COACHES' QUOTES: MARYLAND AT VIRGINIA
September 12, 1998
Scott Stadium
Charlottesville, VA

VIRGINIA COACH GEORGE WELSH

We won. I've learned not to look a gift horse in the mouth. We won and we didn't play well. We got a lot of penalties which hurt and we didn't block wellxx for the run, and we didn't stop the run. It's a good thing we had some turnovers and made some big plays.

Give Maryland some credit. That's a much better football team than it was a year ago even though they're young.

They may have been some new blocking schemes that we hadn't seen before. And we had trouble with one formation awhen they had two tight ends, two wideouts, and one back. But that doesn't explain the long runs.

(On Brooks' performance) That's why he's in there, to make some plays. You're not going to be able to run the ball on every team. He did all right. We just didn't run the ball ~~against them~~ well enough. Maryland didn't do anything different. They played four ~~de~~, they didn't gang up except when they blitzed.

we don't win if we don't get those turnovers. It cost them a field goal when we got that interception before the half. We knock the ball out on the kickoff return and then we got one right befor e the halfx we got another one, so we probably don't win without them.

This team shouldn't need a wakeup call. We should know better. But ~~Ma~~ maybe Maryland's just better. Forty-two yards against James Madison doesn't look good I think Lamont Jordan helps them, though. Just about all the guys in our starting lineup have been through this before, so they should know better.

COACHES' QUOTES: MARYLAND AT VIRGINIA

Scott Stadium
Charlottesville, VA

MARYLAND COACH RON VANDERLINDEN

I expected this to happen a week ago the way ~~we~~ ran the ball in practice. ~~W~~
We're encouraged by this youthful offense. If you take away the sack yardage--which
we must do--we probably rushed for 230 yards.

Turnovers obviously dictated the outcome of this ballgame. Right before the half we're
driving and give up an interception. ~~W~~ We get sacked an ~~extra~~ fumble and that led to a
score. Seventeen of their points come after our mistakes. If we don't turn the ball
over I think we get out of here with a win.

I think we've proved to ourselves we can be a good football team. I'm impressed by
the way our players have come together. I'm impressed with their attitude this year.

I've always thought that the way to beat a blitzing team is with a good running game.
~~W~~ It's feast or famine. There's no ~~extra~~ depth to the defense. We thought we could
make some yards with quick hitters.

(On Lamont Jordan) He ran hard. He ~~was~~ ran the way we're accustomed to seeing him run.
He touched the ball 25 times. That's a good effort on a hot day.

COACH'S COMMENTS (*Virginia vs. Clemson*)

COACH TOMMY WEST (*Clemson*): "I don't know if I've ever been prouder of a football team for the guts and effort that they put into this game. Last week we were terrible; this week we came out and fought our guts out."

"We made enough mistakes today to get beat badly again. You just can't do that: lining up offsides, false starts, turning the ball over. We've got to get all of those things corrected."

"The offensive line came back after a poor showing last week and really tried to push people around and be physical.... I applaude their effort. If you've ever seen a bunch of guys put their guts on the line, this was it."

"Brandon had an average day throwing the ball but he'll get better. This was really just his third game."

"We're never happy or satisfied with a loss but the guts and the determination and the fight they showed out there today, these guys played Clemson football today."

COACH'S COMMENTS (*Virginia vs. Clemson*)

COACH GEORGE WELSH (*Virginia*): "These types of games will make me older really quick."

On the Cavaliers' final drive: "Once we got down (into the red zone), I was hoping to get the ball on the 20 since (Todd Braverman) is better from that distance. We just tried to run the clock down and we made them use their time outs... We wanted to run it into the end zone if we could but they went to an eight-man front.."

On the Clemson comeback: "If we didn't give them a safety and then fumble near the goal line, I think it would have been easier to win. Our defense was playing well but those two plays picked them up. We made too many mistakes on offense, we didn't do a good job of pass protection and we had too many penalties again."

On Clemson's defensive scheme: "They gave us different looks that we hadn't seen before on defense. Brooks was under a lot of pressure; he had to scramble a lot. That's not good."

coaches' quotes-----san jose state at virginia-----scott stadium, charlottesville
 october 3, 1998

virginia coach george welsh

(On running the ball) I's safer. Now I'm starting to worry about the passing game. As good as it was eraly in a lot of ways, it hasn't been as effective in the last two weeks. He (Brooks) had enough time. My judgement is that we didn't get open. And that's a cause for concern.

~~It's~~ (On Brooks' running) It's a good sign that he took off, but I don't want him to run that much. Sometimes ~~it's better~~ ^{rather} than to wait ~~for~~ that last half a second for the third guy to come open, it's better to take off. He did that today.

(On San Jose State) I think they've got real good skill kids. I don't know if their front is real goodx compared to some of the people we've played. I've been in Dave Baldwin's shoes before. They're a little undersized from what we've been used to. But they're tough kids and I think they're playing to get better. They've got good talent on offense. They're good and they're quick.

The offensive line did a ~~good~~ good job today.

I'm not concerned with numbers, running or passing. I'm just concerned with winning.

I think defensivly we've been doing all right. We looked bad out there a couple of series, but I guess that's going to happen. We can keep shutting people out. There are too many varried offensas out there. It's tough to practice against them.

We need to throw the ball better and we need to pass protect better. Now this week ~~they gave him a lot of time~~ he had a lot of time most of the time. We've got to get rested. I think we were a little tired. That's the result of three hot games in a row.

Where San Jose State was vulnerable before was outside. Most of our runs were off tackle. We really didn't get outside. Go figure.

(On setting the record for most games coached in the ACC) All it means to me x is that nobody's stayed around this league very long.

SAN JOSE STATE COACH DAVE BALDWIN: "Wow. That's a good football team gentlemen. Going in, I thought (Virginia) was an outstanding defensive team and they proved it today. Poindexter is a great player, he made a couple of saving tackles in the secondary, but overall it's a great defense... I was happy we scored 14 points."

On Virginia QB Aaron Brooks: "I thought (Brooks) was the difference on offense. He was sensational today. We knew he was very mobile and could make things happen on offense and we just couldn't catch him. He was quicker than us; faster than us. We were hoping he would throw the ball, actually."

On the Virginia offense: "They pounded us and that's what they should do. They are much more physical than we are."

On the play of the San Jose State offense: "I was happy we moved the ball right down the field on the first drive. I don't think anyone has done that to them all season... We couldn't sustain anything after that, though. But it was a positive that we didn't turn the ball over and that's what you have to do against this team. I think both of our quarterbacks made critical errors. They were rattled."

"I was disappointed in the way we tackled. But their quarterback might be faster than anyone we have on our defense. (Jones) is a special player, too. I expect to see both of them playing at the next level."

Virginia notes
October 3, 1998

Tailback Thomas Jones carried the ball 23 times for a career-high 203 yards and two touchdowns. Virginia is now 6-0 when Jones rushes for 100 or more yards in a game.

Tailback Antoine Womack carried the ball 17 times for a career-high 142 yards and one touchdown.

The last time Virginia had two players rush for over 100 yards in a game was at Maryland on November 11, 1995 in a 21-18 ~~win~~ victory over the Terrapins. Tiki Barber rushed for 116 yards and Kevin Brooks for 103 yards in that game.

Virginia's 446 yards rushing is the most in a game since the Cavaliers rushed for 406 yards in a 56-14 victory over Navy at home on September 15, 1990. The ~~Virginia~~ school record is 514 yards rushing, set in 1946 against Hampden-Sydney.

Virginia's 52 points are the most for the Cavaliers since they scored 62 against North Carolina State in a 62-14 win at home on October 19, 1996.

Virginia is now 5-0 on the season, the first time the Cavaliers have opened the season with five straight wins since 1993.

George Welsh coached his 192nd game as Virginia's head coach today, establishing an Atlantic Coast Conference R record. ~~Head Coach~~ Bill Dooley held the previous record of 191 games. He coached at North Carolina and Wake Forest.

VIRGINIA COACH GEORGE WELSH

(On Poindexter's injury) I'm not sure. I asked Dr. McCue to talk to anyone until we're sure tomorrow. I was told his knee was sprained at a minimum, and that's all I know right now.

I think our kids did a really good job in the second half, and I told our defensive staff after the game I thought we did a really good defensive job with Holt. We didn't let him beat us. Somebody else might have beaten us, but we weren't going to let him beat us. There was some extra help on Holt sometimes.

They must have felt they could run on us because they came out and started to run the ball .

(On Kerney's play) They had trouble with him when he was singled up. He was the only one who was rushing the passer, though. He did a good job with the inside push, but Barnette stepped up and scrambled too much as far as I was concerned.

(On ~~Poindexter's kick~~ ~~Womack's~~ ~~touchdown~~ to make the score 23-13) I did not want a touchdown, but we haven't coached them well enough. The chart we use says you'll give the ball back to them if you kneel down with more than a minute and 15 seconds when they had one timeout. What we wanted to do was run the ball once and get the clock going then kneel down instead of kneeling down right away. We didn't have to give them the ball back. If they get the ball back, maybe they score and then try and onside kick.

On Donnie Scott's ~~kick~~ punting) He did a very good job. We knew we had a problem with Holt, so we tried to get the ball high. He didn't get it high sometimes but he kept the ball away from him.

(On the team's play in the first half) We weren't playing very well. We had first downs around their fifty about three times, and we don't even get a field goal. After the safety we couldn't even try the field goal. I thought we were bad on offense in that stretch. I knew that was ~~a~~ the kind of game where field goals could be crucial.

We needed one more first down, and we can't quite seem to get it. That's the way it's been for the last two or three years, as I remember.

I laid it on the line with them at the half. I didn't say this was the season, but it was a turning point in a lot of ways, I thought, the way it was at the half.

NOTES:

Saturday's attendance of 45,900 was the third largest crowd in ~~VA~~ stadium history.

Virginia tailbacks Thomas Jones and Antwoine Womack each rushed for over 100 yards against N.C. State. Jones rushed 21 times for 117 yards and two touchdowns, while Womack carried the ball 15 times for 109 yards and one touchdown. It's the second time this season Jones and Womack have each rushed for over 100 yards in a game. Jones has rushed for over 100 yards in six of his last eight games. He now has rushed for 1,757 yards in his career and is 15th on Virginia's career rushing list. He has rushed for at least one touchdown in each of UVa's seven games this season.

He now has rushed for 1,757 yards in his career and is 15th on Virginia's career rushing list. He has rushed for at least one touchdown in each of UVa's seven games this season.

N.C. STATE COACH MIKE O'CAIN:

"I give them credit; they made the plays on offense and we didn't. To beat a good football team you have to take advantage of your opportunities, and we didn't."

"We still have something to accomplish (this season). I think we have a good football team. We had to play under very adverse conditions; we battled a very good team to what was, really, a three point ball game. We've got four games left and I think we can win all four of them. We've got to be ready to play just like we were today."

"I thought we played well at times offensively but we never really got things clicking on all cylinders. We never got in sync in the second half. It's tough to come up here and play so hard and come up empty."

"In the second half; our offensive line was not very good at the point of attack. From where I was standing, we couldn't push anyone back. I'll have to look at the film to find out the cause."

"They did a good job of doubling (Torry Holt) up. They were having someone up in his face and they brought the free safety over to help. It took him out of the ball game quite a bit but we have other guys that we can go to. Chris Coleman came open a lot and we did a good job of going to him."

GAME NOTES:

--Ray Robinson's 88-yard touchdown run was the second-longest in school history

(Longest was a 95-yard run by Ted Brown vs. Syracuse in 1977)

--Jamie Barnette became the school's all-time total offense leader on a five-yard pass to Torry Holt, passing Terry Harvey who had 5,846 yards. After today's game, Barnette has 6,104 yards for his career.

--Torry Holt became N.C STATE's career receptions leader with 148, surpassing Eddie Gaines (147).

--Robinson finished the day with 202 yards on 27 carries, the fourth highest game total in school history.

NORTH CAROLINA HEAD COACH Carl Torbush:

"(Virginia) is a very, very good football team; one of the best we've played. They're very physical and the offensive line dominated the line of scrimmage. We did not tackle well and, as I said going in, we would have to tackle well to win. That's not what happened. I was disappointed in the number of big plays they were able to convert... Even with all the mistakes we made and the big plays we gave up, we still had a good chance to win the game late in the third quarter."

"Offensively we did some good things (but) we did not play consistently. Penalties hurt us in a couple of key situations and we had some dropped balls. Defensively, on one drive, they had 30 yards in penalties. It's too late in the season to be making those kinds of mistakes."

"What we do in the next few weeks will determine what kind of progress we've made. We got beat up physically tonight and we'll have to wait to see what our injury report says. We're going to find out how tough we are in the next two weeks. We've got two really big games, cross-town rivalries, ahead of us. To meet any of the goals we set before the season, these are two games that we need to win."

On Ronald Curry: "We didn't feel like Ronald was making the plays he had been the past couple of weeks. Oscar was throwing the ball well and we felt like we ought to leave him in there and see what he could do. There's no doubt we have great faith in Ronald Curry and (his lack of playing time) had nothing to do with playing in Charlottesville. None whatsoever. I'm sure Ronald, deep down in his heart wanted to make some plays."

VIRGINIA COACH GEORGE WELSH

It didn't look good for awhile, but we hung in there and finally made some plays. I'm ~~Happy~~ happy. I think the team did a heckuva job. The defense played especially well. I was glad to see ~~X~~ Stukes get that interception after all the grief he's taken, some of it from me.

We finally made some plays on ~~offensive~~ offense, and then made some bigger plays on defense.

(On Braverman's ~~gk~~ field goal attempts) I asked him if he thought he could make it and looked in his eyes and he had the right look in his eyes and said yeah.

Wilkins won a few (one on one matchups). We were struggling there with the passing game. We couldn't get that eight- or ten-yard pass we needed to keep drives going.

(On North Carolina's defense) They kept bringing linebackers a lot. They didn't bring safeties, and they didn't really gang up on us alot, but they beat some blocks. There's still pretty good talent on that ~~xxxx~~ defensive football team.

(On his concerns about Ronald Curry) The only thing I worried about was his scrambling ability, his ability to run around and get away from people. He got two touchdowns that way against Wake Forest. That's the one thing that scared me. I didn't care if he wanted to run the option or do that stuff. He's pretty clever. He runs around and finds somebody open and throws it up.

(On the Peach Bowl) The ~~xxxx~~ Peach Bowl was here, I talked to (their representative) this morning, but he didn't say anything to me. I hope we're in. I really do, but I'm not opening my mouth. I think it would be a great bowl for us. I think we'd sell a lot of tickets. Atlanta's a great city for us and for our alumni.

(On Thomas Jones) He's pretty good. That's saying a lot when I say it. He's got a great feel for it now, making those cuts and bouncing off, spinning, coming out of some ankle tackles.

(On Wilkins) He did a heckuva job. He wanted the challenge too. I told him, "You know, Ely might be covering you." And he said, "Well, if he is, I hope you wont' stay away from me."

VIRGINIA NOTES

Virginia tailback Thomas Jones has rushed for 915 yards in the last six games. He has rushed for 1,248 yards and 12 touchdowns this seasons. Jones' 12,48 yards rushing ranks third on Virginia's single-season rushing list. He has now rushed for 2,145 yards during his career and ranks 10th on Virginia's career rushing list. Jones has rushed for at least 100 yards in seven games this season and eight of his last 11 games overall.

Virginia wide receiver Terrence Wilkins caught four passes for 167 yards today. His 167 yards receiving is the sixth-highest single-game total in UVa history. Wilkins has 1,354 yards receiving for his career and ranks eighth on Virginia's career list in that department.

Today's crowd of 47,000 is the second largest in Scott Stadium history.

Virginia Coach George Welsh

(on winning drive) "I was thinking field goal. Three points ties it. Ironically, we had just talked about overtime in the staff meeting. We had not talked about it in a while and I brought it up yesterday. Last time we talked about it was Georgia Tech and I just wanted to review everything. We talked about overtime and the various ramifications with it. I was not sure we could get a touchdown. It's hard to get a touchdown, that's why I was thinking field goal range. I was hoping to get on the 15-yard line, not the 25 or 30 where we seem to stall out so much.

(on half-time talk) "I did not say much. There was a lot of discussion on the staff about what was going on and what we needed to do. The offensive staff talked about what they thought was best. We made a couple of adjustments on the protection, which I think helped. I just told them (UVa) that I thought they (Tech) had control of the line of scrimmage. Speaking mostly to the offensive line, I told them they had to get control of the line of scrimmage, otherwise we don't have a chance.

(on coming back in second half) "I think anything is possible. They are human, too...If you played nine other games, this probably would not happen again. But, that's the danger of getting up 17-0 so easy sometimes. It's dangerous for them. I think they got tired on defense. They did not rush the passer as well and we were throwing the ball a lot.

(on comeback) "No other comeback reminds me of this one. The North Carolina game comes to mind. It seems hopeless but it never is.

"I don't think we played anything differently in the second half. I was not in on the discussions on the defensive side. Rick always does a good job analyzing. I think we got a little bit more pressure on the ball. I thought the big difference was their running game...

"We were not in sync in the first half. Obviously, Aaron Brooks did a great job. You do not win without a good quarterback performance.

(on Jones play) "We wanted the bootleg. We missed an assignment on the pass protection from what I understood on the sideline. It was Brooks' escape ability and his ability to throw the ball. That was a great catch by Jones. We were trying to sneak Jones down the backfield unnoticed, but someone covered him. Probably a linebacker, which was what we were hoping for. We were hoping for more time, too, but we did not need it."

VIRGINIA TECH COACH FRANK BEAMER
Quotes on the UVa game

(The comeback:) I think it was a lot of what they did and some of what we did. You've got to give Brooks credit. The guy threw great down the stretch. The ball was on the money. I never thought their receivers would get position on our secondary guys as much. And I think that was key. I thought we did a good job against the run. Brooks got hot, and they made some great plays. They hung in there and deserved to win.

I think the real turning point was our interception for a touchdown. We fought our way out of a hole. We had field position. Even if we just kick it there, we're in pretty good shape, and it turns around and goes into the end zone.

(On Al Clark:) He hurt his arm and couldn't throw.

(UVa defense:) They got to us a few times. We had some matchups we liked. We had Handy against our linebacker a lot, and we just need to get the ball to him. We had some receivers we just need to hit. I think we had our opportunities to win the football game. We just didn't do it. And when they had opportunities they did do it. That's the bottom line. They had momentum at the end and got us.

(The three losses:) It still comes down to execution. We don't catch the ball to win one game, and then the two quarterbacks played their very best down the stretch to win the game. And we weren't able to come up with some plays. Those things come around. We won some games in the fourth quarter.

(The second half:) I think they played a little better, but I'd like to think if we hit some open receivers...I'd like to think it's a lot of us. We just need to play better.

8-3 with this football team, the inexperience we had on offense coming back, it's still good. It could have been a great season if we could have gotten this win today and gotten that Syracuse win, but you can kill yourself to death.
