William and Mary Coach Jimmie Laycock:

(Did the team have any opening game fitters and did it affect their play)

I don't know. Virginia came out and made the plays with the fumble and the blocked punt. I thought we played hard and overcame a lot. The team really hung in there and kept coming back. The defense kept playing and we moved the ball on offense. We kept scratching and clawing. Some days things go well and some they don't but we still hung in there.

I thought we played well in the last 3 quarters. We were going against one of the top 20 teams in the country. Virginia is a good ball club. We made some mistakes but we got a lot out of the game.

(On quarterback Matt Byrne)

He played well. He made some mistakes and there are some things I would do differently. On some of his throws I wasn't sure but they turned out.

I don't think we were overpowered physically. I don't know what you saw from upstairs but on the field it did not appear that they overpowered us.

~~XX~~

There were several mistakes on the blocked punt. ~~XXXXXXXXXX~~ They did overpower us on that play. We put the fake punt in this year. We teach the punter to throw the ball if no one is lined up on the outside. The ref said we didn't have enough men on the line of scrimmage. The wideout was back a little bit.

VIRGINIA COACH GEORGE WELSH

I'm concerned about a lot of things. We had too many penalties. I was told we had 13 penalties and that's ridiculous.

(On defensive line drop-off in second half) Maybe teams are doing a better job selecting their plays after they see what we're doing. Maybe we need to do a better job of mixing things up. That's something we'll have to evaluate this week.

We made too many mistakes. But so did they. It was a pretty sloppy game, really.

If that was a letdown after the first quarter, then we've got to grow up as a team.

I'm not very happy about the play of the team. We started well, we hit, we caught passes, we did a lot of good things. But we did a lot of bad things as well.

(On team's progress) On the basis of practice this week, I'd say we didn't make progress. We were tired. We left some kids in too long last week. But we recovered.

I don't like the silly fumbles and interceptions. I don't like where we fumbled the ball. We weren't cohesive on offense. We need to ~~XXXXXXXX~~ deliver the knockout blow. We had some opportunities, but we haven't done it yet. We have a lot of coaching to do this week.

COACHES QUOTES-----GEORGIA TECH AT VIRGINIA-----September 16, 1995

VIRGINIA COACH GEORGE WELSH

(On the success of Virginia's tight ends) We took some stuff out because we thought we were going to see more eight-man fronts than we did. We didn't take the passes out because Neely was hurt. We just got them executed today.

(On Tiki Barber) I've been saying all year he's been a better back since preseason. He has a chance to be an outstanding back.

We expect to be able to run the ball on most teams. We have a veteran line and some good backs.

The best thing today was our play in the second half. We've been up 21-7 before, but haven't played as well in the second half. Today we did. We've played well in the first half before, but we haven't played well in the second half against anybody until today.

(On starting freshman Anthony Poindexter in place of injured linebacker Jamie Sharper) We played him differently today than we had been. He was more like a linebacker. I hope we don't have to (move him to linebacker.) He's a strong safety. We need him there.

Maybe they helped us. It seemed like they dropped a lot of balls. Some of them wouldn't have mattered, but some would have. You only get so many chances at first downs.

Georgia Tech Coach George O'Leary

We needed to tackle well to win and we tackled poorly. You can't do that against a good team. We were grabbing not tackling. They had a couple big plays and that can't happen against a team like Virginia. I thought the offense was tentative from a blocking standpoint and a running standpoint. One bright spot was Phillip Rogers. You have to credit Virginia, the defense did a nice job and the offense was excellent.

I thought our running backs did poorly. The backside was open and they missed the cutback lanes. Sometimes it seemed like they were going down before they were really hit. We need to run harder, block harder and hit the hole and we didn't.

Virginia's defense made some big plays when they needed to be made. They have some big play makers who made the plays. We made some plays ourselves early but not enough of them.

(On the passing game) We went in and made some plays to Steagall. Then they rotated their defense which opened up the cutback lanes. We dropped some balls on critical downs that would have moved the chains. That caused the defense to be on and off the field. We don't have enough depth for that.

I think this team is better than Arizona. They have more girth on the lines. We had trouble with their linemen and trouble getting off the blocks. You have to give credit to Virginia.

Virginia head coach George Welsh following Wake Forest:

I cannot assess what happend today, I don't understand it.

Q: What didn't you understand about today? About the way we played today. unless Wake's that good. They're a lot better than they were earlier in the season. They make it tough on the defense because they do so many things offensively. Offensively I think they're pretty good.

Q: How concerned were you when they cut it to a touchdown? I was concerned at the half - I was concenered two hours before the game; I was concerned all week. I don't know if they (Virginia players) took them lightly or ~~what~~ not, it didn't seem to be in the beginning. Obviously we're still having problems in the second half.

Q: UVa rushing game today vs. Wake Forest defense ... They have a lot of guys around the ball and they blitzed us. That's why we were throwing the ball more. It's tough because sometimes there are guys there and you can't block them. They brought the safety down sometimes and made it an eight man front and ~~then~~ it's hard to run the ball.

S

About the reverse: It was O'Brien's call. It's about time we did soemthing like that. I ~~guess~~ thought he timed it right because we had run the sweep play about five times up to that point.

Q: Happy with any aspect of what you saw today? I think our passing game was good in the first half. He (Groh) looked like he was sharp; we dropped a couple but I guess you cant catch them all. Other than that I don't know. Big plays won the game for us today.

They (Wake Forest defense) ~~made us~~ played us to stop the run and made us throw the ball.

About Mike Groh's performance - He was right on the money in the first half. The second half wasn't as good.

#### NOTE ON TODAY'S GAME

Mike Groh passed for 335 yards today against Wake Forest. That is the second-highest total in a game in school history. Shawn Moore passed for 344 yards in a 41-38 loss to Georgia Tech in 1990.

Wake Forest at Virginia - Charlottesville, VA September 30, 1995  
Coaches Quotes:

Wake Forest Coach Jim Caldwell-

(In response to this game being the best his team has played all season)  
I don't think we played that well. We made too many mistakes. We did not play as well as we played last week. If we had this discussion might be occurring with respect to a different outcome.

(Discussing Brent Morehead's strip of Mike Barber at the end of the half)  
That was a great play. If he doesn't make that play they go in for a score. We were able to go into the locker room and regroup. It gave us a shot.

We didn't try anything different on defense. We wanted to stop the running game and make them throw more. If we did that we thought we could win. We were in our basic defense most of the game. We just executed and made the tackles.

In the second half we came out and played good defense. Then we scored on the first drive and that fired up the defense some more. We had Virginia doing they aren't used to doing for a stretch. They're a good team and were able to execute well.

Wake Forest Notes:

Rusty LaRue's 70 yard pass to Braswell was the longest of his career and the 5th longest in school history. His 277 yards passing is a career high as were his 28 completions and 44 attempts.

John Lewis has scored 5 TD's in his last 2 games including 2 today.

Mike Strazzeri's 60 yard punt is a career high.

John Lewis' 56 yards rushing is a ~~career~~ career high bettering his previous mark of 41 in each of the past two games.

Marlon Estes 10 catches is a career high.

VIRGINIA COACH GEORGE WELSH

My heart's not ~~gsk~~ going to take many more like this.

(ON his thoughts when the score was 21-3) I was thinking that it was early in the game, that we should try to cut it by the half. Getting that touchdown from Allen was a big one. I don't think we played any better after ~~it~~ that necessarily, but it's a touchdown when you're backed up.

(On what was said at halftime) The players were more upset than I was. I was happy it was only 24-13. That's nothing these days. The only things I preached at halftime was execution and hang onto the ball.

(On Virginia's deep passes) They had been vulnerable to passes over the middle, not the deep balls. But we couldn't complete anything over the middle. We either got it intercepted or dropped it.

We had trouble blocking them. Granville played great. I saw his number all day. Holsey played well, and their ends played well for a half. We had trouble running the ball, but I think they got ~~xxxx~~ worn down.

(On Tiki Barber) He got a lot on his own. He saw the holes, broke tackles. That touchdown on the short pass was something. That's what a great back can do for you.

(On his 150th win) I'm happy. I didn't think I'd get it at this level. ~~xxxxxxxxxxxx~~ I had a lot of help along the way. It's very satisfying. ... Now if ~~gsk~~ we can win 10 games a year for the next five years, I'll get to 200.

DUKE COACH FRED GOLDSMITH

(On the start of the second half) I thought that we had to move the ball. The first five minutes of the third quarter are very important. Not only did we take the ball and not move it we turned it over to them in great field position. We still had a three point lead but couldn't hold it. I felt we still had a good shot when we made the score 31-~~20~~30 but we gave up two easy ones. We didn't want to play too conservative. Sometimes it works and sometimes it doesn't and this time it didn't. It was a toss up going into the fourth just like last year but we didn't make the plays. ~~We~~

We had the lead 21-3 and it was thrid and long. We busted the coverage and they got a big play. If we hold and they are forced to punt things could have been different. Virginia is a good football team. You have to give them credit.

I thought our kids played hard. I asked them to to play hard and get better which they are doing. I saw some intensity and togetherness out there that has been missing. They played better today than all of 1995. I think we will continue to improve.

(On Duke's big plays) We have trying to get big plays all along. I wish we had hit more today. I thought we came up with some ~~gsk~~ big ones. We had one in the fourth. Spence did a heck of a job.

(On Nose tackle Bernard Holsey's injury) Bernard is 6-4 280pounds and runs a 4.8 forty. When he goes out you go from a pro prospect to a rd-shirt freshman.

I thought we did a good job of tackling. There were 1 or 2 times when we were out of position. Barbe r made some nice cut backs for them. You have to credit UVA. They ran the ball well enough in the second half to keep us off balance. We did a pretty good job in the first half. We were able to get them into pretty ~~xxxx~~ sure passing downs.

I thought we had a spark today that was missing. This is the first time since the Florida State game that we played with this kind of intensity. Everyone was involved. The offense, the

COACHES' QUOTES-----FLORIDA STATE AT VIRGINIA-----November 2, 1995

VIRGINIA COACH GEORGE WELSH

The defense won the game for us. Offensively we didn't convert when we were in clost. We should at least have had two more field goals. We hung on. I thought sure we were going to lose it. Honest to God, I thought, "Oh, my God, another one." But we just had enough left at the end to stop them.

I think we had a real good game plan, although I don't think we executed it very well in the second half. We needed to do some better things in the second half on offense. I think we knew just what we wanted to do against them, and a lot of the things were working. They started to take some things away, but we did not adjust.

I know they had a lot of yards, but the bottom line was 28 points. I thought that was an almost impossible task. I think the three-man line with the four linebackers in there helped us a lot. They got a lot of yards and they're probably going to think they should have had a couple more touchdowns, but that's the way the game is played. I think the plan was sound and the time to prepare helped.

~~xxxx~~ If Garcia doesn't make a couple of those, we don't win. And one of them was a long one. Brice was great punting, just super.

Defensively we played about as well as we can play against ~~xxxx~~ that offense. We made the interceptions and we kept them out of rhythm for a long time in the second half. He got it back in the last six minutes. That one drive was less than a minute for a touchdown. That's why they're so dangerous.

Offensively, we could ~~xxxxxxx~~ have helped ourselves a lot.

The crowd helped a lot. I think ~~xx~~ they (FSU) had trouble hearing. One of the differences in their offense this year is that they're snapping the ball faster. They really are. Last year as I remember they were taking 15 or 20 seconds. The ball was getting off this year in 5 or 10 seconds. I think the crowd slowed them down a bit.

(Possibility of ACC championship) At least we can tie. After all that's happened to this football team this year, I think they deserve this one. Now ~~wexxxx~~ have to get it cranked up. I'm glad its a Thursday night game.

COACHES' QUOTES-----FLORIDA STATE AT VIRGINIA-----NOVEMBER 2, 1995

FLORIDA STATE COACH BOBBY BOWDEN

It was a heckuva football game. I thought we'd beat them. I knew it would be a heckuva struggle. I thought we'd wear 'em down. We did keep them from getting a pass rush, but we weren't hot enough. I thought we might pull it out, but they wouldn't let us in.

That's a good football team. They could easily be 10-0. Lost at Michigan, lost at Texas, lost at Carolina. That's a good football team I saw out there.

(Using anger at polls as motivation) It's not something you can build a plan on. You hope your kids respond to something like that, but you can plan around it.

The conference has taken too much of a blistering. We've got the kind of team that when we explode, we can really rack 'em up. When we don't explode we're just a good football team. That's what we were out there tonight.

(On whether this loss knocks them out of the national championship) I would think that probably knocked us out. Meyer say never, but it makes the odds really against us.

They're kicking game was something. They put us in a hole with their punts. They didn't miss a field goal. That's the game.

(On the crowd noise) I think there were some communication difficulties, but I don't think it cost us the game. They made more noise than I thought they could.

The defense played better in the second half. Held them to two field goals, but we couldn't make the plays.

This is no different than the last eight years. We've managed to lose a game in midseason. But we've always been able to bounce back.

VIRGINIA COACH GEORGE WELSH

I never thought we had it. It can't get away if you don't have it. The interception Todd White made at or near midfield with a couple minutes to go should have been the difference. ~~I think in the long haul the kicking game really hurt us today.~~ But we just couldn't convert.

I think in the long haul the kicking game hurt us today. Not just the low punt snaps. We lost field position. Between that and the penalties in the kicking game, it really hurt us a lot.

(On the timeout before the last play) We were trying to decide what play we wanted. In hindsight I think we should have thrown the ball in the endzone. It would have been a 57-yard field goal. It's too far to expect him to make that. We were trying to get 5 or 6 yards out of it and get out of bounds. If we executed it, we think we can get out of bounds with one second to go. The game didn't come down to that. The game came down to what happened in the second half, especiall the fourth quarter. Field position and the kicking game hurt us. We don't convert. We tried to kick a 47-yard field goal and that's not too easy, and with a little breeze going there. We needed to be a little bit closer.

(On the timeout before Garcia's FGA) We took a timeout because the ball placement was over 8 yards deep and that's too deep. When I saw it we weren't organized. It takes longer to snap it and we're vulnerable from the corner. So we had to take a timeout there. Yeah, it hurt, but a lot of other things hurt, too. The kicking game caught up to us. It was a plus in some of our wins, through most of the season, but it's turned sour the last couple of weeks.

(Jeffers and Crowell out) It didn't help because they're both in the same position. When we're in three wideouts, we like them both in the game. But we've won without Jeffers before. You can overcome that maybe, but when somebody else in the same position goes down, you're hurting.

You've got to accept things like this. It's part of football. We've played a lot of close ones this year. We've won a couple and we've lost a few. It's part of the game. We had our chances to win and we didn't do it. We didn't convert on offense when we needed to convert, then we have them fourth and ten and we let them throw the ball in the middle. So give them credit.

VIRGINIA TECH COACH FRANK BEAMER

That's a heckuva finish for a heckuva football team. I'm proud of our players and our coaches. We beat a good football team. I have great respect for Virginia. But I'm very happy for our football team and our fans and our program. This is a win we wanted very badly and we needed.

(On Virginia's last play) We didn't know if they were going to try to lob it up to one of their tall receivers or try to get out of bounds with maybe a second left on the clock so they could try a field goal. But we doubled their wide receivers and it worked out well for us.

(On Tech's lack of offense in the middle of the game) I can honestly say that mostly it wasn't Virginia. It was us. That's not to take anything away from Virginia, but I think when we go back and look at the films, we'll see that if we'd executed like we're supposed to we would have been successful.

(On changes on defense in the second half that stopped Virginia's passing offense) Virginia didn't do much running in the first half, but they were able to run the ball a little bit in the second half. We didn't change much. It's not what you change at halftime. It's what's down inside the players, and in the second half we made some plays.

(On the touchdown pass to Holmes that put Tech ahead) Rickey Bustle called that play. We let Jim (Druckenmiller) call most of the game, but we sent that one in. They've got a very aggressive secondary. We thought if we had time to throw, and we did, we could make the plays.

Any time you beat a team in state, where there's a lot of pride, it's important. Usually you've got to get on to next week, but I think this one's going to last for awhile. It's another significant win for a program on the move. Some teams have been there for awhile, but we're a team on the way there.

We've got an exciting team with a great following. If they get down a few points, don't give up on them. I don't see why a bowl wouldn't be interested in us.

HEAD COACH RAY GOFF  
GEORGIA QUOTES

"Obviously, I'm disappointed in the outcome of the game. These are good guys and good kids who fought their butts off all year. Too many times, we came up a little short.

"We put ourselves in a hole and special teams killed us all night. There were also some silly plays and penalties that hurt us.

"This team is going to be successful next year, and I'm excited to follow them and listen to them on the radio."

GEORGIA LINEBACKER WHIT MARSHALL

"We obviously were very disappointed because we had a chance to win. It was a really emotional game for the seniors. A lot of things have happened over the last month that haven't been too exciting. This game was something we all got excited and anxious about."

GEORGIA QUARTERBACK HINES WARD

"The special teams plays really killed us tonight. We had a great chance to win the game after Jason (Ferguson) returned the fumble. Virginia's a great team, and I tip my hat to them."

## GEORGIA POST-GAME NOTES=

QB Hines Ward was 31 of 59 for 413 yards, 2 INT, plus he had 9 rushes for 56 yards, giving him 469 yards of total offense. He set Georgia bowl records for pass attempts, completions, Yards Passing and Total Offense. The previous high for attempts was 31 in '92 by Eric Zeier; completions was 21 also by Zeier in '92; Yards Passing and Total Offense was by Frank Sinkwich (243 and 382) in the 1942 Orange Bowl.

SB Larry Bowie also established a Georgia bowl record for Yards Receiving and Receptions with 10 for 156 yards.

Georgia is now 15-14-3 in bowl games and 1-2 in the Peach Bowl.

Kanon Parkman set Georgia bowl records for Most Field Goals with four and also points kicking with 13.

Georgia's streak of 18 consecutive wins over non-conference opponents was snapped tonight. Prior to that, the last loss came to Georgia Tech in 1990.

Georgia is also now 1-6 in domed stadium. The only win coming in 1980 for the national championship in the Superdome in New Orleans.

The series with Virginia is now tied 7-7-3.
