ELIAS QUOTES:

"Those two bombs (the two scoring TD plays) killed us. I call them Christmas gifts, but they count just the same. I was proud of our running defense, and am a little surprised that Wake Forest gained as much ground as it did.

"The punt return for us was no accident. We spend considerable time on this phase and all the boys carried out their assignments.

"We had planned to pass more from the triple-slot formation, but just didn't.

"The Wake Forest passing didn't tax our pass defense anymore than Duke did. Remember?"

COACHES' QUOTES:

Hildebrand:

I'm very glad that it's over, and we were mighty glad to win. They actually played the defenses which we expected, and my impression was that we weren't able to run the ball consistently against them. They, however, were vulnerable to passes, and we hit the home run. Virginia hustled and played good ball.

I was a little disappointed in our kicking game. Usually a very consistent part of our game, the kicking game collapsed on two occasions and these two lapses resulted in touchdowns for them.

They defended us well. We played our best game against Clemson. We moved the ball well in the air, but we were not as consistent on the ground as we were in the Clemson game.

Our defense has definitely improved as the year has progressed. That sideline punt return of Virginia's, of course, was a defensive, but all in all I am very pleased with our defense.

In closing, again let me say that we were mighty glad to win.
