Game Notes
Duke vs. Virginia ••• Sept. 8, 2007

Today's was marked the the 600th victory in the history of Virginia football. UVa is now 600-521-48 all time. Enter the season only 29 Football Bowl Subdivision schools have won as many as 600 games. Clemson, Georgia Tech, North Carolina and Virginia Tech are the only ACC schools with at least 600 wins.

Today's loss was the 22nd consecutive by Duke.

Vic Hall 67-yard punt return in the first quarter marked the first runback of his career. It was the longest punt return by a Cavalier since Alvin Pearman ran back a punt 70 yards for a TD vs. Temple in 2004.

Hall's punt return is the 14th longest in UVa history and the fourth-longest non-scoring punt return.

Today's opening score by UVa marked the quickest the Cavaliers have recorded a TD since Wali Lundy scored at the 12:56 mark of the first quarter in UVs 27-17 victory against Georgia Tech in 2005.

Virginia's touchdown on its first possession of the game marks the eighth time in the last 18 meetings against Duke that the Cavaliers scored on their opening drive.

Senior tight end Tom Santi's TD catch in the first quarter was the fourth of his career. Santi has recorded a TD catch in each of the past three seasons against the Blue Devils. His TD reception in the fourth quarter marked the first time in his career he has scored twice in a single game.

Santi's two TD receptions today marks the first time a UVa TE has two receptions for scores in a game since Heath Miller did it in 2004 vs. Akron.

Jameel Sewell's first-quarter TD pass to Tom Santi marked the first time a UVa quarterback has throw a TD pass in seven games. Sewell's last TD pass prior to today was against Maryland (twice) on Oct. 14, 2006.

Cedric Peerman's 58-yard TD run in the first quarter was the longest run from scrimmage by a UVa player since Michael Johnson had a 70-yard TD run at Syracuse in the second game of the 2005 season.

Virginia gave up a safety for the first time since Florida State recorded one on Nov. 4, 2006 when the Seminoles sacked Sewell in the end zone for a safety.

Cedric Peerman rushed for 137 yards today, the most by a Cavalier back since Alvin Pearman dashed for 147 yards against Virginia Tech in 2004. Peerman had 120 yards on eight carries at halftime, eclipsing his previous best single-game effort of 69 yards vs. Western Michigan in 2005.

Chris Long had two sacks today for the second game in a row.

Long and fellow defensive end Jeffrey Fitzgerald shared the team lead with eight tackles.

UVa Firsts:

- Jon Copper's interception in the third quarter was the first of his career.
- Cavalier fullback Rashawn Jackson had his first career carry today, a seven-yard rush.
- Tailback Keith Payne caught his first pass, a five-yarder for a first down.
- Virginia freshman Ras-I Dowling became the fourth freshman to play for the Cavaliers this season. He started on special teams today.
- Crutcher Reiss saw his first action at long snapper, replacing Danny Aiken.
- Denzel Burrell recorded the first sack of his career.

Virginia - 24, Duke - 13:

Virginia leads the overall series between the two schools 32-27 after a 24-13 victory over the Blue Devils on Saturday. The Cavaliers have won eight straight meetings since 2000, the longest winning streak in the series. Virginia now has a 16-10 record in Charlottesville against Duke.

Long snapper **Casey Hales** made his team-leading 36th consecutive start. **Matt Rumsey** extended his starts streak to 25 straight games, earning the start at center. Rush end **Patrick Bailey** has now started 22 consecutive games and **Eron Riley** earned his 15th straight starting nod. Junior **Michael Tauilili** returned to the starting lineup after his 22-game starting streak was snapped in week one due to a violation of team rules. **Fred Roland** also makes his first start of the season after starting all 12 games last year but missing the opener due to an injury. Defensive lineman **Kinney Rucker** made his first career start against Virginia.

Sophomore quarterback **Thaddeus Lewis** threw a 16-yard touchdown pass to **Jomar Wright** in the third quarter. The touchdown was Lewis' 13th career touchdown pass, moving him to within one of 10th on the all-time list at Duke. The touchdown is the fifth career receiving touchdown for Wright and first of the season. Lewis finished the game 14-of-30 for 137 yards, one touchdown and one interception.

Senior fullback **Tielor Robinson** had a career-high nine carries in the game for 31 yards. He fell just shy of his career high for rushing yards as he tallied 32 yards on seven carries against Virginia Tech last season. Robinson also had a reception for a two-point conversion against Virginia on Saturday.

True freshman wide receiver **Austin Kelly** hauled in his first career catch, a 16-yard grab for a first down in the first quarter.

Vincent Rey blocked a field goal in the second quarter, his first career blocked kick. **Rodney Ezzard** returned the blocked field goal 60 yards. Later in the game Jomar Wright blocked a punt for his first career blocked kick. He blocked another punt attempt but Virginia's punter was ruled out-of-bounds on the play. The two blocks give Duke three on the season as **Vince Oghobaase** blocked an extra point in the season opener. Under Ted Roof Duke has blocked 16 kicks in just four seasons.

Jabari Marshall recorded five kick returns for 124 yards in the game. He now has 1,258 career return yards, which moves into seventh on the all-time list at Duke. He passes Quinton McCracken and is 26 yards shy of Leroy Gallman for sixth.

Redshirt freshman **Kevin Jones** kicked the longest punt of his career when he booted one 53 yards in the first quarter. He had four punts in the game of over 40 yards with two downed inside the 20-yard line. He finished the game with five punts for 214 yards, an average of 42.8 per punt. He averaged just 31 yards per punt in his first collegiate game.

Wesley Oglesby recorded his first career forced fumble in the first quarter. Oglesby was playing in just his second career game. He posted five tackles as well.

Michael Tauilili tallied his fifth career forced fumble in the third quarter. **Marcus Jones** came away with the recovery on the play for Duke.

True freshman **Adam Banks** forced and recovered a fumble in the third quarter, the first in his career for both.

Junior safety **Adrian Aye-Darko** posted a career-high eight tackles against Virginia. His previous career high was seven, which he accomplished three times in 2006. Junior rush end Greg Akinbiyi also had a career high in tackles with seven as he saw the most playing time of his career.

Patrick Bailey led the team with nine tackles, including two tackles for a loss. It is the eighth time in his career he has had eight or more tackles in a game.

Duke outscored Virginia 11-0 in the third quarter, a 25-point turnaround from week one when they were outscored 14-0 by Connecticut.

Duke will play its next game against Northwestern on Saturday, September 15 at 8 p.m. (ET) in Evanston, Ill. The game will be televised by the Big Ten Network.

Virginia Head Coach Al Groh
Virginia 24, Duke 13
Sept. 8, 2007

“We’re real pleased about that (the outcome). We were better than we were last week. We’re not as good as we need to be next week, but that’s for tomorrow. Most of the times we’ve won around here it has been because we’ve had more players step up and make good plays than the other side has had. When you do that, you usually end up with more points than the other team has. We had a number of players step up and make real good plays for us today in all phases of the game.”

(On Cedric Peerman) “I don’t mean this disrespectfully – I love Cedric. He’s important to our team. Maybe he isn’t going to win the Heisman Trophy, but there are certain backs that have to carry the flag for your team. They do that with their heart as much as with their skill, and that’s the great value Cedric has for our team. When he’s carrying the ball, he’s carrying the flag for the team, too.”

(On the quick start) “That was very positive and very uplifting. Obviously, it let us get the initiative on the game. It was pretty apparent that Duke played the game offensively the way we thought they would try to play it. Given the fact we had nine sacks last year (against Duke) and that we had numerous hits on the quarterback last week, we kind of anticipated that the plan would be, ‘Make sure our quarterback doesn’t get destroyed today.’ ... To be off to a lead of 14-0 like that tended to negate that strategy a little bit.”

(On the 15-play touchdown drive) “That was a real good drive. It’s been awhile since we saw one of those. We did it with third-down conversions. We did it with quick passes. We did it with some real tough running. Then, obviously, Pete (Lalich) and Tom (Santi) hooked up real well on the touchdown. That was real positive, and it certainly gives us good hope here.”

(On Lalich’s play) He had “very good poise and very good presence. He sees the field real well. That was apparent today.”

(On the quarterbacks) “We were going to play both quarterbacks in the game today. I think both players bring some significant skills to the team. I thought Jameel [Sewell] got off to a very strong start. There about the seven minute mark (of the second quarter), the trainer came up and said that Jameel is starting to cramp. We obviously didn’t want a situation with those cramps, as we saw last week (against Wyoming), once a guy starts getting into that, it’s the next day until it’s over with. ... That’s what triggered the rotation at that particular point.”

(On long-snapping issues) “Those were obviously pretty impactful on the game. It’s something we’ll really have to keep a handle on here.”

(On the play of the secondary and the defense, in general) “There weren’t too many completed passes. The rush was good. Chris Long, once again, was outstanding. Certainly he was hard to deal with.”

“It was like a great story with a lot of misspelled words. This isn’t meant as a finger-pointing thing, but there were three bad snaps that kept us from thoroughly grasping the initiative in the game. If those three snaps are eliminated, then probably we’re in a better position. ... But those plays belong to all of us. Those 24 points, they belong to everybody. They’re not defensive points or offensive points or special teams points. They were Virginia points. And the 13 points that got scored on us, they belong to everybody.”

(On offensive holding penalties) “Upsetting. We’ve got some veteran players in there. One of the things we emphasize is that every player is responsible for his own penalty. They’re the ones out there doing it. Obviously, penalties set you back significantly. ... We definitely have to do a better job on those things.”

Virginia Quotes

Tom Santi, tight end

On his two touchdowns from two different quarterbacks:

"We got both of those guys in there practicing and as you saw today, they both did a good job."

On adjusting the play selection for Cedric Peerman:

"We let the game go the way it went. Sometimes we felt we should run the ball and sometimes we felt we should throw. We didn't focus on the run or the pass we just went with what was there for us."

Jon Copper, linebacker

On his first career interception and if that helped motivate the defense:

"36/36 is our motto, that means 36 turnovers (is the season goal). I think we only had one today. That's something we practice a lot, hopefully we do better with that next week. It gets everybody pumped up."

On the defense's execution:

"It was a victory. We won. Thankfully, we had some guys step up. Chris Long stepped up, Jeff Fitzgerald with rushing the passer at the end so that was good. It's important to finish a game like that. We've got a lot of stuff we have to work on though."

Chris Long, defensive end

On the first win of the season:

"It's huge, a lot of people don't understand how hard it is to just get a win. If it was easy we'd probably be national champs. We've just got to work. We made a lot of mistakes but we saw a lot of positives. We took steps forward. We've got to keep doing it."

On what improvements can be made:

"We can improve on everything we do really. That's not a cop-out, that's just what we try and do every week. Just get better in all facets of the game. We made plenty of mistakes to go around in every area, but we also made a lot of plays in some areas. We're just going to keep working."

Cedric Peerman

On his career-high rushing day

"The offensive line did a great job all day, the tight ends were solid and the wide receivers made a few key blocks down field, and I was able to spring a few big runs."

On the importance of playing in front of the home crowd

"It's good to be back home, but at the same time we know we're going to have to go back on the road. We can't get used to playing at home, but it was definitely good to have our crowd behind us."

On opening with a conference win

"It's very important to get off to a good start. A win in the conference is always huge and we're 1-0 in the conference right now so we're happy about that, but we're still looking forward to becoming better."

Vic Hall

On his first quarter punt return

"We had been working on it all week, and we knew it was going to be a big play. It just opened up and we executed well. I wanted the touchdown bad. I was happy that we had a big play, but I thought we should have scored on it. We still scored though so I was happy."

On the defensive effort

"I think we were better than last week, and that is the most important thing. It was progress."

Peter Lalich

On progress made from last week

"We made some plays today on offense, and the defense did the job today. That's what let us come out with the W."

On his comfort level being on the field

"I was as comfortable as I could be. We have a great offensive line, so it's not like I was feeling pressure all day. My receivers just made plays for me today."

On having to play on the road next week against North Carolina

"Our house is between the white lines."

Duke Quotes

Duke Head Coach Ted Roof

On Missed opportunities:

“The field position in the second half was about the opposite of what it was last week in the second half to us. When you don’t come up with those points and you don’t convert those missed opportunities, it ends up costing you, and it did. The way the game started off, our kids kept hanging around, hanging in there, which is what we’re supposed to do. We blocked two kicks and recovered a fumble off a kick off; they had a couple of missed chances, and we need to take advantage of those. Like the last scoring drive, you get off the field and put it down. They made a great play, and we really have to execute it. It just rip your guts out.”

On going for field goals

“I thought we would change the score better by making a few field goals. Instead of keeping it all or nothing, I wanted to get it down to a one-possession game. It was a missed opportunity.”

On the team’s effort:

“The effort was good. There’s a fine line between winning and losing, and we go back to looking at the chances we had to do it. For whatever reason, in several different instances, it didn’t happen. Football is a game of 60 minutes for a reason. Whatever happens, you’ve got to play through it. We had to do that as the coaching staff – not panic.”

On his young players:

“I thought they grew up from last week. I think that they’re starting to understand that the crowd doesn’t have anything to do with it. Focus on what’s inside our box: execute and take care of business. I was pleased today on their job with special teams.

“There were some good, some bad, but we’ve got to continue to work to eliminate those things that keep you from going backwards.

On next week:

“We’ve got to bounce back. That’s our job. There’s a lot of football season left. We came to win and we didn’t do it. Virginia had something to do with that, so I give them credit. At the same time, we have to get ready to go back and make sure that our team is ready for Northwestern.”

Duke Player Quotes vs. Virginia, Sept. 8, 2007

Senior Free Safety Chris Davis

On the start of the game...

"We came out; they quick snapped us a few times. We didn't get lined up and we gave up a couple of big plays early. We fought back and had our chances to win the game. I'm really proud of our effort today. Defense, once we got settled down everything was good; offense gave us a chance today as well. We just lost a tough one today."

On the play of Duke's special teams...

"We got a lot of turnovers. We've just got to do something with them next time. You can't ask for more turnovers than that - getting some blocked kicks and things like that. It was a great day, a lot of excitement on the sideline for both teams. It was a great ACC football game."

On losing another game...

"It's been too long. It's nothing to be proud of. You go out there and give effort anyway. Everybody wants to win. We're going to get back there on Monday and find a way to go to Chicago and beat Northwestern."

On losing a close game...

Maybe for the young guys it's something to be encouraged about, but for the older guys, we've been there before and this game was too close to let it slip away. We have to find a way; that's what we are working on. We've got to find a way somehow. Maybe one of those blocked kicks we've got to return for a touchdown, defense has to get an interception, or we have to return a fumble to score. We have to get a good way on offense. Somehow we have to find a way to win in close games."

On Coach Roof's words to the team after the game...

"He kept it all in perspective but he didn't come here to coach us to lose or to give effort and be proud of that. If you don't get your effort, you shouldn't be playing anyways - that's a given. It was a positive for us to keep going throughout the whole game. We've been talking about playing a full game; we played a full game today, especially the second half; it was a great half for us. We've just got to keep moving forward."

On this week's play...

"This game, especially on the road, is about momentum. They came out, scored early, and the crowd got behind them quickly. It's tough when you've got all those fans screaming down and you feel like you're on your heels sometimes. We just had to get together, put our arms together, and just stand strong. It all worked out, and we came back."

On kicker Joe Surgan...

"To be honest with you, Joe had the best week of practice this last week - just right down the middle all week. We end practice with a field goal, and he was putting them right down the middle. We are a team, and we are going to be behind him. We have to be behind him because he's our kicker. He's going to make some big kicks for us, so we try not to put it all on his hands. We've got to go ahead and score some of those touchdowns instead of putting the pressure on the field goal team. We're going to find a way; we're going to put it together."

Junior Kicker Joe Surgan

On..

"I had a great week, a great preseason, and a whole great off-season. I thought to be able to come in here and not be able to help your team win is gut wrenching and upsetting. My role on this team is limited in some capacities but it still is important I feel as anyone else's. We're here to help the team win, and at the end of the day if you're not able to do that, it's upsetting and I wish there was a better outcome"

On what didn't go well...

"Protection was great and the snapping and all was great. It's all up to myself to get that ball through the uprights. I want to win as much as anyone else on this team. I came here today to win a football game and to not be able to help the team to do that and feel that it was a major reason why it happened; it's not a great feeling. You feel terrible to your teammates; you feel terrible to your coaches because they have a lot of faith in me and to let them down in those situations is not a good feeling."

"There shouldn't be any difference. You practice as if you are in a game. You put yourself in the situations, you practice and mentally you try to prepare for them. Obviously things didn't go right today. I've got to go back to look at the film to see what exactly what went wrong; I wasn't kicking the ball great. You want to go make those kicks and if you can't do it, there's no nice way to put it. There's no way to sugar coat what happened. I want to help the team win and it's a long season. If I wanted to quit, I could have quit

last off-season after what happened last season. We're going to keep going; we've got ten more games. If I quit now, it's going to be a long three months.

"I have no choice but to bounce back at this point. I feel like I've had a great off-season, a great preseason, and I feel great coming into this game. I'm going to work hard this week, and feel great going into next week, and we're going to do everything to turn it around then."

Senior Wide Receiver Joman Wright

On losing the game...

"It's very disappointing. We have eleven guys coming back on offense; we should have been able to perform better under pressure and execute when the chance comes. We've got to come back this weekend, find out what's going wrong, and find a way to adjust it because right now we're not getting it done with offense and it's very disappointing because we should be."

On this week's progress...

"We have to do a lot better; we have to execute, we have to protect, we have to catch the ball, we have to run blocks from all positions from receivers to the line. The quarterback has to do better with the line. The whole group has to come back and do better. We keep saying it each week but something's got to change because we are not winning games and we should be."

Virginia postgame notes at North Carolina, Sept. 15, 2007

The Cavaliers wore all white uniforms today for the first time since the Florida State game last year.

Jared Detrick became the fifth true freshman to play for the Cavaliers this season. He made his first appearance on the kickoff team. He made the tackle on the play, all career firsts.

Redshirt freshmen S Rico Bell, LB John Bivens and G B.J. Cabell also made their first career appearance this afternoon. Bell was in on the punt return unit, Bivens appeared on the kickoff return team and Cabell on the field goal kick team.

FB Rashawn Jackson's 4-yard reception on UVa's opening drive is the first catch of his career. He played linebacker last season before moving to fullback in the spring.

The Cavaliers' touchdown on the opening drive marks the second consecutive game they have scored a TD on their first possession.

Cedric Peerman's 1-yard run on the opening drive is UVa's first road touchdown since the ECU game last year.

Chris Gould had his first touchback kickoff of the season following UVa's first touchdown. Last year he had 21 touchbacks on 42 kickoffs.

Gould's 51-yard field goal in the first quarter is the longest of his career. His previous long was 48 yards at Pittsburgh last year. It is the longest by a Cavalier since Connor Hughes booted a 52-yarder vs. NC State in 2003.

Gould tied the school record with five field goals. Rafael Garcia kicked five vs. Virginia Tech in 1994 and Connor Hughes vs. Georgia Tech in 2003.

is the first UVa kicker to kick four field goals in a game since Connor Hughes had four against FSU in 2005.

Cedric Peerman had a long rushing play of 38 yards, his second long run of the season. He also had a 58-yard run vs. Duke last week. Last season Virginia's longest run from scrimmage by a running back was Jason Snelling's 29-yard run vs. East Carolina. QB Jameel Sewell had the longest run last season; 36 yards (TD) vs. Maryland. That was the Cavaliers' only run of more than 30 yards last fall.

Peerman went over 100 yards rushing for the second week in a row for his second career 100-yard game. He is the first Cavalier to have back-to-back 100-yard games since Alvin Pearman had three in a row in 2004 (223-Duke, 170-Maryland, 106-Miami).

Peerman's total today is a career high. He had 137 yards last week vs. Duke. It is also the most by a Cavalier since Alvin Pearman rushed for 223 yards vs. Duke in 2004.

Virginia scored on its first four possessions today (TD, FG, FG, FG). This is the first time the Cavaliers have scored on as many as four straight possessions in a road game since scoring on six straight possessions in a 45-33 loss at Maryland in 2005 (TD, TD, FG, FG, FG, FG).

DE Chris Long had a sack for the third game in a row. He now has five this season, a career-high.

Long also had his first career interception. Defensive linemen have two of UVa's three interceptions this season.

Virginia Player Quotes

Staton Jobe, freshman wide receiver

On being 3-0 in the ACC:

"It's exciting. People doubted us after that tough loss to Wyoming. I think we've showed we can bounce back. We're a good team and coming up with big wins like this is something we have to do."

On dealing with a series of tough plays:

"I got down on myself at first, but at that point I realized I had to stay positive and make the most out of any opportunity that I got after that."

On his first career touchdown:

"When I heard the play call in the huddle, I knew it was my opportunity to come back and make a play. The play developed just like we do it in practice, and Jameel [Sewell] made an incredible throw."

Jeffrey Fitzgerald, sophomore defensive end

On preparation this week:

"We had the mindset that we were going to dominate the game. We feel that we've haven't played to our full capabilities yet and we tried to go out there and do that this game."

On his interception:

"We had a blitz on, and the ball got batted in the air. I got into the backfield and after that I was just in the right place at the right time. "

On being in first place in the ACC:

"We know we have to keep doing exactly what we're doing now and just try to improve. We are working hard to get even better than we played today."

On getting into the backfield today:

"Chris Long draws attention so that frees me up. We were able to do what we wanted. They had a few more rushing yards than we would have liked, but I think we did a good job today. "

On the win:

"This is a huge win. We have the momentum in the ACC. Being 3-0 and on top of the division is great. This was a big win for us but we know we have a lot of room to get better."

Cedric Peerman, junior running back

On three straight 100 yard rushing games:

"My numbers don't matter unless the team wins, so that is our number-one goal. We are thankful for this win and our hats go off to the offensive line. Without them I couldn't do anything. I am thankful God gave me the opportunity to be on this team and being able to change the game."

On game-planning for Georgia Tech's blitz:

"We were extremely focused this entire week in practice. They have been known for blitzing in the past. I think we were pretty prepared today and the blitz didn't seem to hurt us too much. Hats off to the coaches for getting us ready."

On playing Pittsburg next week:

"Everybody is very excited, and the atmosphere at night games is always electric. We are going to celebrate this one a little bit first, but then we are getting back to work so that we can be ready."

On exceptional play of Fitzgerald and Long:

“It definitely takes the pressure off of us. Everyone on the offensive side sees that and then wants to get involved in making big plays. It is a great motivator and we are blessed to have those guys on the team.”

Jameel Sewell, sophomore quarterback

On responding with quick score in the first quarter:

“That was definitely a statement. That’s what we needed to set the tempo for our offense. The line up front was doing a remarkable job, and they are going to keep getting better, which is only going to lead to everyone else getting better too.”

On Staton Jobe’s touchdown:

“Before the snap I saw the two safeties coming to blitz. I saw he had a lot of field to work with, so I stepped up and tried to give him a catchable ball. He caught the ball and broke a tackle. He made a play for us.”

On the win:

“Last year was really tough against these guys. I was on the ground a lot and we had a tough time. I just wanted to come out today and get the win and make a statement for the team.”

On Cedric Peerman:

“Cedric was awesome today. Breaking tackles in the backfield, getting first downs, and making big plays. Cedric is going to keep bringing it and I’m going to try and make plays to match him. He has great speed and is a very smart player. He always knows where the marker is and can go get the first down for us.”

Virginia vs. Georgia Tech
Sept. 22, 2007 • Game Notes

The Cavaliers won their third straight game, their longest winning streak since they won the first three games of 2005.

Virginia has won all three ACC games this season, its first three-game conference winning streak since the Cavaliers won their first three league games in 2003.

Virginia retakes the series lead with a 15-14-1 advantage.

Today's game marks the first time an opponent scored more than seven points in a quarter against Georgia Tech.

Virginia's 21 first-quarter points were the most by the Cavaliers in a quarter since scoring 21 in a 51-3 win vs. Temple on Nov. 5, 2005. It marked the first time UVa scored 21 points in the first quarter since doing the same vs. Maryland in a 31-23 win on Oct. 7, 2000.

Today's game marked the third consecutive contest the Cavaliers have scored on their opening drive.

Chris Gorham (WR) had his first start on offense today for Virginia. He has nine previous starts as a Cavalier playing cornerback.

Jeffrey Fitzgerald's first quarter interception was the fourth in his UVa career, which ties the school record for most interceptions by a defensive lineman. He ties DE Butch Powers (1973-76) with four career interceptions. Fitzgerald leads active Cavaliers in career interceptions also.

The INT was Fitzgerald's second of the season. It also marked the second time in his career he scored a touchdown in a game. He returned a fumble 23 yards for a TD vs. Duke in 2006.

Fitzgerald's INT marked the first turnover by Georgia Tech this season. Tech entered the game as the only team in the nation without a turnover.

Ryan Weigand's 58-yard punt in the second quarter and 54-yarder in the third quarter marked the 7th and 8th times this year he has booted a kick more than 50 yards. He entered the game averaging a NCAA best 49.4 yards per punt.

Virginia tight end Tom Santi's 45-yard catch in the first quarter was his longest reception since the 2005 Music City Bowl where he had a 55-yard reception. Santi's catch was the longest by a Cavalier this season.

Travis Bell's 51-yard field goal in the third quarter is the longest against the Cavaliers since Georgia Tech's Luke Manget booted a 51-yarder in 2001.

Dontrelle Inman's 31-yard reception in the third quarter was his longest catch of the season. It marked the first time this year a UVa wide receiver had a reception of more than 20 yards.

Cedric Peerman eclipsed the 100-yard rushing mark for the third consecutive game today. He is the first UVa back to rush for 100+ yards in three consecutive games since Alvin Pearman did it in 2004 (223 vs. Duke -Oct.23 / 170 vs. Maryland - Nov.6 & 106 vs. Miami - Nov.13).

Staton Jobe recorded his first career TD catch today ... a 26-yard catch to give UVa a 28-23 lead in the fourth quarter.

Virginia entered today's game with no pass plays of more than 20 yards to a tight end or wide receiver, but got four such plays today: Tom Santi had 45- and 20-yard receptions, Dontrelle Inman had a 31-yard catch, Staton Jobe had a 26-yard TD reception and Jonathan Stupar had a 23-yard catch.

DE Chris Long recorded his sixth sack of the season. He has had at least one sack in every game this year.

Long also finished with a season-high nine tackles and also broke up two passes. He also deflected the pass that was returned for a touchdown by Jeffrey Fitzgerald.

Al Groh Quotes

Opening Remarks

Well, after three of those in a row, I think we can see what type of team we're fashioning. As I said last week, there's a lot of character and a lot of tough kids on this team. If we're successful, we're going to have a lot of games of that nature. We've had three in a row, and what they've shown in those three games is that when the game is on the line they won't crack. They trust in each other and they believe in each other. The players stepped up and made a lot of plays.

It keeps us moving along. We've certainly improved from last week. We've done that three weeks in a row. And we might be a little bit better than most people gave us credit for.

On Virginia's recovery of a muffed Georgia Tech punt

It was really a game, for a long time there, of turnovers and field position. Each team recovered a punt in about the same place and each team subsequently scored with it. Those two, in the long run, evened out.

On Staton Jobe's touchdown reception

It's a route that he runs well. He runs it well in practice. He's got a good feel for it. And it was a terrific throw. Jameel (Sewell) put it right on the target. Obviously, that gave us the (five-point) margin, and we had to defend it the rest of the way. We made a couple of good stands. ... The idea going to the game was that we were going to take our swings. We weren't going to pull our punches.

On Sewell's performance

This was the sharpest he's been, overall, in the passing game.

On the pass rush

Boy, we tried everything. We must have called 15 different pressures – not in frequency, but in design. They had a very good protection plan. They were trying to slide the protection to our most dangerous side. They kept seven guys in (to block) a great deal of the time. That made it a little bit trickier, but when it was on the line, they were able to put real good pressure on four downs in a row. You've got to win all four, and we were able to do that.

On responding to Georgia Tech's opening score with a touchdown drive

It certainly raised the whole tone of the place, and that particularly demonstrated that we are going to be able to move the ball on this team.

On the play of Cedric Peerman

Cedric was wonderful again. As you can clearly see, he's the right back for this team. He fits the personality of this program and of this team. There are a lot of great running backs in the country who we admire, but this kid is the right back for our team. We certainly admire him to a great level, and he epitomizes the toughness and the heart and the character of all of his teammates.

On the injury to Georgia Tech WR Correy Earls

Certainly since the incident up in Buffalo (involving the injury to Bills TE Kevin Everett) everybody is particularly sensitive to seeing a player down like that. It doesn't have to be one of your own to have that feeling. It's a very competitive sport; there's no sport as competitive as that with people going after each other in the way that they do. When somebody goes down like that kid (Correy Earls) did, we're all comrades. We felt for him as if he were one of our guys. We've talked to the (Georgia Tech) people, and we were told that as he was being taken off the field he was moving his extremities. We hope that's good news, and we're going to keep track of that and help them out if need be. But we also told our players that we don't have any idea what's going on over there. We're not doctors. We can't do anything at this present moment, so let's just keep our focus on what's coming up here in the next couple of plays.

On the upcoming game vs. Pittsburgh

We've made some progress, but we have a team coming in here that we didn't do very well with last year. This one has good value for us. We're a quarter of the way through the season, and we're going to enjoy this. But we're already thinking about doing everything we have to do to be the same guys next week.

Chan Gailey Quotes

Georgia Tech Head Coach Chan Gailey

On injuries:

“As I was on the sideline waiting, [Corey Earls] had a little movement, but I’m no doctor. So, it’s not right for me to comment, but I did see that little bit. He wasn’t 100 percent and had to pull himself out of that first couple series. [Mike Cox] got hurt in the ballgame, as did Djay Jones. I don’t think Shane [Bowen] got hurt. Tyler [Evans] got banged up on the first punt return. [James Johnson] was banged up.”

On Correy Earls:

“Obviously it runs through everybody’s mind because you’re concerned about him, but with four-and-a-half minutes left in the game, at that point, there was a lot in the game that had already gone through. That’s not something that leaves your mind, but that’s not something you use as an excuse to stop concentrating.”

On turnovers:

“Anytime you turn it [the ball] over to a touchdown, it hurts. It wasn’t just a turnover, it was a turnover for a touchdown. You hope you go a whole season without turning over, but odds are you won’t. So, you get your guys to understand overcoming.”

On difficulties playing in Charlottesville:

“Every year is different. Every team is different. It’s just the way it’s happened.”

On Chris Long:

“He is a great player. He’s one of the best defensive players I’ve seen in our conference. You better know where he is, and you better have a plan.”

On Georgia Tech’s defense:

“They threw some new things at us, and we had to adjust. We didn’t adjust as quickly as you’d hope after the first couple of series, but our defense came back and played strong.

On Georgia Tech’s offense:

“I was hoping we would be more consistent with our passing game. After the first play of the game, or after our first touchdown, we weren’t very consistent.”

Georgia Tech Player Quotes

Jonathan Dwyer, freshman running back

On losing the game:

“We came out like we were supposed to; I guess things just didn’t go our way. We’ve got to pick it up because we’re not finishing our big plays.”

On third down conversions:

“I think we’re doing okay. We did have a few big plays on second and third down, but we need to just work on finishing those plays. We need to finish what we’ve started.”

On approaching next week’s game:

“We’ve got to be hungry. We gave it all we had; we fought until the game was over. So we’ve got to get back, get some treatment for our boys, and get everybody healthy again. We’ve got to come back next week ready for Clemson.”

Taylor Bennett, junior quarterback

On Georgia Tech’s consistency during the game:

“We took a lot of deep shots on the go routes. That was some pretty high-risk passing. Those were more of a hit-and-miss. With the underneath stuff we had a couple of wrong routes ran. We just tried to take whatever they gave us. That instant replay with the comeback, we all thought he caught it. That would’ve been a huge play for us. It would’ve been a first down and we needed to get that one. I didn’t think we played that badly on offense. We just need to come out and perform a little bit more next week.”

On third down conversions:

“That’s something we try to work on a lot; that’s something we haven’t been very good on all season. We’re beginning to get better.”

On preparing to play against Virginia’s Chris Long:

“I tend to not think of things like that; we didn’t really game plan towards any one guy. We game plan for the team. He’s a very good player, that’s for sure. We only gave up two sacks today, so it’s not that bad. He’s a good player; he’ll be a very good player at the next level I’m sure.”

On approaching next week’s game:

“We’re a team and we’re a family so it’s hard on individuals, but as a team, we’ll bounce back. We’ve got good players and good coaches, so when we come back next week and play Clemson, we’ll put this one behind us.”

Georgia Tech Safety Jamal Lewis

On Cedric Pearman:

“He’s a tough guy to bring down. You’ve just got to wrap up and drive your legs to be able to bring him down.”

On Correy Earls getting injured:

“That affected us very emotionally. We had to go out there and play as hard as we could and try to win it for Correy Earls, because he is down right now. We got up on the sideline and prayed for him and prayed for everyone else who was going to play in the game. We tried to go out there and fight as hard as we could to get the W.”

Al Groh comments, Pittsburgh postgame, Sept. 29, 2007
Virginia 44, Pittsburgh 14

Opening Remarks:

I was pleased with our play tonight. The team continues to move forward in many different areas, especially tonight. We improved in a lot of different areas -- particularly special teams -- that got a lot of work during the course of the week. The players put a lot of time in on and it showed. We took advantage of some opportunities early in the game to go out and get a lead. Once we had that lead, it made it a lot easier to play from in front than from behind.

I'd like to take a moment to cite a player ... who is really indicative of the attitude and the morale on the team. That's Gordie Sammis. He's in his fifth year here. He petitioned for an extra year of eligibility from the NCAA. He went through the entire offseason program without any assurances that he would even be granted that year, but he just wanted to be a part of what we're doing here. Other than being in on a couple of field goals, probably over the course of his career Gordie hasn't been in on 10 plays over the course of his career. He started the game for us tonight at left guard and did an admirable job for us.

On Virginia's fast start:

It was a great start for us. The first quarter was a story of what field position does during the course of the game. We had tremendous field position. Once it's there, the players have to go out and execute and take advantage of it. They did a very good job of it. They were very sharp in the beginning.

Some of the things we couldn't have counted on, starting the game on the [Pittsburgh] 39 yard line. It was a good job on our part of covering the ball, and obviously the illegal touching [penalty] gave us an advantageous spot. We did a good job of reacting to that situation. ... Those are things we obviously can't build into the game plan, but we know they're so critical in terms of the final outcome. You've got to make some of those things happen, too, and tonight we did a good job of that.

On the play of QB Jameel Sewell:

This [game] was very positive. He was pretty sharp there with some of those throws in the beginning -- real sharp, as sharp as he needed to be to get our team off to a fast start. ... He was into the flow of the game, not just in terms of passing but some of the checks we were making at the line of scrimmage. He was getting us into the right play, and that's as big of a part of that position as the throwing part.

On the fake field goal in the fourth quarter that resulted in a touchdown:

We had gone into the game feeling that on the first field goal [attempt] in a certain field position we were going to call it. So, that was the first field goal in a certain field position and we went with the plan that we had.

On the play of Pittsburgh TB LeSean McCoy:

He had 86 yards. That's pretty good. He's a very dangerous runner. I'm very impressed with him. He's clearly going to gain a lot of yards in his career. He kept us on our toes throughout the course of the game. Fortunately, we kept him from having any very long runs, which he is very capable of doing. He's had two bust-out runs so far this year. That was a critical thing, and the players on defense were very tuned into the importance of that.

On maintaining focus with a big lead:

We've had some struggles here of late and we haven't found ourselves in a circumstance like that in a long time. We were certainly in new territory, but this team has demonstrated a strong resolve and focus throughout. Hearing what they were saying to each other, it was apparent that nothing needed to be said from the coaching staff. ... We were pleased how they took the leadership themselves and recognized the situation.

Virginia Player Quotes

Jameel Sewell, sophomore quarterback

On presence in the pocket:

“It isn’t something you necessarily work on in practice. I had a bad habit of looking at the rush in the past, now I try to just feel it and move around that way, instead of focusing on the pressure.”

On his running game:

“They gave us a lot of looks that left me one-on-one with a defender in a lot of space. The coaches allowed us to take advantage of that, and we were able to make some plays.”

On play of the TEs:

“Any time our tight ends have a one-on-one match-up with anyone, I feel like we have an advantage and I’m going to try and get the them ball. I have so much trust in them and I know that they will always be able to go up and make a play.”

On the Santi TD:

“We were against a good coverage and had a good idea of what they were doing pre-snap. Tom was one-on-one and I wanted to put the ball in a place where he could use his size advantage and ability and go up and get it. Once I got the throw off, I was confident Tom would go up and make a play.”

Tom Santi, senior Tight End

On the mismatch against smaller linebackers:

“When you have smaller players, Jameel [Sewell] is able to put the ball where only John [Stupar] and I can go up and get it. We were able to exploit the mismatch that way.”

On his TD catch:

“Jameel [Sewell] put the ball up top and gave me a chance to go up and get it. He put it in a perfect spot. I was able to make the play, and it got us off to a good start.”

On jumping out to an early lead:

“Getting out to a lead is a big deal. When we are able to get out there and get on the board early, it makes a huge difference and sets a tone for the whole game.”

Chris Long, Senior Defensive End

On playing a non-Conference opponent this week:

“It’s not hard at all to get up every week. We love football and we love winning. We try to do what we did today every week to get a win.”

On a big win:

“We came out with a purpose, and we executed and jumped on them early. We were too much to handle early on, and we play pretty good at home.”

On going back on the road and the teams previous road struggles:

“I can’t wait to hit the road. I love taking the road trips and playing somewhere new. It’s a new challenge every week. I think this team is a little different than in the past, and I hope we can show that.”

Cedric Peerman, Junior Running Back

On the offense effort tonight:

“It was a good overall effort for us. We were able to put some quick drives together and we got the ball in their territory a lot, so we were able to capitalize on that. Special teams did a great job a couple of times in getting us the field position we needed to make those short drives possible, so it was just an overall team effort.”

On the approach to this game:

“It wasn’t any different. It is just another opponent for us, and our focus is just to win the game. So that was the approach we took, and we were blessed to be able to come out with a win today.”

On what the team will work on this week:

“I have no idea. We are just going to celebrate this win a little bit and then get back to getting better. That’s what we try to do every week; get better. That’s our approach and that’s how we are going to do it.”

On Jameel Sewell’s night:

“Jameel was phenomenal today. I think he threw three touchdown passes, so he was on point with his passes. He did a great job on with the plays that were called, and we are just blessed to have that guy as our quarterback.”

Virginia Player Quotes

Vic Hall, sophomore cornerback

On the call to run the fake field goal:

“I’m always excited when I get the call, especially when it gives me a chance to help my team and score a touchdown.”

On what was going through his head before the fake field goal:

“I was just hoping that we would get the right look. If you don’t get the right look then you have to kick it.”

On his feelings after scoring the touchdown:

“It always feels good to score.”

On the success of the return game:

“The punt return team did great work. They created a lot of holes and had a lot of good blocks. They just did a great job. We’ve been working on that all week in practice.”

On the team’s defensive performance:

“We played well. We knew what they were going to do. We knew they were going to run the ball. Our defense stepped up. Coach [Al] Groh had a great game plan.”

On the team’s offensive performance:

“The offense played great. Jameel orchestrated a great offense. Coach Mike Groh had a great game plan and everything flowed well.”

Jonathan Stupar, senior tight end

On scoring so quickly on the opening drive:

“We came out with a lot of energy just like we did last weekend. It’s just something we’ve started to do here and coming out with a lot of energy seems to be paying off. We had a lot to prove and I think we did that.”

On scoring his first touchdown of the season:

“It meant a lot. We’ve got great tight ends here that do a lot of things. It was great to get my first touchdown of the season and hopefully that keeps on rolling.”

On the tight ends’ relationship with Jameel Sewell:

“We have a great relationship with Jameel. You need to have a great relationship with your quarterback. We had classes together over the summer. We were just hanging out and getting that camaraderie that you need with a quarterback. Once you get that, good things will happen.”

Virginia vs. Pittsburgh Game Notes

The victory improves Virginia's record to 4-1 this season. The Cavaliers have now won four straight since their opening-season loss at Wyoming. The last time UVa won four straight in a single-season was 2004 when the Cavaliers opened 5-0.

Tonight's win marked the first time in four regular-season meetings Virginia defeated Pittsburgh. Pitt continues to lead the series 3-2.

Virginia is now 12-3 at home in non-conference games under head coach Al Groh and 32-9 overall at Scott Stadium under Groh during his seven seasons at UVa. Groh's record at UVa now stands at 46-34. He is third in school history in wins, one behind Art Guepe who compiled a 47-17-2 record at UVa from 1946-52. George Welsh is UVa's all-time wins leader with 134.

Today's game marked the fourth consecutive contest the Cavaliers have scored on their first two drives of the contest.

Virginia's 44 points were the most scored against Pittsburgh this season. The Panthers entered Saturday's game ranked 18th in the nation in scoring defense, allowing just 16.0 ppg.

Virginia was seven for seven in the red zone tonight, a much higher percentage than Pitt's first four opponents. The Panthers came into the game leading the Big East Conference in red zone defense by allowing just 57.1 percent (8 of 14).

Virginia has thrown six TD passes this season. Four have been caught by tight ends (Tom Santi with 3, Jonathan Stupar with 1).

Tonight's game marks the first time the Cavaliers passed for three TDs in one quarter (first) since they did it vs. Duke in 2005. That was also the last time UVa passed for more than two scores in a game.

Tonight's game marked the first time senior Gordie Sammis has started (left guard) in his career.

Cedric Peerman rushed for two TDs in a game for the first time in his career. He has scored a single rushing TD in six other games prior to tonight.

Peerman led the team in rushing (87 yards) and receiving (4 catches, 44 yards).

Peerman also compiled 174 all-purpose yards, the fourth game in a row with at least 150.

Cary Koch had his first reception of the season in tonight's game.

Senior safety Jamaal Jackson recorded his first career interception for UVa tonight. In doing so, he became the first UVa defensive back to pick off a pass this year. Virginia, Fresno State and Marshall all came into the today's play with no interceptions from the secondary.

Tonight's game marked the first time Branden Albert has started at left tackle for UVa; he started in place of an injured Eugene Monroe. It was his 29th career start. All of the previous starts have been at left guard.

Rashawn Jackson's 5-yard TD catch in the first quarter was the first scoring play of his career. It was just the fifth catch in his career.

UVa's 27 first-quarter points are the most by a Cavalier squad in a quarter since they scored 30 in the third quarter during a 47-26 victory against NC State in Raleigh on Oct. 16, 1999. The Cavaliers scored four TDs in that quarter vs. the Wolfpack and also converted a pair of two-point conversions.

Cavalier quarterback Jameel Sewell tossed three touchdown passes tonight after entering the game with just two this season. As a redshirt freshman in 2006, he threw for a total of five touchdowns. Prior to tonight, Sewell has passed for more than one TD in a game just once, when he had a pair of TD passes vs. Maryland last year.

Sewell rushed for 64 yards tonight, the second-highest total of his career. He had a career high of 92 yards against Maryland last season.

With his two receptions tonight, senior Tom Santi moved into a tie with Bob Bischoff for fourth place on UVa's career tight end receiving list with 78 catches. Jonathan Stupar's three catches tonight allowed him to jump to ninth on the list with 56 receptions.

UVa's 44 points were the most by the Cavaliers since scoring 51 vs. Temple in 2005.

T Isaac Cain, QB Scott Deke, C Jack Shields and G Patrick Slebonick all saw the first playing time of their careers tonight on UVa's final possession.

Pittsburgh Quotes

Pittsburgh Head Coach Dave Wannstedt

Opening Statement:

"I'll tell you exactly what I told the players. I don't believe we are as bad of a football team as we have showed the past two weeks. But, and it's as big but, we are what we are right now. We haven't given ourselves a chance to show what kind of team we are or what kind of team we can be. I have been on one-win teams in college and in the NFL and been on undefeated teams in college and Super Bowl teams. We doing everything in practice that championship teams do. Our kids are working as hard as any team that I've been on. When we get into games, especially early on, we haven't been able to keep it together. I wish I could give you a reason why."

On his team's defensive performance:

"I think tonight was the first night that we missed some tackles. Tonight we missed tackles and didn't get off of blocks. Was it us missing or was it their speed? It was probably a combination of both. I don't know why we can't come up with a turnover. We are struggling to come up with one. The only one we got tonight (was on special teams). We got our hands on some balls out there today, but didn't come up with any."

On the onside kick on the opening kickoff:

"That's a play you have all seen us use. We are four out of five on that. We work on that 10 times a week. It is one of the best things we do. I haven't seen a team (like Virginia) in a long time set up their return people 15 yards off the ball. If there was ever was an opportunity to make that play it was tonight. We discussed it all week. We worked on it all week. Our players were excited about doing it. We missed the kick and they touch it before it goes 10 yards. That's what happened. I thought it would be an way for us to steal a possession."

On Jameel Sewell:

"He is a great athlete. He is playing with a lot of confidence now. A year ago at this time, he probably didn't look like he did tonight. With confidence and experience, which he has now, he is making some plays."

On Virginia's fake field goal:

"We have been on both sides of the coin on those. My philosophy is we have to stop them. It is our responsibility to stop them. If somebody wants to throw the ball on the last play, then throw it. We should sack them or intercept it."

On getting down early in the game:

"I thought once we got through that initial storm in the beginning that we settled down. I thought after halftime we were going to come out and our defense was ready to play and we just got worn down. Same old deal. They had 40-some plays to our 20-some in the first half. I'm not sure exactly how many plays our defense played tonight, but I guarantee it was a ton."

Pittsburgh Player Quotes

Chris Vangas, senior center

"We have to first play better, come to practice working hard, and be positive about everything. If I get down on myself then the whole team is going to look at that and see that I'm down. I've got to stay positive, work hard every day and try to get back and get a win. I've got to just to play better and show myself on the field and be a leader out there."

"I don't think we're going to quit because we worked too hard in the off season. The last two games, I know it's not saying much, but we didn't really give up toward the end and I don't think we are going to give up on the season. It's still a long season; there are a lot of games to go. We've just got to come out and practice hard and keep on working."

On what went wrong

"It was penalties and we just aren't executing. We have good practices. We come out in the game, we've just got to play better and execute better. We're killing ourselves; we're beating ourselves. We get behind early and we have to play catch-up the rest of the game. We can't get into our game plan and it's tough to do that. We can't just kill ourselves like we have been."

Scott McKillop, junior linebacker

On the game-opening inside kick

"We prepared our worst case scenario to be thrust into a position like that. When we're thrust into bad situations like that that we have to react well. We have to stop the ball and there's no reason why we can't be three and out and punt the ball. That's just a risk that we were willing to take, and it didn't pan out for us. Our defense has got to step up, and I take personal blame for that. I didn't get our defense prepared; like last week, we were really shell shocked. I think we need to step up and react a lot better."

"I think it was just a game that the coaches thought about. With film study we noticed a couple of things that they did that we might be able to capitalize on. It's just a risk factor, and we took it. You lose some; you win some."

On the defense

"This week and last week, I don't think our defense came out to play as well as we should have. Last week's game, we didn't play as well in the first half. In the second half, we came out and played. We've got to be able piece our halves together and play well. This coming week, we've got a week of preparation. It starts with myself, middle linebacker, getting everyone set up right. The crowd was definitely a factor and I've got to get the calls more clear. I'm going to take blame for it; it's my fault."

"Right now, there's been no finger pointing on our team. We're sticking together. Coach always wants three things – trust, accountability and desire. We're sticking to that. We've got to react and play better as a team – special teams, defense, and offense."

Eric Thatcher, junior defensive back

"I don't know. It's a tough situation. We went out there and lost today, but like I say every week, it's over, we've got to move on to next week. Virginia put a spanking on us today, and we've just got to step up next week against Navy and come out and play."

On what went wrong

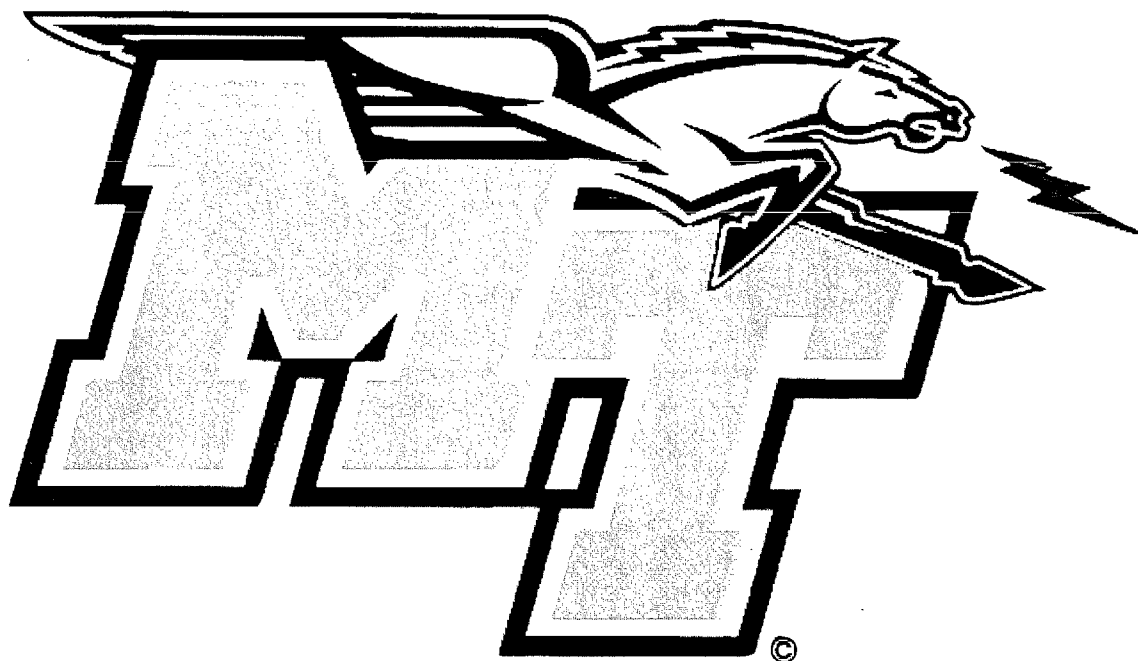

"It was executing; that's what they have been doing all game. Virginia executed great – all the credit goes to them. They picked us apart. On our end, we have to step up. When we go to the sideline, we've got to listen to the coach's adjustments. We've got to go out there and apply them to the field. We can't take anything away from Virginia; they came out ready to play. They were fired up; the crowd was too. They played right off of that crowd."

On third downs

"We're just not executing. Maybe I didn't knock a ball down, or I didn't get a pick that I could have gotten or something like that. It's nothing with our defense; it's just individuals not executing. All eleven of us out there on defense, we've got to step up, including me."

Virginia vs. Connecticut

Virginia Coach Quotes

Virginia head coach Al Groh:

Opening Statement:

“That was two real gutty teams that went to the center of the ring and punched it out all night long. All you need is a split decision in that situation, and we’re happy to come out with one more point. We’re not interested in who we’re impressing. We’re just interested in winning games.

“These players have demonstrated that they’re a tough-minded group, and they’re not going to crack. They’ve got a lot of confidence in each other. They’ve got a good level of humility. They have a hunger for more success, and they work hard to prepare for each game.

“Two major components of who wins games in tight situations are turnover margin and big plays. For much of the game we were in a deficit in both categories. For a long time there, we were in a deficit in both. Coming down the home stretch, we made a few plays. Some guys stepped up, and we had to overcome the field position issues as the result of those turnovers.”

On Virginia’s first-quarter defense after early turnovers:

“Those two possessions down there – it could have been 14-nothing, but instead it was six-nothing. Those were big factors.

On playing an undefeated UConn team:

“We didn’t give all the punches tonight. We took quite a few. That’s a good team we played tonight. We said that going in. There were only 11 undefeated teams in the country. You’ve got to be pretty good at a long of things to be undefeated, and they showed us they were pretty good at a lot of things.

“We had a lot of respect for that quarterback going into the game. He certainly has been the catalyst for that team. We have even more respect for him now. He was the one who really kept it going.”

On Sewall’s play:

“We’ve said for a long time, you judge a quarterback by his pelts. He brought his team home, and he made plays at the end of the game when they had to be made. The most important thing to call a quarterback is a winner, and that is what he did for his team tonight.”

Virginia Player Quotes

Clint Sintim, junior linebacker

On the play of the defense:

“We have the type of defense that just doesn’t crack. We never gave in. We came out with a big win just like last week. I can’t say enough about our guys on defense and how they play.”

On the forced fumble before the second half:

“I was just in the right position. I saw him and I was just trying to keep my base. I made a solid tackle and I may have ripped the ball out a little bit but hats off to the guys who came around, helped me out and fell on the ball.”

Chris Gorham, senior wide receiver

On catching two passes for at least 30 yards each:

“The team did a great job blocking today and Jameel was just throwing great balls out there. So I really didn’t have to do too much work. We just played it through and I really need to thank those guys for being on top of their game.”

On facing an undefeated UConn team:

“As you can see they’re a tough team and a great defense. We knew that coming into the game, so I have to take my hat off to those guys. They played a heck of a game. They gave us a tough game but we just kept playing hard and were able to pull off the win.”

Keith Payne, freshman running back

On his first career TD:

“It’s a great feeling. I knew what I had to do to get in the end zone. I’ve been working hard for this and this is just the beginning. I look forward to helping the team however I can.”

On inside screen play that set up the TD:

“I wanted to get into the end zone there, but I came up just a little bit short. The guy went low and I tried to go high which ended up with me getting flipped a little bit. I was disappointed I didn’t get into the end zone, but I was able to the next play.”

On the game next week at NC State:

“Getting back into the conference is exciting. All road games are tough and it means we’re going to have to be extra focused. It’s the next challenge for us, and we’re going to be ready.”

Jameel Sewell, sophomore quarterback

On his rushing effort:

“It’s something I have been able to take advantage of more if things seem cloudy downfield. I was able to use my feet today, and I have to credit my offensive line and backs for giving me good blocks.”

On his touchdown pass to TE John Phillips:

“John was actually the last resort on that play. I was able to scan the field and get the ball out to him. He was really wide open, and it was a play that had to be made.”

On the defensive effort:

“The defense was the driving force for us to get the win today. They made some huge stops and came up really big for us. Those guys really did a great job.”

Vic Hall, sophomore cornerback**On his pass completion:**

“It felt good. We worked on that play a little bit during the week, and we knew it could be a big play for us. We just went out and executed. It was just something we came up with in practice this week; we weren’t saving it for UConn. We saw an opportunity in the defense, and it just worked.”

On the overall defensive effort:

“The defense played great. We gave up a few plays, but in the end, we locked it down and had a good game.”

On the special teams play:

“We could have done better. There was one punt where I was hit right off the bat, and I should have fair caught it. Other than that, we’ll just put more work into this week and get better for next week.”

On resuming conference play next week:

“I am always excited about playing the next game, regardless of if it is a conference game. Though because it is conference, there is a little more on the line for us, so we are really excited about that.”

Chris Long, senior defensive end**On the defensive red zone stops in the first half:**

“It is what we wanted to do. Ideally, we would like to take the ball away in those situations and give them nothing, but I think the goal line stop was pretty important; it was huge. Whatever situation we are put in, though, we just try to play.”

On what they worked on during practice this week:

“We focused on getting after them in the pass rush, because we know their best player is their quarterback. We wanted to chase him around and hopefully have him make mistakes. He is a great player and he fought to the end, so you have to credit him for that.”

On his own effort breaking up plays:

“Today I tried to move around a lot and not let them get into a rhythm. I was fortunate enough to be able to keep coming to try and make a play on a sack. If I can just do my part on the third down defense, I’m happy.”

On resuming conference play next week:

“I’m excited every week. I love playing anybody. We’ve got great games coming up against great teams, so I’m excited.”

Connecticut Coach Quotes

Head Coach Randy Edsall

Opening Statement”

“It’s not a good feeling sitting here. Our kids fought tooth-and-nail in a tough environment against what I think is an outstanding football team. When you get games like this, on the road, you can’t afford to have some of the mistakes that we had there at the end and be able to come away with a victory.

“I give Virginia a lot of credit. They’re a good football team. It’s unfortunate that we couldn’t have found a way to make one more play there at the end after we had a pretty good drive going. It’s something we’ve got to learn from.”

On a botched snap late in the game:

“We were working the silent count. We work [on] crowd noise all week. We didn’t have any problems in the beginning of the game and throughout the game when we were doing it. I don’t know if the ball was snapped a little bit early. But it’s unfortunate because it gets magnified there at the end of the game. We had some other opportunities before in the game that if we take advantage of maybe it doesn’t come down to that one play. We just have to play more consistently.”

On Vic Hall’s completion to Chris Gorham:

“We gave up some yardage on defense on a cheap play – you know, it was a good call on their part – on the halfback pass where we just needed to make sure that somebody did their job. It’s very simple. We had a guy that can up out of coverage. He should have just stayed back on him, and if he did that we would have been fine.”

On using the last timeout in the second half:

“We had a young man that wasn’t where he was supposed to be on the sideline in case somebody goes down. If he was there, we could have run a guy in and we wouldn’t have lost the timeout.”

On bouncing back from the loss:

“I told them in the locker room that they competed hard through 60 minutes. But we’re not in it to compete. We’re in it to win. I think they understand the missed opportunities that we had in the game. We’ll come back. We’ve just got to learn from it. When we get into these situations the next time, we’ve got to do a better job.”

Virginia vs. Connecticut Postgame Notes

Oct. 13, 2007

This is the third time this year the Cavaliers have come from behind in the fourth quarter to win.

This is the first time since 2005 Virginia defeated a team with a 5-0 record or better. The Cavaliers beat 5-0 Florida State 26-21 two years ago.

Virginia held Connecticut to season lows in points (16), rushing yards (78), and total offense (254).

The Cavaliers tied for the most points scored against UConn this season (17).

Virginia has now won 15 of its last 16 Homecoming games.

QB Jameel Sewell tied his career high with 16 rushing attempts (for a team-leading 66 yards). He also rushed 16 times vs. Florida State last season.

The Cavaliers have won six consecutive games, their longest winning streak since a six-game streak in 2002.

UVa cornerback Vic Hall threw the first pass in his career today, a 35-yard completion to Chris Gorham to set up UVa's second touchdown of the game.

UVa defensive end Chris Long recorded his eighth sack of the season today and marked the sixth time in seven games this year he has registered a sack. He is now tied with LB Wali Rainer (1995-98) for ninth in school history with 16 career sacks.

Senior wide receiver Chris Gorham led the team in receiving for the first time with three receptions for 76 yards. His 35-yard catch of Vic Hall's pass in the second quarter is the longest of his career, as well as the longest reception for a UVa wide receiver this season. Gorham came into the game with two catches for eight yards.

Junior tailback Andrew Pearman and redshirt freshman cornerback Mike Parker started for the first time in their UVa careers today.

Junior tight end John Phillips had his second receiving TD today in as many games. He entered the season with just one scoring catch dating back to his freshman season in 2005.

Josh Zidenberg had the first kickoff return of his career today—a 17-yarder.

With his sack in the first quarter, Clint Sintim became the seventh linebacker in UVa history to record at least 10 sacks in a career.

Cavalier redshirt freshman tailback Keith Payne scored the first TD of his career today on a one-yard run in the first quarter.

During the coin toss for today's game the Virginia athletics department honored former serviceman Rich Hursh as part of the Wounded Warrior Project. A non-profit organization, the Wounded Warrior Project has partnered with the National Association of Collegiate Directors of Athletics (NACDA) to raise awareness in the collegiate community. Hursh resides in Norfolk and works at Lockheed Martin while also pursuing a mechanical engineering degree from Old Dominion University. He enlisted in the Army in September of 2001 and was deployed to Mosul, Iraq in March of 2004. He was injured in a suicide bomb attack on Dec. 21, 2004. Hursh lost his right thumb and suffered serious damage to his right scapula (shoulder) due to the attack. He was in Walter Reed Medical Center for eight months while recovering from the injuries.

CONNECTICUT FOOTBALL POSTGAME NOTES

AT VIRGINIA ♦ OCT. 13, 2007

TEAM NOTES

- ♦ With the loss, UConn dips to 5-1, still its best start to a season since opening the 1998 campaign at 7-1.
- ♦ It is the latest into a season that UConn has lost its first game since 1995 when UConn did not lose until Oct. 21 (24-19 at Rhode Island).
- ♦ UConn wraps up its non-conference schedule at 4-1. It matches the 2004 squad's mark for the best regular season non-conference record since joining the BIG EAST.
- ♦ The Huskies have now played every current member of the ACC other than Clemson and Florida State.
- ♦ D.J. Hernandez's second quarter fumble snapped a string of 19 consecutive red zone scores for UConn dating back to a missed field goal at Duke.
- ♦ Prior to Virginia's first quarter touchdown, UConn had not yielded a score in the first quarter since the opening drive of the entire season on Sept. 1 when Duke scored a touchdown 1:44 into the game on a six-yard pass from Thaddeus Lewis to Brandon King. The UVa score snapped a first quarter shutout streak of 87:38 for the Husky defense.
- ♦ UConn has now scored on its opening drive in four out of six games this year (Duke, Temple, Pitt at Virginia).
- ♦ The Huskies have an interception in all six games this year and in each of their last eight overall dating back to the Nov. 17, 2006 game at Syracuse.
- ♦ Today's attendance of 60,004 is the third largest crowd to ever see a UConn football game behind the 65,115 at Virginia Tech on Sept. 27, 2003 and the 63,879 at Kentucky on Sept. 11, 1999.

INDIVIDUAL NOTES

- ♦ Robert Vaughn's third quarter interception was his fifth of the year, leaving him one shy of the school's Division I-A (FBS) era mark of six set by Maurice Lloyd in 2002 and tied by Justin Perkins in 2003.
- ♦ Tony Ciaravino's two first quarter field goals gave him nine consecutive made field goals and tie him for the second longest streak in school history with David DeArmas (1994). His 52-yard miss in the second quarter snapped the streak one shy of the school record of 10, set by Matt Nuzie in 2004. The 52-yard attempt was the longest of Ciaravino's career.
- ♦ Dahna Deleston's first quarter interception was the second of his career and the first since Oct. 7, 2005 against Syracuse.
- ♦ Andre Dixon made his first career start at tailback.
- ♦ Desi Cullen's first quarter punt of 58 yards was a career long and was later eclipsed by a 60-yard boot in the third quarter.

Connecticut Player Quotes

Tyler Lorenzen, Junior Quarterback

On Virginia's defense:

"Virginia's defense is great, quality defense. They have a great shot at winning the ACC, which is a great accomplishment in college football. They played tough."

On scoring field goals in the red zone:

"We got in the red zone early, and a touchdown would've been great. We couldn't move the ball when we got there. Field goals are great, but touchdowns are better."

Danny Lansanah, Senior Linebacker

On Losing

"I feel down, but you've got to bounce back. You can compete all you want. You play football to compete, but you still need to make the plays."

Tony Ciaravino, Junior Kicker

On whether people will respect them for playing Virginia close on the road:

"I hope they do. A lot of people don't like to give us the respect we deserve. There is nothing we can do about that. We just have to go out there each week and our best."

On his 52-yard field goal miss in the first half and whether the miss will haunt him:

"I didn't execute the way I needed to execute. Every kick I take, miss or make, is gone after that. There is nothing I can do about, it's over."

Virginia vs. Wake Forest

Nov. 3, 2007

Virginia Coach Quotes

Virginia Head Coach Al Groh

Opening statement:

“We’re very respectful of what Wake Forest has done over the last two years and very respectful of them as the (conference) champion. They played like a champion today, and hopefully we showed a few traits of a similar nature. It really was one of those heavyweight-type of games. One of our directives coming into the game was that you’ve got to be ready to play a 60-minute game, not 59:30 and, in this particular case, not 59:58 because these two teams over the last two years have had more last-minute finishes than any two other teams in the conference. We showed a great deal of resiliency and mental toughness throughout the course of the game.”

On his thoughts prior to Sam Swank’s FG attempt on the last play of the game:

“Not much I could do about it, just watch it and see. When the ball is near the post, sometimes it’s very difficult for people on the sideline with that angle to be able to tell whether it’s in, out, or over the top. That ball looked like it was fairly tight to the post. All we could do is wait for the good eyesight of the officials.”

On kicking away from Kevin Marion on kickoffs:

“He’s been a big factor in Wake Forest being able to win the last two games. His 46-yard return two weeks ago at Navy lowered his average. So, we decided that we’d probably play the law of averages to our advantage. I think the short kickoffs did serve their purpose. Kevin had one return for 26 yards. Sometimes we have some deficiencies in intelligence, but we can watch the tape. Last week, he returned them from 98 and 83 (yards). Now that was pretty bad field position when it was over. So, whatever the field position was today, it was better than the field position that North Carolina was under last week. We knew what the tradeoff was, and the leading kickoff return man in the country had one return for 26 yards.”

On Jameel Sewell’s play at quarterback:

“This was a very significant game in his development as the quarterback of our team. He and I both agree that this probably wouldn’t have happened last year. He’s an emotional player and he’s a prideful player. One of the things that were challenging for him to deal with in the past was when things didn’t go well, his emotions would get in the way. Everybody has toughened up around here mentally, and I think he’s done the same. That enabled him to overcome some plays that weren’t too pretty and to be there for his team when it really mattered.”

On Sewell’s accuracy:

“If Jameel was a baseball pitcher, you’d say he has a rising fastball. Some of those balls today weren’t attributable to the ball rising. They were just overthrown. Particularly on those intermediate-level balls, sometimes he really cranks it and it does have a tendency to rise. Sometimes it surprises the receivers a little bit. When he has a devil-may-care attitude and he’s loose and relaxed and not concerned about errors, it’s really when he plays his very best. Coming down the homestretch, he kicked into that mode and operated in a fashion that we have seen him in previous games when he was at his best.”

On winning three games by one point:

“I’m happy to win and proud for the team for being able to do that.”

Virginia Player Quotes

Cornerback Ras-I Dowling

On motivation after last week's career performance:

"It didn't really affect my play. I just try to come out and play every play like it's my last."

On his interception:

"I just tried to bait him. I saw where he was looking and he was throwing an out. We were in cover 2 so I dropped back but then came back in to make the play."

On his high level of contribution as a true freshman:

"I just try to help the team as much as I can. I just come out here and play hard every day."

Defensive End Chris Long

On energy he felt after his sack:

"Really that was one of the least energetic sacks I've had all year. First of all, I was tired from running him down and secondly, we knew it was a hurry-up situation and you just have to get back to the ball."

On gaining back momentum after win streak was snapped last week:

"We felt really challenged by this game. They were the champs last year and they are still the champs until somebody proves otherwise. So we felt challenged by it and have a lot of respect for them. We just came out and played one of our best games."

On his thoughts during the final Wake Forest field goal attempt:

"I didn't see it. I was just going to listen. I whipped my head around so fast and by the time the kick was coming down I saw it went wide right. And that was just best feeling in the entire world. That was unbelievable."

Wide Receiver Maurice Covington

On what went well during his touchdown:

"It's execution. I ran my route to the right and Jameel (Sewell) threw a perfect ball. I had great blocking from John Phillips and I just did what I had to do to get into the end zone."

On the 4th-and-2 conversion catch:

"I definitely knew it was coming to me. The play was designed to come to me so I just got to my area, secured the ball, made sure I had it and then got down."

On Sewell's third consecutive 200+ yard performance:

"Sewell has stepped up tremendously. If we have a bad series he just comes back the next time and has a great series. He has been very consistent with that and he has been playing really well and delivering the ball really well."

Virginia Player Quotes

Kicker Chris Gould

On team's resiliency:

"When we get down, no one ever puts his head down. We all look at each other and know if we stick with it, we will pull it out in the end. We just have to keep fighting."

On special teams adjustments:

"We were just trying to keep the ball away from Kevin Marion who is a heck of a returner. We did a couple different things to try and keep them off balance rather than having us adjust to their schemes."

On upcoming game at Miami:

"We know they are fast and strong, but as we showed at Maryland, we feel we can win anywhere in the country. We just have to stay focused and play our game."

Running Back Mikell Simpson

On his game-winning touchdown run:

"It was a power run from one yard out, Ian (Yates Cunningham) came around and got a great pulling block. I just waited for the hole to open up and cut back. From there I knew all I had to do was follow him into the end zone."

On contributing, by rushing and receiving, to the offense

"This is what I did in high school so I'm used to it. I just want to do what ever I can to help my team win. As long as we keep winning, I am happy and could care less about my stats."

On the team's resiliency:

"Everyone around our organization preaches the importance of not cracking. We know if we keep working hard and playing until the final gun, we have a good chance of things working out for us."

Cornerback Vic Hall

On missed WFU field goal as time expired:

"When the kick went up, I knew it was no good. I felt nothing but excitement once we got the win."

On the team's resiliency:

"The coach talks about it all the time. You can play 59 minutes of a game, but all it takes is that little bit to decide a game."

On Ras-I Dowling:

"Ras-I has done nothing but make plays for this team. He had the big interception last week and then had another one today. He is a young talent that we all love, and we are very proud of him."

OVER

Quarterback Jameel Sewell

On his touchdown pass to Maurice Covington:

“He made a play and was wide open. All I had to do was get the ball out to him and he did the rest. He had the big fourth down conversion there at the end, and he is someone who we will be trying to get more involved because he is a playmaker.”

On the play of the defense:

“The defense doesn’t care who they are playing. Even if they were facing the New England Patriots, they would be ready. They never crack. They were on the field for a long time because we went three-and-out a few times, but they are a group that never gives up and is the heart of this team.”

On last offensive series:

“We knew the game wasn’t over. Even though we had a tough day before that, we know that we have to keep playing until the clock says 0:00.”

On the last kick:

“When the kicked missed, I was probably the happiest person in the world. After all we had been through during that game, there is no feeling like coming out with a big win.”

Virginia vs. Wake Forest

Wake Forest Coach Quotes

Wake Forest Head Coach Jim Grobe

On distance of last field goal attempt:

“When we completed that pass to De’Angelo (Bryant), we felt like we were in Sam’s (Swank) range. We would have certainly liked to get more from those two runs we had, but from our perspective that was easy length for Sam. The thing we didn’t want to do was to take a sack or throw a pick to do anything that wouldn’t give Sam a chance to win the game.”

On Virginia’s touchdown late in the first half:

“We ended up with a couple of kids outside the receiver, and he (Maurice Covington) made a nice move underneath. From the sideline it looked like we had a couple of defenders that may have overrun the play and got into a chase position inside.”

On Wake’s passing game in the first half:

“We really had hoped to establish a little bit of a running game in the first half. We wanted to mix things up, and they did a really good job early of dropping eight and forcing us to run but also getting off blocks and making plays. We went into the second half feeling like we had to throw the football to move it, and that made us a little better running the ball, too. We should have thrown the ball more in the first half. We kept hoping that we would find a run that would be good to us, but we didn’t have much success.”

On losing a close game:

“Missing the last field goal was a very small part of the game. We had opportunities in the first half and the second half that we didn’t take advantage of both offensively and defensively. It’s really a team loss. When you get down to the last play of the game to win or lose, you’d like to win your share, but honestly, it isn’t always going to go your way.”

On his thoughts at halftime:

“I thought we’d let too many opportunities slip away. But our kids are great kids. You’re on the road, you’re down, you’re in a hostile environment, and we did everything but win.”

Virginia vs. Wake Forest

Wake Forest Player Quotes

Quarterback Riley Skinner

On the missed kick by Wake Forest place kicker Sam Swank:

"We had all the confidence in the world in Sam. We didn't think twice about the range or anything. It just didn't go our way. We knew after that last catch that we had gotten in the range for Sam and we were just trying to run down the clock and maybe get a couple extra yards; get even closer. Everyone knew that we were going to do that.

"I think circumstances are a little different when it comes down to the last second of the game and the last kick, it a lot of pressure, but Sam doesn't really get rattled. I don't think it was Sam getting rattled that made him miss the kick; he just pushed a little to the right. A kick can't always be perfect; you can't blame him."

On the ramifications of the loss:

"We have to just keep taking it week by week and try to win games. Things will work out well for us if we keep doing that. If it's not going to Jacksonville; it's just having a great season and going to some bowl. Right now, we aren't guaranteed a bowl, and we know that. We've got three tough games and another top 25 team that we're going into. We have NC State at home who beat these guys, so we have some big games left. There is no way we can look ahead and try to plan what is going to happen with our season; we've just got to take it a week at a time."

On Virginia:

"They are a good team, they are a very good team. They've got a great defense, their offense moves the ball well, and they're well coached. We played a tough game today; it was a really good game. We had some opportunities that we didn't capitalize on, and I think that they had some opportunities they didn't capitalize on. It was a great game; they are a great team. You've got to give them credit; they played hard today."

Center Steve Justice

On Virginia's defense:

"I think we did well against the defense. A lot of hype goes into Chris Long, but I think a lot of that overshadows the rest of the defense. They've got some great players, but we did better than we expected."

On Virginia's offense:

"I think every time we get into a tough situation, we just have to produce more and move the ball a little better than what we did. I think as a line, we just didn't produce well enough."

Tackle Louis Frazier

On Chris Long:

"He's a great player. It's a challenge to go against him. It's personally a challenge for me to go against him because we have two different futures. He has a future in the NFL, and I have a future in medicine. He was everything that I heard, and the thing that I really like about him is that he didn't trash talk about getting the job done."

On ramifications of the loss:

"We've got to recover. We still have to win because we want a really good bowl game to go to. We can't just go out 6-6. We have to fight."

Virginia Player Quotes

Quarterback Jameel Sewell

On where team goes from here:

“We just have to make sure we move forward. Everyone always says you have to learn from your mistakes, and that applies here as well. We have to forget about the past and focus on our next challenge. We know we have another game left and we have to get ready for that.”

On play of Branden Albert:

“BA and the rest of the line played awesome. They took it upon themselves to try and carry this team. BA did a great job of opening big holes for our backs to run through and for me to run through, as well as his pass protection.”

On his touchdown run in the second quarter:

“I was following BA and then I got kind of lost. It was really fuzzy so I just tried to find a crease to get into. I just stuck my foot in the ground and started running toward the sideline. I just tried to use my strength to get into the endzone.

Defensive End Chris Long

On how far the defense has come:

“We’ve come a long way but we still can’t let our offense down like we did today. Thirty points in any game is unacceptable. Granted they made some plays — they have some great players, but we just can’t make mistakes like we did.”

On his forced fumble:

“I just tried to get back there and get a hand on the ball. When he [Sean Glennon] went down, I didn’t even know the ball had come out. I just thought I had a sack.”

On Virginia Tech’s strategy against him”

“It was just more of the same stuff, nothing too new. I need to make more plays, and I need to play better.”

On how the team will regroup:

“It will be easy to refocus. This is a group that takes pride in what we do and we will have no problem focusing. We know what needs to be done and we will go out, work hard and prepare for whatever lies ahead of us.”

Running Back Mikell Simpson

On the team’s confidence when it got the ball back down 23-21:

“Our offense was very confident, and our defense got a big stop right there. Unfortunately I caught a cramp at that moment, and I feel I let my team down on that drive. We could have went down, with the momentum that we had, and taken the lead. Who knows what would have happened after that point.”

On the offense at that point:

“The offense had a lot of confidence at that point in the game. We knew we were moving the ball a lot, but we weren’t capitalizing. We hurt ourselves a lot today.”

On his saying that he let his team down:

“Cramps happen, but I feel I let my team down with a cramp at that time. Like I said, we had a lot of momentum at that time, and we could have driven the ball down and taken the lead.”

Tight End Tom Santi

On the Virginia offense’s 21 points:

“We didn’t really think about how many points it would take. We just tried to end up with one more than the other guys, but just weren’t able to.”

On the team’s successes:

“There weren’t enough for us to win.”

On preparing for the bowl game:

“We’re going to prepare enough to win. We put too much into this season to go out with a loss.”

Cornerback Vic Hall

On the game in general:

“We just could have executed better as a whole, but I can’t really touch on anything in particular.”

On Virginia Tech’s touchdown just before halftime:

“Obviously, it gave them more points than us going into the half. They got the momentum a little bit, but we should have made more plays than we did as a whole, and I guess it showed.”

On preparing for the bowl game:

“This is behind us, so we have just got to stay together, work hard and look forward to the next game.”

Virginia vs. Virginia Tech

Nov. 24, 2007

Virginia Head Coach Al Groh

Opening statement:

"I'm very proud of our team. I'm very proud of the effort they put in there today. I'm very proud of what they accomplished. The season is not over yet. I'm looking forward to playing another game. The only problem with it is that it doesn't come soon enough.

"We didn't have quite what we needed in every respect today. In the games that we won, we got contributions from all areas – it's been a collaborative effort (from the) coaching staff, offense, defense, and special teams. It was the same way today, but we just didn't get quite enough in any of those areas. Virginia Tech had a little bit more at certain times than we did, and that's really what made the difference."

On the key plays for Virginia Tech:

"There were probably two sequences that come to mind quickly. One, we had the ball with 40 seconds to go in the first half, and 28 seconds later, they had seven points. You look back at the final score, and that's a substantial seven points ... that we had no chance to answer. That was like seven bonus points.

"Then, when it was 23-21 and (Virginia Tech QB Tyrod Taylor scored a touchdown on a third-down play). We know what the play is going to be, and to top it off there was a timeout for us to have the opportunity to discuss it.

"Shortly thereafter, Peter (Lalich) throws for a first down, so we would have a chance to answer, but we get called for a penalty. On the ensuing possession, we get good pressure on Sean (Glennon), and (Josh) Hyman goes up and makes a play (leading to) another three points. As I look back on the game, there's 17 points condensed into that little timeframe – three or four plays where we came up short in terms of making the play. But that's usually how most games are determined."

On Tyrod Taylor:

"He's a very elusive player. His elusiveness certainly cost us some yards today."

On the retirement of Chris Long's jersey:

"Chris is finishing his career with one more game to go as one of the all-time great Virginia players. It was fitting to recognize him at this time as such. It provides us with the opportunity to retroactively do the same thing over time for other players who deserve the same sort of recognition. We've got a process and criteria in place for that, and as time goes on we'll be continuing that with other deserving players."

On the Ryan Weigand punt blocked by Virginia Tech:

"The snap was a little bit off to the right, which led him into the rush. He kicked it toward the rush, and he was unusually slow on it."

On Sean Glennon:

"I thought he did a terrific job. To tell you the truth, when Tyrod got hurt and Sean got into the game (earlier in the season vs. Duke), I thought to myself, 'This is going to be trouble.' I have a high respect for the firepower of those four receivers. I thought, 'This is going to open it up for those guys and put them back in the game.' Over the course of the last six or seven weeks, that's been the case. (The Virginia Tech receivers) were the biggest factor in the game today offensively."

Virginia Tech Player Quotes

Senior Linebacker Xavier Adibi

On UVa and Virginia Tech Rivalry:

“UVa is a good team; they’re going to make good plays here and there. Just keep playing football, and things will go our way. Our guys made good plays. Josh Hyman had a big catch for us. I’m just so proud of our guys. It’s a great feeling (to never lose against UVa). It’s a big rivalry. Just going through my college career going against UVa is a great feeling.”

On going to ACC championship game:

“It is a good feeling – coming to a hostile environment, especially UVa. Just the fact that we’re going to the ACC championship, that just makes it even better.”

On UVa’s offense:

“They played really well on offense. We knew they were going to be a really good team. They have an excellent line, and (Jamell) Sewell’s really adjusting to play football, and they had an extra week of practice. So, they had a couple of new wrinkles that we had to prepare for. We had to make some minor adjustments at halftime, and we did it.”

Sophomore Defensive Tackle Duane Brown

On Chris Long and Jeffrey Fitzgerald:

“They are great players. We knew they were going to make plays, and we just didn’t want them to get into a rhythm and feed off of that. Chris came out in the second half and had a big play, and the offense got a second touchdown. We knew they were going to make plays, we just didn’t want them to do it consistently.”

On UVa and Virginia Tech rivalry:

“It means a lot (to go all four years and not lose to UVa). It’s a very bitter rivalry. They have a very great team. This has been a great year for them. To beat them four years straight means a lot to us.”

On 10 wins in each of the last four seasons:

“It’s great (for the seniors to have 10 wins for four years). I don’t know too many classes in the country that have been able to do that. Playing against the competition that we’ve played against and win every year, that’s saying something. That’s saying that we have tough guys who are relentless. It means a lot.”

Freshman Safety Davon Morgan

On the win against UVa:

“We kept rolling. I’m not going to say that it was a big win because UVa is a good team, but we came out and tried to do everything that we could. We’re just going to come out and give it our all.”

Senior Linebacker Vince Hall

On the rivalry with Virginia:

“It’s just one of those rivalry games. When you come out of high school, the coaches are right there. One side wants you; you’ve got to choose your side. Once you choose your side, you’ve got to go with it. UVa is a good school, but Tech right now is the dominant one.”

On getting back to the ACC Championship game:

“It feels really good, going back to our younger days. We’ve just got to end up on top. We’ve got to come back strong and enjoy this win right here. We’ll go out and celebrate this weekend, but come back Monday and go back to business again.”

On the momentum change during the game:

“There’s a lot of adversity during the game. If there wouldn’t have been any of that, it wouldn’t be a football game, especially a big one. Like I said coming in, it’s going to be one of those hard, tough-fought games that’s going to come down to the little things. And the little things we didn’t let happen to our defense.”

Freshman Quarterback Tyrod Taylor

On Virginia Tech’s motto for next week’s game:

“There was a crucial point in the last game against Boston College; we’re going to put that on our shirts. On the back of the shirts it’s going to say “a minor setback for a major comeback” and just try to get revenge against Boston College.”

On the relationship formed with Virginia Tech’s Sean Glennon

“He’s been a great friend. Our relationship’s never changed, from day one he’s always taught me. He’s been teaching me things since I stepped on campus.”

On how a series works for him and when he finds out he’s going into the game:

“It’s on the go. You have to look at the person calling the play; you’ve also got to look at the quarterbacks coach. If he raises his hand then you know that you are coming out and Sean (Glennon) is coming in. It’s the same way when Sean’s in the game when I’m in the game. You’ve got to be focused.”

On the system of being rotated with Glennon:

“It’s given us a break as quarterbacks, not playing a full game, and at the same time it’s throwing their defenses off too.”

Senior Flanker Eddie Royal

On the blocked punt:

“That blocked punt was big for us; it was big for the momentum of the game because they had the momentum at that point. Once we blocked the kick, we knew things were going to get going for us.”

On the touchdown in the final seconds of the first half:

“It worked out perfectly, the coverage of it. The ball actually caught me by surprise it was such a good throw. We needed that boost going into halftime.”

On the momentum of the game after Virginia Tech had an interception and touchdown:

“College football is all about momentum. They definitely had it, and we knew we needed to find a way to get it before going into halftime. Brandon’s (Ore) interception was a big play.”

On beating the Cavaliers as a senior in Charlottesville:

“It’s a great feeling knowing that I almost came here and that made the right decision going to Tech. It’s a great feeling going out 4-0 against them.”

On having another chance against Boston College:

“We’ve been waiting for this opportunity and now we got it.”

POST-GAME QUOTES

VIRGINIA TECH COACH FRANK BEAMER

Opening Statement:

“I like this football team. When the going got tough out there, that’s when they got going. We came back and beat a really, really good football team. They play efficiently. They play well. A couple of guys just battle you to the end. They’re just tough kids. But we’ve got tough kids, too.

“We knew we were going to get Virginia’s best shot. It was a team win. We did some things on special teams. We did some things on defense. We did some things on offense. The end result was a great team win. “

On the play of Virginia Tech’s two quarterbacks:

“They both made some plays. Sean made a couple scrambles and some great throws, and we got a couple good catches out of them. Tyrod (Taylor) made a couple runs that were the difference in the ball game. As I said going into the game, they both give you things that win football games. We’re trying our best to get that out of both of them, and today we did. When you have two quarterbacks that are so different, it adds something to your offense.”

On Virginia Tech’s touchdown right before halftime:

“It was super important. Any time you get points right before halftime, it’s a big deal in the ball game.”

On the play of the offense:

“When guys are making great catches like we saw today, and now our offensive line is back in tact, and Brandon (Ore)’s the healthiest he’s been all year – when you put all those things together, you’ve got an offense that’s playing very well.”

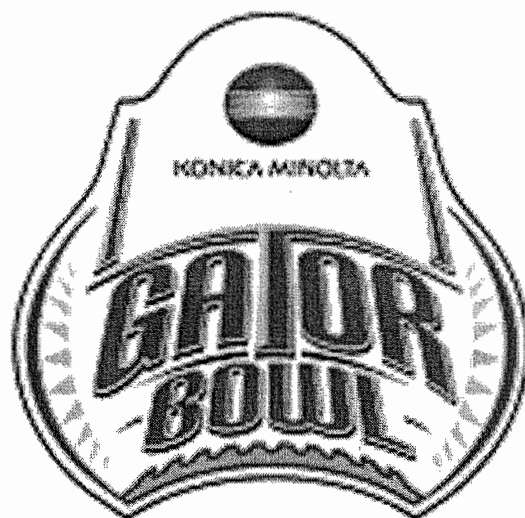

On playing for the ACC championship game:

“It hasn’t been easy. You’re talking about Georgia Tech, Florida State, Miami, and then this crowd (Virginia) – that’s a tough stretch. NC State getting Virginia helped us, too. But I really felt like, if we could just win our games, we could get another shot at Boston College.”

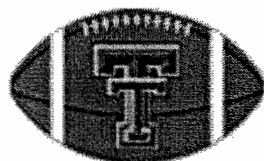

Postgame Notes
Virginia Tech vs. Virginia * Nov. 24, 2007

- The Hokies wore the all-white uniform combination for the second time this year. Tech wore the combo in a 41-23 win at Clemson on Oct. 6.
- Tech scored a touchdown on its opening drive for just the third time in 12 games this season. The other times were against North Carolina, a 17-10 win on Sept. 29, and against Miami on Nov. 17, a 44-14 victory.
- True freshman quarterback Tyrod Taylor has now accounted for a touchdown in eight of the nine games he's played in this year.
- Jud Dunlevy kicked four field goals, giving him 21 on the year. The school record for field goals in a season is 22, by Chris Kinzer (1986) and Shayne Graham (1998). He has now kicked six field goals in the last two games.
- Receiver Eddie Royal attempted his fifth career pass in the second quarter, throwing his second interception. He is now 1-for-5 for his career for 53 yards and a touchdown. He is the fourth different Tech player to throw an interception this year (Glennon, Taylor and Holt).
- When Virginia took a 14-13 lead in the second quarter, it marked the first time the Hokies have trailed to the Cavaliers since the third quarter of the 2004 game at Blacksburg. Virginia scored a touchdown in the third quarter to take a 7-0 lead, but the Hokies came back to win 24-10.
- The 14 first-half points allowed by the Tech defense were the most allowed in the first half since allowing 24 at No. 2 LSU on Sept. 8 at Baton Rouge.
- Brandon Flowers intercepted his fifth pass of the season and the 10th of his career, moving him into a tie for 11th place all-time at Tech. It was the 19th pass intercepted by the Hokies this year and the national-leading 155th since the start of the 2000 season.
- Eddie Royal caught his third touchdown of the season, and the 11th of his career, just before halftime. His six receptions give him 114 for his career and move him past Ricky Scales and into third place on Tech's career receptions list. His 147 yards receiving shattered his career high for receiving yards in a game, which was 102 against Georgia Tech in 2006.
- True freshman Davon Morgan blocked his first collegiate punt in the third quarter. It was the second blocked punt of the year for the Hokies and the 59th under head coach Frank Beamer. It is the 115th blocked kick under Beamer in 252 games.
- Branden Ore rushed for 147 yards on 31 carries, topping the 100-yard mark for the first time this season
- Tech (10-2) reaches the 10-win mark for the fourth straight year, a first in school history. The win gives the senior class 41 wins, making it the winningest class in school history.
- The Hokies will face Boston College (10-2) on Saturday, Dec. 1 in the Dr. Pepper ACC Championship game at Jacksonville Municipal Stadium. Game time is set for 1 p.m. The Eagles beat the Hokies 14-10 earlier this year in Blacksburg.
