VIRGINIA COACH GEORGE WELSH

(Defense) I think they were ready to go and they had a good week of practice. I don't think we're going to keep people out of the end zone every week, but we can play very well when we're right. ~~They're~~ There's a lot of good people on that defensive football team.

(On the pass defense) We did a better job this week than last week, and we had the linebackers coming more, too. That helped. It's important against young quarterbacks to get people in their face. It's the same old story. Most quarterbacks, if they have a little bit of time, are going to find somebody open.

I think they're a good defensive football team. If you hold people to 200 yards no matter who you play, that's pretty good. This is his best defensive team. We blocked them before, but we couldn't block them today. I don't know what was wrong with the passing game. We misfired, the quarterbacks weren't accurate, sometimes they held the ball too long. Maybe they had to because the receivers weren't open.

(Raley at center) We practiced that this week because Locklin had some problems with his knee until midweek, and we didn't know if he was going to hold up.

(On taking Maryland's offside penalty and taking away Garcia's field goal) It's usually true (that you don't take points off the board), but the time factor was important. There was two and a half minutes to go. You run the clock down, so you don't give them a chance to come back. It's true, you could fumble it.

(On defense) I went around and ~~shook~~ shook hands with everybody. I think I got them all. The front's the key, and I'm sure everybody played well. You can't have an effort like that and ~~have~~ have individual breakdowns.

MARYLAND COACH MARK DUFFNER

This was a tough loss for us. Our defense played well enough to win. What made the difference was turnovers and penalties, especially in the second half.

We couldn't get anything going offensively. We didn't get very much from our running game, which we've been working hard on. Virginia's a very good defensive team, and we had trouble staying on our blocks. Virginia made more plays than we did.

(On the ~~xx~~ play of Ken Nastrale) He's been getting snaps in practice. We tried to make things as simple as we could for him so he could make some plays. It was sort of a "welcome to college football" for him. ... We were a little bit limited in what we could do. We used a little more than half of what we put in our game plan.

(On the defense) ~~***~~ At the end of three quarters it's 10-3 and we haven't given up a touchdown on ~~offense~~ defense, ~~*****~~ and we corraled one of the best back in the country. That's an outstanding effort, maybe the best since I've been here.

MARYLAND NOTES:

Andreal Johnson's two interceptions today move him into a tie for sixth place in school history. He now has 10 interceptions in his career. The two pickoffs also mark the second time in his career he had intercepted two passes in one game. The last time was Sept. 9, 1995 against North Carolina.

Maryland's take-away to give-away ration is now 11:4 after three games. The Terps had three interceptions and one fumble recovery against Virginia, while turning the ball over three times, twice on interceptions and once on a fumble.

Maryland's defense has held opposing offenses scoreless in eight of 12 quarters after three games.

Russell Edwards averaged a 43.0 yards per punt on nine punts against Virginia, a career high. His previous best was 42.3 yards per kick on seven punts against West Virginia on Sept. 16, 1995.

texas coach john mackovic

This was a disappointing loss. Just what we didn't want to happen happened. We gave up three interceptions early, and Virginia capitalized on them. They put pressure on the quarterback, and we didn't do anything. The crowd made a lot of noise. They stuck with them and helped them out.

We'll decide on the quarterbacks next week. Richard (Walton) gave a good account of himself but that doesn't mean we'll switch quarterbacks.

(On Tiki Barber) If you let a great back ball carrier loose in the secondary on a rainy night, you're going to have trouble tackling him.

James (Brown) tries to make plays and we need him to do that. Tonight they didn't turn out very well. Whether or not he shouldn't have tried to make those plays tonight I can't say.

Tim Sherman is a senior quarterback, and he understands their system very well. He knows what they wanted to do and executed it very well. They set things up well with the run.

(On Walton's play) He made some plays, and that's what we needed him to do. When he made some plays, things settled down.

virginia coach george welsh

They helped us and we got on a roll there for a while in the first quarter, and we steamrolled them for awhile. Other than that, it's not that big of a difference. They dropped the ball too much. We had everything go our way and nothing go their way for a long time.

I thought the week started well. We had a lot of intensity in practice, but it's hard to do that every day. We were ready emotionally. I just hoped we hadn't run out of gas by the half.

Texas moved the ball a lot, but they turned the ball over, which hurt them a lot.

We have the plays listed that we wanted to start the game with, though not in any order. But I don't think we listed eight passes in the first 12 plays. I think that's just the ~~xxxxxxx~~ way Tom O'Brien wanted to call the game.

(On Walton's play) I ~~didn't~~ didn't know what his name was to tell the truth. All we've heard for two years is James Brown. He can throw the ball, though. They might take Brown out for a series or so, but I don't know why he didn't play in the second half.

It's only 1 and 0. We've got seven more to go.

NC State Head Coach Mike O' Cain

"There's not a whole lot you can say. We just got beat by a better team today."

"We were about as bad as they were good. I'm not shocked, but I am very disappointed. Anything can happen in college football. When you are dealing with a group of 19 and 20 year olds, emotion is a big part of it. I believe we were ready to play when we came today, but when you get down 31-0 midway through the second quarter, the game is over and you are just out there trying to hang on."

"I said before this game started that Virginia was a better football team than Alabama and today they proved it. I said their offense puts a lot more pressure on you and people laughed at me. They not only have a good quarterback, they also have good receivers."

"A loss is a loss, no matter what the margin is. We have to go into the next week and work hard and get our heads back up. Our focus is simply to get better."

"I think the problems with the interceptions were poor throws. One of them, the quarterback was flushed out of the pocket. It was a poor decision. The others were just over throws."

VIRGINIA COACH GEORGE WELSH

~~They're exhausted~~ Their schedule's been tough and they've had to get up every week. I think maybe they ran out of gas. They're not that bad and we're not that good.

We blocked two kicks and ran one back for a touchdown. You'd be hard pressed not to win with all that.

You're not going to get all those interceptions and run a kick back every week. They all happened to fall on the same day.

(On Barber's punt return for a touchdown) Something like that has to give you a lift.

(On Virginia's passing game) We threw a couple of fades and got Crowell wide open for a touchdown. We still have to work very hard to improve our passing game. Maybe those three extra days of work helped. The receivers caught the ball better.

(On Brice's kickoffs in the first quarter) When it looked like it might be windy, we decided we ought to work on the nook kick because Whitted is so fast. Brice kicks the ball higher and has a better hang time.

Barber is a great back. He doesn't have a lot of carries and he's got a lot of yards. I've said it before. I haven't seen anybody this year that's better than him.

VIRGINIA NOTES VS. NORTH CAROLINA STATE

Tiki Barber now has rushed for over 100 yards in a game 16 times during his UVa career, a Virginia record. He has rushed for over 100 yards in each of Virginia's six games this season.

Tiki Barber's two touchdowns rushing give him 28 rushing touchdowns in his Virginia career, tying the Virginia modern day record. Frank Quayle (1966-68) and Shawn Moore (1987-90) also scored 28 rushing touchdowns during their Virginia careers.

Tiki Barber is now fourth on Virginia's career rushing list with 2,788 yards and third on the Cavaliers' career list for all-purpose yards with 4,040 yards.

Anthony Poindexter's three interceptions tied a school record.

Virginia has intercepted a pass in 35 consecutive games.

Virginia's 62 points are the most scored by the Cavaliers in an ACC game. It's the most points scored by Virginia in any game since a 63-35 victory over William & Mary in 1990. UVa's previous high in an ACC game was 59 points against Duke in 1990.

Rafael Garcia has now been successful on 25 of his last 29 field goals. He has 47 career field goals, tied for eighth on the ACC career field goal list.

Virginia's 45 first half points were the most first half points scored by the Cavaliers since they scored 48 against James Madison in 1979.

COACHES QUOTES

COACH TOMMY WEST OF CLEMSON: This football team did what it had to do to win the ball game...they won the turnover battle, they stopped the run, they won the kicking game and they gained when they had to with the rush.

Our defensive coaches had a good game plan and we swarmed the ball and a and I thought dominated the second half. We went to the option more in the second half, using about three plays with it and got some good yardage. The ~~big~~ play that Raymond (Priester) made on our last possession was about as great an effort as I've ever seen. We needed a ~~first~~ first down to keep possession and we got it.

We did some good things. This team has been dealt a few (bad) things this year but I'm proud of ~~them~~ them showing what they're made of.

Our defense had to do a good job to stop (Tiki) Barber, because you don't want him to get in the secondary where he can get going...and he can really hurt you then.

I can't give enough credit to (Kelton) Dunnican who came in when Emory (Smith) could not go because of his hurt shoulder. ~~X~~ But Kelton ~~xxxxxx~~ stepped up and really put an exclamation point for our offense.

And we had to do that...the offensive line, the defensive team...all had to do their part because Virginia would not go away. Coach Welsh had to do an outstanding job with this team, not only this year, but in his time here. We are happy with the results here today. I think there is a bond ~~starting~~- starting to happen for this team.

VIRGINIA COACH GEORGE WELSH: The way we were today we weren't going to win that game. We got whipped on both sides of the ball. That's the worst performance I can remember since 1993.

If we had played better we could have overcome the turnovers. The reason we had the turnovers was because we played lousy.

(On Tim Sherman) He did a good job scrambling. We didn't give him enough time.

Yards don't count. We have to get better, execute, and score touchdowns in the red zone.

Field position was bad for us. When we had the wind we couldn't stop them.

(At halftime) I thought we still had a chance, but you have to stop them, and we didn't stop them.

Virginia quarterback Tim Sherman's 346 yards passing tied a UVA single game record. Mike Groh set the record against Duke last season.

North Carolina Head Coach Mack Brown

What a great football game. Guys fought their guts out for three hours and a half with a lot of class. It was two well coached football teams that played hard throughout the day. I thought they had momentum in the first quarter. I thought we got back in it in the second quarter.

I thought at halftime our coaches did a great job. Our offense settled down a little bit. We came out and had a great drive and then Dre' Bly returns the interception. Brian Simmons makes the interception and we have a great chance to end it. If we get seven or even three there that puts the ball game in a three score situation.

I'm very proud of our football team and of the way they fought. They've fought like that each week. I want to congratulate Coach Welsh. It was a great win for them and a very disappointing loss for us obviously. I'

v

I've never seen a bunch of kids as disappointed as that. And that's part of life and it's part of this game. What we can't do is let this one carry through more than tonight and tomorrow.

VIRGINIA COACH ~~MAC BROWN~~ GEORGE WELSH

We played really good defense. We only gave them one drive. We turned the ball over too much again, but we overcame it--somehow.

I don't know why we seemed dead (after North Carolina led 17-3). We were still in striking distance, especially with overtime. You don't have to go for two.

(On the two fourth down conversions on the drive that tied the score at 17-17) I didn't even think about going for a field goal.

(On putting Sherman back in) I wanted to get the experience back in. Maybe I shouldn't have taken him out. I didn't take him out because of the interception. I don't take people out for mistakes. We just weren't moving the ball, and Brooks had a great week of practice.

(On Virginia quarterbacks not getting sacked) We only released two guys sometimes and kept the tight end in to block. When we put Tiki in motion we only had three guys out in the pattern. That's why I think our passing game wasn't right for them. Their defensive backs are pretty good.

When they intercepted the ball and ran it in to make it 17-3--it didn't look good then.

Field position helped us tonight. We still didn't get anything out of it. But at least we kept North Carolina in the hole.

The only statistic I mentioned to the team before the game was that we hadn't won the last home game since 1991, and that's too long.

Game Notes

The touchdown from Ryan Clement to Yatil Green in 55 seconds was the quickest scored in a bowl game for the University of Miami.

Yatil Green has now caught a pass in 29 consecutive games.

Miami tied a CARQUEST Bowl record for most points in a quarter with 14.

T. Mack's fumble recovery was the first fumble recovery returned for a TD in UM bowl history and second longest scoring play in UM bowl history.

Virginia's blocked punt was the first against UM since Virginia Tech last year.

Virginia's Ronde Barber set a CARQUEST Bowl record for interceptions in a game with 2.

Ryan Clement passed for a career-high 274 yards.

UM Head Coach Butch Davis

"Obviously we are excited about winning a bowl game. It was Miami's first win since 1991."

"I have to give credit to the 20 seniors who held things together when the going got tough."

Tremain Mack's performance was truly terrific. He is a terrific individual besides being an outstanding football player."

"He has a terrific knack (blocking punts). He thrives on big plays. He leads our team in studying films and looking for any breakdowns."

VIRGINIA HEAD COACH GEORGE WELSH

(on the QB changes) "The first time was because Sherman hurt his arm, it was numb for a while. He was the starter and he said he was fine, so we put him back in. I started Brooks in the second half because I thought it was the best thing to do for the team."

(on decision to go for TD) "We have had so much trouble scoring touchdowns, so that is why I did it. I thought we could throw it in there."

(on Jon Harris' ejection) "I don't know and he doesn't know. I was told he was ejected because it was the second personal foul."

"It is like any other loss. It is tough to take. A lot of work is put into these bowl games, ~~it is like a whole basket of apples for the season~~"

(on play of quarterbacks) "Both quarterbacks didn't have great pass protection. The coverage was good sometimes and others it wasn't."

Miami University

Tremain Mack

Do you favor special teams over defensive efforts?

" I like to contribute any way I can, and tonight was a great example of the all around play. I've been playing this game for a long time now, so I know how things should be done, so I go out and do them."

" My final game at UM couldn't have been scripted any better than this. We deserved this, we wanted this win, and we got it."

Booker Pickett

Could your final game at the University of Miami been any better?

" I don't think so. We worked hard and we deserved to win. The university has taught all of us a great deal the past four or five years. I believe everything has worth the struggle and effort that we put in it. I wouldn't change anything or give anything back."
