COACHES' QUOTES:

VIRGINIA COACH DICK BESTWICK:

"It won't take long, because we were so bad out there. It was one of those days we seem to have every Saturday...guys drop passes who don't drop passes in practice, guys fumbled who don't fumble in practice...I don't know how you can coach these things out.

"We got down 18-0 early and we're not a team which can drop back and throw the ball. At the end with Chip, I think they ~~dropped the ball~~ had their second team in."

"Pass defense was the same things as last year."

Navy is ~~not~~ a good football team, not a great team. They have some fine skill people and excellent receivers."

"We're frustrated. When you lose as much as we've lost the last three years, when you've ~~worked~~ worked as hard as we have, it's frustrating. ~~We've~~ We've worked hard, but nothing seems to happen."

NAVY COACH GEORGE WELCH: "I didn't think it ~~was~~ was easy until the 25th point. The two areas I was most ~~worried~~ worried about the offensive line and the defensive secondary did well today. But the jury is still out on them. In fact, the jury is still out on us altogether.

The thing that really helped us today was having guys like Leszczynski and McConkey who have been through it before.

~~Especially~~

I have to be somewhat pleased. I was particularly pleased with the two long drives, especially the one by Powers in the second half ~~because~~ because it was mostly on the ground.

On Callahan: Steve has a lot of ability. He is strong for his size and is a good blocker. He can do a lot of things.

Weather - mostly sunny with highs in the upper 80s. Wind SW at 10 mph. Rain? 10%, 20% tonite.  
 Field - astroturf, so you know it's good.

Virginia (V) will be in the blue carbon; Navy (N) in the red. Navy wins the toss, will receive.

VIRGINIA COACH DICK BESTWICK:

"There were two teams out there trying to give the victory to each other and, in the final analysis, that's what we did."

"We ran the ball well in the first half, but the penalties hurt."

"In the second-half they held the ball on us."

"The missed extra point was crucial, but it wasn't the only thing. We missed a lot of opportunities."

Roughing the kicker call - "I thought he was blocked into the man. It cost us not only the ball, but Chester's return to the 20..I'm not going to blame the defeat on the officials, they don't lose football games...I hope they were called right."

"VMI is as good a football team as Wake Forest and ~~##~~ Army and not much behind Navy."

"We have to hang together just as we have for the past three years. We've proved we have some people who can run the football."

"I'm glad the first four games are over because now we have to get tough to play some good football teams."

- Russ Henderson established a new NCAA record with his 58th punt over 50.yards.

VMI COACH BOBTHALMAN

" There were a lot of big plays in the game , I just can't get my mind working right now."

" I think the officiating just balanced out."

On the VMI injuries - "It is just like in battle , when someone goes down, someone ~~else~~ else has to go in."

On the fumbled punt -- "He ~~is~~ is coached ~~to~~ not to handle the ball inside the ten yard line. I didn't say anything to Walt because ~~is~~ I knew how badly he felt."

"I said this week that execution and motivation would win for us. We executed well enough , and just playing a Big Five game was motivation enough."

"Again, ~~but~~ there were many big plays -- how about that save by Bellamy in the end zone."

Field - Astroturf, so you know it's good.

Weather - Partly cloudy with temperature in the low-to-mid 70s. Wind from SE at 8-9. Rain? 10%.

VIRGINIA (V) in the blue carbon; VMI (K for Keydets) in the red.

VIRGINIA COACH DICK BESTWICK:

"I think we could have played a little better. On the whole, I was reasonably satisfied with the way we played."

"We had the satisfaction of moving the ball."

"I'm satisfied that we didn't quit. Despite all the losing, they never fail to comeback."

"We're getting more physical."

"I'm glad I coaching this group of players under these conditions than any other."

"Clemson's a good football team. Fuller's a good quarterback, Butles's an exceptional receiver."

"It's been crazy...the fumble on the kick-off that goes back that far should be recovered ~~##~~ by the defense. The offense shouldn't have anyone there...how do you figure ~~##~~ the time out with 7 seconds to go and your guy injured..." grinning, "that's why next year we're going undefeated - all those breaks are going to go our way."

CLEMSON COACH CHARLEY PELL

"Today was a win and we're proud of our players for winning."

"Virginia is a much improved team. They played us hard."

"We're very pleased to be able to come out a with a ~~rock~~ victory and make the mistakes we made today. We did not play disciplined football and still was able to win and that was a blessing."

"We've got a lot of things to straighten out before we play Duke next Saturday."

"We only had two regular offensive linemen (Chris Dolce and Billy Hudson) to start today. (Steve) Kenney did play some. ~~π~~ (Joe Bostic did not dress because of mono and Jeff Bostic injured his ankle in practice Tuesday and was in only on snaps for punts, extra points and field goals)

"Brown had an outstanding day running the football. We decided to give him more opportunites to run the football in the first half, and it paid off. With his improvement in the last couple of weeks, ~~szzzzzzz~~ we just wanted to see what he could do running the ball more."

VIRGINIA COACH DICK BESTWICK:

Coming out of the locker room, "this is the nicest feeling I've ~~ever~~ had coming out of this door."

"Unaccustomed as I am to this, I guess the way our defense played in the second half was the crucial thing for us."

"We made some adjustments at half-time...we did more stunting and played some combination defense we hadn't in the first half. Our people played a lot more aggressively."

"Russ did a great job of punting in the whole for us."

"Micky (Spady) played hurt...He had a real bad hamstring pull. It tightened up and I almost pulled him out early in the second half."

"I'm always happy for anything good to happen to Chip (Mark). He doesn't have the speed to be a great quarterback, but he's a great young man who does what he can with what he has."

"A difference in our program - people playing hurt." Besides Spady, he also mentioned center Brian Mussleman.

- record crowd for Virginia home football game of 34,275. Broke old record in '52 vs. Duke.
- lowest point total for Tech vs. Virginia since the Hokies 6-0 win in '71.
- biggest Virginia win (10 pts) over Tech since 38-7 win in ~~1971~~ 1957.

VIRGINIA TECH COACH BILL DOOLEY:

"We just took a good, old-fashioned licking out there today. Virginia really carried it to us in the second half. I congratulate Coach Bestwick and his players on their victory.

"We had the momentum in the first half and didn't take advantage of the opportunities we had. I've never seen so many 15 yard penalties in a half of football. I think those penalties killed our momentum and Virginia seemed to have it the rest of the way. The real story though was that we got out-blocked and out-tackled in the second half. That is to Virginia's credit.

We decided to go with Casey in the last quarter because Lamie is still having problems with his thumb and he couldn't throw the ball deep. I thought David did a good job most of the afternoon despite his injury.

It was a very disappointing day for us. I feel very badly about it and the players feel very badly about it. Anytime you lose to a big state rival, it is a tough one to swallow.

Field - Astroturf, so you know it's good.

Weather - Temperature 68, with winds out of the SW at 5 mph. Clear and warm with no chance of rain.

Virginia (V) will be in the blue carbon; Tech (T) will be in the red.

## COACHES' QUOTES

### WVA COACH DICK BESTWICK:

The game was decided for the most part in the 1st half ... we were pretty flat  
Chester's fumble of that punt certainly didn't help us in the 1st half either  
we're not good enough yet to take advantage of our own breaks...

The fact that we came back in the 4th quarter is an indication that we can play winning  
football

The change of quarterbacks had little to do with the outcome of the game...we're basically  
a running team and Spady is a running quarterback.

We went to Chip Mark when we had to go to ~~£~~ drop back passing...Spady is a play action passer.

WVa. played better today than they have played in a while...if they had made mistakes like  
they did ~~we~~ against VPI ...well...

We didn't move the ball in the 1st half because we didn't have it!

Coverage on key 3rd and long situations continually breaks down...I just ~~£~~ don't understand  
it...maybe it's because we are so young.

I just don't ~~we~~ know why we were so ~~£~~ flat going into this game.

### HEAD COACH FRANK CIGNETTI, WVU:

"We played pretty well, ~~we~~ coming off a tough physical game with Penn ~~we~~ State. We didn't  
look that sharp on offense but we did enough, I guess.

Dutch ~~we~~ played well, but he wasn't as sharp as the past two weeks. Our running backs did  
a good job, too.

We worked pretty hard this week breaking in some new people. John Garcia did a fine job filling  
at linebacker, acting as the quarterback of our defense.

I had hoped we could put a good game away today. We are looking to have Joe Jelich back next  
week. He's still hurt, but we will hope ~~we~~ he'll be with us next week...

We haven't thought about Pitt yet. They have a fine football team. The score of their game  
today with Syracuse doesn't really surprise me."

coaches' quotes---virginia(7)--maryland(17)

virginia's derrick glasper tied a school career record for interceptions with 11 total(1 today)

Virginia coach Dick Bestwick:

"It's too bad the effort that our players put out today we rewarded with a 17-7 ball game."

"We knew before the game if we didn't have ~~###~~ fumbles, interceptions, and penalties, we could be a winner."

"Nice thing about it - a lot of those players you saw out there ~~#####~~ will be back for two or three years."

THE OFFENSE - "We showed we could move the ball right at them. Our game plan was to run right at them. Maryland's a team you can't get a round the corners on. No offensive problems at all."

I  
THE PENALTIES - "No comments on them until ~~##~~ see the films." The penalty after the completion to Grier - "It was somebody trying to protect a teammate. That's what it was and that's what it always is."

DERRICK GLASPER - "he's hurt. Played a great game like the all-ACC player he# is."

SPECIALTY TEAMS - "How could they have played better?"

"It was a great performance from everybody."

Maryland coach Jerry Claiborne:

I Just happy to get the win. Virginia played very tough football. Their kicking game was well prepared. We are proud of the way our people came back. The name of the game is winning.

We have to get ready for Clemson. We have talked for five weeks about getting better. We have to do it now. Our offensive people are hurting right now because of injuries.

We had planned on throwing the football. We anticipated them playing the 5-3 defense. The gap eight brings everybody at you. We did not throw as well as we had wanted to/~~tax~~

We did not give (Steve) Atkins as much blocking as we could have. Alvin Maddox ran real well. He played both fullback and tailback for us.

NOTE: Atkins first Maryland player to ever top 1,000 yards rushing in a season. Loncar tied the season record for 15 field goals (Steve Mike-Mayer in 1974)

MOST YARDS RUSHING AND PASSING: 324 by Tim O'Hare (312 by Bob Avellini vs Duke 1972)

MOST TOTAL PLAYS: 46 by Tim O'Hare (32 passes 14 rushes) old record 46 by Al Neville vs Penn State 1971 (35 passes 11 rushes)

Field: Astroturf, so you know it's good.

Weather: Sunny with temperatures in the 60s. Winds light and variable.

Virginia (V) will be in the blue carbon; Maryland (M) in red.

Virginia wins the toss and will receive.

COACHES' QUOTES:

WVU Coach Don Hask:

"WVU played as close to their potential as they have all year."

"It was our poorest defensive effort of the year...we just couldn't stop their offense."

"We planned before the game to use a lot of our QB's if we had to. Kirtley performed well...he had some interceptions because of poor throws...but he did some other things well."

"We gave them 2 of their first 3 TD's...when you live by the pass, you die by the pass."

"Amos Lawrence is the best runningback that I have ever seen. He's better than Dorsett...all of them...he is the best...just super."

"Our defensive problems were caused by poor tackling...which may have been the result of Lawrence's extraordinary running."

DICK CREM:

"I thought we played well today in spurts, both offensively and defensively. Considering the kind of season we've had, it was the kind of day where we could have laid down and quit. The fact that we didn't is an indication of the kind of people we have."

"As far as individuals are concerned, I guess you have to single out Loomis. He had a good day blocking on the sweep and made the big catch for the touchdown. From the sidelines, it looked like Salzano was doing a good job, too. We were certainly getting a lot of yards behind him. Gardner and Vale played very well. Ricky's interception really set up our first touchdown. But, he's played like that all year. Hayes also did a good job on his backfield. Sharpe played very well. I don't know what our starter was until we see the film. Amos ran well and did a good job faking. He set up our other backs a lot of times by faking into the line and taking some punishment. He'd go inside and set up the outside."

(In answer to a question) Is the transition period finally over?

"No, we're still in the process. We still have a ways to go."

At Chapel Hill, N.C. Nov. 18, 1978

Coach's Quarter-----

Dick Bestwick:

"It was our best effort, obviously, of the year. What has been our strength all year and their weakness all year (the special teams), fell down in a key situation."

"I'm disappointed with the loss."

"Our defense came back and played a great second half."

"We did something Penn State didn't do: put the ball in the end zone three times."

QB situation: "The last thing I'm going to do is second guess myself. I'm ver happy with the way he (Kirtley) played and I'm hap y with the way Micky played in the first drive."

"Todd gained a lot of good experience in last few games. He did a good job, threw the ball well."

Punt Return: ~~\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$\$~~ "Missed tackles. He threaded his way down the middle of the field."

"We're just a lot better football team."

"I'll be very happy to start spring practice."

Russ Henderson tied NCAA record for punts in a career, with 276. 71 of his punts travelled 50 yards or further, also an NCAA record.

BO REIN, N.C. State: "Put an asterisk by thier (Virginia's) record. It'll show 2-9, but they played a heckuva lot better than that. I told Dick (Bestwick) that I thought we controlled his defense the first half, but we certainly didn't do much with it in the second. They have two excellent backs, and their other quarterback (Kirtley) did some really good things. They executed in the second half and made us look flat-footed. They certainly didn't play like a 2-9 team, ~~neither~~ nor did we play like an 8-3 one."

"The first 25 minutes went our way, but we didn't get any points when we should have just before the half ended. Then their ~~def~~ offense didn't let us on the field. Their defense played much better in the second ~~half~~ half. They almost beat us."

On Curtis Rein's TD punt ~~return~~ return: "It couldn't have happened at ~~at~~ a better time. He ~~is~~ doesn't have a lot of speed or quickness. But he broke tackles today. We had called a "middle" return."

"We didn't have Jim Ritcher k nor Bubba Green today, but our guys who played knew they had their hands full with Virginia. It was a day when the script called for Virginia to pull off a big win. I'm just glad we were resourceful enough to hand in there and get the victory. If I sound like I'm praising Virginia, I am. They earned it."

N.C. State's TED BROWN <sup>el</sup> regained 131 yards on 32 carries, completed 1 of 2 passes for 28 yards and a TD, and caught 2 passes for 38 yards. ----- passed Terry Miller to move into the #4 spot on the NCAA's career rushing chart with a total of 4,602 yards rushing on 859 carries.

----- set a new one season N.C. State rushing standard with 1,350 yards this season

B. ----- also set a new N.C. State career TOTAL OFFENSE record with a total of 4,602 rushing, 202 passing for a total offense figure of 4,804.....breaking the old mark of 4,787 yards set by Dave Buckley (1972-75).

----- The 28-yard TD pass was Ted's first of his career.

----- Ted finished with a career all-purpose yardage figure of 5,750 yards.

----- Finished with ~~5~~ a touchdown responsibility figure of 52.

STATE's Nathan Ritter this afternoon tied the school record for most FIELD GOALS in a season with 17. He finished the year with what is the NCAA's highest field goal percentage, connecting on 17 of 19 FG attempts. He also finished with 25 of 26 PAT's.

Ritters points by kicking total of 76 points is also the best in the school's history.

Both records had been held by Gerald Warren (17 FG's and ~~70~~ 70 points) who set those marks in 1967.

Billy Ray Vickers finished with 101 yards giving State two backs over the prestigious 100-yard mark for the first time this season.

Field: Astroturf, so you know it's good.

Weather: Cold...temperature 50, chance of rain 0%, winds out of the NW at 10-20 mph.

Virginia (V) will be in the blue carbon; State (S) in the red.

State wins toss, will receive.
