FINAL SCORES VIRGINIA 24 SOUTH CAROLINA 10

COACHES QUOTES --- SC vs. Virginia 9/9/72

Paul Dietzel, South Carolina: "Virginia did a good job; in fact, an excellent job. Coach Lawrence has a good football team. As for us, we beat ourselves just about every way we could. We did everything wrong in the kicking game. We had one blocked for a touchdown. We fumbled a punt for a touchdown. We just didn't do anything right as far as the kicking game was concerned. Their defensive line whipped the fire out of our offensive line. We had a bunch of green linemen and they got some kind of inauguration. Our passer took some lacing. I thought Troup did a good job when he had time to pass, but Virginia's rush was something fierce. We're so young in the offensive line that we made many, many mistakes, and they were costly."

Don Lawrence, Virginia: "Our kids had a lot of desire and hustle. What can I say about the defense---they really played super. The whole defense did a terrific job and Billy Williams and Stanley Land in particular. I told everybody before the season they were as good as there is around. The offense had some problems with timing, but they came up with the big play when it counted. When we got 214 points ahead we closed up. We had numerous occasions to break it open, but couldn't get the score that would have done it. Our offensive line did a superior job in protection. I think South Carolina's forcing unit will be as good as we'll see all year. There's no doubt that they were keying on Merritt.

In no way were we out to get Bill Troup. We wanted to win a football game. We went out to beat South Carolina, not Bill Troup. He's a fine person and a fine athlete. I hope South Carolina goes 10-1. We all shook his hand after the game.

Our defensive coaches did a super job. Joe Mark, Al Groh and Casto Ramsey. They really had their players ready to play football.

RECORDS: Troup's 47 attempts is new SC school record; 24 completions ties record (both held by Tommy Suggs), 318 yards passing is six yards short of Suggs' 1968 record vs. Florida State. Troup was sacked 12 times attempting to pass, probably also a school record (will have to be researched). South Carolina's 43 pass attempts is new school team record; 90 passes by both teams is also a record.

CHARLIE COFFEY:

Give Virginia all the credit. They're a good, sound defensive team, and they played well.

The momentum changed hands several times, but we didn't execute well enough against the miss-direction pass when we had momentum going our way. And their td just before the half combined with our inability to move the ball at the start of the second half made a big swing.

We had four turnovers which is enough to get you beat in a game like this.

###

DON LAWRENCE:

Our kids game 100% and played a good football game. We can play better, but we did have better execution today than against South Carolina (offense). We're a better team offensively.

On that winning drive Harrison called all the plays but one or two. Why, it was his game. After we were down 14-0 and he hadn't looked good I thought about taking him out. But he came up to me and told me that he would take us in. And you saw the rest.

It had to be one of the greatest Virginia come from behind wins in history.

I left the second unit in on Tech's last drive because I didn't want to risk injury to our first unit players.

I'd like to give credit to Virginia Tech. Their players played hard. I have tremendous respect for their program. I hope they have a good season.

I believe that Virginia has a strong program. We want to build our program to be stronger and we want to do it our way. We believe we're right.

Virginia's football team did our way today.

(Davis and Belle received the game balls)

END OF GAME

VANDY 10 VIRGINIA

On
O with Lawrence

The big play was the fumble recovery early in the second half--we heard a whistle while the ball was loose, but the ball went over to Vanderbilt.

I think we played well enough to win. But I would like to give credit to those kids, they did a good job.

We did not plan to run as much, but when Harrison (Davis) got hurt early (kicked about three on his right hand) we went to Maxwell, and that young man did a great job.

We wanted to win play ball control and out of back field position, but we weren't really able to accomplish it.

Under the old arrangement I didn't think our kids played well enough to win.

Coach Davis

We had a win tonight but I don't think we can accept that kind of performance. We played half decent a few good times VPI and South Carolina and we were lucky that they didn't know we played really bad collectively and not much better defensively. This kind of performance isn't going to produce wins down the stretch. We had a bad mental attitude and it just won't do.

Anthony Joseph ran well on fullback and Walter Swinton had a big run on his line backside. Lonnie Skiller ran well at times but missed some cuts.

Our quarterback David Lee really had no time to throw.

I especially George Abernathy gave us a good pass rush and Barrett Sutton made some nice tackles.

I thought that the pass in the end zone to Doug Martin before the third qtr. was an example of interference. David Lee really had no time to throw, but he missed a few receivers also. If we don't improve it will really be a long year.

Thank you for your game was a win and that's about all.

COACH BOB THALMAN, VMI

Coach Lawrence and his team have to be congratulated for doing all the right things at the right time. The pass coverage for them did a lot to prevent us from passing the ball the way we wanted to. (Schultze's 110 yards on 12 completions was one of his smallest productions of the year.) We had several people hurt but I don't know how big a part that played in our performance. Our offensive linemen knew they had a big assignment of keeping Virginia's front four out, and we showed some improvement in this area over last week. Moore (Ronnie) showed some great second effort in scoring our second touchdown after being stopped short of the first down. Overall, I'd say that the turning point in the game came when Sullivan caught that long pass just before the half. We were then behind by two touchdowns instead of one. That long punt return in the second half was another big play for them. (Mullins returned for 52 yards.) We were up coming into this game, but Virginia just took it away from us by superbly.

VMI SCHOOL/GAME RECORD: 3 interceptions by John Landry ties record set by Stinson Jones in 1961. (The five interceptions by VMI as a team was one short of the school record.)

COACH DON LAWRENCE, VIRGINIA

"I think we played a good football game, but we certainly have room for improvement. Because of our injury situation we played eight freshmen out there.

"Concerning Scott Gardner, he had a good game for a freshman. He has a lot of room for improvement. As you saw, he did some things that you can't teach an athlete--they come naturally, but there are some things we can help him with. I had planned on using George Allen, Jr. for the first and Scott for the second quarter. You saw how it turned out.

"I think Coach Thorman's VMI squad practically played us to a standstill.

"They had a lot of eagerness and desire to play.

"We now have five ACC games and we're looking forward to it.

"About the starting QB against Clemson, I don't know. We'll look at the film and practice and take it from there.

"All our injuries are still questionable going into the Clemson game."

Gardner's total offense of 247 yards is the 15th best ever by a UVa player. Sullivan's 133 yards is the third best for a VMI receiver ever & his best.

END OF THE GAME CLEMSON 37, VIRGINIA 21.

Coach Don Lawrence Quotes:

"We messed ourselves up in the first half. We just put ourselves in the hole too much. We made no adjustments at halftime. We just played harder and did some of the things we came ~~here~~ here to do. But we started too late. From a coaching standpoint we tried ~~everything~~ everything we knew to get straightened out in that first half. We just couldn't get it going.

"Clemson played a good football game. They took advantage of our poor first half performance.

"I am proud that our kids didn't fold at the half. They came out and played like they're capable. I guess the turning point of the game as far as I'm concerned is the fumble Clemson recovered after we had broken that flip play for 32 yards. We had a lot of things going for us at that time.

"We have a lot of guys banged up and Sullivan got it today along with Chris Brown."

Coach Hootie Ingram Quotes:

"We had to pick back up the momentum in the third quarter after they scored those two touchdowns, but we discussed this at halftime, even though we knew we would probably have the ball on the kickoff. But we had three downs and had to punt, and when you have a guy like Merritt and the passing attack like Virginia, these things will happen--and ~~is~~ quick.

"I could see a little spark last week, but we still had to put the ball in the end zone, and even after we made that good drive and fumbled, the kids kept their heads up.

"This is the best Virginia team I've played against in my three years here and ~~is~~ its the best one I've seen in the past several years. They have some dangerous personnel and they are capable of breaking any play at anytime.

"I hope that a game like today will get us over the hump. We didn't mean to use the wishbone so much, but it was good to us when we needed it. We might have used too many formations."

Ingram praised the play of defensive tackle Frank Wirth, saying he has played three as fine a games as you could ask for. Also, on the long Jeff Siepe punt return, he said there were three key blocks thrown, but they had to be thrown at the right time in order not to clip, and this takes discipline.

END OF GAME---

NORTH CAROLINA WINS 23-3 and clinch ACC championship,
as result of Wake Forest's win over Duke today.

###

COACHES QUOTES:

Don Lawrence, Virginia

"North Carolina has a very good football team. They're probably the best we've played this year -- primarily because of their depth.

"We had our opportunities, but just couldn't take advantage of them. I think Scott Gardner did a good job for us. But North Carolina really put a lot of pressure on him. A number of our passes were blocked and I know several times his arm was hit as he threw the ball and interceptions resulted.

"We've had the problem of getting the ball in the end zone all year from in close. Something always seems to go wrong.

"I thought our Dick Ambrose did an exceptional job on our defensive front. He's a heckuva defensive tackle.

"We'll keep hustling and hitting and try to put it all together next week.

BILL DOOLEY, CAROLINA: I've never seen so many freakish things happen in a football game. We didn't play well at all, and it was fortunate ~~that~~ for us that Virginia didn't seem to play well either.

We're happy to win, but we've got to play much better or it will be a long afternoon against Duke. I didn't know we had won the conference championship today until our players told me in the dressing room. That's great, but our game with Duke always is a championship game and it will be again next Saturday.

I knew it was a blow for Duke to lose today, but I'm happy for Tom Harper. What he got he didn't deserve last week.

I'm sure Virginia was hurt today by not having Merritt. He's a great back. Sullivan is a terrific pass catcher and I thought the Virginia quarterback did a good job under pressure.

Vidovic passed well for us, but we dropped too many. Maybe we ought to move Sammy Johnson back to quarterback the way he throws the ball -- ~~from~~ ~~the~~ ~~line~~ -- but he sure came up with a big play for us.

COACHES QUOTES

TOM HARBER (Wake Forest) -- "We finally got our offense moving in the second half, but time ran out on us. When we took over the final time in the fourth quarter, I kept looking for another big play on the option. If we had been in a little better field position, it might have been different. Time just ran out on us.

I thought our defense played super in the first half. As I said, our offense started moving the ball in the second half. I felt we should have ~~gane~~ gotten more points in the first half, but we also made several mistakes. But we expect a lot of mistakes as Kit (quarterback Basler) was only playing his second game. Kit is getting better. We're just running out of games before he will be able to reach his peak. But he's going to make everyone forget about Larry Russell as the veer quarterback.

Frank Harsh gets better every game. He's shown steady improvement every game. He's going to be a tremendous player.

You have to give Virginia a lot of credit. They came back to score when they had to. I thought we were going to do it to, but time just ran out. It was a see-saw all the way.

Our players were a little emotionally drained after last week. They really had to push themselves to play as hard as they did.

Davis (Virginia quarterback Harrison) made a big difference to Virginia. He was more of a threat on the corners than the other quarterback was. Plus, they seemed to come to life when he came in."

COACH DON LAWRENCE (Virginia): "We're vdry= happy to win. Both teams played hard. We went into the game wanting to win it for the seniors. One thing about this team all year, they never quit. We probably worked harder this week than we did the week before the South Carolina game.

I think Coach Harper deserves a lot of credit to have gotten his kids ready like they have been the last two weeks. There was a lot of hard hitting going on out there on both sides.

Chuck Belic caught one heck of a pass. It was pff the boot and we went outside with it instead of inside like we did against Tech earlier in the year. Harrison Davis had to read who was open and of course he hit the right man.

Wehn asked about how he felt about his position at Virginia he said: "I don't know what my position is---I really haven't thought about it---it's hard enough preparing to win a football game."
