POST-GAME QUOTES

VIRGINIA COACH AL GROH

One of the things that's true in every game is that players make the difference, not coaches. Those offensive linemen – Elton Brown, Yarbrough, and that crew – Jason Snelling and the tailbacks – that's how we did it.

The fourth-down stop down there the first time was particularly important. When you can do that early, that's a confidence booster. Then we took the ball all the way down the field and scored. There's a tremendous impact on our team and on the other team when you get a turnaround like that.

Our return guys have done a great job, they work very hard at it. They can see what it can be. It's not just another play. They think it's an opportunity for a big play every time.

Marques (Hagans) made some positive plays out of plays that didn't look like they were going to be positive. He made some smart decisions, and his accuracy as good.

(On Jason Snelling) He's a very strong and legitimate threat inside. If our offense was a boxer, he's the body punch.

(On Alvin Pearman's play) He did everything you can do on a football field. He made a tackle on a kickoff, he blocked, he ran, he returned kicks, he caught a pass. He's a terrific, versatile football player, and he's reveling in his versatility.

NORTH CAROLINA COACH JOHN BUNTING

Give Virginia an awful lot of credit. ... They have a fine offensive line, but I'm very disappointed in the way we played defense. I'm probably even more disappointed in two kickoff returns for touchdowns. (UVa returned one kickoff to the one yard line and returned another for a touchdown.) That just can't happen. Anytime you try to build momentum and have two kickoff returns for touchdowns, that's just really poor play, poor coaching and that's got to get corrected.

We've got to do a better job of coaching these players and getting them in better positions – holding them to a higher standard as we get ready for this week's game. ... We need to see a lot of improvement in a lot of areas.

They had three base runs they ran against us. ... We couldn't stop any of them. Those are the base runs we practiced all week. Nothing different.

I expect we will take a very long, extensive, scrutinizing look at the guys who are covering kickoffs. If guys aren't playing hard, they will be off that kickoff team. They will not get a second chance.

(On UVa's fourth-down conference late in the 1st half) That's a bold play. It was good for them, bad for us.

I'm looking forward to next week. I'm just glad this doesn't count for two losses or three.

POST-GAME QUOTES

AKRON COACH J.D. BROOKHART

I thought our defense came out and competed. Offensively, I think we had five three and outs on the first six drives, and that left our defense out there a lot. That's a very physical football team we played today. We knew it was going to be an uphill battle. I don't know offensively until I look at the tape what our struggles were, whether it was game planning or execution, but that's not what we're capable of offensively. I think what the offense did today affected the defense.

(On taking Frye out in the fourth quarter) I took him out. It was a good time to get some other kids some playing time. We were obviously having trouble with protection. We've got a game five days from now, and he needed to be ready.

There were some things we thought we could do in the run game that appeared to be handled up front. They forced us into some things, longer protections, third and longs, that you don't want to be in. We thought we could run what we have throughout the season, but we missed throws, missed protection, but for the most part, I saw a team out there that was physically impressive. They made it very difficult to do anything well.

(On Frye's play) I think he had somebody in his face. How clear a vision he had of that [coverage in the secondary], I don't know. We'll have to look at the tape to see how well he played.

The defense is playing with more confidence. They're playing with more speed and understanding, and I think they have an attitude. There's growth on that side of the ball. But again we going against a team that I consider a top ten football team.

VIRGINIA COACH AL GROH

We wanted to improve our kickoff coverage. I thought our kickoff coverage lagged behind our other special teams units – a much better job with that today. We wanted to be around the football more on defense. Two interceptions certainly did that. We wanted to get into a few things with the passing game that we hadn't gotten into previously. I was pleased with that.

We can only do with what the circumstances were. If we had been playing under other circumstances, it would have been different. I like what the players did in the games. We've played a pretty clean game most of the time.

The pressure was very good today. Chris Canty had a couple of good rushes. ... I thought the rushers were very alert.

I think we continue to be faster. But it is pretty early. Obviously, we have a defense that I think ought to be one of the strong points of the team. The big tests are yet to come, but to really do something we'll have to have some big games on defense.

We really didn't go out of our way to get anybody involved. We just let the ball go where it is going to go. We have some guys to get it to. It's a very simple game for the quarterback: try to get it to the guy who is most open. It's not always so simple to figure out who that is. I thought Marques (Hagans) did a pretty good job with it. He had a nice rhythm early. ... He's performed well in the circumstances in which he has been placed. I think we all understand those situations and circumstances are going to continuously get more rugged for us.

(On the offensive line) More than being big, having big, athletic players out there, that's what we prefer. ... It's not an overwhelmingly big line, but it has good athletic ability and it's got good cohesion.

(On Chris Canty) He's a very disruptive player and he was very disruptive today obviously. He was a little much for those guys to handle on occasion. He did a really good job for us.

The competition is going to get a lot stiffer. Next week, we will play (Syracuse) the most physical team that we've played this year. They play with the most physical style with the most physical players. And I think we'll see a change in the environment here starting next Saturday.

VIRGINIA 31, SYRACUSE 10
Postgame Coaches' Comments:

SYRACUSE HEAD COACH PAUL PASQUALONI:

We gave up too many big plays. The ... long touchdown run, we busted an assignment and missed the contain, and [Hagans] took the ball the whole length of the field and scored. We had a couple of other big mistakes. The tight end on the bootleg was an awful big play.

The problem in the second half was that we couldn't get the ball back. We went for it on fourth down, and we certainly would have loved to make that. The key issue there was not being able to get the ball back and Virginia taking the ball 96 yards ... put the last nail in the coffin.

We clearly did not tackle well today. That's something I thought we took a step on against Cincinnati and I think we took a step back today.

(Comparing to the Purdue loss) I think this was a different game. When you're playing a quarterback who is as quick and as fast as their quarterback is, you can't afford to be out of step at all. ... This is a different team than the team that lost to Purdue.

I just wished we could have got the ball back just to see what would have happened. It would have been more fun.

(On Hagans) He fakes well on the bootlegs. And he's so fast coming off the bootlegs, that puts a lot of pressure on the contain. I thought we really chased him on some of those bootlegs. Even the one he hit to the tight end, Ryan LaCasse was running step for step with him. It was just a shame that we blew the coverage on the tight end.

(On Virginia) Defensively, they're a very good team. They've got an excellent offensive line. They have excellent backs, and they have a quarterback who is just simply a ball of dynamite.

VIRGINIA HEAD COACH AL GROH:

As we had expected, this was certainly the most physical team and the biggest test we've had so far. We were tested real good. They're going to have a good team this year. ... I thought we met the test at a lot of points. Twice we stopped them inside the ten and twice we went the length of the field. It's hard to win a football game and we did two hard things to do it.

(On the fourth down stop) We had practiced that play in that circumstance twice this week. ... We had the right call for that circumstance. We got good pressure.

(On the 96-yard touchdown drive) The offense knew what they had to get done. The game was in the balance at that point.

(On Hagans) Marques did a terrific job leading his team. He did it in a number of different ways. Running the ball, he made some good decisions. ... He didn't do anything that was unexpected from our behalf. ... He had one miss today, excellent runs. He's been that way for four games now. We'd like to think if this is his break-in timeframe, the best is yet to come.

(On the touchdown pass to McGrew on third and one) Sometimes that's a good opportunity to take a shot on it. Obviously, Marques threw it out there terrifically and Mike McGrew really went and got the ball, did a terrific job on the play.

(On Fearman playing WR) He got about 10 reps on Thursday. ... He spent a good amount of time yesterday with John Garrett reviewing things. But what he did today speaks volumes about the purposefulness and personality of the team. ... Alvin continues to be a major part of the heart of this team.

(On big plays) They just came today. On the pass to Heath [Miller], it was just a big-time throw – right on the belt, threading it between two guys.

POST-GAME QUOTES

CLEMSON HEAD COACH TOMMY BOWDEN

We're going to have to be a lot more productive offensively. We couldn't get them off the field -- a lot of third-down conversions to sustain drives -- and we're not getting those. At some point in time, it is [the defense's] job to get off the field, and that is a factor. We're going to have to keep the ball and convert third downs to help those guys out.

I wanted to see how we played without turnovers ... and we've got a ways to go. I've got a lot of work to do as the head coach of this team. It falls on my shoulders to find schemes that can be productive and to find the players that can run the schemes. Yeah, we finally had a game without turnovers -- they had two, we had one. We've got a lot of work to do.

(On the Clemson running game) We moved it fairly good in there early. But there were just long stretches where we didn't get the ball and we didn't have the opportunity to do a lot of things. Our field position was the six yard line and the seven yard line. You've got to be careful what you do back there.

We played them the last three years and we managed 400 yards of offense a game against them and they've been very tight, close games. ... Last year, we hit big plays and we stopped their run a lot better than we did [tonight]. I'd say that's the biggest difference.

Right now, he's getting more out of his than I'm getting out of mine. They're pretty talented, though. You'll see all those guys playing on Sundays. It's my job to get similar type players and do a better job coaching.

I thought we got worn down toward the second half. But again, it's [the defense's] responsibility to get them off the field. It is a team game. You convert third-and-10, third-and-12 over and over again -- we're having a hard time converting those, other teams should have a hard time converting.

VIRGINIA COACH AL GROH

We remain in the hunt. That's our way of thinking, nothing less, nothing more. I'm sure Florida State is not particularly impressed with it.

(On playing FSU) We could be less ready. But I don't know if we're ready enough. ... We'll see what it brings. We're going to put our head down, set our jaw and try to plow forward. ... We're playing World Series competition. We'll have to rise to that because we've never been to the World Series.

Coming into the season, I felt like [Clemson] was going to be one of the most talented and best teams in the conference. I still feel that way. We did a very good job on their dynamic playmakers today. ... We did a good job on Whitehurst, who I believe is a tremendously talented quarterback. We certainly had our hands full with Leroy Hill, but we didn't allow him to take the game over as he did last year. The players knew what the challenges were, and they responded to those challenges.

We made some mistakes and we've got to go back and make improvement. There was a very harmful turnover that wasn't just turning the ball over, it was turning points over. That was going to be a three- or seven-point possession. You can't have that kind of mistake. That's on the list of things that, if we're going to stay in the hunt, we can't afford.

We started to get a sense that the cumulative effect that the running game takes was starting to work.

(On Alvin Pearman) When he got in there, he was pretty hot. It didn't make logical sense to change that at that particular time. This is another one of those cases that players make the difference, not coaches.

(On Kwakou Robinson's play) Solid. Maybe a little more than solid.

Real good night for Connor Hughes: 50 yard field goal and a couple of others he knocked through. They were real important. ... They were very significant at the time they occurred.

MARYLAND AT VIRGINIA
SCOTT STADIUM
CHARLOTTESVILLE, VA
November 6, 2004
POST-GAME QUOTES

MARYLAND COACH RALPH FRIEDGEN

Virginia did a good job of coaching. They executed well on both sides of the ball, and they're to be commended on that.

We were flat, and we just didn't have anything in the tank. I don't know if it was because of last week or what it was. I have to evaluate myself. If they can't get up for this game, I don't know what the hell is wrong with me.

(On early opportunities) We had a chance and we didn't do it. We had two penalties that negated a drive deep in there. Then we had a fumble and a sack. And then we don't make a third and inches and a fourth and inches. If you can't make inches, you're going to have trouble winning football games.

It was like the walk of the zombies. Nobody was home. We were talking to them, trying to motivate them. Nothing was registering.

They blocked us, especially on the backside. I thought there were times we contained them on the front side, and they did a good job of blocking on the back side. And sometimes our pursuit didn't get there, and that's very rare for our defense.

VIRGINIA COACH AL GROH

We've been trying to work to become this kind of team for the better part of three-plus years now. I've said on earlier occasions maybe we're closer to the model than we've ever been, and maybe we closed in a little bit more on the model tonight.

(On the offensive line) They really did a great job. When you run the ball, it has to be a very cohesive effort. ... Pretty much 11 guys have to be in sync, and they certainly were tonight. ... The runners were very aggressive with the ball. They have a lot to be proud of.

(On the defense) I was impressed. They were physical. They tried to be relentless throughout. The contact level was very good.

Field position was a big item in the game. We did give away field position, and as a result we were kind of vulnerable at that point. For the defense to do what they did on the fourth-down plays, it was pretty terrific.

(On Andrew Hoffman) There are a lot of players on our team having a very fine season, but nobody is having a finer season than Andrew. ... He's making himself very difficult to block. He's turning himself into a playmaking lineman.

(On Philip Brown) It was Phil's first start. He certainly earned it by what he's done up to this point, and based on what was visible out there, he continued to improve his game. That was good physical play for a young corner.

(On rebounding from the FSU loss)

What we would like to do is just do a better job within the category of those things that we have identified to the players that -- if you do them -- you're going to make yourself into a team that's hard to beat. Florida State played very well against us, and we did a number of things that are painful to do because they fall on the other side of that line of things that make you hard to beat. That's where we've got to start. Tonight, we did a lot of the things on the plus side of the things that will make you hard to beat.

Virginia Postgame notes vs. Maryland, Nov. 6, 2004

- #60 Andrew Hoffman carried the flag.
- The attendance was 63,072, a Scott Stadium record.
- CB Philip Brown and WR Imhotep Durham each started for the first time of their careers.
- Josh Zidenberg, a true freshman walk-on, made the first appearance of his career. He is the 9th true freshman to play for Virginia this year.
- Today's game was Virginia's first with more than two turnovers since they had two against N.C. State last year, a span of 12 games.
- Alvin Pearman's lost fumble in the 1st quarter was his first lost fumble since he had one against Penn State in 2002.
- Wali Lundy's two rushing touchdowns today gives him 14 for the season, which ties him for the third-highest single-season total in Virginia history. This was his fifth multi-touchdown game this year.
- Ahmad Brooks got the first two interceptions of his career.
- Brooks is the first Cavalier with two interceptions in a game since Jerton Evans had two against Brigham Young in 1999 and is the first linebacker to do it since Randy Neal had two against Virginia Tech in 1992.
- Patrick Estes's 27-yard reception in the third quarter was the longest of his career.
- Darryl Blackstock had two sacks today, his second multi-sack game of the season (Temple).
- Blackstock now has 22 career sacks, fifth in ACC history by a linebacker. He passed former North Carolina great Lawrence Taylor this afternoon. Taylor had 21 sacks in his career. Next up on the ACC LB sack list are Georgia Tech's Pat Swilling and Clemson's Keith Adams were are tied for third with 23 sacks.
- Alvin Pearman's 170 yards rushing today are the second-highest single-game total of his career.
- Pearman has rushed for 393 yards in the last two games (223 last game vs. Duke). That is the best two-game total by a Cavalier since Thomas Jones had 434 (213 vs. Georgia Tech and 221 vs. Buffalo) in 1999.
- The 100-yard game is Pearman's third of the season (all in the last 4 games) and sixth of his career.
- Wali Lundy also topped the century mark with 107 yards on the ground, his 3rd 100-yard game of the season and 10th of his career.
- Pearman and Lundy marked the second time this season Virginia had 2 100-yard rushers in the same game for the second time this season (Akron). It's the first time this pair had 100 yards in the same game.
- Today's 16-0 win is Virginia's second shutout of the season (Akron), the second year in a row the Cavaliers have had two shutouts.
- This game is the Cavaliers' second ACC shutout under fourth-year head coach Al Groh along with a 27-0 win over Duke last year.
- As mentioned in the game notes, Virginia has remarkable success vs. Maryland when being able to run the ball effectively and today was no exception. The Cavaliers rushed for 295 yards, their most against Maryland since a 361-yard performance in 1989. This is Virginia's 10th win in a row in the series when rushing for 150+ yards. Coming into the game Virginia had averaged 211.3 yards in its wins over Maryland since 1957.
- Virginia's 295 yards on the ground is the third-highest total under Al Groh and is 46 yards more than its average coming into the game. Virginia was ranked seventh in the nation in rushing coming into the game.
- Maryland rushed for 51 yards today, its second-lowest total of the season (7 vs. Georgia Tech is the low). It also marks the Terps' low vs. Virginia since rushing for 34 yards in 1997.
- Virginia intercepted 2 passes and had 3 sacks today. Since 1992 Virginia has made life difficult for Maryland QBs. The Cavaliers have intercepted 20 passes and had 25 sacks.

Postgame Coaches' Comments

Miami Head Coach Larry Coker:

It's certainly great to be in a victorious locker room. It was a lot happier tonight than it's been for the past couple of weeks, obviously. To say we weren't down after the last couple of weeks would be a gross understatement. ... We worked extremely hard, we never went into the tank, we prepared well. ... I said this week that we needed to feel good about ourselves. We needed to beat a good football team. And we did that tonight.

Frank Gore and Roscoe Parrish are very special couple of guys to me. They were the first two guys I brought into the class when I got the job. ... I'm so proud of the way they played tonight.

(On Parrish's punt returns) He's been a tremendous return man for us. He broke the Boston College game open a year ago. He's very elusive, very explosive and very talented.

We knew we had to run the football, and I think there were some areas we felt like we could attack. It was a little different defensive scheme. I was concerned because we hadn't played against that scheme – the 3-4 scheme – and the guys did a nice job. The thing we really had to do was to make sure we were patient because it wasn't going to come in big chunks normally. But we needed the 3 and 4 yard gains, then maybe some big plays would come.

(On the last touchdown) I called the timeout to use as much clock as we could. I told the official with two seconds (on the play clock) I was going to call timeout. I felt like they couldn't cover Roscoe Parrish. It wasn't really a pretty play. It was just a great play on his part. I knew he'd be single covered. I just didn't want to give the ball back to Virginia. ... We felt like they'd be stacked up tight. Even if we would have run the ball, the clock would have stopped with the change of possession. If the pass would have been incomplete, we really wouldn't have lost much.

(On not kicking a FG) I changed my mind and decided to go for the touchdown. ...

I don't know if we're coming of age. But I hope we learn from these things. ... We have to earn everything we get.

Postgame Notes

- #56 Darryl Blackstock carried the flag to lead the Cavaliers onto the field.
- Chris Canty joined the captains for the pre-game coin toss.
- Today's attendance was 63,701, a Scott Stadium record, breaking the record of 63,072 fans set last week against Maryland.
- This is Miami's first-ever visit to Scott Stadium.
- Today's game was the final home game for 26 fourth- and fifth year players. Throughout their time at UVa, these seniors have compiled a 29-19 overall record, including a 20-6 mark at home.
- With the loss, the Cavaliers fall to 7-3 during the regular season in the months of November and December under Al Groh.
- Today's meeting between the Cavaliers and Hurricanes is only the second time the two teams have met. The Hurricanes won the previous meeting 31-21 in the 1996 Carquest Bowl.
- Oddly today's score matched the one of the first meeting between the two teams in 1996.
- Today's Cavaliers 31-21 loss is first time in the past nine "Senior Day" games that Virginia has lost, a streak that dated back to 1996.
- Virginia has now lost 11 straight games to teams from the state of Florida, their last and only win against a team from Florida was a 33-28 win over #2 Florida State on November 2, 1995.
- Defensive end #99 Chris Johnson, a Charlottesville native, made the first start of his career.
- Heath Miller is the first tight end in ACC history to catch 20 career touchdown passes.
- Darryl Blackstock's 24 career quarterback sacks ties him for third on the all-time Virginia career quarterback sack list, tying him with Patrick Kerney.
- Blackstock's sacks in the second and third quarter ties him for second for most career sacks by an ACC linebacker, tying him with N.C. State's Tyler Lawrence.
- Darryl Blackstock's two sacks is the third time this year he has recorded multiple sacks in a game and the sixth time in his career he has accomplished this feat.
- Frank Gore's 44-yard rush in the second quarter was the longest run the Cavalier defense has given up this season.
- Miami's 203 rushing yards is the most Virginia has given up this year and is the most allowed since giving up 278 to Maryland last year.
- Alvin Pearman's 106 yards rushing is the fifth time this year and third straight game he has topped the century mark, which is the most any running back in the ACC has reached that mark this year.
- Pearman's 106 yards moves him into 13th place on the all-time Virginia rushing list with 2,112 career yards.
- Pearman's 34-yard touchdown run was the longest carry he has had this season.
- Chris Long, also a Charlottesville native, returned to action today, his first game since September 18th against Akron. He finished with one tackle for loss, the first of his career.
- LB Kai Parham made a career-high 14 tackles in the game. This is also a Virginia high this season. Parham also had two tackles for loss.
- Marques Hagan's 94 passing yards is the first time a Cavalier starting quarterback has failed to throw for 100 yards in a game since Anthony Martinez threw for 54 yards against South Carolina last year.
- Hagan's 85 yards rushing is a career high and the most by a UVa QB since Aaron Brooks rushed for 88 yards against Georgia in the 1998 Peach Bowl. It is the most by a UVa QB in a regular season game since Shawn Moore rushed for 121 yards in 1989.
- The 10-point loss for Virginia is the closest game they have played this year; their next closest game was a 16-0 victory over Maryland last week.
- Miami WR Roscoe Parrish's 62-yard punt return in the fourth quarter was the first punt returned for a touchdown against Virginia this year and the first since Jonathan Smith returned a punt 80 yards for a touchdown for Georgia Tech last year.
- Wali Lundy's three-yard touchdown run in the fourth quarter is his 39th career touchdown, moving him to within one touchdown of Thomas Jones' modern day school record of 40 career touchdowns. The "modern day" is since 1937 as defined by the NCAA.
- Lundy now has 31 career rushing touchdowns, tying him with Tiki Barber for second on the all time Virginia career rushing touchdown list.

POST-GAME QUOTES

VIRGINIA COACH AL GROH

A good lesson from the game is that if you play against the top teams, when you lay everything on the line, give it your very best, and put your heart and soul into it, it gives you a chance. From that respect, the team did a good job of giving itself a chance.

There are certain things, whether we win or lose, that will either make you win or cause you to lose. There were too many things in the cause-you-to-lose column today.

We made a lot of good plays on defense today. But we had too many plays in the game that we know how to play, and we didn't play them as well as they need to be played.

(On Miami's punt returns) We did everything we could all week long to prevent this from happening today. Unfortunately we weren't able to carry it out according to plan. Our punt team is the one team that gets the most work every week, and it got extra work this week. Just like other facets of the game, some of those plays we'd like to have back and do them a little bit differently.

The two teams that have won the last two weeks against Miami couldn't have won the game without the passing game. We had a pretty good idea going in that we would have to have that kind of blend [of running and passing]. Obviously our passing game didn't produce to the degree that we would have liked it to tonight.
