NCAA FOOTBALL  
RICHMOND AT VIRGINIA  
SEPTEMBER 1, 2001

#### POST-GAME QUOTES

##### RICHMOND COACH JIM REID

It was a devastating loss. I thought we had the upper hand. There are no moral victories. We just made too many mistakes to win the game.

D'Arcy [Wills] gave us a spark. He had a very good preseason. Cordell Roane came in and played well.

We had that touchdown called back and lost 10 yards on the penalty. It's tough to crawl out of a hole like that.

We had a hard time getting any first downs at all in the first quarter. It took us awhile to adjust.

We just didn't do the things we needed to do to win.

##### VIRGINIA HEAD COACH AL GROH

We're pleased to have won. We're always pleased to win. We never apologize for wins. We hoped to play better in a number of different facets of the game where we didn't play very well. It is part of the continuing project.

This is not a protect-the-lead operation. This is a be-a-smart-team operation. There comes a point if you don't establish you can run the ball for your own sake early in the year, all you do is become a throw-it-all-the-time team. I hoped to be able to establish a better semblance of that today. I thought there were some sporadic runs that were decent, but I didn't see the kind of consistency in the run game that I hoped.

I thought that [Richmond] team did an outstanding job. They've got a courageous team that can do a lot of things. They played a courageous game and an effective game -- a game we were lucky to win.

On the play of QBs Matt Schaub and Bryson Spinner:

I thought they both did a nice job. ... Both of the kids played well enough for the team to win. I thought both of the kids would have played better had they not been under some of the duress they were under.

On LB Earl Sims:

Earl Sims is a great story. He is an honest kid and I could tell he really wanted to play. Everybody told me this kid would never play. He had a very unusual injury last year, has had problems with durability. With [Merrill] Robertson hurt, we knew Earl would play a fairly significant role. [Rich] Bedesem hurt his knee during practice, so that thrust Earl into that role. I was very comfortable with Earl. He is a very competitive guy and he's obviously had a lot of perseverance. The way he came through at the end, I hope that becomes a little bit of the personality of the team.

**Clemson vs. Virginia  
Postgame Quotes  
Tommy Bowden**

"That was a quick game. It was a 59-second game. You always hate to be on the losing end, but I think we're a work in progress. As long as the guys will play as hard as they did tonight, we can eventually [get there].

"The guys played hard the whole game. It's just tough. There's still a lot left on the table. We've only played three games and we have eight left to go."

**On Clemson's defensive game-**

"We had a hard time getting three outs. We did get some late in the game, though which shows good character on the defense as far as playing hard right there at the end. We just couldn't make the play there at the end. We would have loved to have made it on offense, we could have won in the end on offense, but we couldn't."

**On Virginia's rushing yards-**

"He (Harris) did a good job. They ran the ball well. That's their run action pass, it's just what they do, they were just a little more successful in the end."

**On Clemson's last possession-**

"We would have liked to have knocked out a first down there, but they know you're running and you just have limited options. You definitely don't want to throw it to stop the clock and risk a turnover."

**On Clemson's offensive turn-around in the second half-**

"I don't know if I can put my finger on it. Any time you play a football game, you just have to hunt and peck with the other staff and they develop tendencies during the game as we do also."

## **Clemson vs. Virginia Post Game Quotes** Virginia Coach, Al Groh

*General comments...* "This is about as well managed a stadium as I've ever been in. It was a pleasure to play here. Coach Bowden's got a fine team. I've never met a more gracious coach at midfield at the end of the game than I did with Tommy Bowden. I respect that a great deal."

*On the start of ACC play...* "As a result of the events today, we are in the hunt. It's a long hunt, but we're in it. There has to be a first step to raise the level of expectations and to learn the difference between really trying hard, and competing. When you compete, you find a way to win, whatever it might be. I thought the players showed a lot of faith in themselves. That was a great college football game in a great environment."

*On preparation...* "There were about five or six things that had to be done to win this game. The last one that was repeated on a daily basis was to have the guts to win a close game in the fourth quarter."

*On the game winning touchdown...* "It's a play that we use in those circumstances. In the two-minute drill, players have to have a collective mentality. That's a play that we run a lot during the course of every week."

*On whether or not there was contact (push-off) on the final play...* "There's contact on a lot of plays. This is a contact game."

**COACHES' COMMENTS**  
**VIRGINIA 31, DUKE 10**  
**Sept. 29, 2001**

*VIRGINIA HEAD COACH AL GROH:*

We're still in the hunt. It becomes a little more clear every week.

*On the Virginia defense:*

We were on the field a lot with the defense, but that happens in these kind of games where you have a fairly significant lead in the fourth quarter and the other team is throwing the ball every single down. There are going to be some incompletions, and that makes for a long quarter. We tried to rotate the rush lines at the end and I thought that helped us. We had some guys who we asked to come up with plays in the game, and I thought they did that. I was pleased with a lot of things today.

We want to be aggressive with the rush scheme. It is nothing new from what I've been saying since January: We want to play good defense around here. I thought the defense played very opportunistically. [Defensive coordinator Al Golden] made some good changes at the half. When I say you have to play good defense, one of the things inherent to that is you have to hit the quarterback. We came in with that mentality today and we had pretty good pressure on the quarterback.

*On the Virginia offensive line:*

We did a few things with the scheme that seemed to minimize the amount of pressures we were getting. I thought [offensive coordinator Bill Musgrave] did a good job changing some things around at the half.

*On the Virginia quarterbacks:*

Matt Schaub did a good job. He is a pretty accurate passer and I thought he showed good poise in the pocket. We are getting indicates about where we are [with the quarterback situation]. We have two pretty good players and they are both developing and evolving. We are going to use those two players however they best give us a chance to compete. ... This certainly doesn't minimize what Bryson [Spinner] did last week. We are lucky to have both of them and I think both of them made some nice throws.

*On the upcoming game with Maryland, which defeated W. Virginia 32-20 on Sept. 29:*

I kind of anticipated that they would [win]. We are looking at a team that is on a pretty good roll right now.

*\*\*Please note: The New York City firefighters honored at today's game were: Lt. Jim Milone, Firefighter Joe Gildea, Firefighter Rich Amthor, Lt. Charlie Noseworthy.*

**COACHES' COMMENTS**  
**VIRGINIA 31, DUKE 10**  
**Sept. 29, 2001**

*DUKE HEAD COACH CARL FRANKS:*

We've got to learn how to put points on the board.

We were the least penalized team in the league coming into the game, but we got penalized a lot today.

(On Virginia's two quarterbacks) Those two guys are similar. We didn't have to do anything different to prepare for them, but both were pretty effective.

(On Duke's onsidies kick) Virginia didn't have its onsidies kick team out there. They had a couple of players out there that probably weren't used to handling the ball. We thought the onsidies kick then gave us the best chance to win the game, but we have to at least kick the ball ten yards to give ourselves a chance to recover it.

(On Mason's touchdown reception after a deflection) They said it hit off the guy's toe. I couldn't tell whether it did or not. We need to have those kinds of things happen for us.

We've got to get to where we can tackle better, we've got to get to where we can score some points, and we've got to be smarter.

(On Douglas's halfback option pass) Douglas had been able to get to the boundary on the sweep. Virginia adjusted, and that gave us the chance to throw the halfback pass.

## DUKE NOTES

- \* Duke's game captains were Nate Krill & John Miller. Both are Virginia natives (Krill is from McLean & Miller is from Bassett).
- \* WR Ben Erdeljac's 29-yard first quarter reception was a season long. It was the second-longest reception of his career (previous high was a 36-yarder vs. Northwestern in 1999).
- \* K Brent Garber's 27-yard field goal to end the first half was his first of the 2001 season.
- \* RB Chris Douglas came into the game averaging 216.0 all-purpose yards. He had 200 today. Douglas had the second 100-yard rushing game (24-101) of his career this afternoon. He has also caught at least one pass in 13 consecutive games, including 5 this afternoon, which was a career high.
- \* LB Ryan Fowler now has 9 career sacks in 15 games. He has now recorded a sack in Duke's last four road contests dating back to last season.
- \* LB Jamyon Small had his first career interception this afternoon.
- \* QB D. Bryant established season bests in completions (17), attempts (34) & passing yards (191) today.
- \* TE Mike Hart extended his streak with at least one reception to 16 games. He ended the game with 4 catches for 61 yards. His 61 receiving yards were a season high. It was the sixth time in the last 10 games he's had 60 or more receiving yards.

Bryson Spinner

"The offense had a good day today minus the penalties. We put the ball in the endzone and put enough points on the board to earn the victory,"

"Guys are more confident in what they are doing out there and are working hard. The offensive line had a great day today and the receivers did a great job of getting open."

Virginia Notes  
9/29/01  
UVa vs. Duke

Both Virginia quarterbacks established new career highs for single game passing yards. Bryson Spinner threw for 194 yards on 15 of 23 passing. His previous career mark was 178 yards against Richmond on Sept. 1, 2001. Matt Schaub threw for 90 yards on 9 of 13 passing. His previous high was 68 yards versus Richmond earlier this year.

Tavon Mason set a new career high with 100 receiving yards (four receptions). This is the first 100-yard game by a Virginia receiver since Billy McMullen's 189-yard effort versus Duke last season.

Mason's 64 yard touchdown catch marks the Cavaliers' longest play of the season. It is also the team's longest completion since he caught a pass from Bryson Spinner in the Jeep O'hau Bowl against Georgia on Dec. 24, 2000. The play also resulted in Virginia's longest play for a touchdown since Billy McMullen caught a 68-yard touchdown pass from Spinner against N.C. State on Nov. 18, 2000.

Tyree Foreman established career highs for receptions and yards receiving. He had five catches for 61 yards, surpassing the three catches he recorded in a game against Maryland on Sept. 12, 1998 and the 55 receiving yards he had against Richmond on Sept. 9, 2000.

Freshman Alvin Pearman's 54 yards rushing and 30 yards receiving are all career highs. His two catches equal his career high as he also caught two passes against Richmond on Sept. 1, 2001.

Through four games this season Billy McMullen has caught a career high seven touchdown passes (he caught three touchdown passes all of last season).

In addition, McMullen has caught at least two touchdown passes in each of the past three games and is the first player in school history to have multi-touchdown receptions in as many as three consecutive games.

As a team, Virginia has thrown nine touchdown passes this season, surpassing the total of eight all of last season.

Angelo Crowell became the first UVa linebacker since Shannon Taylor in 1999 to record a sack in three consecutive games. He also now has four sacks on the season matching Ljubomir Stamenich's team leading four sacks for all of the 2000 season.

Virginia's 31 points are the most the team has scored since scoring 31 against Maryland on Oct. 7, 2000.

Arlen Harris recorded his first rushing touchdown since last season's opening game against BYU.

Postgame Quotes

**On the Maryland performance:**

"This is certainly the best team we've played this year and the most physical team we've played all year. They played very well, I was impressed. We played a good Maryland team and we made a few mistakes. They did some very good things. They got a good drive going and we got a punt blocked which is inexcusable and after that we were chasing them."

**On the Maryland offense:**

"Hill had a great game. They played great offensively. They ran harder than we tackled."

**On Ralph Friedgen:**

"I think he has done a great job. The record speaks for itself, how many teams in the country are 5-0."

**On the blocked punt for touchdown:**

"Those are the things that I hate. My state of mind is not very happy over those things. I think good teams don't do that, bad teams do."

- With today's 41-21 win over Virginia, Maryland moves to 5-0 for the first time since 1978, and moves into sole possession of first place in the Atlantic Coast Conference.
- Today's Maryland win was its first in the series with Virginia since 1991, ending a string of nine-straight games without a victory. The Cavaliers are now 0-8 against Maryland when the Terrapins are ranked. The Terps' 41 points were the most they have scored against Virginia since scoring 42 in 1986.
- Maryland has not trailed in any game this season since allowing a 77-yard touchdown run to North Carolina on the season's first play.
- Maryland's first quarter defense held Virginia to a total of just five yards of offense. In that quarter, the Terp defense posted two sacks, four TFLs, one fumble recovery and one forced fumble. The Cavaliers finished the first half with just one rushing yard.
- With Maryland's win today, Ralph Friedgen becomes the only Terp head coach to open his first full season at 5-0. (The start of H.C. Byrd's career began with six straight wins, but the first two games were at the end of the 1911 season).
- Maryland dominated the game on the ground, outgaining Virginia 243 yards to 64. Overall, Maryland held the ball for 37:09 and amassed 480 yards on 90 plays. Virginia possessed the ball for just 22:51.
- With 143 yards on 25 carries against Virginia, Bruce Perry has now rushed for at least 100 yards in each of his first five starts. He becomes just the second Terrapin to open the season with five straight 100-yard rushing performances. Steve Atkins began the 1978 season with seven straight efforts of 100 yards or better.
- Perry's five games to open the 2001 season: 21-for-116 vs. North Carolina; 16-for-133, 3 TDs vs. Eastern Michigan; 30-for-276, 2 TDs at Wake Forest; 31-for-153, 1 TD vs. West Virginia; 25-for-143, 1 TD vs. Virginia. Perry entered the Virginia game as the nation's leading rusher with a 169.5-yard per game average.
- Perry's five consecutive games over 100 rushing yards matches the second-longest string in Maryland history. Atkins had seven straight in 1978. Perry also caught eight passes against the Cavaliers, for 51 yards.
- Curtis Williams' blocked punt at the end of the second quarter and the ensuing recovery in the end zone by Leroy Ambush was Maryland's first blocked punt recovered for a touchdown since 1992, when Jermaine Lewis scored on a blocked punt versus Georgia Tech (10-10-92). The block was also the first of (redshirt freshman) Williams' career.
- Guilian Gary's 53-yard touchdown reception from Shaun Hill in the second-quarter was the longest of his career and the longest pass of Shaun Hill's career as a Terp. The last time Maryland had a TD pass over 50 yards was a 70-yarder from Calvin McCall to LaMont Jordan against Wake Forest in 1999 (10-9-99).
- Guilian Gary again led the Terps in receiving (he has led or tied for the team lead in each game this year) today, grabbing five passes for a career-high 99 yards and a touchdown. In doing so, Gary has now caught at least one pass in each of the past 16 games.
- QB Shaun Hill opened the game going 1-of-6 passing and handing Virginia good field position with his third interception of the season on the Terps' first drive of the day. Overall, Hill was a reliable and effective, finishing 22-of-35 for a career-best 237 yards passing including two touchdowns. Hill also rushed 16 times for 47 yards and scored on a 4-yard option keeper for Maryland's first score.
- In each of the last 12 seasons that Maryland has gone to a bowl game, it has beaten Virginia. In the other five bowls in which the Terps played (between 1948 and 1956), the Terps and Cavs did not play (i.e. Maryland has not gone to a bowl game in any year it has lost to Virginia).
- Tony Okanlawon picked off a Matt Schaub pass for his fourth interception of the young season. Okanlawon had just one career interception leading into this season, but came into this week's game tied for first in the ACC and sixth nationally in interceptions per game with .75.
- Billy McMullen's 60-yard touchdown reception from Matt Schaub in the second quarter was the first over 50 yards against Maryland since Dan Ellis connected with Tavon Mason in last year's game at Charlottesville. It was also just the third TD through the air allowed by the Terp defense this season. McMullen finished with 11 catches for 175 yards and a touchdown. Schaub, meanwhile, completed 20-of-33 passes for a career-high 271 yards for the Cavs. He also rushed for the first touchdown of his career.
- Maryland's attendance today was a season-high 44,197. It marks the first time since 1983 Maryland has opened its season with four-straight home games with an attendance of 40,000 or more.
- Maryland entered the game ranked No. 25 by both major wire service polls. The national ranking is Maryland's first since 1995 when the Terrapins made their way to No. 17 before dropping from the rankings. The last time the Terps finished the season in the Top 25 was in 1985 when they finished 18th and went to the Cherry Bowl.

Post-Game Quotes from University of Virginia Head Coach Al Groh:

“One of the most significant factors of the last 4 weeks have been our special teams, we’ve got to get that cleared up before anything else.”

About the UVa defense vs. the UNC defense: “Our team has been no surprise to me. I knew the team we were bringing in. Our defensive guys have played in the shadow of this North Carolina defense; that’s a reality.”

“[UNC] is a big, strong defensive team. We don’t have any big 285, 295 defensive linemen like they do; until we do have a dominating defensive team, we simply have to plug the gaps, but we’re playing with everything we’ve got.”

“I thought we got very good production out of our passing game.”

About the QB situation: “We look at it every week. We’ve got two very good players. They’ve got the same thing over there [at UNC]; they were on a planned rotation for a while. But one guy came in and was obviously hotter.”

About QB Spinner not playing: “It’s the same thing every week. We see how the game goes; the game was going fine with Schaub. We have confidence in both of them. Under these circumstances, if I’d put the other quarterback in, you guys would be writing why I didn’t stick with Schaub.”

About McMullen against Waddell: “Competitively, execution-wise, [McMullen’s] the same guy every week.”

About Peppers: “We did a pretty good job against him; he had some stretches there where he made big plays. But everybody’s going to have trouble containing him for a whole game.”

“I thought we played a sounder football game than last week. There’s still some things we need to work on, that we have to address as an organization diligently during the winter. That’s the answer to some of these things.”

## NORTH CAROLINA HEAD COACH JOHN BUNTING:

"Obviously we moved the ball very well and failed to capitalize on some of those great drives. Give them credit. I've never seen anyone drive the ball on our defense like they did today. We can't allow that to happen. To turn the ball over, particularly in the first half, when we were down in their territory in the (red) zone, that really hurt us badly. Obviously at the end we made the game tight by turning the ball over again.

"Andre Williams is a superior back. We opened some holes for him today. Our offensive line had their best day blocking up front for the run game and we churned out 147 yards for Andre. We're excited about that. That's going to help us. Our offense for the third week in a row has played really well in the second half.

"Andre is a tough back and he hits the hole fast and he's tough. One man is not going to bring him down. I've said before that on occasions we've missed a block and he's still able to pick up two yards. That's two hard yards. I'm really proud of that kid. I've said this all along. I think he's legitimate. I think he's going to be a 1,000 yard rusher for us at some point. I'm really happy for him. He is really special.

"That big long run that Ronald had where he nearly took it to the house, on that run he aggravated his Achille's on that play. And rather than risk any further injury we kept him out. I talked to him on the sideline and he was ready to go in but he stood around on the opening two drives. He had been out for a while because they had a long drive and we had a long drive and it further stiffened up on him and we decided that we'd wait until next week.

"I think Darian had a superior day. I think he played extremely well. He made a lot of plays for us just as he always does. Unfortunately he threw a little high pass that got tipped up in the air when we were in the (red) zone in the first half. I think he played a great ball game.

"Dexter Reid made a big play. I thought the overall play of our special teams was tremendous. We knew coming in that we would be tremendously challenged by Virginia because they are excellent special teams players. We blocked the field goal. We did a great job covering punts. And we probably did our best job of covering kickoffs. That was a big challenge coming in and I am very proud of that whole special teams unit and Dave Huxtable, our special teams coach.

"It is a great feeling to win four in a row. I have talked with this football team over the last couple of weeks. We've been trying to inch up closer and closer to the corner and now I think we're at the corner. We can peek around and see where we are at. The dust has cleared a bit in the ACC. There is a lot of football left. There are a lot of great ACC games left for us. We've got to turn it up to another level. I said a lot of teams would get shaken out this week and we were one of the teams which came out on top. We are very happy with the victory. And once again I'm so pleased with our fans. They're there the whole time. They energize us. And walking down from the Old Well they energize us. It is great to be a Tar Heel. It is great to be in Chapel Hill."

## **UNC Player Quotes**

### **Ronald Curry**

"It was a good win – like any other win. I got some bragging rights from talking to my cousin, but other than that it was just like any other game.

"My Achilles was a little sore in the third quarter. When it was my time in the fourth quarter it was still a little tight. I feel like I could have gone back out there – maybe I could, maybe I couldn't – but we didn't want to chance it so we just stayed with Durant.

"We had discussed it at halftime about me not playing, because they knew I was pretty sore, so in the fourth quarter they came to me and asked if it was alright. Coach Bunting asked me. I told him I could go but I wouldn't know until I got out there. He said we need to make the best decision for the team and he decided to keep Durant out there.

"I understand the decision. It was a coach's decision. Durant was playing well at the time. I aided him to the decision, but it was his call.

### **On TD pass to Sam Aiken:**

"It was a big play by Sam. He made a great play on the ball.

### **On development of the offense:**

"I think that was the biggest thing. The whole time the defense and special teams were playing well and the offense wasn't on the same page with everyone else. I think we've caught up with the rest of the team. We're playing well and doing our part and starting to win.

### **Darian Durant**

"I think we just have to keep doing what we've been doing the last four weeks. We've been successful doing a lot of different things, a lot of different formations on offense and defense. So I just think we have to keep doing what we've been doing and there's no stopping us.

"We feel good. This seniors on this team haven't beaten Virginia since they've been here, so we feel good for them.

"We need to establish the run to open up the pass. Andre' and the backs did a good job. They did open it up for the passing game for us.

### **Andre' Williams**

"We prepared in practice all week long for this game. The coaches put together a great game plan. The offensive line did a great job. Virginia did a good job too – you can't take anything away from those guys.

"I'm just proud of my offensive line. They stood on their blocks.

"It feels good to finally get 100 yards, but it's not me getting 100 yards, it's the whole offense. That's their 100 yards.

"I can't take anything away from Virginia. They were out there hustling. They played a great game. My offensive line just did a great job. They were out there hustling the whole game."

**Kevin Knight**

**On recovering the onside kick at the end of the game:**

“Our job is to concentrate on getting the ball no matter what. Someone’s going to hit you, but you just have to get on the ball. I was on the left side, but they kicked it to the right. I saw the ball just pop up and hit one of our guys, and I’m just running over there because it’s my job and I see the ball come out and I just reacted and jumped on it.”

**Adam Metts**

“I think the biggest difference is that a lot of people have grown up on this team. Special teams, we have guys who are playing harder out there. Coach Bunting make a major emphasis on special teams. You can win and lose games on special teams.

“We’ve stepped it up offensively. We’ve grown up a whole lot. We’ve got playmakers who are stepping up. Kory Bailey, Bosley Allen, Chesley, Sam – they’re all doing a great job. Ronald and Durant are doing a good job. The offensive line – we’re getting better every game. We’re opening up holes, we’re blocking our men, we’re doing our assignments.

“We’re playing better football. That’s something you have to gain the knowledge of just from playing. There’s no other experience – you can’t remake it in practice. The offensive line is young, but the guys are stepping up and playing real well.

## VIRGINIA AT NORTH CAROLINA OCTOBER 13, 2001

### North Carolina Post-game Notes

**Williams Rushes For 147 Yards:** Andre' Williams rushed 28 times for 147 yards, the first 100-yard game of his career. Williams has registered a new career high for rushing in four of the last five games. He rushed for 50 yards at Texas, 53 yards against FSU, 68 yards versus NC State and 147 today. In today's first quarter, he had a career-long 38-yard run. His previous long was 22 yards at Texas. Williams's 147 yards were the most by a Tar Heel since Willie Parker ran for 158 last year against Maryland.

**Curry Honored Before Kickoff:** Ronald Curry was honored prior to today's kickoff as Carolina's all-time leader in total offense. The senior quarterback eclipsed Jason Stanicek's record of 5,497 yards last weekend versus East Carolina and finished today's game with 5,641 yards of career total offense after throwing for 81 and rushing for 39 while splitting time with Darian Durant. Stanicek was on hand to present Curry a game ball.

**Big Day On The Ground:** Carolina entered the game with just one run of more than 30 yards on the season, Willie Parker's 77-yard TD run at Maryland. But Ronald Curry had a season-long 39-yard run in the second quarter and Andre' Williams had a career-long 38-yard rush in the first quarter to help the Tar Heels to their most productive day on the ground this season — 234 yards.

**Peppers Gets Two More Sacks:** Julius Peppers had two sacks for nine yards and now has 8.5 for the season and 29.5 for his career. He is three behind the school record of 32.5 held by Greg Ellis.

**Curry To Aiken:** Ronald Curry's 66-yard touchdown pass to Saim Aiken in the second quarter was the longest pass play of the season for UNC and Aiken's longest catch of his career. Curry's 53-yard pass to Kory Bailey vs. Florida State was the previous long pass play of the season. Darian Durant also had a 53-yard pass play to Chesley Borders in today's win.

**Perkins Returns:** Fifth-year senior DT Anthony Perkins, who tore the MCL and PCL in his right knee last spring and was thought to be out for the season, returned to the UNC lineup in the first quarter of today's game.

**Big Day For Durant:** Darian Durant was 10 of 16 for a career and UNC season high of 162 yards. His 10 completions give him 67 for the season, a new freshman record at UNC. The previous was 66 by Ronald Curry in 1998.

- Carolina is just the second team in ACC history to rebound from an 0-3 start to win four straight games. Wake Forest was 0-3 in 1970 before winning four straight en route to their only ACC title.
- Michael Waddell blocked a late first quarter field goal attempt by Virginia, marking the first blocked FG by the Tar Heels since Julius Peppers did so against Wake Forest in 1999.
- Dexter Reid's 67-yard interception return for touchdown in the fourth quarter was the 10th longest INT return in school history and Reid's second pick of the season, tying him Julius Peppers for the UNC lead in interceptions.
- Jeff Reed connected on field goals of 30, 22 and 38 yards on the afternoon. Three three field goals are a new career high for the senior.
- Carolina's 17 points in the first half were its most in the first 30 minutes this season. UNC's previous high was 14 against both Oklahoma and Texas in the first half.
- With 477 yards of offense against Virginia, the Tar Heels have now gained more than 400 yards in back-to-back games for the first time since last season against Marshall and Georgia Tech. Last Saturday, Carolina had a 412 yards against East Carolina. Carolina's 477 yards matched last season's high against Georgia Tech.

## FLORIDA ST. 43, VIRGINIA 7

*VIRGINIA HEAD COACH AL GROH:*

"I thought as the game went on, they played progressively better and we played progressively worse. They certainly looked like a NFL team on the field, at all positions. It was pretty apparent from the outset that the core of their plan was to take the big people and overrun the little people -- a pretty good idea.

"We could have played a lot better offensively. We had some plays to make and we left some plays on the field. I thought we hung in there for a while on defense, but I don't think we played well at all on offense at any particular time. If we are going to have a chance [to win], we are going to have to play better on offense. ... When you end up with seven points, its hard to say we had a good night. There are a lot of us involved in the operation that would have liked to have done better.

"They got a couple a big chunks of yardage in the passing game on third down, which kept them on the field. We didn't play a couple of coverages as well as we would have liked to play them. Those were plays that we made on the first half to get them off the field. We were going to have to have a good third down game against this team because they are a very big, powerful team, at least in how they match up against us. We did a fairly decent job with that for awhile.

"Once again we ended the third quarter with a dramatic interception and I was very disappointed with our play in the final 15:02 of the game.

"If you are going to beat a team like this, you have to be on your A-game from the start. Everybody has to bring their best game. Not everyone brought their best game tonight.

## **FSU QUOTES**

### **GREG JONES**

I felt real good tonight running the football. The offensive line was doing their job opening up holes for me and Nick (Maddox). We were doing our job, hitting the holes and getting up field.

It feels good to get 100 yards for the first time tonight, but the most important thing was getting a win. Hopefully this is a sign for things to come for Nick and myself.

### **JAVON WALKER**

We played well tonight. It was important for us to come out and start off strong. I felt our coaches called a good game plan and we were able to come out and execute what they gave us. It was good to see the young guys get out there and get the experience they need. And the young guys who got out there played well for us tonight. From here on out we just need to go out and improve each week and take each game as it comes. I personally want to go out there and improve each week and try to be a senior leader for this team.

### **ABDUAL HOWARD**

It was important for us as a defense to come out and improve on last week's performance. We wanted to come out and show up and prove that we are still Florida State.

(on INT return)

Stanford Samuels made a nice hit to jar the ball loose. Once I was able to get it, I wanted to take it to the house and I wasn't going to let the quarterback stop me.

### **BOBBY BOWDEN**

We finally put a four-quarter ball game together. We haven't done it all year. We were ahead of North Carolina in the third quarter. We trailed Miami by eight going into the third quarter and they just killed us in that third quarter. Our biggest problem is still ourselves. We are still turning it over and we must get that corrected. I'm happy we won and I'm surprised at the score. I thought it would go to the wire, but good things happened to us. I told the group this week that it's nice to be common isn't it, trying to be humorous, but I felt common. Usually, I am talking about how bad we beat somebody. All of the sudden, we're 3-2. The defensive staff did an excellent job. The defensive players did an excellent job. We felt like we could get outside on them and we did, but turnovers just killed us.

## **INJURY REPORT**

Eric Shelton – right ankle sprain

Greg Jones – left ankle sprain

Montrae Holland – midback sprain

Patrick Newton – mild concussion

Carver Donaldson – right hand contusion

# **FLORIDA STATE AT VIRGINIA**

## **October 20, 2001**

### **FIRST HALF GAME NOTES**

#### **AND THE BAND PLAYS ON**

Marching Chiefs alumni from the Seminole Club from the greater Washington D.C. area are serving as FSU's band this evening.

#### **THE COIN TOSS**

FSU is 0-6 in coin tosses this season. Last season, the Seminoles won their first six coin tosses and were 5-1 in those games.

#### **FIELD GOAL ATTEMPTS SCARCE**

Xavier Beitia's 42-yard field goal attempt in the first quarter was his first attempt since the UAB game. Tonight's miss was his first of the year. He was 5-for-5 in field goals heading into tonight's game. His career long is 40 yards and that occurred on his first collegiate attempt in the Duke game. After tonight's first half, Beitia is 6-for-7 in field goal attempts.

#### **ON THE RUN**

The Florida State offense opened tonight's game with seven straight runs, which is the most since opening the UNC game with eight straight running plays.

#### **LONG FOR THORPE**

Craphonso Thorpe's 38-yard kick off return in the first quarter was the freshman's career long. His previous was 31 yards against both UAB and UNC.

#### **AFTER ONE**

Florida State has led just twice this season after the first quarter -- in the UAB (3-0) and Wake Forest (14-7) games. Tonight is the first time FSU has been tied after the first quarter. FSU has scored just 24 points total in the first quarter through six games this season. FSU's 145 yards of total offense in tonight's first quarter is the Tribe's second best of the season. The Noles recorded 226 yards of total offense in the first quarter of the Wake Forest game.

#### **PUTTING A HALT TO THE RUN**

The Seminole defense has held its opponent to a total of just eight rushing yards in the first quarters of the last two games. Miami managed just two yards rushing in the first quarter and the Cavaliers had just six yards tonight. There have been 13 carries total for an average 0.6 yards per carry.

#### **FIRST QUARTER PARTICIPATION**

A total of 54 Seminoles saw playing time in tonight's first quarter.

#### **JAVON'S HAVING A NIGHT**

Senior WR Javon Walker has four receptions for 99 yards at the half tonight. His previous season high at the half was 95 yards in the UAB game. His career game high is 111 yards in the Wake Forest game this season.

#### **AT THE HALF**

FSU has trailed just once this season at halftime and that was 21-13 in last week's game vs. Miami. Tonight's 10 first half points is the second least amount of points FSU has produced in a first half this season. FSU had just nine points in the first half of the UNC game and led 9-7. The most FSU has scored in a first half this season is 42 points in the Wake Forest game.

## **FLORIDA STATE AT VIRGINIA**

### **October 20, 2001**

#### **SECOND HALF NOTES**

##### **JENNINGS NABS ONE**

Senior middle linebacker Bradley Jennings recorded his first interception of the season and third of his career in tonight's game. Ironically, Jennings first career INT came against Virginia in 1998. Jennings also recorded an INT in 1999 in the win over Florida. This season, the FSU defense has nine interceptions and four of them have been by the linebackers.

##### **WALKER HAS CAREER HIGH**

Senior WR Javon Walker recorded a career-high 124 yards in tonight's game. It was Walker's third 100-yard game of the season and fourth of his two-year Seminole career. His career-high in receptions is eight catches against BYU last year in his first game as a Seminole. His six receptions tonight ties the team's individual season high as Atrews Bell had six catches in the Wake Forest game.

##### **SACK IT TO ME**

Sophomore DE Charles Howard recorded his first career sack in the third quarter and it was for a loss of 14 yards. It was FSU's 10<sup>th</sup> sack of the season and first since the Wake Forest game.

##### **SAM'S CLUB**

Freshman WR P.K. Sam recorded his third reception of the season and it was for 28 yards. His previous two catches were for five (Duke game) and eight yards (UAB).

##### **100-YARD RUSHER**

Sophomore RB Greg Jones recorded his first career 100-yard game tonight and finished the game with 107 yards on a career-high 18 carries. His previous career highs were set last week vs. Miami when he had 91 yards on 15 carries. It's FSU's first 100-yard rushing game since Travis Minor recorded 102 yards in last year's Clemson game on November 4<sup>th</sup>.

##### **GOT THIS ONE!**

Freshman kicker Xavier Beitia, who missed a 42-yard FG attempt in the first quarter, made good in the third quarter, hitting a 42-yarder for his career long. After tonight, he is 8-for-9 on field goals for the season.

##### **TAKING IT TO THE HOUSE**

Senior Abdual Howard's 80-yard INT return for a touchdown in the third quarter was his first interception of the year and fourth of his career. It was his second INT for a touchdown with his first coming against NC State in 1999. The 80-yard return was the ninth-longest in FSU's history and longest since Leon Fowler's 94 yard INT return against Duke in 1992. It is FSU's first INT return for a touchdown since Tay Cody against NC State on October 28, 2000.

##### **SHOW ME SHELTON**

True-freshman TB Eric Shelton's 56-yard run was the longest of his young career and FSU's longest rush of the season. The previous long of the season was 51 yards by Nick Maddox against Duke. He finished the night with a career-high 95 yards on 10 carries.

## WAKE FOREST 34, VIRGINIA 30

### *WAKE FOREST HEAD COACH JIM GROBE:*

Every game this year has gone right down to the wire and we've won our share, but not as many as we hoped. We've lost some heartbreakers. It is really nice for them to break through and get a win. They showed a lot of determination and the thing I'm most proud of is they never thought the game was over, even after the last [Virginia] score. We told our kids we just have to get into field goal range and tie it up. I don't Jason Anderson heard that, and I'm glad he didn't. ... It was really more of a possession throw for us, but we'll take the result.

It is nice to get a win. It is always nice to get a win on the road and it is especially nice to get a win here at Scott Stadium. I'm more happy for our players. We've lost to Virginia 17 years in a row and it is nice for our kids to get that one off their backs.

*On the play of QB James MacPherson:* I've got to tell you, I was pretty hard on him at halftime. I was tired of seeing all of those jump-ball situations. He's better than that. He's a smart kid and he's got to do the things that help us win rather than taking chances. And what a great second half he had. He stepped up to the challenge and played really well. I'm proud of all of these guys, but he particularly showed a lot of courage. He could have easily folded his tent and he didn't do that.

### *VIRGINIA HEAD COACH AL GROH:*

Both teams played real hard. Both teams made a lot of plays. Both teams showed the will to fight and come back. In the long run, they had one more play in them than we did. We had our chance to win the game and we couldn't come up with the play. That creates a very disappointing loss for us.

(On the touchdown that put Wake ahead for good) I've seen that ball get intercepted against that coverage and the game is over. That's what's particularly disappointing about it. We could have played the coverage better. Had we, perhaps the outcome would have been different.

(On the play of the offensive line) Obviously they played well enough to put 30 points on the board, but by the same token we left a lot of points out on the field.

(On use of Womack) We used him for pass protection. One of the things he does well is that he's probably the best pass-protecting back on the team. That was a called pass play. Pearman had taken quite a few hits in the game. Foreman was not available today, so we put Antoine in for pass protection purposes.

The only time we can spend more time on special teams is not to practice anything else. I don't know what else to do. There's nothing else you can do with the coverage. When you run down there you've got to make some plays in the open field.

## Wake Forest Football Notes

### Wake Forest at Virginia

November 3, 2001

Today's win:

- Evens Wake's record to 4-4 overall, 2-4 in the ACC.
- Marks WFU's first win over the Cavaliers since 1983.
- Gives head coach **Jim Grobe** a victory in his first game coaching against his alma mater.
- Is Wake's third road victory of the season (second against ACC opponents).

Wake Forest's early 7-0 lead on the Cavaliers was the first time Wake has led Virginia since a 7-0 lead in the first quarter of the 1997 meeting. Virginia went on to win the game 21-13.

By halftime, sophomore running back **Fred Staton** had already reached the 100-yard rushing mark (109). He finished with 151 yards, the second-best performance by a Deacon running back this season. (**Tarence Williams** had 158 at ECU.) Starting in place of the injured Williams, Staton reached the 100-yard mark for the first time in his career. He tallied 99 yards against Duke three weeks ago.

Senior kick returner **John Stone** recorded his longest return of the season - 48 yards - in the second quarter. His previous long of the season was 42 yards.

Several streaks were kept alive in this game: Redshirt freshman **Jason Anderson** extended his career reception streak to eight games; sophomore running back **Fred Staton** has scored at least one touchdown in five consecutive games; and senior center **Vince Azzolina** recorded his 34<sup>th</sup> consecutive start.

For the second week in a row, walk-on punter **Chris Rolle** booted a career-long punt. After punting for 47 yards last week versus Clemson, he recorded a 48-yarder against the Cavaliers in the second quarter of the game.

Kicker **Tyler Ashe** attempted his first field goal in five games when he connected on a 20-yarder in the second quarter. It was his first attempt since the Maryland game on Sept. 22, and was his fifth consecutive made field goal. Ashe is now 7-of-9 on the season.

**Fabian Davis'** 45-yard pass to **Jason Anderson** that set up a Wake touchdown in the fourth quarter was the longest completion of the season for the Deacons. The mark didn't last long, however, as Anderson later converted a 64-yard reception into a touchdown on a third-down play in the fourth-quarter. That completion is the 19<sup>th</sup> longest completion - as well as the 16<sup>th</sup> longest TD reception - in school history.

**Fabian Davis'** 62-yard punt return for a touchdown was the first punt return for a TD since Todd Dixon had a 74-yarder against Duke in 1993.

Linebacker **Ed Kargbo-Okorogie** recorded his third career interception (second of the 2001 season) when he picked off a Bryson Spinner pass in the fourth quarter.

**Jason Anderson'**s 150 receiving yards were the most by a Deacon receiver this season, surpassing **Jax Landfried'**s previous team high of 90 yards at ECU.

Wake's 21 fourth-quarter points were the most scored by the Deacons in the final stanza since scoring 21 against Georgia Tech in the final game of the 1998 campaign. Tech won that game, 63-35.

Wake Forest's 248 rushing yards were the most against Virginia since tallying 254 in 1986.

POST-GAME QUOTES

GEORGIA TECH COACH GEORGE O'LEARY

Give credit to Virginia. They made that flea-flicker when they had to.

I'm disappointed with the way we played overall defensively and with special teams on that one play.

We've had a tough time with games like this all year.

I thought we got away from our running game a little too soon. I didn't think our offensive line played very well.

Virginia put seven or eight guys up in the box. It's tough to run against that so we threw more. We threw the ball well, but we just couldn't stop anybody.

We've rushed the passer better all year than we did tonight, but Virginia's offensive line played well.

Spinner broke containment four or five times. The definition of rushing the passer in lanes wasn't there. And Spinner completed several passes after he broke containment.

VIRGINIA HEAD COACH AL GROH

This was a magnificent college football game. There was tremendous will and heart by both teams; a magnificent performance by both quarterbacks; and a great call by [offensive coordinator Bill Musgrave] there at the end. Desperate times call for desperate measures.

*On the last Virginia touchdown:* We practice the jump ball more than we do that [play]. ... It is just a regular curl pattern with a trailer. If it is clear, he passes it to him. If it is not, we take the gain we have and move on to the next play. We didn't have much time left there. George [O'Leary] knows defense. He knows defense real well, and he's going to have something set up that won't allow you to just throw something over the top of the defense. You're going to have to find a way to slick 'em a little bit.

The offensive line did a very, very good day today. I thought our quarterback was terrific. ... Even though there was some good coverage down field that prevented him from throwing the ball, there was good enough protection to allow him to move around the pocket to find those openings.

George Godsey was everything I thought he would be. We tried everything we could to cool him down -- a variety of coverages and pressures. He sees them coming. He is a hard guy to deal with.

GEORGIA TECH POST GAME NOTES

November 10, 2001 - Virginia 39, Georgia Tech 38

Georgia Tech's loss to Virginia Saturday was its fifth straight in Charlottesville since its 41-38 win in 1990 over the No. 1-ranked Cavaliers. Two years ago, Tech lost a pair of 17-point first-half leads to lose 45-38. This year, Tech led by 13 twice in the first half. The 1997 game featured seven lead changes. Today's also featured seven.

George Godsey's 39 completions and 486 yards were both career highs and Georgia Tech records, eclipsing the 35 completions for 454 yards he had last season against Clemson. Godsey is now 185 for 284 (62.9 percent) for 2,364 yards this season. He has passed for more than 300 yards six times in 21 games as a starter.

Will Glover established career highs of 13 receptions for 172 yards, surpassing his previous marks of 7 catches (FSU, Georgia in 2000) and 71 yards (Georgia in 2000). He is the first Tech player other than Kelly Campbell to have a 10-reception game since Jerry Mays in 1988. He missed the Tech single-game record for receptions by one (14 by five players, including Kelly Campbell).

Tech had two receivers with more than 100 receiving yards each in the same game for the first time since 1999. Will Glover had 13 receptions for 172 yards, and Kerry Watkins 9 receptions for 161 yards. On Sept. 11, 1999, Kelly Campbell (7-141) and Dez White (2-114) turned the trick against Florida State.

Luke Manget's 51-yard field goal in the first quarter was the longest of his career, by one yard. Manget kicked 50-yard field goals against NC State on Oct. 20 and against the Wolfpack last season. The junior from Conyers, Ga., is 3-for-3 in his career on field goals of 50 yards or longer, and 39-of-57 overall.

Manget extended his ACC career-record streak for consecutive extra-point kicks to 122. The 122 total is a Tech career record for PATs.

Kelly Campbell did not make the trip with the Yellow Jackets to today's game due to a lingering left ankle sprain suffered late in the fourth period of Tech's Nov. 1 win over North Carolina. Campbell practiced very little during the week and the decision to leave him home was made Friday.

Godsey's 1-yard touchdown sneak late in the second period was the fifth TD he has scored in his last 11 games, after not having scored a TD in competitive football on any level before last year's game at Maryland, game #10 of the regular season.

Kelley Rhino inched closer to the ACC season record for punt return yardage, which is 488 by Corey Sawyer of Florida State in 1992. He began the game with 446 yards this season, and returned three punts for 11 yards Saturday to bring his season total to 457. Against North Carolina last week, he broke the Tech season record held by his father, Randy, who amassed 441 yards in 1972.

Joe Burns' 4th-quarter TD was the 30th of his career. He is just the second Tech player to score 30 touchdowns (Robert Lavette, 46, 1981-84).

VIRGINIA TECH COACH FRANK BEAMER

I was proud of our team. The way we came in here and played in the first half was exceptional. We were certainly ready to play. In the second half, I thought we helped their cause a little bit, when we fumbled a couple of times and threw intercepts.

I can't say enough about my football team. When things got rough [in the fourth quarter], the offense took the ball over at about the 10 yard line and picked up four or five first downs. I thought that made a statement about our football team. They got back into it a little bit, but our team came right back and I feel good walking off that football field.

(On TB Kevin Jones) He was running, but there were some cracks up there. You don't have cracks unless you have offensive linemen working their butts off. We needed time off the clock and that offensive team stepped up to the plate.

(On Virginia's early turnovers) I'd like to think we were helping a little bit -- knocking those balls out. I thought we were very alert, very focused. One of my coaches came up to me and said, 'This is the best we've been all year.' And maybe it was. I thought we were really good at Boston College, but maybe this was the best.

VIRGINIA COACH AL GROH

I thought they played well. We played bad. They made plays. We didn't make plays. They played a lot better than we did, and they won.

(On Tech's early passing) I told the players all week to expect them to do something right away to try to get us off them. That's what everybody's done, crowded up on them. They were straight vertical patterns. Their guy won, our guy lost. That's the deal.

We were ruined by all the things that have given us problems in the past--turnovers and deep balls.

(On second-half play) We played the way we were supposed to play in the first half, but I don't think we should be proud of that. You're supposed to do that all the time.

(On Tech's success running late in the game) It became a power game at that time. Power isn't something that we have a lot of.

VIRGINIA 20, PENN STATE 14  
CHARLOTTESVILLE, Va.  
Dec. 1, 2001

Postgame Comments:

Virginia Head Coach AJ Groh:

I said to the players at halftime, 'I thought you played a good half. If you do a few more things, maybe it could be a great game.' And they played a great game. They gave themselves something to remember about this year's team. I thought they showed tremendous will to win and heart.

We made ourselves hard to beat. There is a long description about what that means, but it certainly is not playing not to lose. If you make yourself hard to beat, there are not many teams who can beat you. We had some costly penalties and we left some points out on the field, but overall we did enough things to win the game.

(On Antwoine Womack, 31-159) I think Antoine showed today in living color all of the things we talked about. There's nothing I need to say about Antoine. He certainly made a powerful statement about himself.

(On the Zack Mills fumble in the third quarter that was recovered by Art Thomas) John Duckett got a great strip on the play. It is won of those things you work on and run the drills on it, but the players have to make [the play]. It was a great effort by John. Quite obviously, it turned the game. Everything that followed was a result of the play.

(On the quarterback switch in the third quarter) It has been the same thing from the start. We thought maybe we could get a little something going. We were not being overly productive. ... I thought Bryson did a really nice job.

Penn State Head Coach Joe Paterno:

(On Zack Mills's play) He's still a freshman. He hasn't played that much football. We probably should have gone with Matt a little earlier, but he (Mills) has great resiliency. He got a little flustered and tried to make some things happen that weren't there.

We looked tired. They looked so much quicker than we did. It's been a long year for us.

(Question: Have you ever seen momentum swing that far that quickly?) I probably have, but I've probably tried to forget. I thought we might have been able to put them away there. You're up eight points and going in like that. You figure if you score there, then you make them do things they probably don't want to do.

(Did you expect them to run so much?) I'm not sure they would have if they hadn't had so much success. We had trouble getting to places, and like I said Virginia looked quicker than we did.

\*\*Penn State Game Notes:

-Penn State had gone six consecutive games without losing a fumble prior to Art Thomas' fumble recovery and return.

-Penn State broke its record for pass attempts in a season with 361. The previous record was 355 in 2000 (12 games).

-Mick Blosser's second-quarter touchdown catch was the first of his career.
