11th Annual Dr Pepper ACC Football Championship Game
Bank of America Stadium, Charlotte, NC .... ESPN (7:45) or ABC (8:00)

RSN--Refers to the Regional Sports Networks of FOX SportsSouth, Sun Sports, Comcast Sports Atlantic, NESN, FSN West, FSN Southwest and FSN Houston.

*Networks may declare a six-day option on four occasions during the course of the season, selecting games with six days advance notice.

1 - Boston College leads the nation in every major defensive category including total defense (140 yds/gm.), rushing defense (43.4 yds/gm.), passing yards allowed (96.6 yds/gm.), pass efficiency defense (76.09) and first downs allowed (51). The Eagles are also 3rd nationally in scoring defense (8.0) and third down percentage defense (.203).

2.1 - Clemson junior **DE Shaq Lawson** leads the ACC and is tied for third nationally in tackles for loss, averaging 2.1 per game. Lawson had 3.5 TFLs in the Tigers' win over 6th-ranked Notre Dame.

3 - Three ACC players rank among the top 11 kickoff returners in the country, led by Duke's **DeVon Edwards** (39.7), who ranks third, followed by **Kermit Whitfield** of Florida State (4th, 36.7) and **Traveon Samuel** of Louisville (11th, 33.0).

4 - In this century, only four players in college football have recorded at least 125 yards rushing and passing while also making a TD pass reception, and only one--North Carolina's **Marquise Williams**--has done it twice. Williams had 303 yards passing, 132 rushing and a 23-yard scoring pass against Notre Dame last year, and last week had 134 yards passing, 148 yards rushing and a 37-yard TD catch. Nevada's Colin Kaepernick, UAB's Joe Webb and Mississippi State's Zak Prescott are the only other FBS players to accomplish the feat in the last 10 years.

5 - Pitt junior **WR Tyler Boyd** was named to the watch list for the Biletnikoff Award last week and leads the ACC and is 5th nationally in receptions per game, averaging 8.7 catches a contest. The Biletnikoff is presented annually to the nation's top receiver in honor of the former Florida State standout.

7 - Clemson has now won seven straight games and that ties for the sixth-longest current winning streak in the nation.

21 - North Carolina's 38-31 comeback win over Georgia Tech was an historic one for the Tar Heels, who trailed 21-0 in the first quarter of play. It marked the biggest comeback in Carolina football history. The previous best comeback was originally 17 points, also against Georgia Tech, also on Grant Field, and that effort was tied in 1997 against Virginia.

23 - With seven regular-season games remaining, Duke head coach **David Cutcliffe** has already led Duke to 23 wins over the past three seasons. The school record is 25, set by the originally by 1936-38 teams of Wallace Wade which posted a 25-4-1 record and tied by Cutcliffe's 2012-14 teams (25-15).

26 - Florida State has won 26 consecutive games against Atlantic Coast Conference teams. The streak dates back to a 17-16 loss to NC State in 2012. The Noles' winning streak ties for the second-longest in league history, bettered only by the 29-game skein FSU achieved when it entered the ACC in 1992. That streak ended at Virginia in 1995. The streak is the longest by any team in any conference since USC won 27 straight Pac-10 (now Pac-12) games from October 2003 until October 2006. The current streak is tied for ninth all-time in NCAA FBS history. Oklahoma holds the record by winning 44 straight games in the Big 7 (later Big 8) from 1952-59. Boise State (WAC, 2001-05) and Oklahoma (Big 8, 1984-88) are tied for second at 31 consecutive wins in their respective conferences.

48.3 - The punting average for Miami junior **P Justin Vogel.** He is fourth nationally in punting average and is one of three ACC punters ranked in the top 11 nationally, joined by Virginia's **Nicholas Conte (7th, 46.7)** and Duke's **Will Monday (11th, 46.3)**.

81st - Saturday will be the 81st meeting between Georgia Tech and Clemson in football. The Yellow Jackets hold a 50-27-2 advantage. Not included in that record, due to NCAA sanctions, is Tech's 2009 win over the Tigers in the ACC Championship Game.

94 - Dalvin Cook's 94-yard TD run for Florida State at Wake Forest was the Seminoles' longest run in their ACC membership (1992-present); the longest by any ACC player against Wake Forest (1953-present); and the longest by any player at BB&T Field (1968-present). Cook is averaging 8.64 yards per carry, the fifth-best average in the nation.

180 & 180 - Only four freshmen this century have each run and thrown for 180 or more yards in the same game. Louisville's **Lamar Jackson** accomplished that against Samford on Sept. 26, joining Johnny Manziel of Texas A&M (2012), J.T. Barrett of Ohio State (2014) and Dwight Dasher of Middle

Tennessee (2007). Only four ACC freshmen have topped 100 yards rushing and passing in the same game and Jackson has done it three times, joining Wake's Kendall Hinton (2015), and former Georgia Tech QBs Vad Lee and Reggie Ball, who each accomplished it once.

106.8 - Pitt redshirt freshman **RB Qadree Ollison** is averaging 106.8 rushing yards per game. Prior to getting injured in Pitt's season-opening game this year, 2014 ACC Player of the Year James Conner had averaged 102.6 yards per game for the first 26 games of his career.

207 - NC State **QB Jacoby Brissett** has now thrown 207 consecutive passes without an interception. That is the sixth-longest streak in ACC history. Brissett's streak of 187 passes without a pick last year is the eighth-longest streak in ACC history. The ACC record is still a long way away. It is held by former NC State standout Russell Wilson, who threw 379 passes without a pick during the 2008 and 2009 seasons.

275 - The number of career victories for Virginia Tech head coach **Frank Beamer.** That is the most of any active FBS head coach and ranks sixth on the NCAA's FBS all-time list. Beamer trails only the icons of the game in career wins in Joe Paterno (409), Bobby Bowden (377), Paul "Bear" Bryant (323), Glenn "Pop" Warner (319) and Amos Alonzo Stagg (314).

351 - The number of career points for Duke senior **PK Ross Martin,** who now ranks sixth on the ACC career scoring list, having passed Wake Forest's Sam Swank last weekend. Martin, who has made all nine of his FG attempts this year, has made 61 of his 72 career attempts, an .847 percentage, the fourth-best career percentage among active FBS placekickers. Martin needs eight more points to move past former UNC PK Casey Barth (358, 2008-12) for fifth place on the ACC career scoring list.

699 - The number of all-time wins for the **Pitt Panthers,** who will be going for No. 700 when they host Virginia this Saturday at Heinz Field. Pitt would become the fourth current ACC team to crack the 700-win mark, joining Virginia Tech (714), Georgia Tech (713) and Syracuse (700).

Boston College's Steve Addazio Leads Eagles to Back-to-Back Bowl Bids

In his first two seasons as the head coach at Chestnut Hill, Steve Addazio led Boston College to back-to-back bowl appearances utilizing a physical ground game and a hard-hitting defensive unit. In each of his first two years, Addazio has had a player lead the nation in rushing. In 2013, tailback Andre Williams led the nation and set an ACC single-season record with 2,177 yards. On year later, QB Tyler Murphy led all quarterbacks nationally, rushing for 1,184 yards, while setting an ACC rushing mark for signal-callers. Last year, BC was one of just three schools (Oklahoma and Toledo were the others) that ranked in the nation's Top 15 in rushing defense (2nd) and rushing offense (14th).

North Carolina's Fedora Putting Points on the Board for the Tar Heels

Now, in its fourth season with Larry Fedora as head coach, North Carolina has topped the 40-point mark 18 times and bettered 30 points 29 times in 43 games. His Tar Heel teams have averaged 35.74 points per game. In the previous 13 seasons before Fedora came to Chapel Hill, UNC had averaged just 23.3 points per game, a 14-point difference. Also, in his first four seasons, UNC has averaged 448.9 yards per game of total offense. That compares with the previous 13 seasons when the Tar Heels averaged just 349.25 yards per game on offense. Fedora's first three Tar Heel teams bettered the previous school mark for scoring. UNC scored a school-record 487 points in 2012 and tallied 425 points in 2013 and 432 in 2014. Previously, the school had only topped 400 points once. The school put up 421 points in 1993.

ACC 2015 Football Championship Game Legends Class

Quartet of National Champions Headline the 2015 ACC Legends Class in Pitt's Tony Dorsett, Georgia Tech's Bobby Ross, FSU's Warrick Dunn, Miami's Clinton Portis

One of the game's most renowned Heisman Trophy winners and a trio of other major contributors to national championship teams lead the 2015 Atlantic Coast Conference Class of Football Legends announced on Sept. 29.

Pitt running back Tony Dorsett, Florida State running back Warrick Dunn, Georgia Tech coach Bobby Ross and Miami running back Clinton Portis are among the 14 all-time greats who will be honored during the weekend of the 2015 Dr Pepper ACC Football Championship Game, which will be played in Charlotte, N.C., on the evening of Saturday, Dec. 5.

Boston College center Dan Koppen, Clemson linebacker Anthony Simmons, Duke running back Chris Douglas, Louisville quarterback Chris Redman, North Carolina offensive lineman Ken Huff, NC State defensive back and return specialist Fred Combs, Syracuse tight end Chris Gedney, Virginia defensive end Patrick Kerney, Virginia Tech defensive end Corey Moore and Wake Forest punter Chuck Ramsey also headline this year's Legends class.

Dorsett – a member of both the College and Pro Football Halls of Fame – earned the Heisman Trophy as a senior in 1976, when he led Pitt to the national title to conclude a stellar collegiate career in which he rushed for over 6,000 yards. Dunn cemented his lasting impact on Florida State football as a freshman in 1993, when he helped key the Seminoles and head coach Bobby Bowden to their first national championship.

Ross oversaw a return to football glory at Georgia Tech, highlighted by the 1990 national title and the Yellow Jackets' first ACC football crown. Portis helped Miami claim the national championship in 2001 by rushing for 1,200 yards and 10 touchdowns on 220 carries.

Koppen made his mark as the center on Boston College's strong offensive lines before moving on to start on four Super Bowl teams with the New England Patriots. Clemson's Simmons established himself in the 1990s as one of the leading tacklers ever to take the field for an ACC team. Duke's Douglas set school rushing marks that still stand, while Louisville's Redman displayed passing skills that led to national honors, including the trophy named for ultimate Cardinal great John Unitas.

North Carolina's Huff epitomized the "Tailback U" teams of head coach Bill Dooley in the early 1970s, opening holes for 1,000-yard rushers in the patented ground game. The multi-talented Combs proved a mainstay for head coach Earle Edwards' NC State teams of the mid-1960s, including a starring role on the 1967 squad that played its way to a No. 3 national ranking.

Gedney upheld the high standard for tight ends at Syracuse, set by the legendary John Mackey, establishing school receiving records for his position and leading the Orange to four bowl games. Virginia's Kerney emerged as one of the game's top pass rushers, earning All-America honors after ranking second in the nation in quarterback sacks as a senior.

Virginia Tech's Moore was another elite defensive end, garnering both the Nagurski and Lombardi awards in his final collegiate season and piling up 35 quarterback sacks over his three years in Blacksburg. Wake Forest's Ramsey proved a valuable weapon in the battle for field position, leading the nation in punting in 1973 and claiming consensus All-America honors.

Each of the ACC's 14 football schools selected its 2015 Legend. The group will be honored at the ACC Night of Legends on Friday, Dec. 4, and on Saturday Dec. 5, during the 11th annual Dr Pepper ACC Football Championship Game at Bank of America Stadium. The game will be nationally televised with either a 7:45 pm (ESPN) or 8 p.m. (ABC) kickoff.

ACC Divisional Tiebreaker
If more than one team in the same division is tied for the best winning percentage in its Conference games, the procedures listed below will be followed to determine the division's representative in the ACC Championship Game:

Two-Team Tie:
1. Head-to-head competition between the two tied teams.
2. Win percentage of the tied teams within the division.
3. Head-to-head competition versus the team within the division with the best overall win percentage. (Divisional and non-divisional) and proceding through the division. Multiple ties within the division will be broken from first-to-last using the league's tiebreaking procedures.
4. Overall win percentage versus all common non-divisional opponents.
5. Combined win percentage vs. all non-divisional opponents.
6. Win percentage versus common non-divisional opponents based on their order of finish (overall conference win percentage) and proceeding through other common non-divisional teams based upon their divisional order of finish.
7. The tied team with the higher ranking by the College Football Playoff Selection Committee following the conclusion of regular season games. (If both tied teams are not ranked in the ranking by the College Football Playoff Selection Committee, the higher ranked team in the Amway Coaches Poll (including others receiving votes).
8. The representative shall be chosen by a draw. (as administered by the Commissioner or the Commissioner's designee.)

Three-Team (or More) Team Tie:
(Once a team is eliminated from the tie, the tie-breaker procedures restart for the remaining teams. If the three (or more) team tie can be reduced to two teams, the two-team tiebreaker format will then be applied.)
1. Combined head-to-head win percentage among the tied teams.
2. Win percentage of the tied teams within the division.
3. Head-to-head competition versus the team within the division with the best overall (divisional and non-divisional) Conference win percentage, and proceeding through the division. Multiple ties within the division will be broken first to last, using the league's tie-breaker policies.
4. Combined win percentage versus all common non-divisional opponents.
5. Overall win percentage versus non-divisional opponents.
6. Win percentage versus common non-divisional opponents based upon their order of finish (overall win percentage) and proceeding through other common non-divisional opponents based upon their divisional order of finish.
7. The tied team with the highest ranking by the College Football Playoff Selection Committee following the conclusion of regular season games, unless the second of the tied teams is ranked within five or fewer places of the highest ranked tied team. In this case, the two-team tiebreaker procedure shall be applied between the top two ranked tied teams. If none of the tied teams are ranked in the rankings of the College Football Playoff Committee, the higher ranked team in the officially released Amway Coaches poll (including others receiving votes), following the conclusion of regular season games, unless the second of the tied teams is within five or fewer places of the highest ranked team. (For the sake of clarity, the team receiving the second-most votes but not ranked in the Top 25 would be ranked 27th.) In this case the two-team tiebreaker procedure

COLLEGE FOOTBALL PLAYOFF

The College Football Playoff begins its second year of operation after a highly-acclaimed first season in 2014-15. The Playoff features the top four teams, two semifinals played in bowl games, and a national championship game played in a different city each year. Each semifinal is played during the New Year's holiday with the National Championship Game in prime time on a Monday night at least a week later.

The College Football Playoff selection committee chooses the four teams for the playoff based on their performance during the regular season, including, strength of schedule, head-to-head results, championships won, and other factors. The teams will be seeded so that #1 will play #4 in one semifinal and #2 will meet #3 in the other, with the winners advancing to the national championship game. The selection committee will announce its rankings each week on Tuesdays beginning this year on Nov. 3. The final rankings will be announced on Sunday, Dec. 6.

The semifinals will rotate among six different bowls: the Chick-fil-A Peach, Goodyear Cotton, Fiesta and Capital One Orange Bowls; the Rose Bowl presented by Northwestern Mutual and the Allstate Sugar Bowl. In the years when the bowls are not hosting semifinals, the bowls will feature eight other teams in four compelling matchups.

ACC Bowl Quick Selection Order
(The ACC is in the second year of six-year contracts with its current bowl partners. The current College Football Playoff format is a 12-year agreement)

College Football Playoff (four teams)
If the ACC Champion is not in one of the semifinal games this year, it will appear in one of the Playoff "host" bowls, either the Fiesta or Chick-fil-A Peach, since the Capital One Orange Bowl will serve as a semifinal site this year. There is no limit on how many teams the College Football Playoff may choose from a particular conference.

Capital One Orange Bowl
The ACC champion, if not in the College Football Playoff, would normally play in the Capital One Orange Bowl against the highest-ranked and available team from Notre Dame, the SEC or the Big Ten. With the Capital One Orange Bowl serving as a Playoff semifinal this year, the CFP Selection Committee will determine the game (Chick-fil-A or Fiesta) and opponent for the ACC champion if that team is not in the Playoff.

Buffalo Wild Wings Citrus Bowl
Only if the ACC opponent in the Capital One Orange Bowl in a non-semifinal year, is a team from the Big Ten. This will not occur in 2015 due to the fact that the Orange Bowl this year is a semifinal site for the College Football Playoff.

Russell Athletic Bowl
Has first pick of ACC teams in 2015 after the College Football Playoff and the Host Bowls.

Tier One Bowls
All have equal selection status
Belk /Hyundai Sun/New Era Pinstripe/Franklin American Mortgage Music City or TaxSlayer

Tier Two Bowls
Military Bowl Presented by Northrop Grumman
Camping World Independence Bowl
Quick Lane Bowl

St. Petersburg Bowl
After the 2014 and 2016 seasons; all others as first secondary selection if not filled by Conference USA or American Athletic.

Birmingham Bowl
Secondary only--if not filled by the Southeastern or American Athletic Conferences.

The One-Win Rule Applies Only to Notre Dame
The ACC's bowl selection will no longer be bound by the rigidity of a "one-win rule" but will have a general list of criteria to emphasize regionality and quality matchups on the field. A one-win rule does apply to Notre Dame's participation in the ACC Bowl structure. Notre Dame is now eligible for ACC Bowl selection beginning with the Buffalo Wild Wings Citrus Bowl and continuing through the league's bowl selections. However, Notre Dame must be within one win of the ACC available team which has the best overall record, in order to be chosen. In other words, if an ACC team was 9-3, a 7-5 Notre Dame team could not be chosen in its place. Notre Dame would have to be 8-4 to be chosen over a 9-3 league team.

ACC Bowl Expenses And Revenue
The Atlantic Coast Conference shares all bowl revenues. Each school is provided an initial expense allotment. The Conference will share in the cost of unsold tickets for participating bowl institutions. After all bowl expense allotments and ticket reimbursements are subtracted from the total bowl revenue, the remaining revenue is distributed evenly among ACC schools.
