FROM WILLIAM & MARY HEAD COACH JIMMYE LAYCOCK:
University of Virginia vs. William & Mary -- 10/24/92
~~They~~

"They had good field position and we didnt... We had a difficult time sustaining something offensively because they're good. They're an excellent defensive football team, but defensively we played pretty well ... ~~we~~ We didn't geve them any big plays and I though we played well ... Looking at other ~~my~~ games against (our team) this ~~us~~ may have been one of our better ones ~~we~~ we've played even though we didn't put many~~max~~ points on the board ... We made them play, we made them work. Offensively we were just a couple blocks away from some big plays ... Our kids definitely played hard ... We're young on offense and we've got the experience on ~~a~~ defense ... We've got to bounce back ... We got banged up ... It's a physical ball game obviously We had to play some younger people today and hopefully they grew up ... "

Quotes from Virginia Head Coach George Walsh:

Good things happen when you don't let up. A lot of times a division I team does not take a I-AA team seriously and they get beat. We had some lapses~~st~~ which kept us out of the enizone and forced us to settle for field goals.

(When asked about the passing attack) Bobby has had some passes intercepted over the middle so he likes to go deep or to the outside. We need to throw over the middle to help out our offense. William and Mary did not let us get deep. Bobby needs to keep dumping passes and be satisfied with the five or six yard gain. Sometimes the coaches get in a frame of mind but we need to keep trying to go deep. A team should go deep three or four times a game so the defense respects you.

I have great faith in Jerrod Washington. He has played well in two straight games. Kevin Brooks showed why he is the third string tailback. He ~~has~~ has practiced all year and is not on the scout team. He is a good back. He has good acceleration, good power and vision. WE practice three backs.

(When asked about Terry Kirby playing next weak) He is not playing until he is all right. I will not let him play with one or two dats practice. He needs to be out there on ~~Thursday~~ Tuesday in pads to show that he can take a hit, Wednesday at the latest. I will talk to him and he will not play until he convinces me that he is O.K. He needs to get out there for twenty-some passes and eight to ten runs. He needs to see the blocks and take a hit. Without the practice he is not as good as Washington.

I was hothered by the secong half. We had an illegal procedure that gave us first and ~~first~~ fifteen then a third and two which we had to kick a field goal. WI made too many mental errors. The punts we blocked in the back. That is just dumb.

FLORIDA STATE NOTES & QUOTES

*** Tiger McMillon rushed 23 times for 138 yards in the game to set his career high. It was also his first 100-yard game of his career. The 138 yards is the highest total by a Seminole rusher since Amp Lee rushed for 147 yards against Florida in 1990. It was only the second 100+ yard day by a Seminole back this year.

*** Corey Sawyer had his sixth interception of the year, but still does not have a single return yard on the season. Sawyer's INT tied him for 5th place (with 10 others) on the FSU single season interception list.

*** The interception by Sawyer was the first pickoff by a Seminole since the Miami game when, yes Sawyer, had an interception in the second half.

*** Clifton Abraham's interception was his first of the 1992 season.

*** Seminole trainers report no significant injuries in the game. Dan Footman had a slight back sprain and William Floyd bruised an elbow early in the game, but returned.

*** Quotes from FSU Head Coach Bobby Bowden:

"We were glad to get out of here alive. It's great to get out of here with a win. Our defense just got stronger and stronger and stronger. That was really the key to the win. If their offense had gotten better like our defense, I believe they would have beaten us. We had plenty of chances to wrap this thing up and we didn't. I think that's the most frustrating thing in coaching. You get to the one foot line and fumble on first down. It's great to win this ACC Championship, but remember this is our first year and we don't know what it's like not to win it. We will probably appreciate it more the first time we don't win it. It's like I said, something has to hit you over the head. Boy, I'm really thankful for the championship though, and I know my kids are thankful. They talked about it all week and that really helped us. I'm happy we didn't have to play Virginia tonight with Kirby in there, although No. 22 did a great job. I thought Charlie was the difference for us again once we got him into the shotgun. We really played some tough teams on the road this year and every Saturday, these teams are out to get us. I'll tell you right now, we are proud to be in this conference. We have struggled all year. People said we would dominate the ACC. The days of people dominating are over."

VIRGINIA COACH GEORGE WELSH

(On problems passing) They ~~g~~ get a good pass rush and they use a lot of different combinations. Nobody else has been able to pass the ball against them either.

We played the best defensive team in the conference. I think we ran the ball pretty well, but we needed to have one or two more things happen and they didn't.

I don't want to put all the blame on the offense. We let them off the hook a lot. We gave up a lot of big plays.

I think we played the game ~~w~~ the way we wanted to. We didn't want to throw the ball too much. That wouldn't have been a good idea. But if we get that touchdown in the third quarter, then maybe it's a different ball game.

(On Florida State's Charlie Ward) I think the coaches are going to have to go back to the drawing board to play a quarterback like that. He's a Randall ~~x~~ Cunningham-type player. Then they spread you out, and they're using two backs now. I think that makes them a better running team. Pro teams would play man-to-man defense against him, but most college teams play zone. We played our ~~regular~~ usual zone defenses tonight.

More Florida State Notes ...

*** To celebrate the Seminoles first ACC Championship, champagne was supplied in the lockerroom -- the champagne was NON-ALCOHOLIC!

*** As promised, Seminole running back coach Billy Sexton allowed the players to shave his head following the game. Sexton told the running backs after the Miami game that he would shave his head if they won the conference title.

UVA head coach George Welsh:

Concerning the seniors' last game --

"I ~~may~~ hate to see them go. They've played a lot of good games for Virginia, and helped us win some too.

Concerning five interceptions --

"The linebackers did a good job picking off the passes. It's a good thing they did because we also allowed a few big ones too. I'm surprised when you pick off that many passes in a game. I'm also surprised that we gave up 573 yards.

Concerning preparation for the game --

"We worked hard on the option. We lost some assignments and I don't understand that. I think the long passes ~~hurt~~ hurt us more today than anything else. Simply put, we just gave up too many yards in too short a time.

Concerning Kirby's play (coming off of injury) --

"I thought he'd play better than he did against N.C. State. I told him after the game that it was probably his best effort ever. The way he ran the ball so hard under such adversity.

Concerning the team's play --

"I think we made the big play when it counted, but so did they. I think we got scores on defense and they didn't, and that was a key difference.

Concerning Bobby Goodman --

"He did well today. He did what we wanted him to do. I would have liked him to hit a few more passes, in a couple of those key spots.

Concerning the up and down season --

"I think the last four weeks before this one have been very tough on the team and the staff. You lose conference games, you can't get things on track, and there's a lot of adversity. I think the kids responded well. The off week helped."

Virginia Tech head coach Frank Beamer:

"I'm very proud of our football players. They could have folded when they got far behind. The way our guys came back shows what kind of character they have and what quality people they are.

"The bottom line is that we gave up too much to a good football team. We had five pass interceptions, two for touchdowns, and a blocked punt. You can't give that much to a team like Virginia.

"The blocked punt was crucial. We had just scored and I thought we had the momentum. That blocked punt turned the game around. We wasted a golden opportunity there after Tyrone Drakeford had come up with the pass interception.

"We saw tonight what a healthy Vaughn Hebron can accomplish. It would have been a treat to see him perform in perfect health all season. He's quite a football player and he showed tonight what he means to the Tech team.

"I thought Maurice DeShazo did some really good things. Proof of that is the fact that we gained a whole lot of yards. The interceptions hurt badly, but I will remember, too, all the special plays that Maurice came up with.

"We went for the two pointer near the end because I thought we would make it. We had the momentum at that stage and I was confident we would get the ball into the end zone.

"We have got to look ahead now to next season. I think we have a lot of good young football players. Our main emphasis in the recruiting will be to shore up our defensive line."

Virginia Postgame notes

Terry Kirby rushed for over 1,000 yards this season. He has 1,130 yards (175 carries, six touchdowns). Kirby is the first player in Virginia football history to rush for over 1,000 yards in a season more than once. He rushed for 1,020 yards in 1990 (165 carries).

Terry Kirby has set a new Virginia ~~XXXXXX~~ career rushing record. He has 3,348 yards (567 carries, 24 TDs). The previous record was 3,238 by John Papit (1947-50, 537 carries).

Kirby has rushed for over 100 yards six times in the eight games he has played in this year and 14 times in his UVA Career.

Kirby had 185 yards on 26 carries today. Only one player in UVA football history has rushed for 100 or more yards in a career more times. Papit rushed for over 100 yards 15 times in his UVA career.

Chris Slade broke his own season sack record of 14 (1991). Slade has been in on 15 sacks this season (13 solo).

Virginia's five interceptions ties the Virginia record for most interceptions in a game. It has been done six previous times.

Bobby Goodman tied the Virginia record for most TD passes in a season. The record is 21 ~~XXXXXXXX~~ by Shawn Moore ~~XXXXX~~ (1990).

Randy Neal's two interceptions ~~XXXXXX~~ and two touchdowns are the first of his career.
