VIRGINIA TECH VS. VIRGINIA

COACHES QUOTES:

Jimmy Sharpe: "It was a bright, ole sun-shiney day ... we're majoring in ulcers ... I thought it was going to come right down to the end like last year ... it was a big win for us, to say the least We had to have it, and we continue to do it the hard way ... I certainly have to give Virginia credit; they carried the fight to us in the second half ... I have to take my hat off to Coach ~~Rak~~ Randle and his people ... they had a good plan, and they got after us real well.

"I'll tell you one thing: there isn't a better defensive tackle in America than Tom Beasley Paul Adams played well.

"We were too conservative in the third quarter ... and again in the fourth quarter ... with the turnovers the defense gave us we should have scored more ...

"The tempo of the game was set last year."

"Offensively, Steve Philbrick played well, and Rondal Davis is coming into his own as one of the fine offensive tackles in the country.

"We took timeout before the field goal to discuss the situation; we wanted time to think it through.

(On playing conservatively in the second half): "We should have loosened up and not been afraid to throw ... I thought Phil threw the ball real well."

###

Sonny Randle:

We had a bunch of kids who played their hearts out but we just didn't quite have enough.

Asked about the future: I have grown accustomed to not looking too far down the road.

I want to congratulate Jimmy Sharpe and his football team. They did an outstanding job and he really has the Tech football program moving.

All I was doing at the end was working on the 2-point play because I knew we were going to score.

Washington vs. Virginia

LOCKER ROOM COMMENTS:

WASHINGTON: COACH DON JAMES:

"I told the squad at halftime ~~that~~ we're putting too much pressure on ourselves.

"They (Virginia) are a much improved football team over last year. They went out and proved it in the first half....and we knew we were green on defense.

"I really appreciated our offensive line. We had a lot of new guys in there, and they were really opening up some good holes and just generally playing very well. You have to realize that was kind of a makeshift line we had on the field. For instance, we went most of the way with our number three guard (Marshall Cromer) because our Number One man (Tows) went out very early. I thought Steve Bauer played a very good game, especially for his first time on offense.

"The offensive line gave our backs room to run, and they made some good cuts on their own. I knew at halftime that both Rowland and Earl had about 70 yards and I was glad they both went over 100 yards for the game. But that certainly wasn't our sole objective.

"Joe Steele's run was a good run and he sure has an unusual body lean.

"On the punt Glasgow fumbled in the end zone, the impetus carried the ball into the end zone. The officials made the correct call. But, we tell our receivers don't try to make the tough catch. And Glasgow should have let the ball go.

"The credit has to go to Virginia for playing a fine game. Particularly coming off the season they had this past year. And, Dick Bestwick can walk out there with his head held high. His whole team played very hard, but we just had the better players.

"When it was 17-17, we should have scored. It was my fault that we didn't. One big turnover in that situation--like a fumble--and we're in trouble.

"I saw some of the penalties. I thought the pass interference call on Glasgow was a correct call and I also saw some late hits that were correctly called. Our guys got excited and were throwing ball carriers down and there was a lot of bantering back and forth. I know the officials were very conscious of the late hits and spearing but I thought it might end up two hands below the belt before we finished. Football is still a tough, aggressive game.

PHILLIPS: Has a hip pointer.

TOWES: Reinjured the same ankle that's been hurt for two weeks. Status on both up in air.

VIRGINIA: COACH DICK BESTWICK:

"Washington is a better team than I thought they would be. We weren't as prepared to handle their offense as we should have been. But I think the improvement with Washington's tailbacks had a lot to do with that. We're a better football team than we showed. And, most of the things that we did not do well can be improved.

"It's no indication of what we'll be later on.

"The bad field position in the second half really hurt our offense. But, I think Andy Hitt showed today he can play in the big leagues. We had as fine a game plan as we could possibly have. But, defensively we didn't get the corner play we should have and I'll have to wait and see the films to see how we broke down.

"I'm disappointed for our kids. They worked their butts off. But one ~~thing~~ thing, they must have been in excellent condition, because we didn't have any major injuries.

"I also saw us play some real good football, especially when we were playing catch-up for the first three quarters, coming from behind at various stages of the game.

"The game proceeded just as I thought...a Don James-coached team does not make mistakes. I feel strongly if he were a lesser coach, we might very well have won.

KEVIN BOWIE: "I thought Washington was a good offensive football team, but not as good as the score might indicate. I feel that if we'd had a couple more breaks, it might have been a lot closer or we might very well have won. In the first half, their hook path pattern was working quite well, which is when we widened our defense to come under the pattern. This was when I hit Phillips. I thought the offensive center (Bush) was an exceptional player.

Quotes from Ga Tech Coach Pepper Rodgers:

The veer (open wishbone) is like the wishbone except that we ~~run~~ run with two backs instead of three. I like the better blocking that we had and also the running of the backs. I like winning. Gary Lanier was scheduled to play tonight even if Jolly hadn't gotten hurt. he hasn't played so far because it is really hard to practice and evaluate every football player on your squad. I knew Gary Lanier had some talent, but you just can't run every quarterback on every play in practice or in a game. When you don't have anyone that has any experience you have to give him some. When we ran plays ~~the~~ tonight we ran the same plays as we did last week except we only had ~~the~~ two backs.

Virginia did, a nice job and Dick Bestwick is a good coach.

I have always thought that David Sims was a great runner. David has actually done it in less time. He only played in 5 games last season. Never played running back ~~since~~ until he came to Georgia Tech. I am real happy for him. He is a team player that will do anything that will help us win. That is why he played fullback and never said a word about it.

DAVID SIMS rushed for 96 yards tonight to break the Georgia Tech All-~~the~~ Time career rushing record held formally by Lenny Snow set in 1965, 1966, 1967. Snow Gained 1743 yards in those three seasons ~~in~~ on 445 carries. Sims present total is 1778 yards on 266 carries, 15 Touchdowns and a long run of 53 yards.

QUOTES FROM VIRGINIA COACH DICK BESTWICK:

I'm pleased the way our kids hung in there. We had a lot of errors because we're playing a lot of young players. I thought we played really good defense the first half.

But we made some turnovers and the TD just before the half took the edge off.

We'd like to throw more, but really, in the first half we had bad field position. Andy's (Hitt) our quarterback because at this time we really don't have anyone else. I had butterflies because I knew that Georgia Tech wasn't an O-2-1 team. They have better players than we do!

We broke down at the corners ~~again~~ again but we really miss Derrick Chapter and Jay Morris (both out with sprained ankles) .

We'll pick ourselves up---They're a super bunch of kids.

Coach Bestwick

"We're not a good enough football team to give up the football team like North Carolina like we did in the first half. They're an outstanding power running team.

"Really, if we have any kind of a day throwing the football, you never could tell what might happen. I really wasn't in a good position to tell but it looked as if those receivers were open on those interceptions.

"This is by far our poorest game of the year.

"We were really just giving them the ball too much and then scratching on defense and you can't do that against a fine football team like North Carolina.

"With Maryland coming up---I can understand how these football teams want to look good impressing the bowl folks primarily---I would too---and I hope they both get bowls. We could use the money. Against a team like North Carolina and Maryland next week we have to play near perfect football.

"North Carolina is as physical as a team we have played at the line of scrimmage and with those power offensive backs. I also thought their qbs did a good job. But once again we're not the same defensive football team as we have been without Mike OZdowski.

"North Carolina is an extremely fine football team!"

BILL DOOLEY:

"Today, we really cut it together and played a very good football game. However, you have to give Virginia credit. They never quit, even after we had that long touchdown drive in the third quarter. Coach Bestwick is doing a good job there.

"Offensively, Mike Voight again ran like Mike Voight. It's really a shame he was bothered by that achilles tendon in the first part of the year. But, he's played so well in the last three weeks. I also thought all of our fullbacks ran well and Matt Kipco is getting better every week. Our line ~~was~~ blocked well, especially in the middle with Cantrell and Funk. Griffin did a good job, too.

"Defensively, it's tough to pick out anybody in particular because we played so well as a team. If I had to pick some standouts, I'd point to Dave Simmons and Buddy Curry."

NOTES: Mike Voight's 190 yards rushing today gives him a career total of 3,710. That pushes him past Wisconsin's Bill Marek (3,709) into 10th place on the all-time career rushing list. Voight is also the first player in ACC history to rush for over 1,000 yards in three seasons.

Today's win was the 60th of Bill Dooley's career at Carolina, passing Carl Snavely's 59 as the winningest coach in Carolina history. Henry Johnson presented him the game ball in the dressing room and Mike Corbin gave Dooley a cake with the number 60 on it. Corbin claimed he baked it, but we have severe doubts about that.

Tom Biddle's field goal today was his 12th of the season, a new school record. Ken Craven had 11 in 1971.
