The ACC By The Numbers

1 - Louisville's Dee-fense is indeed No. 1. The Cardinals stop troops lead the nation in total defense (230.7), rushing defense (60.3), third down conversion defense (.215), first down defense (84) and pass interceptions (14). The Cardinals are also second nationally in team pass efficiency defense (91.72) and third in scoring defense (14.1).

1.00 - The Cardinals' junior **S Gerod Holli-man** leads the nation again this week in pass interceptions with seven in seven games, an average of 1.00 per contest.

2 - Clemson true freshman **QB Deshaun Watson**, who suffered a hand injury which will put him on the bench for a few weeks, ranks second nationally in pass efficiency (186.9) this week.

3 - NC State **P Will Baumann** ranks third nationally this week in punting, averaging 47.4 yards per boot. The ACC record is 47.8 yards a punt by North Carolina's Brian Schmitz in 1999.

4 - When North Carolina's **Marquise Wil-liams** threw, ran and caught a pass for a touchdown against Notre Dame, he became only the fourth ACC player since 2000 to turn the "Hat Trick" and the first one to do it twice. Williams also did the same thing last year against Virginia and he joined Mississippi State's Dak Prescott and Jameon Lewis, Rice's James Casey and Kent State's Joshua Cribbs as the only FBS players since 2000 to record the trio in a single game twice.

5 - If Syracuse should start true freshman **QB A.J. Long** this Saturday at Wake Forest, the Lebanon, Tenn., rookie would become the fifth true freshman to start a game at QB in the ACC this year, the most in ACC history. Long would join **John Wolford** of Wake Forest, **Brad Kaaya** of Miami, **Deshaun Watson** of Clemson and **Reggie Bonnafon** of Louisville.

6 - **Florida State** becomes the sixth ACC team to face a Top 10 non-conference op-ponent this year when it hosts 6th-ranked and unbeaten Notre Dame this Saturday in Tallahassee. ACC teams have previously defeated two Top 10 non-conference foes as Virginia Tech downed 8th-ranked Ohio State and Boston College defeated 9th-ranked Southern California. The league is 2-3 overall against Top 10 non-conference opponents

this year.

6.74 - The career per-carry average of Miami **RB Duke Johnson**. Johnson's average would be the 7th-best mark in ACC history.

7 - The number of **ACC teams** that are ranked among the nation's Top 27 teams in total defense. Louisville leads, followed by Pitt (4th), Clemson (6th), Boston College (8th), Virginia Tech (21st), Miami (24th) and Clemson (27th).

12 - In all, **ACC teams** will play 12 games this season against non-conference teams ranked in this week's Associated Press Top 25, by far the most of any of the Power Five Conferences (7 games is the next highest).

20 - The number of wins for **Virginia Tech** when it plays on ESPN's Thursday night package. The Hokies, who travel to Pitt for a Thursday nationally-televised game on ESPN, are 20-7 overall (.740) when they play on ESPN's Thursday night prime time package and 9-3 (.750) when they play on the road.

22 - **Florida State** has won 22 consecutive games, the nation's longest current winning streak. The streak is also the ACC's longest winning streak, breaking a mark set by the Seminoles during the 1999 and 2000 seasons. FSU has also won 19 consecutive ACC games, dating back to a 17-16 loss at NC State in 2012.

Also 22 - Florida State sophomore **PK Roberto Aguayo** has been successful on his last 22 field goal attempts, dating back to the Wake Forest game of last year. The ACC record is 27, set by NC State's Marc Primanti during the 1995-96 seasons. Aguayo's cur-rent streak already ties for second-best in league history with Virginia Tech's Brandon Pace (2005-06).

29.0 - The number of career sacks for Clemson All-American **DE Vic Beasley**. He leads the nation among all active FBS play-ers in career QB sacks, and, after recording one against the Louisville, he is ranked third nationally this year, averaging 1.33 per game. Beasley is tied with Wake Forest's Calvin Pace for 8th place on the all-time ACC sack list.

51 - The number of victories to which Florida State head coach **Jimbo Fisher** has led the Seminoles now in his fifth season as head

coach in Tallahassee. His winning percent-age of .836 is the best of any ACC coach with three or more seasons.

118.5 - The per-game rushing average for Boston College **QB Tyler Murphy**. Murphy is on a pace to shatter the ACC single-season mark of rushing yardage for a quarterback set of 1,061 in 2001 by Clemson's Wood-row Dantzler.

145.7 - The average number of rushing yards this year for Pitt running back **James Conner**. Conner has rushed for 874 yards in 156 carries--a 5.6 per carry average. He ranks fifth nationally in yards per game and in total rushing yards.

176.76 - Florida State sophomore **QB Jameis Winston** leads all active players nationally in career pass efficiency with a 176.76 rating.

187 - NC State **QB Jacoby Brissett** had his interception-free streak snapped against Boston College in the second quarter of Saturday's 30-14 defeat. Brissett had thrown 187 consecutive passes without a pick prior to Saturday's interception, the seventh-longest streak in ACC history.

230 - The number of career receptions for Duke senior **WR Jamison Crowder**. Crowder moved into fifth on the ACC career receptions list with three catches against Georgia Tech, and is two behind Aaron Kelly, of Clemson (232, 2005-08), for fourth place.

270 - The number of career coaching victories for Virginia Tech's **Frank Beamer**. Beamer is the leading active head coach in the FBS in career victories and ranks 6th all-time with only the icons of the game ahead of him in Florida State's Bobby Bowden, Paul "Bear" Bryant, Glenn "Pop" Warner, Amos Alonzo Stagg and Joe Paterno.

360 - The rushing yardage that Miami's trio of tailbacks--**Duke Johnson (162)**, **Joe Yearby (113)** and **Gus Edwards (85)**--ac-counted for in the Hurricanes' 55-34 win over Cincinnati.

3,148 - The number of career pass receiv-ing yards for Florida State senior **WR Rashad Greene**. Greene is in 6th place on the ACC career list, 170 yards behind 5th-place Clarkston Hines of Duke.

2014 ACC FB Game Summaries -- Oct. 11

#1 Florida State 38, Syracuse 20

The top-ranked Seminoles built a 31-6 lead en route to Saturday's ACC road victory, which extended their conference- and school-record winning streak to 22 games. QB Jameis Winston threw for 317 yards on 30-of-36 passing with three touchdowns. TE Nick O'Leary was his top target with eight receptions for 97 yards and a score, while WRs Rashad Greene (one TD) and Travis Rudolph caught six passes each. RB Dalvin Cook amassed 122 yards on 23 rushes and scored once to key the ground game for FSU (6-0, 4-0). Syracuse freshman WR Steve Ishmael had a big day, catching touchdown passes of 22 and 35 yards from his classmate, QB Al Long, for his first career scores while finishing with career-bests in three receptions and 93 yards. RB Prince-Tyson Gulley caught a career-best seven passes out of the backfield for 25 yards to go with 80 yards rushing on 16 carries for the Orange (2-4, 0-2). At the season's midway point, the Seminoles have already secured enough wins to extend the nation's longest bowl game streak to 33 years in a row. With 213 career receptions, Greene has surpassed the FSU school record that had stood since 1968 (Ron Sellers). O'Leary (90 career catches) now holds the school record for receptions by a tight end.

Duke 31, #22/23 Georgia Tech 25

RB Josh Snead rushed for 102 yards and a touchdown, and Duke took advantage of three second-half turnovers to knock off previously unbeaten and 22nd-ranked Georgia Tech. The Blue Devils (5-1, 1-1) snapped a 10-year losing streak against Georgia Tech (5-1, 2-1) and won in Atlanta for the first time since the 1994 season. QB Anthony Boone completed 16-of-26 passes for 131 yards and a score, while QB Thomas Sirk added a pair of rushing touchdowns for the Blue Devils. Duke S Jeremy Cash set up a pair of second-half touchdowns with a fumble recovery at the Georgia Tech 46-yard line and a 23-yard interception return to the Yellow Jackets' 23. LB Xavier Garmichael picked off a pass by Tech QB Justin Thomas at the Duke 4-yard line for his second career interception to stifle a Yellow Jackets' scoring threat. Sirk's second touchdown run of the game gave Duke a 31-12 lead with 8:18 to play. With Thomas slowed by an ankle injury, backup QB Tim Byerly delivered a pair of touchdown runs in the final 5:04 of the game to pull the Yellow Jackets to within six, but the Blue Devils held on for the win. The game was suspended for 77 minutes prior to the start of the third quarter due to lightning in the area.

#--/25 Clemson 23, Louisville 17

The Tigers held the Cardinals on a goal-line stand in the game's final minute to preserve the hard-fought victory. S Jayron Kearse made a touchdown-saving tackle on Louisville WR James Quick after a 73-yard catch-and-run, but the Cardinals still had the ball at the Clemson 8 with just over a minute to play. Louisville (5-2, 3-2) pushed as close as the 2-yard line, but QB Will Gardner's fourth-down pass was broken up by DT DeShawn Williams, sealing the win for the Tigers (4-2, 3-1). Tigers WR Adam Humphries scored on a 72-yard punt return, the first for Clemson since C.J. Spiller scored on a 77-yarder against Boston College in 2009. CB Garry Peters sacked Louisville QB Reggie Bonnafon and forced a fumble, which was recovered by DT Grady Jarrett in the end zone for a touchdown in the second quarter to put the Tigers ahead 14-10. DE Vic Beasley recorded his 29th career sack to become Clemson's all-time career leader. With freshman Deshaun Watson forced to leave the game early due to a broken finger, senior Cole Stoudt stepped in at QB for Clemson and completed 20 of 33 passes for 162 yards. Clemson PK Ammon Lakip made all three of his field goal attempts. Louisville's Gardner did not start, but completed 10-of-16 passes for 150 yards, including a 22-yard TD pass to WR Eli Rogers that tied the score at 17-all in the third quarter.

Boston College 30, NC State 14

QB Tyler Murphy rushed for 132 yards and scored two touchdowns to lead the Eagles (4-2, 1-1) to their first ACC win of the season. BC rushed for over 300 yards for the fourth time in 2014, racking up 310 yards, and put up over 400 total yards of offense for the fifth time, amassing 411. The Eagles offensive line did not allow a quarterback sack. Defensively, the Eagles yielded just 43 rushing yards – the fourth time this season they have held a team to under 100 yards on the ground– and 217 yards overall. BC came up with two turnovers, four quarterback sacks and did not allow NC State (4-3, 0-3) to score after the opening quarter. Wolfpack QB Jacoby Brissett's interception early in the third quarter broke his streak of 187 passes without an INT (his only previous interception cam in the season opener). Brissett's streak of 187 ranks as the seventh-best in ACC history. NC State RB Tony Creecy's first-quarter rushing touchdown was his first of the season and eighth of his career. Creecy has now had at least one rushing score in all four seasons of his career. The game was delayed for 57 minutes in the second half due to severe weather in the Raleigh, N.C., area.

Miami 55, Cincinnati 34

RB Duke Johnson became Miami's career leader in all-purpose yards and QB Brad Kaaya threw three touchdown passes and ran for another as the Hurricanes rolled past the visiting Bearcats. Johnson finished with 162 rushing yards on only 10 carries, and RB Joe Yearby added 113 on eight carries for Miami (4-3), giving the Hurricanes two 100-yard runners in the same game for the first time since 2003. RB Gus Edwards added 85 yards on the ground, including a 40-yard touchdown run with 9:02 remaining in the game. Miami piled up 621 total yards. QB Gunner Kiel completed 31 of 57 passes for 355 yards and three touchdowns for the Bearcats (2-3), but the Hurricanes also came up with three interceptions. Johnson had a career-long 80-yard run for a score in the first quarter. He now has 4,427 all-purpose yards, passing Santana Moss' mark of 4,394. Johnson accomplished the feat in 14 fewer games than Moss.

#6/5 Notre Dame 50, North Carolina 43

The visiting Tar Heels led the sixth-ranked Fighting Irish heading into the fourth quarter, but Notre Dame ultimately prevailed at home in a record-setting scoring battle. QB Everett Golson threw three touchdowns passes to lead the home team to victory in the highest-scoring game in the 84-year history of Notre Dame Stadium. North Carolina' QB Marquise Williams threw two touchdown passes, ran for another score and caught a 23-yard TD pass from WR Quinshad Davis late in the third quarter to give the Tar Heels a 36-35 lead. Williams rushed for a career-high 132 yards and was 24-of-41 passing for 303 yards. He became the first player in school history to pass for 300 yards and rush for 100 in the same game. It is only the sixth time a UNC player had 100 rushing yards and at least 200 passing yards in the same game. Williams was already one of the previous five players to accomplish that (104 rushing and 223 passing last year versus Duke). UNC LB Jeff Schoettmer had his second interception return for a touchdown this season in the first quarter on a 29-yard scoring play. The teams combined for 1,029 yards - 519 for Notre Dame and 510 for the Tar Heels.

Ones to watch: Notre Dame RB Tarean Folston collected a career-high 169 yards of total offense (98 rushing, 71 receiving) in last Saturday's win over North Carolina ... With 90 career receptions, Florida State TE Nick O'Leary has recorded the most in school history at his position.

Building Miami's Program

The overall coaching record for UM Head

Coach **Al Golden** is now at 53-52. Golden, though, has had to undertake rebuilding projects in both of his first two head positions at Temple and now at Miami. If you look at his record after his third year at each school, it

becomes much more impressive. Golden was a combined 22-15 in his final three seasons at Temple. in 2013 at Miami, just his third season in Coral Gables, he finished 9-4 and is 4-3 this year. That is an overall 35-22 mark after his first two seasons at each school, an impressive .607 winning percentage.

FSU's Fisher Joining Select Company

After just four seasons as head coach at Florida State, Jimbo Fisher joined some select company among ACC football coaches. Fisher compiled a 45-10 record (.818) during that time. His winning percentage put him in 2nd place among all ACC head coaches after four seasons, ahead of such prominent figures as NC State's Lou Holtz, Clemson's Danny Ford, Maryland's Ralph Friedgen and Georgia Tech's Bobby Ross. The best mark recorded by an ACC head coach in his first four years in the league was by Fisher's predecessor at FSU, Bobby Bowden, who posted a 43-5-1 record (.888). Virginia Tech's Frank Beamer has the 3rd-best record at 42-11-0 (.792).

Clemson's Swinney, Georgia Tech's Johnson In Good Company As ACC Head Coaches

After their first six seasons at Clemson and Georgia Tech, head coaches **Dabo Swinney** and **Paul Johnson** have recorded excellent numbers. Only five other coaches in league history have had a better winning percentage after six seasons than Swinney (.689) and only three have won more games. Only seven other coaches in league history have won more games (47) than has Johnson after his first six seasons in the league and he ranks 14th in winning percentage.

Home Sweet Home for Tigers' Swinney, Noles' Fisher

Clemson head coach **Dabo Swinney** and Florida State head coach **Jimbo Fisher** have both enjoyed coaching in the cozy and imposing confines of the Tigers' home field, also known as Death Valley, and the Seminoles' home turf, Doak Campbell Stadium. Now, beginning his seventh season as head coach of the Tigers, Swinney's teams won 22 of the first 25 home ACC games, a winning percentage of .880, third-best among ACC coaches who have coached a minimum of four seasons. He is only behind former Tiger coach Ken Hatfield, who posted a 12-1-1 mark in four seasons (.893) and Fisher, who is 16-2 (.889) against league foes. They are both just ahead of legendary FSU coach Bobby Bowden, who also won more ACC home games than any other coach, with 62 triumphs in his 18 years in the league.

Program Builder Clawson Begins New Era at Wake Forest

Wake Forest new head coach Dave Clawson is in his first year as the Demon Deacons' head coach, but he is no rookie leading a program. Clawson, now in his 15th season as a head coach, has already re-built three football programs. He ranks fourth in years of experience among head coaches in the ACC, behind only Frank Beamer (34) and Paul Johnson (18). His overall, 92-84-1 (.523) record is more impressive when you take into account that he had to rebuild programs at Fordham, Richmond and Bowling Green, where his combined mark in his final three seasons (nine years total) at each stop was 75-37, a .670 winning percentage.

Duke Experiencing Success Under National and ACC Coach of the Year David Cutcliffe

David Cutcliffe, the ACC's 2012 and 2013 Coach of the Year, has led the Blue Devils to 35 victories since coming to Durham in 2008. That may not sound like a great record, except when you consider that it is more wins than the Blue Devils totalled in the 15 seasons before Cutcliffe came to Durham.

■ Duke's 2013 team had 10 wins, the most in school history. Duke was Coastal Division champions for the first time since the ACC went to Divisional play in 2005 and the Blue Devils went to back-to-back bowl games for the first time in school history, dropping a last-second contest (52-48) to Texas A&M in the Chick-fil-A Bowl.

■ Duke made its first appearance in the BCS Standings on Nov. 25, 2013, getting ranked 24th.

■ In the five-plus years that Cutcliffe has been in Durham, he has already mentored a pair of quarterbacks who finished their careers ranked in the ACC's top seven of career passing yardage. **Thaddeus Lewis** (2006-09) threw for 10,065 yards, the second-highest total in league history and **Sean Renfree** (2009-12), threw for 9,465 career yards, the 7th-best total by an ACC player.

■ Also, under his guidance, Duke **WR Conner Vernon** became the all-time leading pass receiver in ACC history setting conference career marks for pass receptions (283) and pass reception yardage (3,749) with senior **Jamison Crowder** set to challenge those marks.

■ Cutcliffe was honored in 2013 by being named National Coach of the Year by five different outlets--the American Football Coaches Association (AFCA), The Maxwell Football Club, The Bobby Dodd Foundation, the Walter Camp Foundation and The Sporting News (Co-Coach of the Year).

Under Steve Addazio Boston College Becomes One of the Top Five Most Improved Teams

Under head coach **Steve Addazio**, Boston College in 2013 became on the nation's most improved football teams. Inheriting a program which had posted a 6-18 record over the past two seasons, including a 2-10 mark in 2012, Addazio led the Eagles to a 7-6 record and into the Independence Bowl in his first season on The Heights.

Addazio's physical style of football and a veteran offensive line allowed TB Andre Williams to set ACC single-game, multi game and single-season rushing records and to win the Doak Walker Award as the nation's top running back. Williams became the first running back in ACC history to top 2,000 rushing yards in a season (2,177).

The four-and-a-half win improvement from 2012 was the fifth-best turnaround in the FBS last year, bettered only by Auburn (8), Missouri (6) and Michigan State and UNLV (5 each).

UNC Has An Offensive and Special Teams Mindset Under Larry Fedora

North Carolina Head Coach **Larry Fedora's** fast-paced offense had his team scoring at a school-record pace in his first year in Chapel Hill. UNC ranked 8th nationally in scoring offense in 2012, averaging 40.6 points a game while also ranked 14th nationally in total offense,

■ Now in his third season as head coach at UNC, North Carolina has topped the 40-point mark 12 times and bettered 30 points 201 times. His Tar Heel teams have averaged 36.6 points per game. In the previous 13 seasons before Fedora came to Chapel Hill, UNC had averaged just 23.3 points per game, a 14-point difference.

■ Also, in his first two-plus seasons, UNC has 450.3 yards per game of total offense. That compares with the previous 13 seasons when the Tar Heels averaged just 349.25 yards per game of offense.

■ Fedora's first two Tar Heel teams both bettered the previous school mark for scoring. UNC scored a school-record 487 points in 2012 and tallied 425 points in 2013. Previously, the school had only topped 400 points once (1993) in its history when it scored 421 points.

■ Fedora's 2013 team set a school record for most touchdowns by returns with eight, including five by punt return, two by kickoff return and one interception runback.

■ Now in his third season in Chapel Hill, Fedora's teams have had 15 returns for touchdowns including eight by punt return and three by kickoff return.

■ In 2012 and 2013 UNC returned 65 punts, averaging 16.0 per return. As a freshman in 2013, Ryan Switzer tied an NCAA FBS single-season record and set an ACC standard when he returned five punts for scores last year.

■ Now in his third season at Chapel Hill, UNC has scored 60 or more points three times, including an 80-point outburst against Old Dominion.

■ By posting records of 8-4 and 7-6 in his two years in Chapel Hill, he becomes the first UNC coach since Ray Wolf in 1936-37 to post winning records in each of his first two seasons.

Miami junior **RB Duke Johnson (Miami, Fla.)** would be in the ACC's career Top 10

List for best career per-carry average with a minimum of 1,000 career yards if he maintains his current pace. Johnson currently has 2,654 career yards on just 394 carries, a 6.74 per-play average. That norm would be the 7th-best career average by an ACC player.

Georgia Tech's Orwin Smith, who completed his career in 2012, holds the record, averaging 9.28 with 1,839 career yards. In Johnson's last 16 games (1,886 yards), he is averaging 117.9 yards per contest. In just 27 career games, he is averaging 98.3 yards a game.

BC's Tyler Murphy On The Run

Eagle QB on Pace to Break ACC Rushing Mark for Quarterbacks

Boston College **QB Tyler Murphy (Wethersfield, Conn.)** is off to a fast start as the signal-caller for the Eagles. After rushing for 132 yards on 15 carries against NC State, the graduate student has now accumulated 711 yards in just six games, a per-game average of 118.5 yards per contest. If maintained throughout the season, that would be an ACC single-season record. Clemson's Woodrow Dantzler currently holds that mark, having rushed for 1,061 yards in 2001 (81.6 avg.). Murphy has already topped the 100-yard mark in rushing yardage three times in a game this season, including a 191-yard effort against 9th-ranked Southern California that was the second-highest single-game effort by the quarterback in ACC history.

ESPN's GameDay Coming To Tallahassee

Second Time in 2014 For the Iconic ESPN Pre-Game Show

Florida State will host ESPN's GameDay for the 11th time and the second time this year, when the Seminoles face fifth-ranked and unbeaten Notre Dame at Doak Campbell Stadium in Tallahassee. This is the second year this year that GameDay has emanated from Doak Campbell Stadium and third time that the Seminoles have played with GameDay in attendance. GameDay previously was in Tallahassee for the FSU-Clemson game on Sept. 20 and was also at AT&T Stadium in Arlington, Texas, when the Noles began the this year against Oklahoma State in the Cowboys Clas-

sic.

ESPN'S GameDay has been held at four of FSU's last seven games, including the 2013 BCS National Championship Game in Pasadena, Calif.

In all, this will be Florida State's 30th appearance on GameDay which is the most for any ACC team.

Including Saturday, ACC schools have hosted College GameDay a total of 32 times, while ACC schools have appeared 77 times on the sites where College GameDay has been held. Florida State has hosted GameDay more than any other ACC school (10). Miami and Virginia Tech have each hosted the coveted show six times.

ACC 2014 Football Championship Game Legends Class

Legendary Virginia Coach George Welsh; National Football Foundation College Hall of Famers Derrick Brooks, Hugh Green and Art Monk Headline 2014 Class

Led by three members of the National Football Foundation and College Hall of Fame, two members of the Pro Football Hall of Fame and one of the most successful coaches in Atlantic Coast Conference history, the ACC announced the 2014 Class of Legends for its 10th Annual Dr Pepper Football Championship Game, which will be played in Charlotte, N.C. on December 6. Leading this year's class are former Virginia and Navy head coach George Welsh (Coaldale Pa.), Florida State's two-time consensus All-American linebacker Derrick Brooks (Pensacola, Fla.), four-time Pitt All-American defensive end Hugh Green (Natchez, Miss.), and Syracuse All-American wide receiver Art Monk (White Plains, N.Y.).

Welsh finished his coaching career as the winningest coach in league history, compiling a 189-132-4 record which included reclamation projects at the U.S. Naval Academy and at Virginia. In his near two-decade stint in Charlottesville, Welsh, a 2004 inductee into the College Hall of Fame, built the Cavaliers into one of the nation's premier football programs, winning seven or more games for 13 consecutive seasons. Brooks, a 2014 inductee into the Pro Football Hall of Fame, is considered one of the greatest players in college and professional football history. The 1993 ACC Defensive Player of the Year, he was named to the NFL's Pro Bowl an astounding 11 times and led FSU to a national championship and Tampa Bay to the NFL title. Green, a 1996 inductee into the National Football Foundation and College Hall of Fame, is also considered by many to be one of the greatest collegiate players in history. He was a three-time consensus All-American and earned All-America honors in all four of his collegiate seasons for the Panthers. Monk is one of the few players to earn selection to both the College Football Hall of Fame (2012) and the Pro Football Hall of Fame (2008). He ended his 15-year professional career as the first wide receiver in NFL history to top 900 receptions, finishing with 940 career catches.

The group of 14 former gridiron standouts from current ACC schools includes a former ACC Football Player of the Year, an ACC Defensive Player of the Year, 12 former All-Americans, including 10 first-team and six consensus All-American honorees, and 12 players who combined for 118 years in the National Football League.

Joining Welsh, Brooks, Green and Monk are Boston College offensive lineman Chris Snee (Montrose, Pa.), who earned second-team All-America honors (AP) as a senior at guard; Clemson cornerback Donnell Woolford (Fayetteville, N.C.), a consensus All-America and key defensive figure for the Danny Ford-coached Tiger teams in the late 1980s; Duke wide receiver Chris Castor (Cary, N.C.), the first wide receiver to earn Player of the Year honors in ACC history; Georgia Tech offensive lineman John Davis (Ellijay, Ga.), who earned first-team All-America honors as a tackle and as a center for the Yellow Jackets; and Louisville cornerback Frank Minnifield (Lexington, Ky.), who led the nation in kickoff returns and was an excellent cover cornerback for the Cardinals.

Completing the ACC Football Legends Class of 2014 are Miami's Darrin Smith (Miami, Fla.), one of one-third of the famed Hurricane linebacker trio dubbed the "Bermuda Triangle" that helped lead "the U" to a pair of national championships in 1989 and 1991; North Carolina defensive end Greg Ellis (Wendell, N.C.), a two-time All-American who earned consensus All-America honors in 1997 playing for the Mack Brown-coached Tar Heel teams of the mid-1990s; NC State safety Jesse Campbell (Vanceboro, N.C.), a three-time All-ACC and two-time All-America defensive back for Coach Dick Sheridan's teams of the 1980s and 90s; Virginia Tech center Jake Grove (Forest, Va.), a unanimous first-team All-America in 2003 who was the winner of the Rimington Trophy, given annually to the nation's top pivotman; and Wake Forest running back Alan White (Elm City, N.C.), the runner-up for 1961 ACC Player of the Year who led the conference in rushing that year and went on to an award-winning career in athletic administration as director of athletics at Elon University.

The ACC & ESPN Thursday Night

The ACC & ESPN Thursday Night: A Great College and ACC Tradition

When Pitt hosts Virginia Tech this Thursday night (7:30 p.m.) at Heinz Field in Pittsburgh in an important Coastal Division battle, the game will be the 89th contest involving an ACC team on ESPN on Thursday night. It will also mark the 28th appearance for Virginia Tech, the most of any ACC team on ESPN's Thursday Night package. Pitt will be making its 20th appearance and hosting its 9th game, but the game will be the Pitt's first as an ACC team. The Panthers' previous 19 appearances were as a member of the Big East, including hosting Miami, then an ACC member in 2010.

This will also mark the first time Virginia Tech and Pitt have played on ESPN Thursday night.

Virginia Tech has won more games (20) on ESPN Thursday Night than any other ACC team. The Hokies of Frank Beamer will be making the first of two consecutive Thursday night appearances. Tech hosts Miami on Oct. 23. The Hokies are 20-7 overall and 9-3 in away games on ESPN Thursday night.

Pitt has an overall record of 7-12 in Thursday night games on ESPN, but is 4-4 at home.

Georgia Tech has hosted more Thursday night games than any other ACC school, a total of 19. The Yellow Jackets actually began the Conference's Thursday night tradition, which, more often than not, has featured high drama. Tech hosted Virginia on Sept. 19, 1991, at Bobby Dodd Stadium in Atlanta, utilizing a 34-yard field goal by Scott Sisson on the game's final play to record a 24-21 victory. The Yellow Jackets are 11-15 overall.

Miami has the highest winning percentage (.850) of any ACC team on ESPN Thursdays, having posted a 17-3 mark, including a 6-2 record on the road. The Hurricanes have been better at home, posting an 11-1 mark in the Old Orange Bowl (8-0) and at Sun Life Stadium (3-1). The only UM loss at home came in 2011, when Virginia snapped the Canes' 10-game home win streak with a 28-21 verdict.

Virginia Tech has the second-best record and the most wins on ESPN Thursdays, with a 20-7 record, including a 9-3 mark on the road. The Hokies have won more ESPN Thursday night road games than any other ACC school.

In all, after this week's game, ACC teams will have made 153 appearances on ESPN's Thursday night package.

After the Hokies and Yellow Jackets, Miami leads in total appearances with 20, followed by NC State (19), Louisville (17), Boston College (12), Florida State (12), Virginia (12), Clemson (12) and North Carolina (12).

When Maryland was a member of the ACC, the Terrapins played in 13 Thursday ESPN games, 10 of them at home.

There have been many other great moments in the series, including the 2007 game when 2nd-ranked Boston College rallied to beat 8th-ranked Virginia Tech, 14-10, behind a

pair of touchdown passes from QB Matt Ryan in the game's final two minutes and 11 seconds. That game still stands as the only ESPN Thursday night meeting of ACC opponents that were both ranked in the Top Ten nationally.

The 2009 season featured a pair of thrillers both involving North Carolina. The Tar Heels and Seminoles were involved in an offensive gut-wrencher, as FSU overcame a 24-6 third quarter deficit to capture a 30-27 triumph. A week later, UNC turned the tables, upsetting 14th-ranked Virginia Tech, 20-17, on the game's final play, a 22-yard field goal by UNC placekicker Casey Barth.

The 2010 match-up between Georgia Tech and Virginia Tech was also a classic; a see-saw battle which featured a dramatic 90-yard kickoff return for a touchdown by the Hokies' David Wilson with 2:23 remaining as the deciding play. Perhaps the most memorable Thursday night moment and biggest upset on the Thursday night ESPN package was 24th-ranked Virginia's dramatic upset of 2nd-ranked Florida State in 1995. That game snapped the Seminoles' 29-game Conference winning streak, which began when FSU joined the ACC in 1992. Miami still has claim to the highest-rated game on Thursday night, when it met 10th-ranked Houston in an early season showdown in 1991. The Hurricanes and Cougars drew a 6.5 national rating as Miami took a lopsided 40-10 triumph.

The highest-rated Thursday ESPN battle between two ACC teams was the 1995 Virginia-Florida State telecast, which resulted in a 6.1 rating. New ACC member Louisville recorded a pair of strong ratings while a member of the Big East in 2006, a 5.33 in downing West Virginia and a 5.03 in losing to Rutgers.

This week's game is the first of five ACC Thursday ESPN contests this year. Virginia Tech will host Miami on Oct. 23; Florida State will travel to Louisville on Oct. 30; Wake Forest will host Clemson on Nov. 6; and Duke will host North Carolina on Nov. 20. The Duke-UNC matchup will be the Blue Devils first appearance on ESPN Thursday night in 18 years and their first home ESPN Thursday night contest in 20 seasons since 1994.

The ACC and ESPNU on Thursday Night

Two ACC games have been televised by ESPNU on Thursday night. Wake Forest hosted Vanderbilt in 2005 and Clemson and Temple met in Charlotte in 2006 and new member Louisville appeared on ESPNU as a member of the Big East in 2011.

ACC Divisional Tiebreaker

If more than one team in the same division is tied for the best winning percentage in its Conference games, the procedures listed below will be followed to determine the division's representative in the ACC Championship Game:

Two-Team Tie:

1. Head-to-head competition between the two tied teams.
2. Win percentage of the tied teams within the division.
3. Head-to-head competition versus the team within the division with the best overall win percentage. (Divisional and non-divisional) and proceeding through the division. Multiple ties within the division will be broken from first-to-last using the league's tiebreaking procedures.
4. Overall win percentage versus all common non-divisional opponents.
5. Combined win percentage vs. all non-divisional opponents.
6. Win percentage versus common non-divisional opponents based on their order of finish (overall conference win percentage) and proceeding through other common non-divisional teams based upon their divisional order of finish.
7. The tied team with the higher ranking by the College Football Playoff Selection Committee following the conclusion of regular season games. (If both tied teams are not ranked in the ranking by the College Football Playoff Selection Committee, the higher ranked team in the Amway Coaches Poll (including others receiving votes).
8. The representative shall be chosen by a draw. (as administered by the Commissioner or the Commissioner's designee.)

Three-Team (or More) Team Tie

(Once a team is eliminated from the tie, the tie-breaker procedures restart for the remaining teams. If the three (or more) team tie can be reduced to two teams, the two-team tiebreaker format will then be applied.)

1. Combined head-to-head win percentage among the tied teams.
2. Win percentage of the tied teams within the division.
3. Head-to-head competition versus the team within the division with the best overall (divisional and non-divisional) Conference win percentage, and proceeding through the division. Multiple ties within the division will be broken first to last, using the league's tie-breaker policies.
4. Combined win percentage versus all common non-divisional opponents.
5. Overall win percentage versus non-divisional opponents.
6. Win percentage versus common non-divisional opponents based upon their order of finish (overall win percentage) and proceeding through other common non-divisional opponents based upon their divisional order of finish.
7. The tied team with the highest ranking by the College Football Playoff Selection Committee following the conclusion of regular season games, unless the second of the tied teams is ranked within five or fewer places of the highest ranked tied team. In this case, the two-team tiebreaker procedure shall be applied between the top two ranked tied teams. If none of the tied teams are ranked in the rankings of the College Football Playoff Committee, the higher ranked team in the officially released Amway Coaches poll (including others receiving votes), following the conclusion of regular season games, unless the second of the tied teams is within five or fewer places of the highest ranked team. (For the sake of clarity, the team receiving the second-most votes but not ranked in the Top 25 would be ranked 27th.) In this case the two-team tiebreaker procedure shall be applied between the top ranked tied teams.
8. The representative shall be chosen by a draw as administered by the Commissioner or the Commissioner's designee.

The College Football Playoff; ACC Bowl Lineup

COLLEGE FOOTBALL PLAYOFF

Beginning with the 2014-15 season, college football enters a new era when a postseason playoff will begin. The format includes the top four teams, two semifinals played in bowl games, and a national championship game played in a different city each year. Each semifinal will be played during the New Year's holiday with the national championship game in prime time on a Monday night at least a week later.

A selection committee will choose the four teams for the playoff based on their performance during the regular season, including, strength of schedule, head-to-head results, championships won, and other factors. The teams will be seeded so that #1 will play #4 in one semifinal and #2 will meet #3 in the other, with the winners advancing to the national championship game. The selection committee will announce its rankings each week on Tuesdays beginning on Oct. 28. The final rankings, though, will be announced on Sunday, Dec. 7.

The semifinals will rotate among six different bowls: the Chick-fil-A Peach, Cotton, Fiesta and Capital One Orange Bowls; the Rose Bowl presented by Northwestern Mutual and the Sugar Bowl. In the years when the bowls are not hosting semifinals, the bowls will feature eight other teams in four compelling matchups.

ACC Bowl Quick Selection Order

(The ACC is in the first year of six-year contracts with its current bowl partners. The current College Football Playoff format is a 12-year agreement)

College Football Playoff (four teams)

If the ACC Champion is not in one of the semifinal games it will appear in the Capital One Orange Bowl, or, if the Capital One Orange Bowl is a semifinal or national championship site, one of the Playoff "host" bowls, either the Fiesta or Chick-fil-A Peach.

There is no limit on how many teams the College Football Playoff may choose from a particular conference.

Capital One Orange

Opponent will be a team from the SEC, Big Ten or Notre Dame. If ACC Champion is in the College Football Playoff, a second ACC team will take its place in the Orange Bowl.

Orlando

Only if the ACC opponent in the Orange Bowl, in a non-semifinal year, is a team from the Big Ten, which can occur a maximum of three times in six years.

Russell Athletic

Tier One Bowls

All have equal selection status

Belk /Hyundai Sun/New Era Pinstripe/Franklin American Mortgage Music City or Taxslayer

Tier Two Bowls

Military Bowl Presented by Northrop Grumman
Duck Commander Independence
Quick Lane Bowl

Bitcoin St. Petersburg

After the 2014 and 2016 seasons; all others as conditional selection if not filled by Conference USA or American Athletic.

Birmingham

Conditional all years if not filled by SEC or American Athletic Conference

The One-Win Rule Applies Only to Notre Dame

The ACC's bowl selection will no longer be bound by the rigidity of a "one-win rule" but will have a general list of criteria to emphasize regionality and quality matchups on the field. A one-win rule does apply to Notre Dame's participation in the ACC Bowl structure. Notre Dame is now eligible for ACC Bowl selection beginning with the Capital One Bowl and continuing through the league's bowl selections. However, Notre Dame must be within one win of the ACC available team which has the best overall record, in order to be chosen. In other words, if an ACC team was 9-3, a 7-5 Notre Dame team could not be chosen in its place. Notre Dame would have to be 8-4 to be chosen over a 9-3 league team.

ACC Bowl Expenses And Revenue

The Atlantic Coast Conference shares all bowl revenues. Each school is provided an initial expense allotment. The Conference will share in the cost of unsold tickets for participating bowl institutions. After all bowl expense allotments and ticket reimbursements are subtracted from the total bowl revenue, the remaining revenue is distributed evenly among the ACC schools.
